Editorial 018

Happy 31st Birthday DHORC! Who would have thought when we ran that first DHORC HO race in 1992 we would still be here 31 years later with 668 HO and 54 CD Club Nights, plus 27 HO Le Mans and many, many Corporate events in the books. As I have said so many times before, it is all down to you the Members' with your support. Without you this great club wouldn't be here. Yes **Phil Rees** and I steer DHORC like thrusters on a Space Shuttle, but it is everyone else who provides the main power to keep the club going. A big, big thank you to you all. We have a little something to share with all to celebrate starting our 32nd year. (See Page 7)

Congratulations to **Angus Smith, Steve White and JJ Hughes Dowd** for all taking wins on Tuesday night and to **Daniel Kalyan and Andrew Staniec** for taking all three Group wins for the first time.

Next stop is an all new Evening on 01Aug23 with just two normal 15-minute races on the Brands Hatch GP circuit followed by two brand new 5-minute Sprint Races on the smaller Brands Hatch Indy circuit. Exciting times ahead. **Nick Sismey**

3. Sprint circuits for 2024

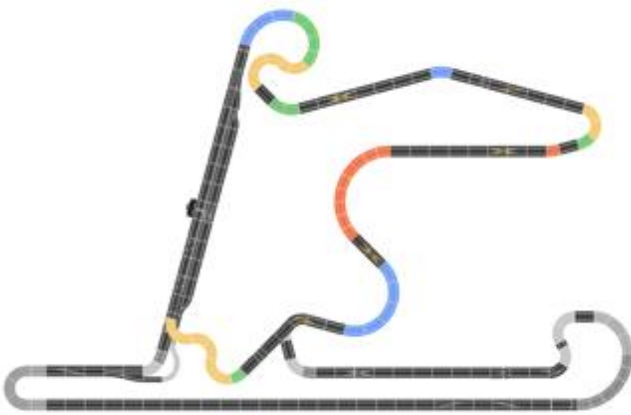

As we have agreed to run Sprint Races in 2023 we have looked at proposed circuits for 2024, utilising the tracks we are running in 2024. Something to be discussed at the AGM.

Shanghai

Shanghai West Long Circuit.

Sebring

Sebring School Circuit

4. New Carrera track.

To make sure we don't have to strip part of the Brands Hatch GP circuit to make the Indy circuit we have bought six more R3 curves.

5. Happy Birthday Bill.

Bill Whitehouse invited **John Lamb** (and **Macaully Dutson** last year) to run in the Great Barr Slot Car Club's team in the last two DiSCA Oxigen Le Mans 24-hour races, that now takes place in the DL&EV Sports Hall. Bill also runs in the DiSCA/DHORC weekend endurance races and hopes to run with his son **Chris Whitehouse** in our Carrera Digital Le Mans races. Both Razor and I were invited to his 61st birthday party held at his club on Saturday 08Jul23.

**Bill prepared Racer Sideways Bentley Continentals colour coded to the track lane colours for family, friends and fellow club Members to all to use.
Note: Their lane colours correspond to our HO lane colours**

Razor and I did our fair share of marshalling. The cars ran without magnets and just like DHORC HO each lane, controller and car were different.

Chris Woodhouse kindly presented Razor with a belated 2023 DiSCA Oxigen 24-hour Le Mans trophy for being part of the Great Barr winning LMP2 team, below.

Chris also won the event on the day, being presented with the trophy by a proud dad.

6. New Race & Sprint Race Groups for 01Aug23

Following Tuesday night's Races the Race Groups have been tweaked as follows for the two 15-minute Brands Hatch GP Races on 01Aug23. The next page shows the four car Race Groups for the new 5-minute Sprint Races that will be run on the Brands Hatch Indy circuit later that night.

Overview

Thanks to the 22 racers who took part in the Brands Hatch GP circuit test on 20Jun23. After the undulations of Road Atlanta it was strange to be back on a flat track again. We did have to take a couple of straights out of the track to make it fit in the room more easily, although we did have to add a couple of ¼ straights. So the track length has reduced from 138' to 136'4', still our longest track by six inches!

It is certainly a quick track, with the exception of Druid's Hairpin and the tricky chicane after Dingle Dell that caught out many. **Simon Goodlip** was top of all of the tables including Qualifying, congrats Simon. **JJ Hughes-Dowd** and **Steve White** were second and third respectively, nice one chaps!

Test Night

Brands Hatch Indy - 20 Jun 23

Overview

We dropped down to 19 racers when we changed over to the shorter 64'4" Brands Hatch Indy circuit. The first thing that we became aware of was just how busy the track was with five cars running round, let alone six! Marshals were kept very busy, and it was difficult to replace a car before the next one came along. Some of us clearly didn't enjoy it as much as the larger track while others loved it. This time **Steve White** recorded the most laps and Pole position while **Simon Goodlip** set the fastest lap. **Lewis Blacker** and **Angus Smith** were second and third respectively in Qualifying. Congrats all.

Further to the concerns mentioned above we ran an anonymous pole, the next day, as to whether we should continue with the new proposed 5-minute (no fuel stops) Sprint Races or can them altogether.

It was intriguing waiting for the responses to come in. Gut feel was that we would scrap them, however by mid-afternoon the score was 7 for and 7 against!

It was then a matter of waiting for those who couldn't reply until after work. The 15th and 16th responses were for the motion, so we only needed one more "yes" to carry the motion as we were at 9-7 with the first to reach 10 votes being the winner.

Just after 5pm the next WhatsApp message came in and that was also in favour of running the Sprint Races. This made it 10-7 so the motion was carried. The penultimate response late Wednesday and last early Thursday morning just strengthened the motion, making it 12-7. Clearly our gut feel was totally wrong!

As suggested by **Mick Smith** we will restrict the grid to four cars for Sprint Races and allow all, as suggested by **Angus Smith**, to use a different car than the one they use in the longer races if they wish. The spreadsheets have already been tweaked ready for 01Aug23. Half points will be awarded for race results as well as Race Group finishing positions. We will also run both races for each Race Group consecutively to save time. Looking forward to seeing how these two Sprint Races go. Of course if folk wish you can opt out of these two races you can.

I have to quote someone's response to the anonymous pole.

"Hi Nick, I'm glad we're going to keep the shorter track race, it's quite a different race and must be very like people's home setups. The three suggestions of 4 car races, different car for small races and half points all excellent ideas."

Daniel Kalyan won all three Group D races on the night.

Angus Smith gathering the cars in Parc Ferme as Lewis Blacker looks on.

Angus returns to winning ways

All time race win record holder **Angus Smith** added to his win tally at the first Club Night of the Evening notching up his 20th victory, with his new Ferrari. His last win had been way back on 28Mar23. Despite not recording a lap in the one lap shoot out Qualifying, which left him in 17th on the grid, he recorded a record 34th fastest lap, equalling **Simon Goodlip** on seven fastest laps for the year. **Steve White** was closest to Angus at the flag, although even he had to concede a lap every five minutes to our reigning champion. In fact there were more laps between first and second than second and sixth such was Angus' winning margin!

Dean Garbett, having never run on the Brands Hatch GP circuit, did incredibly well to take his dominant 2002 race winning Porsche 911 Pink Pig to third overall, just 0.7 laps down on Steve. Simon's back to back Poles made it ten career front row starts. He set Pole in Qualifying at the Test Night, being the only racer to get under the 10 second barrier. He would certainly have been closer to a podium place in the race had his Audi not had its guide blade pop out after an off.

Round 19

Brands Hatch GP 

04 July 2023

 	 	 
2nd Steve White	1st Angus Smith	3rd Dean Garbett

Son Tom Gray, dad Stuart Gray and brother-in-law (insert) Richard Booth all won Group C races at Brands. Stuart also helped initial set up at 10:00 hours – thanks Stuart.

Gary Skipp was running a DTM BMW this week, instead of his Porsche 911. Any thoughts that that would slow him up were soon erased as he took fifth finishing on the same lap as Simon. **Nick Sismey** almost made it an all Group A top six for one of the first times, however **Martin Thorpe**, in Group B, had other ideas matching Nick on both laps and tenths. Our youngest racer, 12-year old **JJ Hughes-Dowd**, warmed up with an eighth place finish after equalling his best ever grid slot, second. He would also set the third fastest lap time.

Phil Rees would make it three Group B racers in a row with ninth, a lap behind JJ and 1.3 laps ahead of Group C leading contender **Tom Gray**. He, yet again fought out a thrilling family affair, beating Uncle **Richard Booth** by 0.8 laps and dad **Stuart Gray**, who took 12th, by 1.3 laps. Tom and Stuart were only separated on lap times by 0.036 seconds! To top that Stuart had also taken his best ever Qualifying spot with eighth, two better than his previous best on 25Oct22. What a racing dynasty!

Another racing family dynasty are the Kalyans. **Jag Kalyan** made it four Group C racers in a row beating son **Daniel Kalyan** by a mere 0.2 laps. Daniel had made good use of his Audi R8, having been breathed on by Simon, to take his second career Group win, beating two Group C racers in the process. **Dave Edwards** didn't have the pressure of trying to beat born again racer Laura Edwards as she had hurt her ankle/foot and therefore had to pull out of the meeting – get well soon Laura. Dave took 15th 0.7 laps behind Daniel.

Andrew Staniec was back for his second Evening of racing after missing the Brands Hatch Test. Despite this being his first taste of the Kent circuit he went onto win Group E, his first Group win! **Liam Smith** was also back after missing a couple of Evenings. He powered his red AMG Mercedes into 17th a smidgen behind Andrew. This would be **Lee Pateman's** best result of the Evening with his troubled Audi R8. Tyre problems amongst other things restricting his performance, 1.3 laps behind Liam.

Both **Mick Smith** and **Dan Hughes-Dowd** shared D2 and 19th overall, on 61.7 laps, 0.2 laps behind Lee. Mick's 14th in Qualifying usurping his previous best of 15th on 09May23. **John Lamb** was second behind Andrew in Group E and 21st overall. Both **JT Hughes-Dowd** and **Lee Patterson** in 22nd and 23rd respectfully broke personal bests in the first Club Night of the Evening. JT's 12th on the grid beat his previous best of 13th on 17Jan23. Lee broke two PBs with 15th in Qualy (21st – 09May23) and setting the 20th fastest lap (21st – 12Jun23). Progress upwards continues!

DHORC-CD 47 winner **Lewis Blacker** had a nightmare start to Evening 18 having to replace a motor in his Ferrari during the race. This left him nine laps shy of the next competitor in 24th and final place.

The Brands Hatch GP circuit was new to both Andrew Staniec (above) and Dean Garbett as they missed the Test Night. Andrew won all three Group E races, while Dean took home two podiums.

Round 20

Brands Hatch
GP

Carrera
DIGITAL 132

4th July 2023

We had three racers in the Early Group E with Andrew, Macaully Dutson and John Lamb running three (Macaully actually only ran in the second two) consecutive 15-minute races at 17:00 hours. Razor also did a great job helping initial track set up from 10:00 hours.

Simon Goodlip running Race Control and trying to fix Lee Pateman's car.

Steve conquers winless drought

Steve White made it back to the top of the pile after 14 Club Nights without a win. Unusually the second Race of the Evening was won with less laps than the first. But Steve didn't care, from sixth on the grid he took his fifth career win by 0.7 laps from an ever improving **Dean Garbett**, Steve's fastest lap being 0.131 second quicker than his Qualifying time. Both he and Dean became the 5th and 6th racers to record sub 10 second lap times. These two had been on the podium in both Races, Dean now needing a win and Steve a third place in the final Race to capture all three podium placings in one Evening!

Phil Rees recorded his best result of the year (although you wouldn't know it below! 😊) taking his yellow Audi R8 to third, 0.4 laps behind Dean and 0.4 laps ahead of Championship leader **Simon Goodlip** who took his second consecutive fourth place. Phil's Group win gave him nine valuable points towards his Group Challenge lead. Both his and Simon's lap score would have been good enough for second in the previous Round. **Lewis Blacker** bounced back from 24th in Race 19 to fifth here in a much closer fought out contest. Just 0.9 laps covered 4th to 9th. He also set the third fastest lap of the Round, one better than his previous best on 22Nov22.

Round 20
Brands Hatch GP
04 July 2023

<p>2nd Dean Garbett</p>	<p>1st Steve White</p>	<p>3rd Phil Rees</p>

Group B was first up at 18:00 hours as we awaited others to arrive, with Lee, Phil Rees, Lewis, Martin Thorpe and JJ Hughes-Dowd.

Just 0.2 laps behind Lewis was **Angus Smith**, dropping five places from Round 19, but taking a record 30th Pole. Another 0.2 laps back up the road were Evening 17 winners **Gary Skipp** and **JJ Hughes-Dowd** who found themselves sharing seventh overall. JJ also recorded his first ever fastest lap beating his previous best of second from just under a month ago on 13Jun23. **Martin Thorpe** found himself in ninth. One more lap and he would have been fourth! Unusually his fastest lap was just under the extra 25% fuel usage time of 10.350 seconds, with a 10.297. He would rectify that in Round 21, just!

Nick Sismey was one of three racers in the Round who matched their previous Rounds' score! His 75.2 laps left him in tenth three places lower than Round 19. **Stuart Gray** went one place better overall than in Round 19 with 11th here. More importantly he won the family contest this time, beating son **Tom Gray** by 0.2 laps. An inch is a good as a mile as they say! You could see that Stuart was so relieved as the flag dropped as fellow Group C racer **Jag Kalyan** was only another 0.1 laps further behind in one of the closest races of the night. To cap it all Stuart's 11th place finish was a career best, beating his 12th place way back in DHORC-CD 5 on 15Feb22, when there was a smaller and less experienced field around him. He also scored the most Group points of the Round with ten. Nice one Stuart!

Richard Booth made it four straight Group C racers in a row with 14th while **Daniel Kalyan** took his first ever back to back Group win, bagging his third career Group win. Closing out Group C were **Dave Edwards** and **Liam Smith**, Dave on the same lap as Daniel, Liam 0.8 laps behind our Group D winner.

Andrew Staniec followed up on his first Group win last time out with his second here, and like Nick recorded exactly the same laps as the previous Round. **Dan Hughes-Dowd** was our third racer to repeat his Round 19 laps score, also taking 19th overall again. **John Lamb** was the meat in a Hughes-Dowd sandwich as he lost out to Dan by 2.6 laps but beat **JT Hughes-Dowd** by 1.4 laps. **Mick Smith** was the next car on the list, his yellow Ferrari taking 22nd. Tyre issues (Phil recommended a dab of glue) prevented him from equalling his previous Round's lap score.

Macaully Dutson unfortunately missed the first Round of the Evening and to add to that he couldn't find his cars so had to run a BMW club car. His first run on the Brands Hatch GP circuit, having missed the Test Night, resulted in a 23rd place finish. He had the two Lees behind him, **Lee Patterson** on 24th and **Lee Pateman** in 25th. The latter unfortunately had to withdraw from the Race just before he crossed the line for the 24th time as car problems again thwarted his Evening.

Race Report

Round 21

Brands Hatch
GP

4th July 2023

Unfortunately Lee had a torrid Evening. Dean has kindly taken his car home to work on.

JJ takes third win in third consecutive Evening

JJ Hughes-Dowd secured a Group A grid slot for the next Carrera Digital Brands Hatch Evening with this third win in seven Club Nights. His 79.2 laps in the third Race of the Evening set a new track record, JJ's first career track record. This result places him in A2 on the grid on 01Aug23. **Gary Skipp's** 78.7 laps with his BMW also beat the old track record, just 0.4 laps separating him from his second win. He did however set the most number of Group points, 10, for Round 21.

Our earlier winners **Angus Smith** and **Steve White** shared third place this time, both with the third best number of laps at Brands Hatch to date. Steve thus managed all three podium placings in one Evening taking home a Gold, Silver and Bronze. Angus took his record 31st Pole at this Race, triple the number of Poles of his nearest rival. And his three results during the Evening brought **Simon Goodlip's** lead in the Championship down from 67 to 47 points.

Both Lee Patterson (above) and Mick Smith set some PBs on Tuesday night

Dean Garbett wasn't able to emulate Steve's podium success unfortunately. He needed a win to take all three medals, however he took fifth, two laps down on our joint third place finishers. **Martin Thorpe** moved into third place in the Championship with sixth here, playing the strategy game even better this time with a 10.395 second best lap time compared to the 25% extra fuel lap time of 10.350. **Nick Sismey** finally stopped crashing in the early part of a race, which bared fruit as he added 2.5 laps to his previous best score finishing in seventh.

Lewis Blacker was only 0.2 laps off his Round 20 score but dropped three spots to eighth. **Phil Rees** extended his Group Challenge lead by a point over JJ after the three Club Nights on Tuesday, the gap now being 11 points. His fourth in Group B in this Round furnished only three points to JJ's six but other Rounds went Phil's way. It was **Richard Booth's** turn to win Group C this time, after **Tom Gray** and **Stuart Gray** won the previous two, with Richard closing out the top ten, his best result of the Evening. Tom was 0.3 laps further behind however his six Group points took him into third in the Challenge, leap frogging Martin and closing to within a point of JJ.

Simon was keen to make amends for just being outside the podium places in the last two Rounds, and was well on target to achieve that setting the fastest ever lap of the Brands Hatch GP circuit, 9.218 seconds. Unfortunately, while fighting for the lead, he had an off at the far end of the circuit, where a marshal attempted to catch the errant Audi, as it leapt the barrier, only to palm it off across the Table Tennis Room's hard wooden floor. This caused the rear axle to move and lock into the chassis. By the time Simon had freed it up and was back on his way the best he could achieve was 12th. Luckily earlier results in the year means he maintains a healthy Championship lead.

Just 0.1 more laps and **Dave Edwards** would have matched Simon's score in 12th, however he had to settle for 13th, 1.1 laps ahead of previous Group C winner **Stuart Gray** who now, in 5th overall in the Group Challenge, is only 15 points behind Phil. **Daniel Kalyan** made sure of winning all three Group D races by notching up his best score of the night and putting 7.3 laps between him and his nearest rival. Great job Daniel! **Liam Smith** was certainly consistent on the night with two 17th place finishes followed by a 16th here.

Andrew Staniec emulated Daniel by taking all three Group E wins and recorded the most Group Points (23) at a Brands Hatch GP Club Night. His 17th place finish pipped a very proud dad, **Jag Kalyan**, by a lap. We then had the remaining four Group D racers with **Mick Smith** beating **JT Hughes-Dowd** to 19th by 0.4 laps and then **Lee Patterson** beating another proud dad **Dan Hughes-Dowd** by an even smaller margin, 0.2 laps. Lee was 1.2 laps behind JT.

John Lamb beat fellow Group E racer **Macaully Dutson** into 23rd while **Lee Pateman** again had to withdraw his Audi from proceedings, on the very same lap as Round 20, due to technical issues.

Rules & Regulations

1.0 Evenings

Two Evenings run on the same circuit, seven Race and two Sprint circuits in 2023.

1.1 Race Groups

Up to a maximum of four Race Groups of six racers based on Ranking (last 9 Races) with the top six ranked racers in Group A, then Group B, Group C and Group D. If there are less than 24 racers on an Evening then the Race Groups will be adjusted accordingly as equally as possible. **Stop Press:** We are looking at running earlier Races, from around 17:00 hours, for Reserve racers, if there are over 24 racers, as a trial. Reserve racers have advised they can arrive earlier.

1.2 Qualifying

One crash and burn lap at the end of that track's Test Night for the 1st Round at any track. For the 2nd Round on each circuit the fastest lap from either Qualifying above or the 1st Round. Thereafter the fastest lap from the last two Rounds for any subsequent Rounds.

This also reads across to Sprint Races on a shorter version of that circuit if that circuit is chosen to hold Sprint Races.

1.3 Race

15-minutes with a maximum of six cars per Race Group, with a minimum of three Races for all competitors on the night (Depending on the number of competitors) Anyone can win overall from any Race Group, the winner recording the most laps plus tenths. If more than one racer finishes on the same lap and tenth in any position it will be deemed a draw.

Races begin at 18:00 hours, racers to advise if they can't make it or will be late. We will do our best to ensure all racers run in all Races.

1.4 Race Points

Points awarded down to 24th (possibly 27th) place for each Race with additional points awarded for the top five fastest laps. 75% of the Club Nights run will count towards the Championship so if a racer competes in all Club Nights their best 75% of points will count.

1.6 Sprint Race

Two 5-minutes Sprint Races at two separate Evenings with six cars per Sprint Race Group, with a maximum of two Sprint Races for all competitors on the night. Anyone can win overall from any Group, the winner recording the most laps plus tenths.

These will take place at the second Brands Hatch and Sakhir Evenings in 2023 after two 15-minute Races earlier in the evening. The Sprint Races will be run on a shorter version of the tracks.

1.7 Sprint Points

Half points awarded down to 24th (possibly 27th) place for each Sprint Race with additional half points awarded for the top five fastest laps.

1.9 Fuel Usage

Fuel usage will be reviewed for each circuit with an increased consumption agreed for any lap completed under an agreed lap time. Fuel stops will add 10% of a full tank per second.

1.10 Car Usage

Different cars can be used for each Evening but cannot be changed during the Evening unless it has an issue that cannot be rectified.

Key: Race = Round = Club Night. Evening = whole evening of racing

2.0 Cars

Carrera DTM, GT2, GT3 and GTE Racing Cars running the latest chassis.

2.1 Bodies

No modification or floating body screws

2.2 Lights

Must be working. Older Evolution cars do not contain lights as standard so chipped lights would need to be fitted.

2.3 Aerials/Mirrors

Can be removed

2.4 Rear Wings

Must be fitted at the beginning of the meeting. If they break off and can't be refitted, then the uprights must be replaced with rubber and fitted for the next meeting.

2.5 Chassis

No modifications

2.6 Axles

2.6.1 Front

Either standard Carrera or complete axle supplied by DHORC (Approx. £4)

2.6.2 Rear

Either standard Carrera or the following Slot.it Rear Axle Kit Pt No KK07C - 28t Inline Crown with 17.3x9.75mm hubs. (Approx. £14)

As some cars require different size hubs it was agreed that the following parts, to make up the rear axle, could be bought separately if need be: -

Aluminium Hubs 17.3x9.75x1.5	W1730975A
Crown Gear 28Tooth Inline	GI28-Bz
Bronze Bearings x2	PA-68
Axle 54mm x1	PA01-54
Wheel Hub Spacers 1mm x 2	PA-51
Alternative thinner Hubs 17.3x8.2x1.5	W17308215A

2.7 Front Magnet Must be removed

2.8 Tyres Rear, standard or supplied by DHORC. Front, free but must touch the track and rotate when the car is running. Both can be reprofiled.

2.9 Motor Standard or PSR Mabuchi Motor, supplied by Pendle Slot Racing. Ready to race motor available from DHORC.

2.10 Guide Blade Standard Carrera and not an aftermarket product. Original can be helped to stay in place with either a piece of rubber or a grub screw.

2.11 Min Height A minimum height between the base of the rear magnet holder and the provided Technical Plate agreed at **1mm**. This is because the rear magnet holders on different cars are closer to the track, giving better road holding. We want all cars to have the same level of road holding, so we can make all cars competitive.

2.12 Chassis Weights A maximum of 5 grammes can to be fitted by doubled sided tape only.

3.0 Driving & Racing Standards (Based on The Digital Slot Car Association Rules)

- 3.1. Any car on the circuit must be compliant with the GT rules.
- 3.2. Any indiscretion against stated regulations will be punishable by penalty (to be agreed).
- 3.3. When lapping a slower car, it is the responsibility of the faster car to change lanes and perform an overtake. Lapped cars should remain in their current lane until the faster car has passed.
 - 3.3.1. Intentionally blocking of a faster car when lapping is illegal
 - 3.3.2. Intentionally blocking a car fighting for position on the same lap is allowed
- 3.4. Contact from cars racing on the same lane, in proximity, is to be expected. Intentional or excessive contact is not allowed. Penalties (to be agreed) will be issued in the following circumstances: -
 - 3.4.1. Intentional or excessive contact with another car
 - 3.4.2. De-slotting another car by driving into the back of it
 - 3.4.3. Intentionally stopping on the circuit
 - 3.4.4. Excessive blocking by changing lanes when being lapped
- 3.5. Illegal contact may be reported by any participant of the meeting
- 3.6. Cars may be requested to pit for attention under the following circumstances: -
 - 3.6.1. Any functional or mechanical part of the car has become completely detached from the car
 - 3.6.2. A wing or spoiler becomes broken, completely detached from the body, or it is clear to the official at race control that when viewing the car from their normal position, that it is damaged
 - 3.6.3. The required number of headlights/taillights are not working
 - 3.6.4. A car is otherwise causing a hazard that may damage the circuit or other cars on the circuit
- 3.7. If any session is paused (red flagged), the following restrictions apply: -
 - 3.7.1. Cars must not be removed from the track, where they have come to stop
 - 3.7.2. Any car in the pit at the time of the red flag must have no further work completed on it until the session is resumed
 - 3.7.3. Drivers may leave their station only under the direction of race control
- 3.8. During Parc Ferme conditions, cars may only be worked on under the supervision of an official
- 3.9. Slow or malfunctioning cars should move to the inside lane (or lane nearest to the pit) and pit as soon as possible. Race control should be notified that there is a slow car on circuit so other drivers may be warned

Circuit History

Brands Hatch offers two layout configurations. The 1.198 mi (1.928 km) "Indy Circuit" layout is located entirely within a natural amphitheatre offering spectators views of almost all of the shorter configurations from wherever they watch. The 2.433 mi (3.916 km) "Grand Prix" layout played host to Formula One racing, including events such as Jo Siffert's duel with Chris Amon in 1968 and future World Champion Nigel Mansell's first win in 1985. Noise restrictions and the proximity of the Grand Prix loop to local residents mean that the number of race meetings held on the extended circuit is limited to just a few per year (usually for higher-profile series such as the BTCC and the BSB).
