Editorial 002

Dean Garbett keeps his ball after winning another two races this week, taking his tally to five. Congrats Dean. As you know usually if a football player scores a hattrick he keeps the match ball. With Dean winning all three rounds at the first Carrera Digital meeting in January reference was made to this. Dean promptly went out and bought the ball shown on the front cover. We need to decide if the ball is passed on if someone equals Dean's hattrick or beats him on race wins. We will have to discuss.

Thanks to everyone for attending on Tuesday night, with 18 racers we had three full races in every round. With 19 members, unfortunately **John Lamb** couldn't make it due to Covid this week, we may have to run four races per round if everyone shows up. If so, we will probably only be able to run two rounds that night. We must therefore make the max number of Carrera Digital racers 24 so we don't have to run more than four races per round. If F1 can run 20 racers I'm sure we can max out at 24!

Congratulations also to **Phil Rees** for becoming the only other racer to win on Carrera Digital Night, will there be more first time winners in March? **Lee Pateman** also beat Razor's Sebring Fastest Lap record in Round 5 so took Pole into Round 6 and will do the same for Round 7. Congrats Lee.

Finally welcome to our two newest Members **Jono Johnson** and **Martin Thorpe!** **Nick Sismey**

2. More Carrera Digital tests in Phil Rees' man cave

There were seven of us (one over the limit so I left early) in **Phil Rees'** man cave on 8Feb22, with **Richard Booth, Dean Garbett, Simon Goodlip, Stuart Gray, Lee Pateman,** and myself being hosted by Phil and Bryony. Car set up was discussed and managed together with plenty of practice on the 80' track.

Then on 11Feb22 **Chris Cooper** joined Phil and I there for a similar set up on Friday afternoon. I'm sure everyone went home happy, ready for racing this week. Thanks Phil.

POYNTON'S PASTIMES

EST 1848

Hi everyone, first of all, I'd like to say thank you to DHORC for letting us put a page in the magazine.

We are a family run business which was established in 1848 as a Newsagents before opening a stall in Derby Market hall back in 1866, as well as having various stalls dotted about over time in the surrounding area.

Due to the restoration work currently taking place on the Market Hall, we are now based at Park Farm Shopping Centre in Allestree where we are still primarily a Newsagents but also sell jigsaws, Models, Scalextric, Carrera, Hornby and much more.

Aston Martin Vantage GT3

BMW M6 GT3

McLaren 720s GT3

Above is a selection of the Carrera Digital Carrera Cars we currently have in stock these will also be available to buy on the Carrera race nights as well.

3. Jono and Martin join DHORC

Welcome to two new Members to DHORC, **Jono Johnson** and **Martin Thorpe**, who both used to race 1/32nd at Quorn alongside **Steve White** and **Richard Hill**. Now all four of them race at DHORC in the Carrera Digital Championship taking our total 2022 Membership to 29.

DIGITAL 132

15th February 2022

Angus Smith did a great job at Scrutineering

Phil Rees explains 2-minute Qualifying to Stuart Gray (18th on the grid), Martin Thorpe (17th) and Jono Johnson (15th), as they were the only three to have not yet qualified.

Rees takes maiden win in largest field to date

Phil Rees took his maiden Carrera Digital win, breaking **Dean Garbett's** strangle hold on victories, from third on the grid, beating 17 other racers, our largest grid yet. From Group A he beat Group B racer **Lee Pateman** by a mere 0.5 Laps to become the only DHORC Member to have won both an HO and Carrera race in 2022. **Nick Sismey** followed Phil home in the Group A race, to take third, with all three taking their best results to date.

Motor problems saw our Championship leader, Dean, only complete 25.5 Laps, taking 17th at the flag, with only **Chris Cooper** unfortunately having more problems, stopping after only three Laps!

As we move through the first few Carrera Digital races we will get to see where everyone falls into place (see Best Carrera Digital Position Records on Page 37) so we can then commentate on improved scores as folk move up the charts!

15th February 2022

Steve White took his first Podium with third in Round 5

Garbett back to winning ways

Dean Garbett was back to winning ways in Round 5, beating Pole Position man **Angus Smith** by 2.6 Laps to take his fourth career victory with his Pink Pig Porsche 911. **Steve White** became our sixth podium visitor of the night with his best result of the year, third, just 0.3 Laps behind Angus.

Lee Pateman, DHORC HO's all time Fastest Lap record holder set a new Carrera Digital Sebring track record in Round 5 stopping the clock at 9.479 seconds. This beat existing record holder, the absent **John Lamb**, by 0.154 seconds, giving him Pole Position for Round 6.

Unfortunately, **Phil Rees** set a new race record of just 0.3 Laps after he broke a wheel in a coming together with another car on the first Lap. From hero to zero in one race, he will be back.

Dean kept the ball after 5th win!

Dean Garbett is certainly the king of Sebring taking his fifth win from six starts. This means he keeps the ball (see front cover) he bought until someone else beats him! Angus Smith took his third second place finish, just 0.5 Laps in arrears while Pole Position man Lee Pateman paid his second visit to the podium with third just over a Lap further back.

We go into our third and final evening at Sebring on 22Mar22 with Dean leading both Championships. Can anyone knock him off top spot then or will we have to wait until the new Sakhir track in April for anyone to make inroads into his lead?

Circuit History

Sebring International Raceway is a road course auto racing facility in the south-eastern United States, located near Sebring, Florida.

Sebring Raceway is one of the oldest continuously operating racetracks in the U.S., its first race being run in 1950. Sebring is one of the classic racetracks in North American sports car racing, and plays host to the 12 Hours of Sebring.

The raceway occupies a portion of Sebring Regional Airport (an active airport for private and commercial traffic that was originally built as Hendricks Army Airfield, which was a World War II training base for the United States Army Air Forces).
