Part 1

Three winners from three Groups! What an Evening of racing with two new winners together with my first win of the year. It was great to now have six winners this year with **Lewis Blacker** and **JJ Hughes-Dowd** joining me on that list. I know we had the Wi-Fi issue and so had to make a quick decision to keep the Evening running by deciding that all had to use full brakes, but it did shake up the order somewhat. It is all back up and running now so normal service will resume at Le Mans.

A big DHORC welcome to our three newest Members that all joined on Tuesday. **Mick Smith** and son-in-law **Lee Patterson** joined after **Phil Rees** and I met Mick at Roger Barker Slots, while **Andrew Staniec**, another former Quorn race, met **Steve White** at Tesco's and was encouraged to come along.

This magazine, like Issue 14, is so large we have again had to split into two Parts – enjoy!

2. Easter trip to Roger Barker Slots – 08Apr23

Phil Rees and I made a trip to Roger Barker Slots at Sutton-on-Trent on Saturday 08Apr23. It was certainly busy with over 70 visitors during the day. There was an egg hunt where the winners received £10 off what they bought as well as a free raffle.

We even picked up a Carrera Digital extension pack which was approximately 50% cheaper than its component parts, if bought separately. On top of that we also met up with **Mick Smith** who was

buying up whatever Carrera Digital track he could find as he is looking to build a new track at home. In addition we also met up with **Jon Roberts**. They may well come along to our Road Atlanta Test to see what is the art of the possible.

3. Thank you IONOS – our website hosting company.

Great news! I called up IONOS, who host our www.dharc.co.uk website, as we received an e-mail from them saying our monthly fee was going to go up from £8.44 to £14.06. I was concerned with the 40% hike in costs! Not only did they agree to forego this increase, they said that as we have been a long term customer (since 2012) they will also cancel the £8.44 a month. This means we just pay the annual £68.27. Thank you IONOS, what fantastic support for our little club!

4. Andrew Woodhouse testing in Phil's man cave.

Andrew Woodhouse, who races at the HO Club Nights with sons Ellis and Jenson, had his first experience with the larger Carrera Digital cars in **Phil Rees'** man cave on Thursday 13Apr23. He is hoping to join us at the Road Atlanta test on 18Apr23.

5. Hump re-introduced to Le Mans Mulsanne straight.

They may have taken the top off the hump just after the kink at the real Le Mans, following a couple of car flips. However we have re-introduced it for our Le Mans. It will be situated where the red oval is shown below. Should make for some interesting racing!

6. DHORC's Sakhir springs up in Trois-Rivieres!

How about this? **Pascal Lafreniere** from Trois-Rivieres in Quebec, Canada, sent me an e-mail about the Slotcar Québec/Canada Club who ran a replica of our Carrera Digital designed Sakhir circuit for a 3-hour race! They even used a picture of our circuit to advertise their event. They ran Carrera Digital GT cars like ours but with both magnets in compared to us just running the rear magnet.

7. Pascal Lafreniere's home track

Pascal, who helped to run the Sakhir 3-hour race mentioned above, also has a very nice 74 foot three level Carrera Digital home track. He speaks little English, and I speak virtually no French, but we were able to understand enough to cover both subjects.

8. *Stuart's Road Atlanta track supports.*

Thanks so much to **Stuart Gray** for sorting the Road Atlanta track supports. Looking forward to seeing them doing their stuff on 18Apr23 at the Test.

9. DHORC at the Donington Historic Festival

A big thank you to the DHORC Members who supported the Donington Historic Festival over the weekend of 29/30Apr23. **Phil Rees** and **Dan Hughes-Dowd** did both days while **Lewis Blacker**, **JJ Hughes-Dowd**, **Darryn Mutch**, **Caroline** & **Steve White** supported Saturday, with

JT Hughes-Dowd, Laura & Dave Edwards, John Lamb and Liam Smith supporting Sunday.

With over 500 racers taking to our track over the two days the event was one of our most successful at Donington Park since 2017.

On display at the Donington Historic Festival was a full-sized replica of Ayrton Senna's helmet made of nearly 50,000 Swarovski crystals, to celebrate his famous win at the European Grand Prix at Donington Park 30 years ago.

Over the weekend we had four Adult leaders, recording the most laps in 2-minutes, with **James Bostock** top of the leader board at the end of play on 14.6 laps.

There were two Junior leaders with **Jackson Fry** (not shown) leading the way for the Juniors on 13.8 laps.

A fantastic weekend let's hope we are invited back in 2024.

10. David, Mick, Lee and Andrew Testing at Phil's.

David and Mick Smith, together with Lee Patterson and Andrews Staniec (the latter three all new Members) were testing at Phil's man cave on Friday 05May23 ready for the first race at Road Atlanta. David actually can't make that race as he works late during the week but will run as a Non-member at the Le Mans race on 3Jun23, when Lee is away on hols. Thanks for helping them all out Phil.

11. Apologies for the Wi-Fi issues at Road Atlanta

Thanks to all for working with us on Tuesday night when we had to race without Wi-Fi. We had never had this situation before and made the decision to run full brakes for all as we believed most people ran full brakes. We were therefore surprised to find out how many of you didn't. In hindsight we could have probably run full brakes in Round 13, half brakes in Round 14 and no brakes in Round 15. That is what we will do if we have the same problem in the future.

Rob Bright, right below, came in to try and fix it. He proved it wasn't any of the devices in the room, then (talking to him on Thursday night) he found out on Wednesday that in fact it was a wire he hadn't replaced in the correct slot in a new board he had fitted the previous week. He and **Darryn Mutch** tried to set something else up on Tuesday night but that didn't work unfortunately.

I'm pleased to say when I visited on Thursday I confirmed it was back up and working, so we are all good for Le Mans on 2/3Jun23. We are also looking at having our own back up router for the future just in case.

Looking forward to our Le Mans test on 02Jun23 followed by our first races on the French circuit on Saturday 03Jun23, which hopefully will see our biggest grid to date with seven Non-Members in attendance. Overview

Road Atlanta became an instant success on Tuesday night. New Member **Mick Smith** was the first to put some laps on the track as he hadn't run Carrera Digital before so needed some practice. Having only run Scalextric previously he was amazed just how smooth the track was and how nice the cars drove. The undulations **Phil Rees** built into the track, with the help of **Stuart Gray**, made it even more magical to drive. **Lee Pateman** and many others said it was our best track to date.

HO racer **Andrew Woodhouse** also came along for his first venture into Carrera Digital and like Mick loved it so will be starting his first Club Night on 09May23 alongside Mick and his son-in-law **Lee Patterson**. Lee watched from the side lines on Tuesday, alongside Mick's daughter Liz, who both did their fair share of marshalling. He was also hooked so we will have three new Members at Evening 16. Welcome all.

Dean Garbett also returned to DHORC for the first time since 07Feb23 at the Carrera Digital Imola Evening. For a myriad of reasons he hasn't been able to attend any HO or CD meetings, so it was great to see him back!

Only Dean and **Gary Skipp** didn't manage to get in five off 5-minute test races on the night (their late arrival meant they did four apiece) but the remaining 25 racers all got their full quota in. Initially the first uphill section took a bit of getting used to with cars taking off and barrel rolling down the long curved downhill section. However that soon curtailed as folk got used to the yump. The most exciting part of the circuit was on the return section where cars were taking off as the track suddenly dipped down towards the sharp Esses at Turns 10A and 10B.

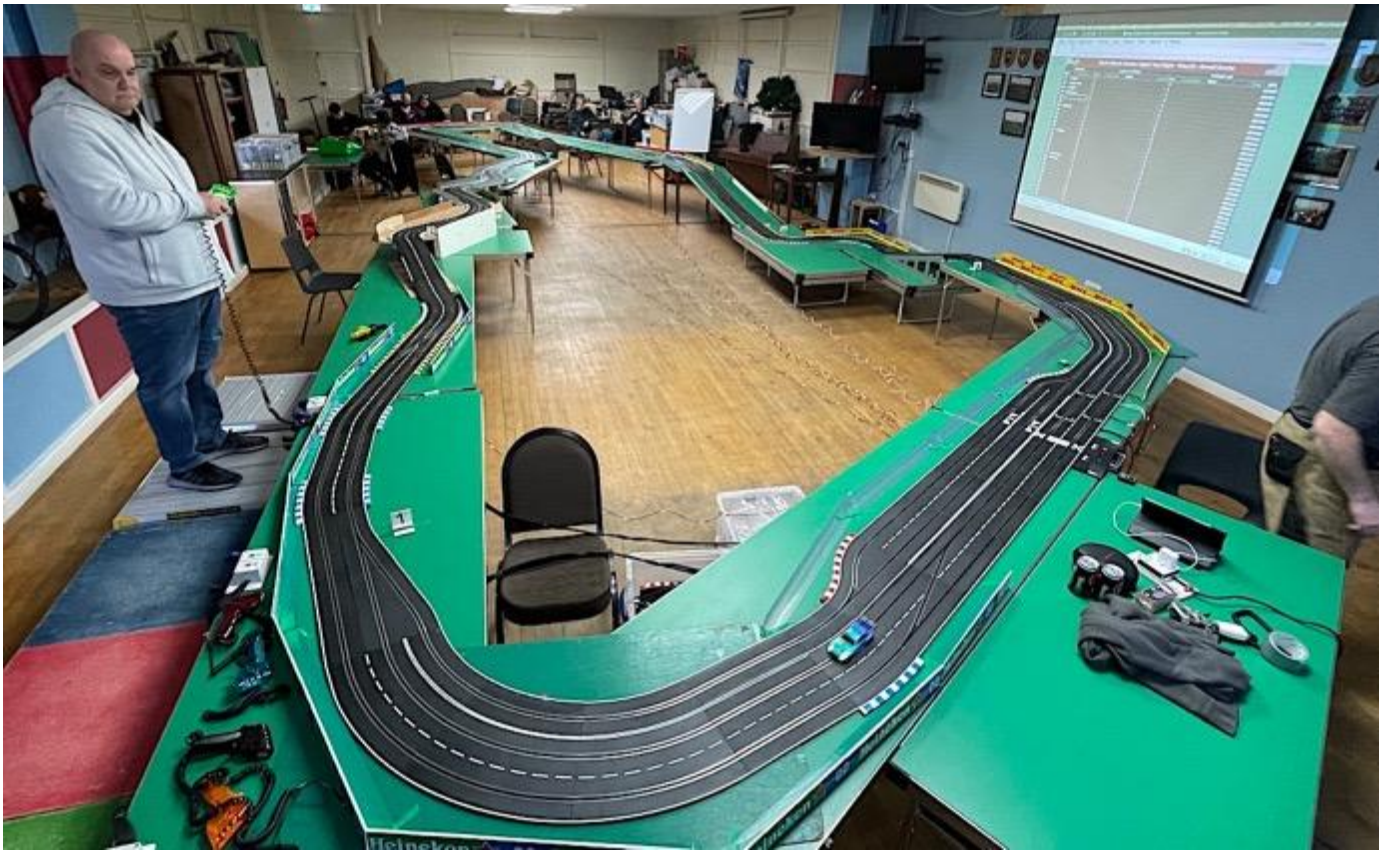

There were some enormous crashes going into 10A, especially if folk hadn't got full brakes switched on, on the SmartRace Connect App. It was almost impossible to stop without it! We will move the barrier back at the foot of the hill for the Club Nights.

Also you had to practice getting into the pits with the last lane change on the hill approaching the final turn. It will be interesting to see how folk cope on 09May23, there are bound to be some missed pits!

Current Championship leader **Simon Goodlip** set both the Fastest Lap of the night at 8.203 seconds and Pole Position at 8.318 seconds with his Audi, while reigning Champion **Angus Smith** set the most laps in 5-minutes with 32.2 Laps. Will we see our first 100 lap 15-minute race at Road Atlanta? **Steve White** and Angus joined Simon on the Podium after Qualifying.

With the sixth Fastest Lap during the Test being 8.721 seconds we have added the usual 0.2 seconds leaving the 25% extra fuel usage lap time at 8.900 seconds for 09May23.

Thanks all for an incredible evening, I simply couldn't sleep afterwards from all the excitement!

New racer Mick Smith was the first to notch up some laps on the new Road Atlanta
