# Editorial 030

**Victorious Victor!** Congratulations to Victor for taking his first Carrera Digital win on Tuesday and to Simon Goodlip for taking the other two wins.

Congrats also to all of our Group winners, **Tom Gray, Dan Hughes-Dowd, Terry Mullen** and **Jenson Woodhouse** with many taking multiple wins like yours truly.

As well as running our second largest Carrera Digital track at 160' on Tuesday we have also been very busy running two Corporate events and arranging a third as covered in News & Views. At present we have 11 Corporate Events this year, which already means there will be no change to Membership costs next year! Thanks to all who are supporting these events!

Next stop Le Mans on Friday/Saturday 07/08Jun24. Very much looking forward to that. See you there.

Nick Sismey

### 3. Great Northern Classics & British GT - 25/26May24

As covered in detail on our Facebook page we ran our 8-lane corporate track at Great Northern Classics (GNC) on Saturday 25May24 and at the Donington Park British GT event on Sunday 26May24. A big thank you to all (listed on Facebook) who supported these events. There was a great deal of logistics to manage with set up on the Friday. What a great team we have. Thanks to the GNC event we have also secured another event at TC Harrison.

Several racers beat the track record in both Juniors and Adults at the British GT event at Donington Park. Rob and Oliver set the final targets at the end of the day. Oliver is going for his third win in three years. We paid for his ticket to the British GT event after winning last year.

## 4. TC Harrison Car Show – Sunday 09Jun24

The day after our Le Mans event we have our next Corporate event at the TC Harrison Car Show on Sunday 09Jun24. The organisers saw us at Great Northern Classics and asked us to attend this event. We visited them on Thursday 30May24 to organise everything.

We will be using the same 8-lane track used at Donington Park and Great Northern Classics.

These two vehicles will make way for our 8-lane track in their show room.

## Rockingham Motor Speedway International Long Circuit Overview

Our third Test Night of the year took us to our second longest Carrera Digital circuit, the now defunct 160' Rockingham Motor Speedway International circuit, near Corby, Northamptonshire. With 27 racers on the grid we ran 23 off 5-minute Test runs with the majority taking to the track five times. **Simon Goodlip** set the most laps with 25.5 while **Angus Smith** set the fastest lap with a 11.051 second lap. Simon then went onto take his 12<sup>th</sup> Pole of the year stopping the clock at 11.246 seconds. He was followed home by **Steve White** and **Victor de Oliveira**.

It was certainly a flowing track, that seemed high speed but still had a few tight corners. We now move onto the first Club Night's at The Rock on 28May24. Exciting times ahead.

As well as having a long name the Rockingham Motor Speedway International Long circuit was the second longest Carrera Digital track we have raced on to date at 160'.

A busy time for Dan Hughes-Dowd, JT Hughes-Dowd and Andrew Staniec at DHORC as Dan and Andrew did two days at the Donington Historic Festival (JT one) plus testing on Tuesday.

Stuart was instrumental in our first build of the Rockingham Motor Speedway International Long circuit.

Dave in the middle of his one lap Qualifying run.

Thanks to everyone who helped with packing away – 20 mins and we were locking up!

JJ and JT were so quick at storing the drivers' platform they were a blur!

## Victor takes 1<sup>st</sup> Carrera career victory!

**Victor de Oliveira** hit the top step of the podium for the first time in his Carrera Digital racing career on Tuesday by taking Round 20 at Rockingham Motor Speedway. His yellow Ferrari 458 Italia GT2 JMW Motorsports No.66 ran round our 160' track like a Christmas tree with Victor having added extra lights for more authenticity. You felt like you were at Le Mans at night watching it going round. We have since agreed with Victor that the car really can't run like that going forward, even if it does outshine every other car on the grid, as effectively the body needs to run as standard in every way. One of the reasons it was switched in Round 22.

His victory margin was just 0.2 laps over Championship leader and Pole sitter for the 33<sup>rd</sup> time **Simon Goodlip** who leads the Poles in 2024 with twelve. To add to this he also took his 28<sup>th</sup> (9) fastest lap, the only racer to go sub 11 seconds in the process.

**Angus Smith** shared the third step of the podium with **Steve White**, both another 0.4 laps in arrears. **Lewis Blacker** ran the second McLaren in the top five to go with the Audi, Ferrari and Porsche ahead of him. He was only a lap off taking the win.

<p>2nd Simon Goodlip</p>	<p>1st Victor de Oliveira</p>	<p>3rd Angus Smith/Steve White</p>

After doing a fantastic job at the British GT Championship meeting at Donington Park on Sunday encouraging folk to race on our Gazebo track Caroline White stepped in on Tuesday to help marshal the Group E races. Thank you Caroline.

Steve White was also at Donington on Sunday and took joint third in Round 20 at The Rock

With Victor taking the Group B win, second in this Group was **Phil Rees** in sixth overall, with four Group A racers separating them. He beat returnee **Dean Garbett**, who was starting his fourth Club Night of the year and turning his first laps at Rockingham, by a mere 0.2 laps, as the latter maintained his Group A status.

**Tom Gray** was also running his first laps at The Rock having been unwell during the Test Night. Therefore 8<sup>th</sup> first time out was a great result as he beat Group D winner **Nick Sismey** by exactly a lap. Nick had been slowly falling down the Ranking charts thanks to his Porsche's chassis flexing. Well it had been running for nearly three years if you include the Tests in 2021. Thanks to Phil swapping it out he started the climb back up. Nick and **Richard Booth** had a terrific battle for Group D supremacy, the former eventually taking it by a lap. **Liam Smith** separated the two in the final standings, rounding out the top ten, although Richard only just failed to match him by 0.1 laps.

**Lee Pateman** closed out the Group A racers with 12<sup>th</sup>, setting the fifth fastest lap of the race. Just 0.4 laps behind Lee was Group C winner **Dan Hughes-Dowd** whose six Group points helped him to eat into son **JJ Hughes-Dowd's** lead in the Group Challenge as JJ only took two points with fifth in Group B four places below Dan and four laps less in 17<sup>th</sup>. **Jag Kalyan** was second in Group C behind Dan and just one place behind him overall in 14<sup>th</sup>. Ten year old **Jenson Woodhouse** sent PBs in all three categories. His 15<sup>th</sup> placed finish beat his 17<sup>th</sup> on 13Feb24. This was after his 12<sup>th</sup> placed grid slot (as only 11 racers set a lap time in Qualifying) beat his 17<sup>th</sup> on 19Mar24. In addition to these he also set the 15<sup>th</sup> fastest lap beating his 19<sup>th</sup> on 19Jan24.

**Stuart Gray** opened his account at The Rock with a 16<sup>th</sup> placed finish as he and son Tom started to move up the Team Group Challenge with a combined score of eight points. **Geoff Peach**, just three days after his birthday, took 18<sup>th</sup> and beat fellow Group C racer **Andrew Woodhouse**, again by a lap, with **Andrew Staniec** missing out on 19<sup>th</sup> by just a tenth of a lap.

**Terry Mullen** was another half lap back in 21<sup>st</sup>, loving his new Porsche 911. Then came only our second ever Non-Member, after Terry at Le Mans, to race in one of our Carrera Digital Club Nights, **Ian Cooke**. Ian used to race at Quorn with Mr Staniec, Thorpe and White, and set the most laps on our HO track on Saturday at Great Northern Classics. Andrew encouraged him to come along tonight. Although he had never competitively raced Carrera Digital he did well to take 22<sup>nd</sup>.

Behind Ian were four racers from three different Groups. Third in Group E and 23<sup>rd</sup> overall was **JT Hughes-Dowd** while **Simon Rankin** closed out the Group in fourth and 25<sup>th</sup> overall. He did however take a PB in Qualifying with 10<sup>th</sup> beating his 11<sup>th</sup> grid placing on 07Mar23. **Macaully Dutson** had to race sitting on our tall chair due to back problems. He closed out Group D in fifth and 24<sup>th</sup> overall while **Daniel Kalyan** took 26<sup>th</sup> and fifth in Group C.

Richard Booth had three terrific races in Group D with Nick Sismey taking 2<sup>nd</sup> in all three

Jenson Woodhouse, at ten, is our youngest racer by some margin, with dad Andrew Woodhouse. Jenson set several personal bests (PBs) in both Round 20 and 21.

## Round 21

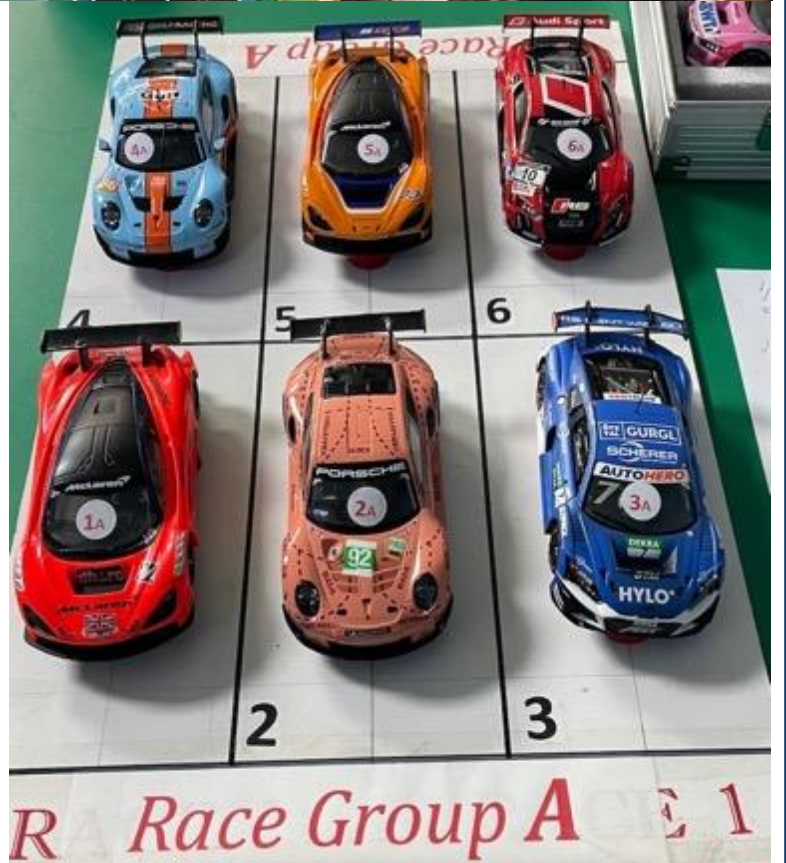

Rockingham

28<sup>th</sup> May 2024

All six podium places for Rounds 21 and 22 came from Group A

## Simon equals Angus on eight wins in '24

**Simon Goodlip** joined **Angus Smith** on eight wins in 2024 with his 24<sup>th</sup> career victory in Round 21. His 70.2 laps would be the only 70+ lap score of the Evening and to go with that his 10.801 second lap was the quickest of the night. To tell you the truth he actually recorded a 10.455 second lap but we all agreed, including Simon, this was a false lap time. Earlier in the Evening two racers got into the nines, but we realised the two check lanes around the track, which give section times were playing up. We will therefore remove these from future tracks. To go with his 29<sup>th</sup> (10) fastest lap Simon also took his 34<sup>th</sup> (13) Pole. He extended his lead in the Championship by 21 points thanks to his perfect 45 points haul.

Round 20 was **Dean Garbett's** Test Night at The Rock as he took seventh in his first run on the circuit. By Round 21 he was back to his best taking second with the second highest lap score of the night while Angus was again in third but this time on his own as **Steve White** missed out on joining him again by just 0.1 laps. **Lewis Blacker** matched his first race position of fifth and his first race laps with 66.7 as Group A took all five top positions. **Tom Gray** jumped two places to sixth thanks to an extra 1.2 laps as he took the Group B win and six Group points.

 	 	 
2nd Dean Garbett	1st Simon Goodlip	3rd Angus Smith

Stuart Gray was again part of the track build team and took a best finish of 14<sup>th</sup> in Race 22

Tom Gray took two Group B wins with a best finish of 5<sup>th</sup> in Race 22

**Nick Sismey** was so pleased Phil had changed his Porsche chassis. It had transformed his car. After ninth in Round 20 he was seventh here with his second Group D win, 0.7 laps behind Tom and a lap ahead of the previous Club Night winner **Victor de Oliveira** running his Ferrari for the last time. **Liam Smith** improved by one position and 0.6 laps to take ninth which he shared with **Jenson Woodhouse**. This was no less than a six place improvement for Jenson from Round 20 which in turn had been a two place improvement, as he again took Group E. This young man and his Iron Dames Ferrari is going places!

**Lee Pateman** again closed out Group A but from one place better, 11<sup>th</sup>, again taking the fifth fastest lap. As he said himself he is getting there! **Dan Hughes-Dowd** took the joint lead of the Group Challenge with another six points from another Group C win. **Terry Mullen's** pleasure of driving his new Porsche turned to euphoria as he took his best finish ever here with 14<sup>th</sup>, three places better than his previous best of 17<sup>th</sup> on 12Dec23.

**Richard Booth** was again second in Group D with 14<sup>th</sup> overall this time while **Andrew Staniec** moved up a place in the Group to D3 and five places overall to take 20<sup>th</sup>. That was thanks to 4.3 laps extra and a slightly quicker lap time. It was all 'Js' in 16<sup>th</sup> with **JJ Hughes-Dowd** and **Jag Kalyan** sharing 59.9 laps and 12 points. JJ was now also sharing the Group Challenge lead with his dad. **Geoff Peach** followed Jag home in Group C taking C3 and 18<sup>th</sup> just 0.3 laps back.

**Phil Rees** unfortunately stepped down during the last minute and a half as he was struggling with his car in the pit lane as the track had taken a hit following a marshalling frenzy. After his 6<sup>th</sup> in the previous Round he finished 19<sup>th</sup> here, one of four racers in the 59 lap bracket. **Daniel Kalyan** lifted himself out of the Wooden Spoon placings in Round 20 to take 20<sup>th</sup> this time, as he aimed to head off dad Jag by the end of the evening.

**Macaully Dutson** also improved, moving up three places to take 21<sup>st</sup> while **Ian Cooke** now had 30 minutes of Carrera Digital racing under his belt as a Non-Member as he remained in 22<sup>nd</sup> but with a 2.6 lap improvement despite a slightly slower best lap time. **Stuart Gray** had his worst run of the night here down in 23<sup>rd</sup> but would make a mends, and more, for that in Round 22 later. **Simon Rankin** jumped one place to 24<sup>th</sup> while **Andrew Woodhouse** was again beaten by son Jenson, as he dropped no less than six places to 25<sup>th</sup>. **JT Hughes-Dowd** only dropped a lap compared to his previous Round score but this dropped him three places, taking home the Wooden Spoon!

Simon Rankin took a best result of 24<sup>th</sup> while Geoff Peach took 18<sup>th</sup> in all three Rounds.

## Round 22

Rockingham

**Carrera**  
DIGITAL 132

28<sup>th</sup> May 2024

JT Hughes-Dowd, Simon and Phil Rees look on as Dan Hughes-Dowd tries to get Simon's Aston Martin back on track

## Simon takes the lead in victories in '24

**Simon Goodlip** became the first racer to hit nine wins in 2024 after taking back to back victories at Rockingham. He also made it a back to back maximum points hauls as he extended his lead in the Championship to 179.5 over second placed **Lewis Blacker** who was so close to taking the win. Fuel strategy the only thing preventing him from taking that extra step on the podium, being 0.3 laps in arrears! As well as back to back wins Simon made it four Poles in a row with his 35<sup>th</sup> (14<sup>th</sup>) front grid slot and five consecutive fastest laps with his 30<sup>th</sup> (11) to date. Simon also recorded the most Group points at Rockingham with 24 from his three Group A wins taking him to third in the Group Challenge.

Having taken second in Round 21 **Dean Garbett** dropped one place here despite scoring 0.2 laps more. So close were the top five that **Angus Smith** was only another 0.1 laps further back with 0.6 laps covering the four of them. Angus and Lewis are now sixth in the Team Group Challenge, dropping from 5<sup>th</sup> at the beginning of the Evening. However just 11.5 points cover those six top teams now. When you think one racer can pick up a maximum of 11 points in one Round there will no doubt be some big changes at Le Mans!

**Tom Gray** continued his excellent performances following up on an 8<sup>th</sup> and 6<sup>th</sup> placed finish with a 5<sup>th</sup> in the third race of the Evening, taking back to back Group B wins. This result helped him, and his dad Stuart, move into second in the Team Group Challenge.

To enable folk who needed to leave early to be able to leave early we had to mix racers from different Groups at times. Here Group C, D and E racers mix in.

**Phil Rees** recovered to sixth after the disappointment of Round 21, just half a lap back from fellow Group B racer Tom. Just 0.1 laps behind Phil was **Steve White** and his new Gulf Porsche 911 with **Nick Sismey's** red and white Porsche 911 another 0.5 laps further back as he took his third straight Group D win. He was pleased to be back in the top half of the grid again at Rockingham. **Lee Pateman** scored his best result of the Evening with 9<sup>th</sup> even though, for the first time at The Rock, he wasn't in the top five in fastest laps, he was sixth!

**Dan Hughes-Dowd** also recorded his best result of the Evening rounding out the top ten. His third straight Group C win also took him to the top of the Group Challenge for the first time over son JJ by two points. Had the absent John Lamb, Dan's team-mate, also have been there then they may well have got closer to the top of the Team Challenge as well. This may well all change at Le Mans.

**Liam Smith** joined a quartet of racers finishing in the 64 lap bracket finishing in 11<sup>th</sup>, just 0.7 laps behind Nick in 8<sup>th</sup>. A mere 0.2 laps behind Liam was **JJ Hughes-Dowd** who moves into second in the Group Challenge behind dad Dan but retains his lead in the Team Group Challenge with brother JT. **Richard Booth** again challenged Nick in the D and again took runner up slot, both enjoying a fantastic Evening of racing. **Stuart Gray's** four points from taking third in the D, with 14<sup>th</sup> overall, 1.6 laps behind his brother-in-law, insured he at Tom moved into second in the Team Group Challenge. He also continues to lead the 70+ Group Challenge.

Despite dropping two places to 15<sup>th</sup> **Terry Mullen** was enjoying his best Evening yet at DHORC, loving his Porsche 911, which this time gave him the Group E win. **Andrew Woodhouse's** Ferrari took 16<sup>th</sup>, his best performance of the Evening by three places. He also beat son Jenson for the first time at The Rock. **Andrew Staniec** helped Team Maltese Orzeł move up from sixth to third in the Team Group Challenge with another three Group points here as he took 17<sup>th</sup>. **Geoff Peach** closed out his Rockingham Evening with his third straight 18<sup>th</sup> place finish. Consistency certainly the name of the game.

**Daniel Kalyan** did it! He beat dad **Jag Kalyan** in the last race of the Evening. Only by 0.3 laps, but that gave him 19<sup>th</sup> to Jag's 20<sup>th</sup>. Daniel was happy at the beginning of the Evening when dad presented him with his new DHORC Carrera Digital hoodie and was happy at the end of the Evening beating his dad. **Jenson Woodhouse** dropped to 21<sup>st</sup> this time but still took second in the E, just 0.1 laps behind Jag. Non-Member **Ian Cooke** made it three 22<sup>nd</sup> place finishes out of three, which has given him plenty of idea how we run. Hopefully we will see him back in the near future.

A change of car, which wasn't quite so well set up, saw **Victor de Oliveira** drop to 23<sup>rd</sup>, while **Macaully Dutson** finished half a lap behind him in 24<sup>th</sup>. Macca did very well, considering his back spasms, to even be there let alone race! Two laps further back was **Simon Rankin** and his Aston

Martin in 25<sup>th</sup>. **JT Hughes-Dowds**' three points for taking fourth in Group E helped to keep him and brother JJ ahead on the Team Group Challenge, as he took home the Wooden Spoon.

Jag Kalyan was delighted to see son Daniel happy with his new DHORC hoodie.

# Circuit History

The circuit on which the 24 Hours of **Le Mans** is run is named the **Circuit de la Sarthe**, after the department that Le Mans is within. It consists of both permanent track and public roads temporarily closed for the race. Since 1923, the track has been extensively modified, mostly for safety reasons, and now is 13.626 km (8.467 mi) in length. Although it initially entered the town of Le Mans, the track was cut short to better protect spectators. This led to the creation of the Dunlop Curve and Tertre Rouge corners before re-joining the old circuit on the Mulsanne Straight.

Another major change was on the Mulsanne itself in 1990 when the FIA decreed that it would no longer sanction any circuit that had a straight longer than 2 km (1.2 mi). To comply with this, two chicanes were added to the 6-kilometre-long (3.7 mi) straight, dividing it into three pieces about 2 km each. The addition of the chicanes was further influenced by the fact that the speed of WM P88-Peugeot, driven by French driver Roger Dorchy, had been timed at 407 km/h (253 mph) during the 1988 race. This was the record speed before the addition of the chicanes.
