DHORCingham Oval – Autosport International!

There is a lot to look forward to in 2023 hopefully, as we close out 2022 on a high. Great to be with **Stuart Gray**, **Dan Hughes-Dowd** and **Phil Rees** on Friday as the DHORCingham (Page 5) track comes together, ready for next year. And talking to my cousin on the phone about the possibility of us running a track at Autosport International in January (Page 13), one of the biggest, if not the biggest racing car shows in the world is very exciting.

But we are getting ahead of ourselves, we have 2022 to finish off first. Congratulations to **Angus Smith** for taking both the Adult and Master wins again and to **Harry Smith** for returning to the winners circle in the Juniors.

Another great evening thanks to help from so many.

3. Track at Autosport International – 12-15Jan23

There is a possibility that we may be running a Corporate track at Autosport International, otherwise known as The Racing Car Show, at the NEC in Birmingham from 12 – 15 January 2023.

At the time of writing nothing is fixed yet, so we won't count our chickens, or more aptly turkeys, before they have hatched. If it does come to fruition we will let you know. It won't be a huge track by any stretch of the imagination so we will probably need a max of three helpers on any one day. Watch this space.

Go!!! – Difference in reaction times is incredible

Adam Turnbull so nearly won the 'A' Final, but had to settle for third

Angus continues to take home wins

'A' Final – Angus Smith hit double figures for the year on Tuesday night when he took his 10th win of the season. His Pole score of 58.7 laps added 3.3 laps to the absent Simon Goodlip's record set on 07Jun22. Angus didn't have it all his own way in Qualifying however as **Dean Garbett** broke both the race laps and fastest lap track records (again set by Simon in June) on his way to third on the grid. Dean added a lap to the race record leaving it at 30.8 laps and took off 0.09 seconds, while Angus was just 0.01 seconds behind him. This was Dean's first F1 fastest lap record and first fastest lap on a night since 29Oct19.

Despite setting two track records Dean found himself behind **Phil Rees** on the grid by 0.5 laps. The top three all being ahead of the old record.

In the final race of the evening we thought Dean would run away with it as he was on the same Green lane that he broke the records. However it was Angus who jumped into the lead closely followed by Phil. **Adam Turnbull**, having won the 'B', was trying to beat Phil both on the track and in the Final Challenge. Two points in the bag already was a good start. Initially the race was all about Angus and Phil but then Adam started to reel them both in and passed Phil into second. It looked like he had enough in him to also catch Angus but then a big off round the back of the circuit and a slow marshal saw him drop back to third at the flag. Angus therefore took his 43rd career win.

Dean set the third fastest lap of the night in this race but just couldn't get it together to take on his rivals as he came home fourth. Adam matched to the hundredth his June best lap time in the 'A'.

Lewis Blacker wearing his HO HO HO hoodie on HO night

'B' Final – **Geoff Peach**, in only his third start in 13 Club Nights, matched his fifth place finish in his previous race at Round 24. Just 0.3 laps down on Adam, with a quicker lap time, he made sure the latter couldn't rest on his laurels. **Nick Sismey** matched Geoff in Qualifying, Geoff getting lane choice on the most race laps tie breaker. Nick was much happier than he had been during the last two evenings, having arrived earlier to practice and change to a more suitable chassis. He was 2.6 laps down on Geoff at the end of the race but content.

Dan Turnbull fought out a close win in the 'C' but Yellow lane didn't help him here as he took seventh overall.

'C' Final – **Harry Smith**, fresh from his Junior win, went on to win the Adult 'D' Final so finding himself up against Dan, **Stuart Gray** and **Lewis Blacker** in the 'C'. It was Harry who worried Dan the most, as he managed to tame Yellow lane. Less than a lap separated the two while Lewis was hunting Harry down for the full three minutes, falling short by 0.4 laps. Stuart was in the same ball park as the other three on lap times, taking tenth overall, down by just 1.6 of the short Oulton Park laps.

Harry set several Adult PBs during the F1 race, two better than previous in Qualifying with 10th and then 8th in both finishing place and fastest lap, which were one place improvements.

'D' Final – **JJ Hughes-Dowd**, our other Junior also running in the Adults, was Harry's closest rival but even he was 2.7 laps down. He did however keep Harry's and his dad at bay in a Hughes-Dowd, Smith family Final. **Steve Smith** was just 0.6 laps short off JJ's score while **Dan Hughes-Dowd** was another 1.3 in arrears. Steve did set the seventh fastest lap of the night, which was one better than his previous best way back on 25Feb17.

'Early' Final – **Alan Stevenson** was the only racer in the early final (next year it looks like we will have four!) so he took 14th. **Macaully Dutson** unfortunately had to leave before the Finals giving him his very first Wooden Spoon.

JUNIOR REPORT

Harry first win since spring

'A' Final – Harry Smith took his third win of the year and first since spring, on 07Jun22, when he also took his last Pole. His laps score in Qualifying broke his spring record by 2.1 laps. He also broke the absent Jacob Lawson's race laps record in Qualifying, set at the same June Club Night. The new record was left at 24.8, some 2.4 additional laps. Harry's 17th career most race laps is the highest of all of the current racers.

Ella Doyle made the most of Phil tweaking her car to take second, 3.2 laps down on Harry while JJ Hughes-Dowd, running his new cars for the first time took his fourth straight podium with third. Timmy Stevenson rounded out the only Junior Final of the night, in fourth, while Non-Member 11-year old Peyton Doyle ran in the Early Final with Alan and would have actually taken second had she raced in the 'A'! Great job Peyton.
