# Editorial 025

**Happy Birthday Liam Smith!** What a great way to celebrate both Liam's birthday and our first Carrera Digital Evening of the year with his lovely wife **Sarah Smith** bringing along some delicious chocolate cupcakes (Page 12). Thank you Sarah! It was also **Victor de Oliveira's** birthday on Tuesday but unfortunately he couldn't make it. Wishing you a Happy Birthday again Victor.

Thank you also to **Laura Edwards** for presenting the trophies at Prize Giving on Tuesday (Page 5)

It was fantastic to have 26 Members on the grid at Interlagos, just one short of the opening race record 27 at Imola in Jan'23. Unfortunately the day after Interlagos I received a text from **Max Farnsworth** saying he didn't wish to continue. Always sad to hear this but we wish him well. Together with Max we lost two other 2023 Members this year so at present we are down to 25. However there will be four returnees at Monza and three new Members (Weekend Members), which will take us to 32, with two more to return hopefully in the near future, leaving us at 34. The max we had in 2023 was 35 so we are in good shape.

Congratulations to our two winners on Tuesday night, **Angus Smith** with two wins and **Simon Goodlip** with one. Congratulations also to all of our Group winners, **Martin Allsopp, Dave Edwards, Dan Hughes-Dowd, JJ Hughes-Dowd, Geoff Peach** and **Andrew Staniec**. Simon and Angus jointly lead the main Championship, Andrew and Simon the Team, with Andrew also leading the Group and 70+ Championships!

It was a bit of a rush putting together this magazine with only two clear days between Interlagos and Monza. However, hopefully, as I write this Editorial (usually the last thing done) at 21:41 hours on Thursday night I will be able to proof read the magazine Friday afternoon in between setting up and racing at Monza.

## 9. Rule Discussions.

Thanks for the quick discussions on a couple of rule questions on Tuesday night, gluing the motors in place and shortening the braids. It was agreed motors could be glued in place but that braids should not be cut.

## Overview

Our first taste of Carrera Digital in 2024 came at the all new Interlagos circuit where we ran our first Test Night of the year. A very healthy 26 racers showed up check out their cars for the new season.

The new for 2024, 30-minute 'Car Preparation' sessions went down very thanks to **Lewis Blacker**, **Simon Goodlip**, **Lee Pateman**, **Geoff Peach** and **Angus Smith**. A lot of information was gleaned by all which can only help for the season ahead.

**Stuart Gray** also managed the Spares Box for the first time, which was used by many. Thanks to Stuart for managing it so well and to **Phil Rees** for putting it together.

Interlagos is an interesting track with the first two thirds pretty quick followed by the tight final third before you blast across the finish line again. Most were able to get four 5-minute Test runs apiece with no less than six racers recording 27.0 laps (we don't count tenths to save time between runs) and Angus setting the fastest lap. Simon, despite saying it wasn't his favourite track, took Pole position. Congrats Simon. It has been agreed the 25% extra fuel lap time will be 10.000 seconds for the first Race Evening at Interlagos on 16Jan24 based on the sixth fastest Test lap +0.200 secs.

Andrew very pleased to be top of the Qualifying chart as Laura starts her Qualy run.

## Angus back to winning ways

**Angus Smith** took his first victory for ten Club Nights (although he did miss the six Le Mans races) on Tuesday night. Our 2022 Champion's record 27<sup>th</sup> win saw him establish the first race laps record for the Interlagos track with 78.7 laps added to the record books. Our 2023 Champion **Simon Goodlip** finished exactly two laps further back with **Steve White** rounding out the podium places just 0.3 laps in arrears.

Simon took his 22<sup>nd</sup> Pole at the Interlagos Test on 02Jan24 and backed this up with his 20<sup>th</sup> fastest lap at Round 1. Incredibly he and Angus were separated on lap times by a mere 0.001 seconds, a 9.581 second fastest lap compared to a 9.582 for Angus! The 25% extra fuel usage lap time was set at 10.000 seconds so both were well under this, but still managed to win despite their extra fuel stops. **Lewis Blacker** made it four Group A racers in the top four places finishing 0.6 laps behind the podium. He was also the only other driver to crack the 10 second lap time barrier.

The top three in Group B had an incredibly close race, just 0.4 laps separating them. **Geoff Peach** took his first Group win of the year, finishing in fifth overall with **Jag Kalyan** and **Nick Sismey** sharing sixth (although as Simon pointed out Jag actually beat Nick on the track!) both on 74.1 laps. **Phil Rees**, like Lewis, running in Group A due to the absence of three of the top racers, took eighth in the first race of the year.

Phil Rees helping our newest Member Terry Mullen to set up his car.

JJ Hughes-Dowd and JT Hughes-Dowd again turned up early to help marshal along with dad Dan so we could run the three Group E races.

2024 certainly seems to be **Dan Hughes-Dowd's** year already with a top ten finish in his very first race! Ninth was five places better than his previous best (PB) of 14<sup>th</sup> on 06Dec22. But that was nothing compared to his fastest lap improvement. His PB was 14<sup>th</sup> on 17Nov23. Here he took the third fastest lap of the night – amazing! On top of that, winning Group D was his first Group win in 41 Club Nights! His nine Group points also puts him joint top of the Group Challenge after Round 1. **Lee Pateman** rounded out the top ten and closed Group A's involvement in DHORC CD-78, just 0.2 laps behind Dan.

Three time Carrera Digital winner **JJ Hughes-Dowd** was in a Group above his dad Dan. However despite winning Group C, his 17<sup>th</sup> Group win, he would finish 1.2 laps and two places behind our senior Hughes-Dowd in 11<sup>th</sup>. With the top 11 places all recording 70+ laps **Richard Booth** lead home 12 racers in the 60+ lap band. He only failed to reach 70 laps by 0.5 laps but was able to fend off the family Edwards. **Laura Edwards** got to within 0.2 laps of Richard while putting 0.4 laps between her and hubby **Dave Edwards** despite Dave being in the higher Group.

**Andrew Staniec** was back for the first time since 07Nov23, nine Club Nights ago, but he was immediately back to winning Group ways. Our record consecutive (17) Group winner took the Group E win by 8.1 laps, and starting from E4 he, like Dan, took home nine points to share the Group Challenge lead. That wasn't all of the good news for Andrew. Thanks to help from new teammate Simon, during Qualifying, he took fifth on the grid on 02Jan24, nine places better than his 14<sup>th</sup> on 19Sep23. He also equalled his best 17<sup>th</sup> place in fastest laps. Half a lap behind Andrew was **Daniel Kalyan**, in 16<sup>th</sup>, matching his grid slot in Qualifying. And we still had ten more positions to go.

**JT Hughes-Dowd** was next up in the finishing placings in 17<sup>th</sup> half a lap back on Daniel. With Richard leading home the Booth / Gray family in 12<sup>th</sup> it was **Stuart Gray** and **Tom Gray** in 18<sup>th</sup> and 19<sup>th</sup> separated by just 0.1 laps. It was Tom's first Club Night since 10Oct23, 12 Club Nights ago, following the birth of his son. **Martin Allsopp** shared 19<sup>th</sup> with Tom even though his best lap time was 0.700 seconds quicker. Shows that keeping it on the black stuff is the most important technique.

Birthday boy **Liam Smith's** Lambo wasn't doing what he wanted his Lambo to do as he took 21<sup>st</sup> to close out the B. He was followed home by the remaining five in Group E, 10.3 laps covering the quintet. **John Lamb's** similar Lambo took 22<sup>nd</sup> while **Macaully Dutson** made it a Lambo threesome with 23<sup>rd</sup>. **Tim Mullen** held off **Max Farnsworth** for 24<sup>th</sup> with **Simon Rankin's** Aston closing Race 1.

It was great to have Tom Gray back after taking time out after the birth of his son.

## 2023 Champion Simon takes his 1<sup>st</sup> win of 2024

**Simon Goodlip** made it a win a piece for our two Carrera Digital Champions in 2024 as he took his first win of the season after an eight race win drought. He became the first 80+ race lapper at Interlagos with 80.1 laps, beating **Angus Smith's** previous track record of 78.7 laps.

We had the same three racers on the podium as Round 1 but not in the same order. This time **Steve White** took second 1.8 laps back with Angus in third a further lap in arrears. Simon also broke the fastest lap record at Interlagos, which he set during Qualifying at the Test on 02Jan24. It was 9.359 seconds, which he reduced to 9.332 seconds. This would be the quickest lap time of the Evening. His 21<sup>st</sup> fastest lap was his third consecutive, while back to back Poles added up to his 23<sup>rd</sup> career Pole. Thanks to the fastest lap's 5-points he took home a maximum 45 points haul taking him to the top of the Championship standings.

Group A took the top five placings in Round 2 with **Lewis Blacker** beating **Phil Rees** to fourth by just 0.4 laps. The top six places were all taken by previous Club Night winners with **Nick Sismey** winning the B from a very hard pushing **Geoff Peach**, their Porsches swapping places numerous times during the 15-minutes. 0.6 laps the difference between 6<sup>th</sup> (Nick's fourth 6<sup>th</sup> place finish in a row) and 7<sup>th</sup>.

Stuart Gray and Geoff Peach are currently third and second in the 70+ Championship.

Unfortunately Max decided to withdraw from racing at DHORC the day after Interlagos.

**Andrew Staniec** almost suffered a nose bleed so high up was he in the standings at DHORC-CD 79. His 8<sup>th</sup> place finish was no less than five places better than his previous PB of 13<sup>th</sup> on 10Oct23. He also again equalled his PB of 17<sup>th</sup> fastest lap. Winning his second Group E from the same grid spot gave him the same 9 points so keeping him in the lead of the Group Challenge. **Martin Allsopp**, 0.8 laps behind Andrew, also set a new PB with a 9<sup>th</sup> place finish, beating his 12<sup>th</sup> on 19Sep23. Like Andrew, Martin also won a Group, the D, while **Dave Edwards** made it three Group winners in a row by taking the C, 0.1 laps behind. Therefore all five Groups were represented in the top ten!

**Lee Pateman** dropped one place to 11<sup>th</sup> another 0.1 laps further back in a very tight group of racers, 1.4 laps covering 8<sup>th</sup> down to 12<sup>th</sup>. The Gray Hounds team were again tied together although six places higher up this time with **Tom Gray** beating dad **Stuart Gray** by 0.8 laps to take 12<sup>th</sup>.

If we thought the five places between 8<sup>th</sup> to 12<sup>th</sup> were close with 1.4 laps covering them, that was nothing compared to the five places between 13<sup>th</sup> and 15<sup>th</sup> (with three racers in 15<sup>th</sup>) where 0.2 laps covered them all, lead by Stuart. **Dan Hughes-Dowd**, 0.1 laps back in 14<sup>th</sup>, again set a PB with third in Qualifying beating his 14<sup>th</sup> on 19Sep23. Then another 0.1 laps behind came three racers, **Daniel & Jag Kalyan** together with **Richard Booth** all on 68.0 laps in 15<sup>th</sup>. Daniel was pleased to match his dad's score.

**Laura Edwards** and **JT Hughes-Dowd** fought it out for 18<sup>th</sup> with the nod going to our only lady (careful Dave!) racer by yet another 0.1 laps. **Liam Smith** continued to struggle with his Lambo, so much so he asked if he could swap it for the next race. Friend **Macaully Dutson** found his Lambo working better and got to within 0.2 laps of Mr Smith taking 21<sup>st</sup>. **JJ Hughes-Dowd**, trying to get his mojo back, took 22<sup>nd</sup>, another 1.1 laps behind.

There were four rather than five Group E racers at the bottom of the order this time, headed by **John Lamb** on 60.0 laps in 23<sup>rd</sup>. Next up was **Max Farnsworth** in what we would later learn was unfortunately his penultimate Club Night as a DHORC-CD Member, 0.7 laps back. **Terry Mullen**, yet to visit Phil's man cave (that should be corrected soon), was in 25<sup>th</sup> with **Simon Rankin** repeating his 26<sup>th</sup> from Round 1.

JT hiding Group D – Dan Hughes-Dowd, Laura Edwards, Stuart and Martin Allsopp.

Interlagos

16<sup>th</sup> January 2024

Group C – Dave Edwards, Richard Booth, JT and JJ.

## Angus breaks track record before taking a break!

**Angus Smith** will miss the six Monza Club Nights over Friday/Saturday 19/20Jan24 due to being on hols. However he closed the first of 15 Carrera Digital events in 2024 with his second win, breaking the 15-minute lap record of 80.1 laps set by **Simon Goodlip** in Round 2 by 1.2 laps leaving it at 81.3 laps. His record tally of wins is now at 28. With Simon taking second they both accumulated the same number of points over the three Rounds at Interlagos to jointly lead the main Championship! If that is unusual in itself they did the same thing a week earlier over the two HO Club Nights, both leading that Championship as well!

Simon again took Pole, his third in a row, notching up a 24<sup>th</sup> career top grid spot. To go with that he took his 22<sup>nd</sup> fastest lap, whis fourth consecutive, equalling his best run to date. This time he was a massive (!) 0.020 seconds quicker than Angus.

He may be our oldest Member of DHORC, but **Geoff Peach** continues to beat all the odds giving everyone a run for their money. He took third here, winning Group B for the second time at Interlagos, just 0.8 laps behind Simon, recording his best finish since 28Mar23. **Phil Rees** so believed third should have been his however a late issue, which he believes cost him at least the 0.2 laps gap to Geoff, saw him take fourth, his best finish since his triple fourth places in Nov'23. **Nick Sismey** was pleased with 5<sup>th</sup> knowing where he had made mistakes that prevented a better result. He even set the fifth fastest lap, his first sub 10 second lap so knows the car has it, but has he?

**Round 03**

Round 2 winner Simon fixing another club hand controller – thanks Simon.

**Steve White** dropped outside the podium places for the first time in 2024 with sixth, half a lap back from Nick, but still took the third fastest lap for the second time on the night. He also sits third in the Championship. Fourth in the Championship is **Lewis Blacker** after two fourth and a seventh here 0.7 laps behind Steve. **Jag Kalyan**, after taking sixth in Round 1 and 15<sup>th</sup> in Round 2, was back in the top ten in the last Race of the Evening with eighth, holding off **Dan Hughes-Dowd** by 0.7 laps. Dan is already becoming the favourite to be the best Ranking improver of 2024, gaining ten places on the nights from 34<sup>th</sup> to 24<sup>th</sup>, our biggest mover! This was also his second career Group win, the D.

**Lee Pateman** was back up to tenth again holding off Group C winner for the second time at Interlagos, **Dave Edwards** who was pleased to make it 2-1 over Mrs Edwards in Brazil. Four racers were on 71 laps in Round 3. Lee on 71.5, Dave on 71.3. He was followed home by **Martin Allsopp** (who two days later joined Geoff in Team MG, which lies third 1.0 point behind Team Init4theLol) on 71.2 laps with **JT Hughes-Dowd** taking 13<sup>th</sup> overall on 71.0 laps. **Stuart Gray** only dropped one place from Round 2 with 14<sup>th</sup> here, leading home the Gray/Booth dynasty this time. That meant all three won a Round a piece on the night!

**Andrew Staniec** left Interlagos leading three out of the four Championships! Sweeping all three Group E wins he took home 27 Group points to put him ahead in both the Group Challenge and the 70+ Championship. The same points also helped him and Simon's Team Maltese Orzel to lead the Team Championship! A very good night for both! Especially as Andrew finally beat his PB of 17<sup>th</sup> in fastest laps with 15<sup>th</sup> this time! **Richard Booth** beat nephew **Tom Gray** by 0.3 laps to take 16<sup>th</sup> with **Daniel Kalyan** keeping very close to them, only 0.2 laps back.

**John Lamb**, another lap further back, took his best finish of the night with 19<sup>th</sup>. He, Dan and Team Init4theLol are only 6 points behind Team Maltese Orzel after the first Evening of the year. **Laura Edwards** in 20<sup>th</sup>, along with Dave and Team Crash Test Dummies are just 2 points further back in fourth in the Team contest. **JJ Hughes-Dowd** recorded a 21<sup>st</sup> place finish to close out his Interlagos Evening.

The last four places of 25 (Liam decided to stand down for this Club Night – and on his birthday too!) were again taken up by Group E. **Macaully Dutson** beat **Max Farnsworth**, in his last Club Night, by 6.6 laps to take 22<sup>nd</sup>, while **Terry Mullen** was only 0.1 laps behind Max. **Simon Rankin** recorded his best laps score of the night taking 25<sup>th</sup> this time.

# Circuit History

The **Monza Circuit** (Italian: Autodromo Nazionale Monza, lit. 'National Automobile Racetrack Monza') is a 5.793 km (3.600 mi) race track near the city of Monza, north of Milan, in Italy. Built in 1922, it was the world's third purpose-built motor racing circuit after Brooklands and Indianapolis and reportedly the oldest in mainland Europe. The circuit's biggest event is the Italian Grand Prix. With the exception of the 1980 running when the track was closed while undergoing refurbishment, the race has been hosted there since 1949.

The first track was built from May to July 1922 by 3,500 workers, financed by the Milan Automobile Club – which created the Società Incremento Automobilismo e Sport (SIAS) to run the track. The initial form was a 3.4 square kilometres (1.31 square mile) site with 10 km (6.2 mi) of macadamised road – comprising a 4.5 km (2.8 mi) loop track, and a 5.5 km (3.4 mi) road track. The track was officially opened on 3 September 1922, with the maiden race the second Italian Grand Prix held on 10 September 1922.
