History and Key Facts

HO Club founded on 7 July 1992

- DHORC: Derby HO Racing Club ("HO" Is The Scale = 1/64th)
- · Section of Derby Leisure Limited, open to all!
- Home of world famous international Le Mans 24 Hour race.
- Smaller scale version of Scalextric, once set up works all night!
- Four and Eight lane circuits
- Computerised timing
- Statistics for every meeting and every member since July 1992
- Over 20 race meetings each year
- 50+ circuit designs, up to 567 feet in length
- Eight-lane routed DHORCingham oval
- Two car categories Tyco open wheel (F1)
 - Tomy SGP, BSRT, VSR enclosed wheel (GC)

Carrera[®] DIGITAL 132

Carrera Digital Club 1st race 18 January 2022

- 1/32nd Carrera Digital GT Cars
- 15 Evenings a year, minimum 3x15-minute races per driver per evening.
- 13 circuits, including 2 Sprint circuits
- Full computerised timing and stats through SmartRace App

The Club Nights and Magazine Coverage

HO

- Racing starts between 18:45 and 19:00 hours Finished by 21:30 hours
- Minimum of four 3-minute qualifying races & up to two Finals (F1 & GC) for each member
- Championship points for all members
- Magazine produced for every meeting covering every member & track statistic

Carrera Digital

- Racing starts between 18:00 and 18:15 hours Finished by 21:30 hours
- Magazine produced after each evening
- · Championship points for all members
- Rules & regulations booklet covering all the DHORC rules produced each year
- Great family atmosphere, a help-all culture

Membership Fees, Car Costs and Prizes

- Adult £40 and junior (under 16) £20 for HO & Carrera, £50/£25 combined DHORE-CD 66
- Only £50 Total expenditure for two cars HO Cars, £65 one Carrera
- · All cars and spares can be bought at club
- Adult, Masters (over 56), Junior (16 & under) HO Championships
- Adult & 70+ Carrera Championships

Editor

Two New Members (to be) and six returnees on Tuesday night saw us bolster our 2024 HO Membership to 28. Welcome back **Chris Bowles, Macaully Dutson, Denis**

Latham, Jacob & Russell Lawson and Liam Smith. And a big DHORC welcome to our two new Members Mike Graham and son Jimmy Graham, friends of Andrew Woodhouse. They ran as Non-Members at Jacarepagua and have, I am pleased to say, since joined and ordered cars. With 20 additional Carrera Digital Members we are sitting at 48 overall Members to date for 2024, which is a great start to the year, thank you all.

As we had 22 racers on the grid on Tuesday night it was just single F1 Finals. Congratulations to **Simon Goodlip** and **JJ Hughes-Dowd** for taking the Adult (and Masters) and Junior wins respectively. Congrats also to all of our Final winners, Jacob, **Dan Turnbull**, Liam, **Lee Pateman** and Chris.

Home of HO Le Mans

See you all at Ferrari's test track Fiorano, in Italy, on 20Feb24. Somewhere Lewis Hamilton will frequent from 2025!

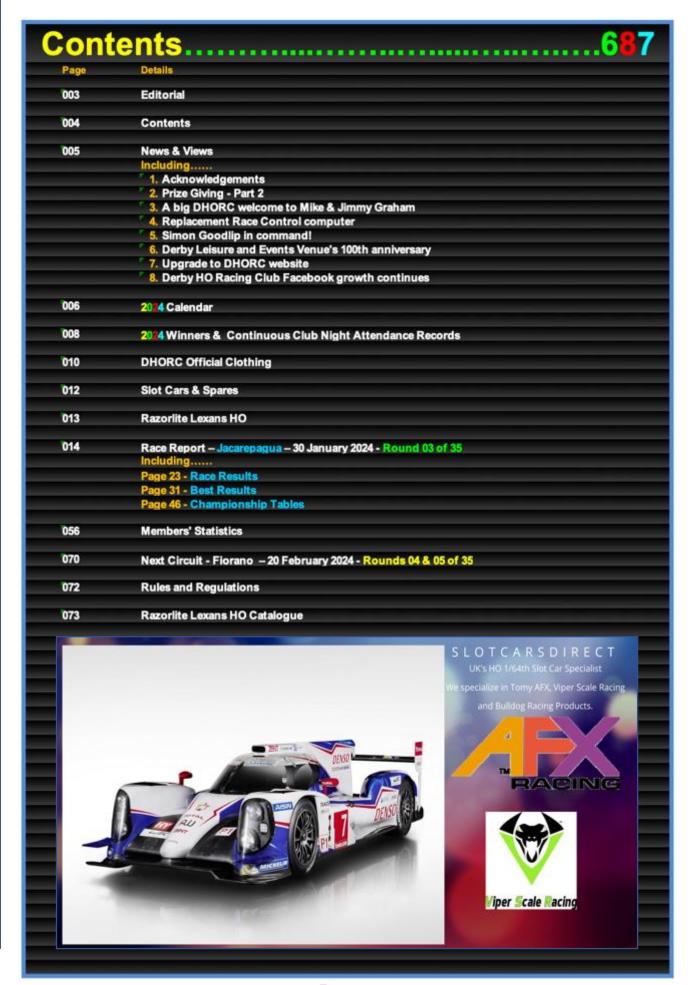

Nick Sismey

2. Prize Giving - Part 2

Our second Prize Giving of 2024, awarding the trophies for our 2023 winners, took place on Tuesday night with Vice Chairman **Phil Rees** again doing the honours.

On this occasion **JJ Hughes-Dowd** took home the Junior Final Challenge trophy for recording the most Final points over the 26 Club Nights run in 2023. Congrats JJ.

Page 5

3. A big DHORC welcome to Mike & Jimmy Graham

We are very pleased to announce that **Mike Graham** and son **Jimmy Graham** (centre) have become our latest DHORC Members. They ran as Non-members at Jacarepagua but have since become fully paid up Members with two cars each also ordered and paid for. Thank you to **Andrew & Jenson Woodhouse** for introducing them to our eclectic band of racers. Welcome both.

4. Replacement Race Control computer

A big thank you to **Phil Rees** for replacing our aging mini laptop at Race Control on Tuesday night. There were some teething problems, which Phil has since fixed, so we should be all good at Fiorano.

Continuous Club Night Attendance Records

Members below have built up ten or more continuous Club Night attendances, including DHORC 687:-

5. Simon Goodlip in command!

With his second win of 2024 **Simon Goodlip** leads both the main HO Adult Championship and the Masters Challenge. He also leads the main Carrera Digital Championship. January has been a good month for Simon! He does miss the next HO meeting however, who will take his place?

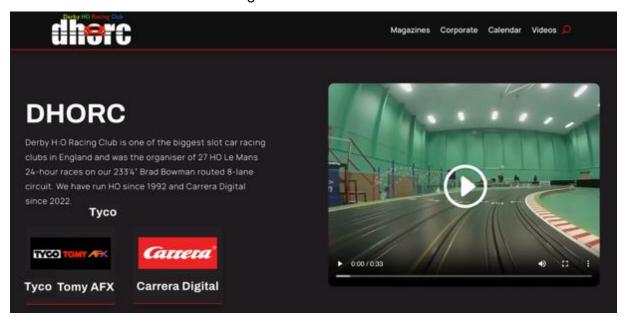

6. Derby Leisure and Events Venue's 100th anniversary.

DL&EV celebrate their 100th year anniversary on Saturday 31Aug24. I have a meeting with them on Tuesday to discuss how we can help with the celebrations. Watch this space.

7. Upgrade to DHORC website.

Our website <u>www.dhorc.co.uk</u> is currently going through an upgrade. This is just a sneak preview, there is much more to do and will change from this view.

8. Derby HO Racing Club Facebook growth continues.

The unprecedented increase in our Facebook followers continues. Prior to placing the video of **Phil Rees** and **Stuart Gray** testing out our new Monza Carrera Digital track on 27Oct23 we had settled on 3,200 followers for several years. Post that video and with the addition of further videos etc we are now sitting at, as I write, 5,521 followers and, over the last three months, 2.3 million views of our page! Wow!

Denis Latham returned to DHORC at Jacarepagua after being on hols for the first meeting at Brasilia. Seen here preparing his cars ready for the Club Night. Welcome back Denis.

Simon matches Angus on two wins!

'A' Final – We first raced the former Brazilian F1 circuit, Jacarepagua, on 14Jun94. Five of our current Members attended that Club Night almost 30 years ago with two of them finishing on the podium! **Simon Goodlip** only finished 11th on that spring evening, with only one win in his 17 Club Nights up until then. This Tuesday he took his 92nd win from his 387th Club Night and second of 2024. His extra four points at Jacarepagua gave him the solo lead of the main Championship after he and **Angus Smith** shared it following Round 2. Simon also leads the Masters after three straight wins there! Both shared the most F1 laps on the night with Simon taking the fastest, Angus matching exactly the same lap time he recorded on 02Aug94!

So closely matched are these two that they finished on the same lap and tenth after the 3-minute 'A' Final, just two feet separating their Tyco 440X2 F1 cars (See Page 55). Simon was also only 0.05 seconds the quicker of the two on fastest laps.

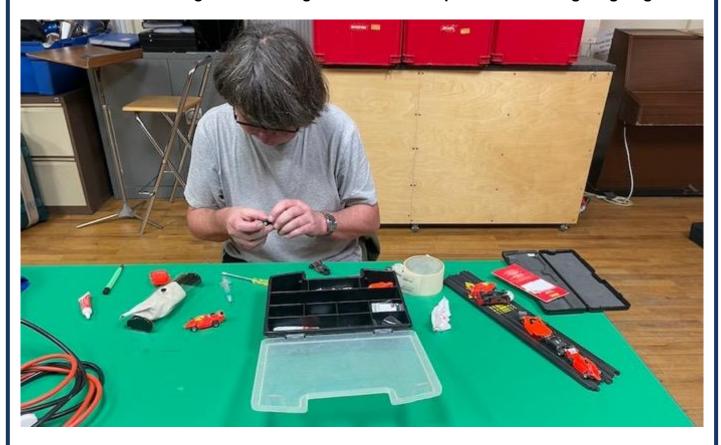

With 22 racers on the grid (including two Non-Members) it meant there would be just one set of Finals. Therefore all four Qualifying races counted towards the grid positions. Angus set three track records during Qualifying, both GC records and the overall Pole record, taking top spot by 6.2 laps over Simon. His 93.9 laps usurped Wayne Landers 17Apr07 91.6 laps giving him his 62nd career Pole. Angus' 27.5 laps and 5.67 lap time beat **Lee Pateman's** 26.8 and 6.18 both set on 04Oct16. Lee also beat his old time with a 5.87 second lap. As well as back to back Poles, Angus did the same with fastest laps with his 62nd and race laps, with his 68th. Simon did however feature in Qualifying taking Yellow Lane, notching up his 350th Individual Qualifying Round (IQR).

Besides these two we had a third racer on the Podium, **Chris Bowles**, running in his first Club Night of the year. He won through from the 'B' Final and in his 1,000 race start (Junior and Adult combined) he finished 1.2 laps behind, lapping just 0.07 secs slower!

Geoff Peach checking Dan & JJ Hughes-Dowds' cars prior to the red lights going out!

Angus Smith also preparing his cars prior to breaking three track records!

Geoff Peach drove an excellent Qualifying session to beat **Nick Sismey** in what the latter thought was a safe third place on the grid. Geoff took 0.5 laps out of him on Yellow, 0.5 on Green and 0.6 on Red, which was more than enough when he lost out by 0.3 laps on Blue. Geoff would finish fourth in the 'A', 2.8 laps back. His best result since Round 9 in 2023.

'B' Final – Having been beaten by Geoff to the 'A' Final grid Nick still couldn't make the top Final by winning the 'B'. That went to Chris by 0.9 laps. **Lewis Blacker**, fresh from two wins at Monza in Carrera Digital, was another 0.8 laps behind Nick in sixth with 'C' Final winner, and still the F1 fastest lap record holder (with 7.44 seconds set on 09Mar10), Lee, just 0.1 laps behind Lewis.

C' Final – **Phil Rees** gave Lee a good run in the 'C' but the latter's quicker car just held command through to the flag by 0.6 laps. **JJ Hughes-Dowd** maintained the lead in the DHORC Final Challenge with one point here. He would finish on the same lap and tenth as Phil just a few feet behind. Our second returnee of the night **Liam Smith** won through from the 'D' but then struggled on Blue dropping three laps to round out the top ten.

'D' Final – **Dennis Latham** was returnee number three and was Liam's biggest rival in the 'D' lapping within 0.01 seconds of fellow new 2024 racer, losing out by 0.7 laps. He was followed home, another 0.7 laps back, by 'E' Final winner **Dan Turnbull** who kept "imaginary name writer on white boards!" (See Page 34) **Dan Hughes-Dowd** at bay by 0.4 laps to take 12th!

E' Final – **Jacob Lawson** returnee number four posted the most Final points at Jacarepagua with 3.5 after winning the 'F' and then taking on Dan in the 'E' to take second in this Final. Just 0.6 laps separated the two with **Barry Johnson** oh so close to also getting in the mix as he took 15th a mere 0.2 laps behind Jacob. This Final was closed out by **Stuart Gray** another 2.6 laps back but still ahead of four other racers in 16th.

Final – Another incredible finish to a Final with Jacob and fifth returnee racer, dad, **Russell Lawson** sharing the same lap and tenth (See Page 45) at the end of the three minutes of racing, the nod going to Jacob. Our sixth and final returnee was Macaully Dutson who was having problems with his F1 cars (Geoff has since kindly taken them away for a look see) and so couldn't make any impression on the top two in this Final, taking 18th.

Early Parents' Final. – With only **Andrew Woodhouse** being the available Member for this Final he took both his second win (taking the Championship lead) and second Wooden Spoon! However he was joined by friend and Non-Member **Mike Graham** who promptly beat him 16.1 laps to 14.2. That was quite a showing for Mike's first ever race, especially considering Andrew had qualified well up the grid in 11th. The great news for DHORC is that Mike has since joined so will run against Andrew and the absent Alan Stevenson in future Early Parent's Finals. Welcome Mike.

MASTERS REPORT

Simon's hattrick

We tweaked the Master's Championship from Race points to Final points this year to give other 56+ year olds a chance of winning. However to date Simon is leading the way with his third straight win from Angus, Geoff, Nick, Phil, Barry and Stuart.

Liam Smith handing his cars into Phil Rees at Parc Ferme for his first Club Night of 2024.

With Lewis Blacker on Race Control our first set of Qualifiers, Chris Bowles (in his first 2024 Club Night), Dan Turnbull, Andrew Woodhouse and friend of Andrew's, Mike Graham, who ran as a Non-Member, were ready for the off.

JUNIOR REPORT

JJ relentlessly marches on!

'A' Final – **JJ Hughes-Dowd** is making hay while the sun shines at DHORC '24. Reigning double Junior Champion Lewis Bowles has yet to leave the garage and we are not that sure he will. However JJ has some great competition from **Jenson Woodhouse** (who has already taken a Pole this year and is a three time career winner) and 10-time winner **Jacob Lawson**, so we won't be short of action. Young Timmy Stevenson, absent at Jacarepagua, has also taken a podium and gains in confidence at each Club Night. To add to that Non-Member on the night **Jimmy Graham** has since joined and we are sure he will soon be in the mix with his new cars!

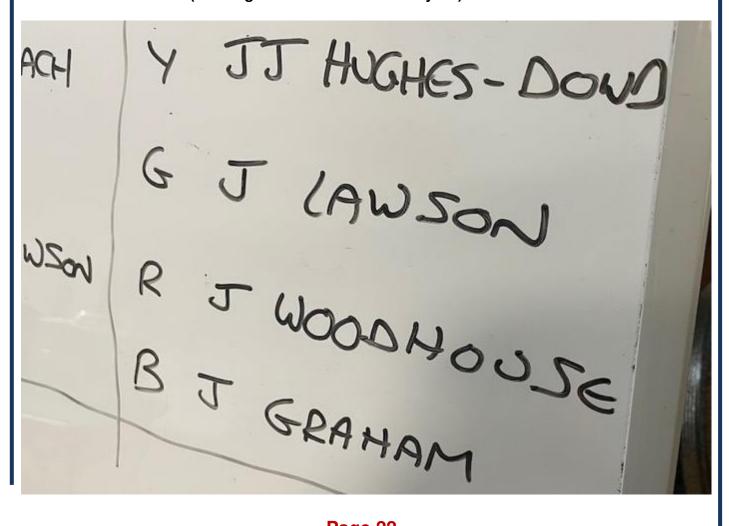

With all four places in Qualifying and the Final taken up with racers with first names beginning with the letter 'J' (see Page 22) it took three goes to get all four names right when they were called up to the oche. JJ took all four IQRs in Qualifying on his way to his twelfth career Pole, 10.8 laps ahead of Jacob. He also set his ninth career fastest lap and eleventh best race laps on Green Lane with his GC car, keeping his 100% record intact in 2024.

In the 'A' it was Jenson who was his closest rival from third on the grid. Jacob was only 0.5 laps behind Jenson, but JJ took the win by 3.2 laps to make it three victories from three starts this year, equalling his best run to date notching up his 13th win. Jimmy and his Club car took fourth. However, qualifying only 7.5 laps back in his very first Club Night was no mean feat at all. Nice one!

Five "J's" ran in the Junior class, with Non-Member Jimmy Graham, JJ Hughes-Dowd, Jacob Lawson (running in his first race of the year) and Jenson Woodhouse.

Race Results

Who Came Where?

Who Scored What?

Simon Goodlip won his second Adult Club Night of the year.

JJ keeps his 100% Junior record intact with three wins out of three!

Stuart Gray will be our next Member to reach 500 races, currently being on 457.

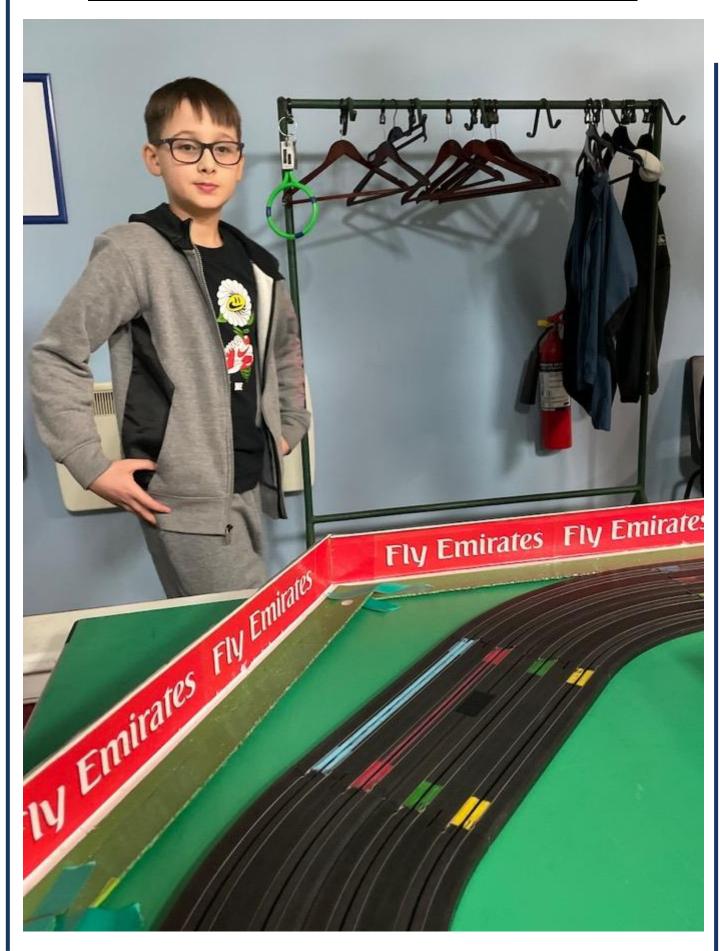

Between them Barry Johnson and Geoff Peach have kept DHORC's spares box fully replenished over the years. Barry with his Slot Cars Direct company importing the chassis and parts and Geoff ensuring we always have the right parts available. Thanks both.

Page 26

Great to have Liam back and Mike, running as a Non-Member, joining for Fiorano.

Welcome also to Jimmy, looking forward to seeing him racing his new cars in Italy.

Dan shared Race Control with Lewis.

Welcome back also to Russell and Jacob Lawson. Thanks again for the shortbreads!

What are my Best Scores?

Who Have I Beaten?

Thanks to Andrew and Jenson for introducing friends Mike and Jimmy to DHORC

Macaully Dutson (white T-Shirt) ran in his first Club Night of 2024. Welcome back Macca.

We kept seeing two imaginary names amongst regulars on the White Board?

Angus Smith had to return his F1 Tyco back to the magnet checker three time before it was passed and added to the Finals' Parc Ferme.

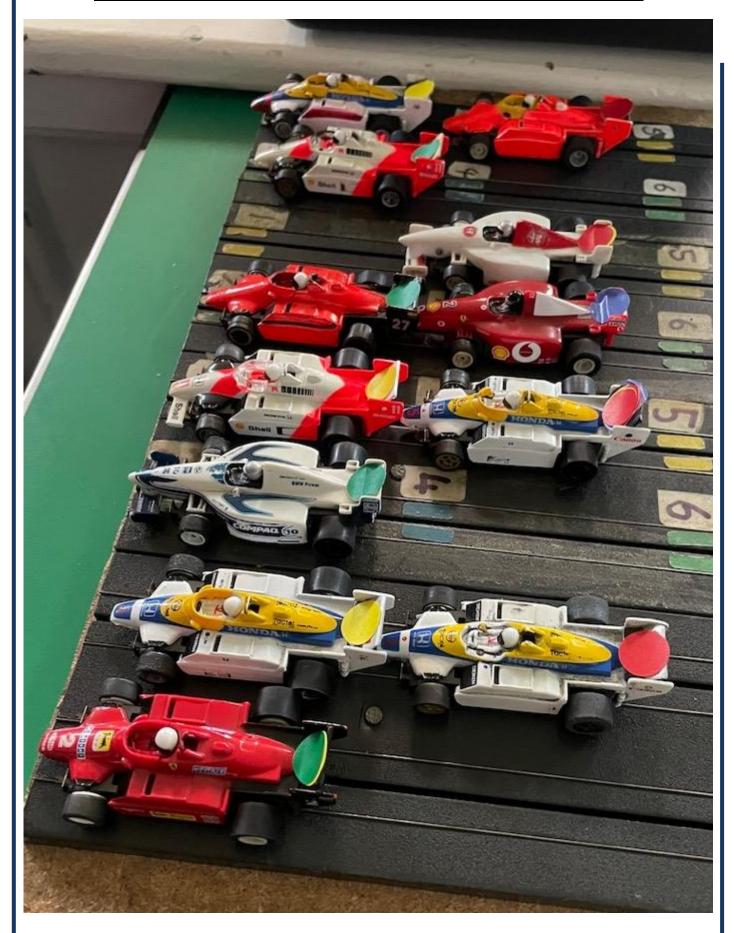

Their eyes met and the rest was history!

Adult 'B' Final – Lee (7th), winner Chris, Nick Sismey (5th) and Lewis (6th)

Adult 'A' Final – Geoff (4th), winner Simon, Angus (2nd) & Chris in his 1,000th race start (3rd)

Simon on Green just held off Angus on Red with Geoff on Yellow four laps back.

Lee lost two of his eight year old Jacarepagua track records to Angus but still kept smiling!

Circuit History

The Fiorano Circuit (Italian: Pista di Fiorano) is a private racetrack owned by Ferrari for development and testing purposes. It is located in Fiorano Modenese, near the Italian town of Maranello. The circuit has FIA Grade 1T license.

Work began in 1971 and officially open on 8 April 1972, it was originally 8.4 metres (27.6 ft) wide and 3,000 metres (1.9 miles) long. In 1992, a chicane was added making it 3,021 metres (1.877 miles) long, then in 1996 a new renovated track was introduced (a fast bend to replace a sharp corner at the end of the pit straight) which shortened the total length by 24 metres (0.015 miles). The average F1 lap speed is over 160 km/h (99 mph) and the F1 top speed is 290 km/h (180 mph). As Fiorano is a testing track, it has a wide range of corner types, with corner diameters between 370 and 13.71 metres (1,213.9 and 45.0 ft). Thus Ferrari is able to simulate corner and track types of other Grand Prix circuits. As with Suzuka, it is a figure-eight course.
