Editorial 031

100 Club Nights & 6 Wins for Victor! What a weekend of Carrera Digital racing we had with three Club Nights on Friday, including our 100th, and six Club Nights on Saturday. This was feasible on Saturday as we only had three Race Groups so we could run three races in the morning and three in the afternoon. Thanks to all 25 of you for taking part in the weekend.

After taking his first win at Rockingham Motor Speedway at the end of May **Victor de Oliveira** added no less than six more at Le Mans, congratulations Victor. Congrats also to **Simon Goodlip** for taking two wins and **Steve White** the remaining win.

We must also mention all of our Group winners as well, especially **Dave Edwards** who took nine out of nine. The others were **Richard Booth (5)**, **Victor de Oliveira (8)**, **Simon Goodlip (3)**, **Daniel Kalyan (2)**, **Nick Sismey (3)** and **Steve White (1)**. Congratulations to all.

If two days of Carrera Digital wasn't enough for one weekend, we also ran a Corporate event at TC Harrison on Pride Park on the Sunday (See Page 9). Thanks to all who supported this. We have also added a Rolls-Royce Aerospace Corporate event on 17Jul24, and **Phil Rees** has been busy sorting out our Digital Ginettas (See Page 11 for both) ready for a proposed Digital Corporate event in the future.

Finally, thanks to Phil and **Angus Smith** for our helping with our first mock-up of our new multi-layered Road America circuit on Friday. It will be a fantastic circuit to race on in July (See Page 13).

2. Carrera Digital Club Night 100

Our first Le Mans Club Night on Friday Night, Round 23 of the 2024 DHORC Carrera Digital Championship, was our 100th Carrera Digital Club Night since our first race on 18Jan22 below.

In that time we have had 40 Members running in our 1/32nd races with 22 of them joining DHORC just for the digital racing. In those 100 Club Nights we have covered 144,653 laps and 3,953 miles with an average attendance of 22 racers!

Thanks to everyone who has made this all possible. We have come an incredibly long way since that first test with six of us, due to COVID restrictions, back in May'21.

4. TC Harrison Car Show – Sunday 09Jun24

After a busy two days running the Le Mans Carrera Digital event several of us were at TC Harrison the next day running our eight-lane Tomy AFX HO track at their Car show. Thank you so much to **Phil Rees** and **Angus Smith** for helping with the build on Saturday night, to **Caroline & Steve White** for the help with the build and then marshalling and packing away on Sunday, to **Jimmy & Mike Graham** for marshalling and packing away and to **Daniel & Jag Kalyan** for marshalling, packing away and returning everything back to the Table Tennis Room. What a team!

5. New Rolls-Royce Aerospace Corporate Event

We have added another corporate event to our Calendar, with the Rolls-Royce Trent 1000 and Trent 7000 team asking us to run an event on the evening of Wednesday 17Jul24. It will be in our Table Tennis Room the day after our Jacarepagua HO Club Night so we can leave the track up on the Tuesday!

6. Corporate Digital Ginettas coming together

Phil Rees has got two of our six Scalextric Ginettas up and running with digital chips fitted so they can run on our Carrera Digital track, four more to go. We tested them before the Le Mans evening began. Better tyres need fitting otherwise they went very well.

Thanks Phil.

7. Multilayer Road America is go!

With thanks to **Phil Rees** and **Angus Smith** we built our multilayer Road America circuit for the first time on Friday 14Jun24. It is certainly going to be a track you are going to have to respect! You will have to lift coming up the big rise onto the pit straight otherwise your car could jump the start line and your laps not count. The same goes for the pit entry, too quick and you may not be able to refuel. You will really have to drive the track to make it count.

Simon Goodlip and Angus Smith managed Parc Ferme, Simon going on to take two wins.

Simon makes 100th CD Club Night his own!

The first Club Night of the Le Mans weekend was DHORC-CD 100, our hundredth race since we began Carrera Digital racing on 18Jan22. **Simon Goodlip**, who leads 2024 Championship, made the century Club Night his own, and by some margin, beating **Victor de Oliveira** to the top step by no less than 2.1 laps. Starting only his seventh Club Night of the year **Dean Garbett** put pressure on the first time winner, at Rockingham, Victor. However the latter kept Dean at bay by 0.6 laps. The top two on the podium were also Group winners.

With 23 racers on the grid for our second visit to Le Mans we beat the previous best grid size of 20 by three grid slots. Thanks to all being early we were able to start the first of 12 off 15-minute races on time at 18:00 hours even though we had opened the top ten ranked drivers' cars for inspection.

Simon's victory was part of a hattrick of wins, making it the 26th time he had been first passed the checkered flag and 10th of 2024. This followed his 36th (15) Pole, his fifth in a row. He also equalled his own PB of six fastest laps in a row with his 31st (10) and his 9.411 second lap broke his own 9.456 second track record, set on 18Nov23. What a start to the Evening!

			2nd Victor de Oliveira	1st Simon Goodlip	3rd Dean Garbett			

Dan, JT and JJ Hughes-Dowd all ran in the three Friday Club Nights, but missed Saturday thus dropping from the top of a couple of Championships.

Our 2022 Champion **Angus Smith** was a mere 0.2 laps behind Dean as the power ebbed away, taking fourth while **Lewis Blacker** made it four Group A racers in the top five, another 1.3 laps further back. **Phil Rees** was second best to Victor in the B as he took sixth overall with **Tom Gray**, like Angus, running in his first Le Mans race so both having to learn the circuit as they went on, taking seventh overall and fifth in Group A.

Nick Sismey was again so pleased Phil had changed his Porsche's chassis before the Rockingham Evening as he was back to where he had run previously as he took eighth. **Dave Edwards** was to become a Group winning machine at Le Mans with Round 23 notching up his first, the D. **Steve White** wasn't quite shooting straight as he closed our both Group A and the top ten. Things would gradually improve over the unprecedented nine Le Mans Club Nights.

Richard Booth was our fourth and final Group winner as he took the C and 11th overall by 0.5 laps from fellow Group C racer **Chris Whitehouse**, back at DHORC for his second Weekend event. Leading both the Weekend Group Challenge and Weekend Team Challenge, with his dad Bill, after Monza, he needed some good results at Le Mans to maintain the lead in both. Five Group points here certainly helped. He also set the 11th fastest lap beating his previous PB of 14th at Monza in January.

The Ferraris of **Dan Hughes-Dowd** and **Laura Edwards** fought it out for 13th with Dan taking it by 0.4 laps. **Macaully Dutson**, loving his McLaren, took 15th with a real smile on his face! Just 0.1 laps separated **Stuart Gray's** Ferrari and **JJ Hughes-Dowd's** trusty Audi, which had been restored to its previous glory as JJ learnt to drive it again in his first ever race at Le Mans. They finished 16th and 17th respectively.

Daniel Kalyan was looking forward to a busy weekend of racing. The first three Club Nights on Friday night he would share the Le Mans track with his dad **Jag Kalyan**. However on Saturday he would be on his own as dad had to work. He started well as he finished 18th while dad struggled with his similar Audi, not working as well as he had expected, taking 23rd!

Terry Mullen had decided to run at Le Mans rather than marshal at Silverstone (thanks Terry), and his dedication was rewarded with 19th first time on the Le Mans track as a Member. He had run as a Non-Member at the track last year.. **Martin Thorpe** very much had run on various versions of Le Mans, but car problems saw him way out of place in 20th. Behind Martin was our other Weekend racer **Bill Whitehouse** who also hadn't run at Le Mans before having only run Carrera Digital at Monza previously. He therefore had a steep learning curve ahead of him. Especially as he needed to maintain the lead in the Team Championship with Chris. **JT Hughes-Dowd** was the meat in the Bill and Jag sandwich as he took 22nd.

Group D – JT, Macaully Dutson, Terry Mullen, Bill Whitehouse and Dave Edwards

Dean Garbett and Lewis Blacker also only ran on Friday night.

Simon's record "equalling" & "breaking" run

Simon Goodlip's 80.9 laps in our second Club Night at Le Mans equalled the 15-minute race record set by Gary Skipp on 18Nov23. To go with this he also broke the record 9.411 second lap time he set in Round 23 by stopping the clock at 9.291 seconds here. His fourth straight win and fourth straight perfect 45 points haul extended his Championship lead yet again. Simon's stats after Round 24 read, 37 career Poles with 16 in 2024 and 6 in a row, 27 (11) wins, 4 in a row and 32 (13) fastest laps, 7 in a row. Who will stop him taking back to back Championships?

One who might is probably **Victor de Oliveira**, who, after taking his first win at Rockingham, is hunting Simon down ruthlessly. His 79.0 laps in DHORC-CD 101 would have won the 100th Club Night but this time he was second by just 0.8 laps, with another Group B win in his pocket! **Dean Garbett** made it a repeat of the previous Round's podium by taking third again, where his 77.6 laps would have given him second last time out. The lap numbers were ramping up as the Evening progressed.

To keep the same order going **Angus Smith** was again fourth with exactly the same score as the first race of the Evening. He was lucky to remain there as **Phil Rees** was only 0.1 laps in arrears, moving up a place to fifth while **Steve White** moved up four places to sixth, although he still wasn't liking his car set up for some reason!

Nick Sismey was again at the right end of the finishing stats moving up from 8th to 7th this time half a lap behind Steve. **Tom Gray** made it five Group A and three Group B racers in the top eight just 0.3 laps behind Nick, who had swapped placed with him compared to Round 23. **Richard Booth** took his second straight Group C win finishing two places better in ninth, 0.8 laps behind his nephew Tom. **Dave Edwards** also repeated his Group D win half a lap behind Richard, closing out the top ten.

Chris Whitehouse, in his second race since January, moved up a place to 11th this time with his first 70+ lap run of the weekend. While Chris jumped one place **Daniel Kalyan** jumped no less than six places with an extra 8.1 laps taking him to 12th. **Stuart Gray** followed Daniel home, also improving his lot by three places, being the last of the 70+ lap racers. **Dan Hughes-Dowd**, unfortunately, went the other way dropping from 13th to 14th despite a 1.2 lap improvement. He led home seven racers in the 60+ lap bracket.

Jag Kalyan, like Dan, was only running on Friday night, and again had to give better to son Daniel as he finished three places below him in 15th. The good news was that this was an eight place improvement from Round 23. **JJ Hughes-Dowd** was the third Friday only racer in a row as he took 16th, 0.7 laps behind Jag.

As **Macaully Dutson** said, he was getting a nose bleed being so high up in the order on Friday, although this time his 17th was a couple of places down from the previous round. **Laura Edwards** wasn't able to match hubby Dave at Le Mans with the latter taking a 2-0 lead in the family race, as she finished in 18th. In 19th was **Bill Whitehouse**, with a two place improvement thanks to an increase of 9.4 in race laps. **JT Hughes-Dowd** closed out the second group of ten racers and was the last of the 60+ lappers on 62.8 laps in 20th.

Terry Mullen didn't have quite such a good race this time as he finished in 21st but both **Lewis Blacker** (22nd) and **Martin Thorpe** (23rd) had dire problems with their cars which meant they weren't able to finish their runs.

Jag just ran on the Friday night while Daniel was there both days

7th June 2024

Group B – Nick Sismey, JJ, Dan, Martin Thorpe, Phil Rees and Victor de Oliveira

Victor and Ferrari take Round 25

Victor de Oliveira took his Ferrari to his second Carrera Digital Club Night win at our final race on Friday night beating Poleman **Simon Goodlip** and **Angus Smith** by 2.2 laps. This was Simon's 38th (17) front row start where he equalled his PB of seven Poles in a row. He also added his 33rd (14) fastest lap with a PB 8th in a row. While Victor's 79.7 laps would have only been good enough for second in the last two races he was able to take the win through better fuel strategy and less problems in the pits. Slowly, slowly wins the race! This was Victor's third Group B win in a row.

Nick Sismey had his best run of the weekend with fourth another 2.1 laps down, especially as he beat the similar Porsches of Group A racers **Dean Garbett** and **Steve White**. Steve had decided it was his hand controller causing problems earlier. Borrowing Bill's seemed to fix the problem. A new one has since been put on order! **JJ Hughes-Dowd** had his best run of the Evening with 7th (after a 17th and 16th) just 0.7 laps behind Steve, as he got back in tune with his Audi R8.

Group A – Tom Gray, Lewis, Steve White, Dean, Angus and Simon.

Dave Edwards made it three Group D wins in a row, just a tenth behind JJ, beating two Group A and three Group B racers in the process. Dave is certainly heading upwards in the Rankings at Le Mans. **Tom Gray** was the next Group A racer 0.6 laps behind Dave while **Martin Thorpe** was the next Group B racer another 0.2 laps back. He, like Steve earlier, was struggling with his Porsche but as yet hadn't worked out what his problem was as he just made the top ten, his best score at Le Sarthe on Friday by some margin.

Daniel Kalyan made it 3-0 in the son/dad competition, taking 11th three places and 0.7 laps ahead of dad **Jag Kalyan** in 14th. Daniel also took his first Group win of the weekend, the C. Including Daniel in 11th the next six places were in fact all taken up by Group C racers, with **Richard Booth** only losing out on a shared Group win with Daniel by 0.1 laps. Weekend Group Challenge leader **Chris Whitehouse** took third in the Group and 13th overall, another 0.4 laps back, with Jag a tenth behind him. **Stuart Gray** was the first of the 60+ brigade on 69.6 laps with **Laura Edwards** also going down 3-0 in the family steaks as she came home 0.3 laps behind Stuart.

That was more like it for **Terry Mullen**, after taking a 19th then dropping to 21st he took a Le Mans best of 17th in Round 25. Initially Friday was OK for **Lewis Blacker** with a 5th but then car problems saw him take 22nd in the middle race and then 18th here. Unfortunately he wasn't going to be there the next day to try and emulate taking the win at our first race at Le Mans on 17Nov23. **JT Hughes-Dowd** was second in their family race this time, 1.2 laps ahead of **Bill Whitehouse** who was coming to terms with the very different Le Mans track compared to the Monza layout as he took 20th.

Phil Rees encountered car problems meaning he withdrew after 28.4 laps to take 21st while **Dan Hughes-Dowd** decided to call it a day after 18.0 laps. A pity as he, like six others, wouldn't be back on Saturday. One racer who would be back was Macaully Dutson. He had taken a fall earlier in the day, so was only able to make the first two Rounds of the night, deciding it was better to rest at home rather than race in Round 25 so he could be ready for the six races targeted for Saturday.

Martin and Steve had troubled times at Le Mans but both came good in the end

Victor made Le Mans his own

Jenson Woodhouse joined us for Saturday morning

Victor takes back-to-back wins!

Victor de Oliveira's move to Group A for the first time on Saturday morning was rewarded with back-to-back wins at Le Mans and his third career win in seven Club Nights. Also being A4 on the grid meant he would take home nine Group points rather than the six he took home from winning Group B from B1. The grid had reduced from a maximum of 23 racers on Friday evening to 18 on Saturday which meant just three Groups of racers. While it was disappointing to be running half of the grid we could have run it did mean those there would get three Club Nights in the morning and three in the afternoon!

Victor became only the third racer to record 80 laps at the Le Mans circuit after he had set his second career Pole position. To go with this he also set his second fastest lap. Borrowing Bill's hand controller for the rest of the meeting **Steve White** was now back on song taking second, 1.2 laps behind Victor and 2.7 laps ahead of **Angus Smith** who was looking for his first win at the French track. While the podium was covered by 3.9 laps another 1.4 laps back came **Tom Gray** also running in his first Le Mans weekend. He went one better than his A4 Group position by taking A3 at the flag and fourth overall.

Cars being checked by Angus in Parc Ferme ready for the six Saturday Club Nights

Nick Sismey started Saturday as he finished Friday with a top five finish, this time in fifth, taking his first Group win of the weekend, the B. We suspect **Phil Rees** in sixth, 0.6 laps behind Nick, wished he hadn't swapped Nick's Porsche running gear onto a new chassis as he was now challenging him for positions again! **Chris Whitehouse** catapulted up the leaderboard on Saturday morning taking 7th beating his PB of 9th at Monza on 19Jan24. To go with this his 8th on the grid smashed his 14th also at Monza but on the Saturday of that meeting on 20Jan24.

Richard Booth and **Dave Edwards** shared 8th overall with Dave making it four consecutive Group wins in a row. Friday night he was winning the D now the C. His 4th on the grid also beat his previous PB way back on 25Oct22 at the Brands Hatch Indy circuit, 85 races ago, where he started in 5th. **Daniel Kalyan** continued to improve his results at Le Mans by moving up to 10th in the first race on Saturday. His Audi running very smoothly.

Stuart Gray was top of the 60+ lap racers with 69.7 laps in 11th, his best result of the weekend to date, while **Jenson Woodhouse**, only running in the three Saturday morning races, took 12th in his first ever Le Mans race. Setting the 7th fastest lap he beat his PB of 15th set at Rockingham on 28May24. Just 0.2 laps behind our youngest racer was our only lady racer **Laura Edwards** in 13th who was another 0.2 laps ahead of **Macaully Dutson**. Standing down from the last of Friday's Club Nights to rest his back had worked as he set the 6th fastest lap here beating his PB of 10th set on 18Nov23 at the same track!

Troubles continued for **Martin Thorpe** who closed out Group A down in 15th. Further investigations were required. Meanwhile **Terry Mullen** was happy with 16th as he set two PBs. His 10th in Qualy beat his 15th at Monza on 20Jan24 and his 10th fastest lap beat his 11th at the same race weekend.

John Lamb ran in his first Club Night of the weekend and took 17th as friend **Bill Whitehouse** closed out our three Groups of racers.

John Lamb also joined us for the Saturday Club Nights

Round 27

Le Mans

Carrera
DIGITAL 132

8th June 2024

Macaully enjoyed his eight races at Le Mans, and Terry enjoyed his nine!

Victor's French Tour de Chapeau!

Victor de Oliveira made it three wins in a row at Le Mans to set up his first career hat-trick. His fourth win followed his third Pole, and his first back-to-back front grid slot. His third fastest lap almost gave him his first track record as he stopped the clock a mere 0.002 seconds slower than Simon Goodlip had recorded on Friday night. His 80.7 laps was also 0.1 laps off the track record!

Angus Smith and **Steve White** swapped places from the previous Round with Angus taking second, four laps behind Victor. He knew his motor was slowing but couldn't do anything about it until after the three morning Club Nights. The afternoon would see him with a different set up. Steve was just 0.1 laps behind Angus as his form continued to flourish after the hand controller switch. **Phil Rees** produced what would be his best run of the weekend finishing fourth, his red and white Audi really getting hooked up with the Le Mans circuit.

By position six all three Group winners were accounted for with **Richard Booth** taking a career best of fifth beating his sixth at the Brands Hatch Indy circuit on 01Aug23, and with it Group B. **Dave Edwards** also continued to take Group honours winning the the C in sixth, one off his best ever result.

Round 27

Le Mans -

08 June 2024

 	 	 
2nd Angus Smith	1st Victor de Oliveira	3rd Steve White

Saturday's Group C – Razor, Macca, Terry, Jenson, Bill and Dave.

The PBs kept on falling with **Jenson Woodhouse** breaking all of his. Finishing in seventh, 0.6 laps behind Dave, Jenson beat his ninth placed finish at Rockingham at the end of May by two places. In addition he had Qualified in 10th beating his 12th at the same meeting and took the sixth fastest lap beating his seventh in the previous race. **Nick Sismey** just got beat by someone 51 year's younger than him, but he couldn't have been more happy for young Jenson who is so incredibly mature for his ten years.

Chris Whitehouse dropped two places from his best ever Carrera Digital finish of seventh in the previous Round to take ninth. However he also set a PB with the ninth fastest lap beating his 11th at DHORC-CD 100. **Tom Gray's** performance waned a little here with his Lambo only taking 10th this time around. He would be back.

Terry Mullen on the other hand was having his best ever run. Having taken 13th at Rockingham in 28May24 he went two better to take 11th in our fifth race of the weekend. To go with that he started from the ninth grid position, one place closer to the sharp end than he managed in the previous Round. His Porsche was smokin'. **Daniel Kalyan** kept on banging in the 70+ lap scores but this time dropped a couple of places from his best result at Le Mans with 12th. He would also be back.

Macaully Dutson was chuffed with his lot at the Le Mans circuit as he set the seventh fastest lap for Round 27 beating his 10th on the grid at Sakhir on 19Sep23. His 13th place finish was also his best result to date over the weekend. **Laura Edwards** and **Stuart Gray** battled it out for 14th with Laura getting the nod by 0.4 of a lap.

Martin Thorpe was going to have to take some drastic action if he was going to turn his Le Mans weekend around. Finding someone in A6 on the grid down in 16th doesn't usually measure up, and it certainly wasn't here. **Bill Whitehouse** on the other hand recorded his best result to date at Le Mans as he continued to help his and Chris' GBSC team to stay at the top of the Weekend Team Group Challenge charts. **John Lamb** took his turn to take home a Wooden Spoon this time. That made it five different Wooden Spoon winners in five Le Mans races.

Saturday's Group B – Stuart, Laura, Daniel, Richard, Chris and Nick

HO racer Ellis Woodhouse came along with mum Lara to support brother Jenson. Caroline White helped out with marshalling at times alongside Martin.

Four Wins and Two Records for Victor at Le Mans!

Victor de Oliveira's success at Le Mans continued unabated at with his fourth straight victory. To add to his phenomenal success at his home circuit he also broke both track records in the process. Gary Skipp set the race record at 80.8 laps on 18Nov23 at our first Le Mans weekend for Simon Goodlip to equal that during the Friday night races at this event. Neither of them were here to defend their record or see their record go, but go it did, Victor bettering it by 0.1 laps. In addition to this he smashed Simon's fastest lap record set the previous night by 0.193 seconds. Will we see a sub nine second lap soon?

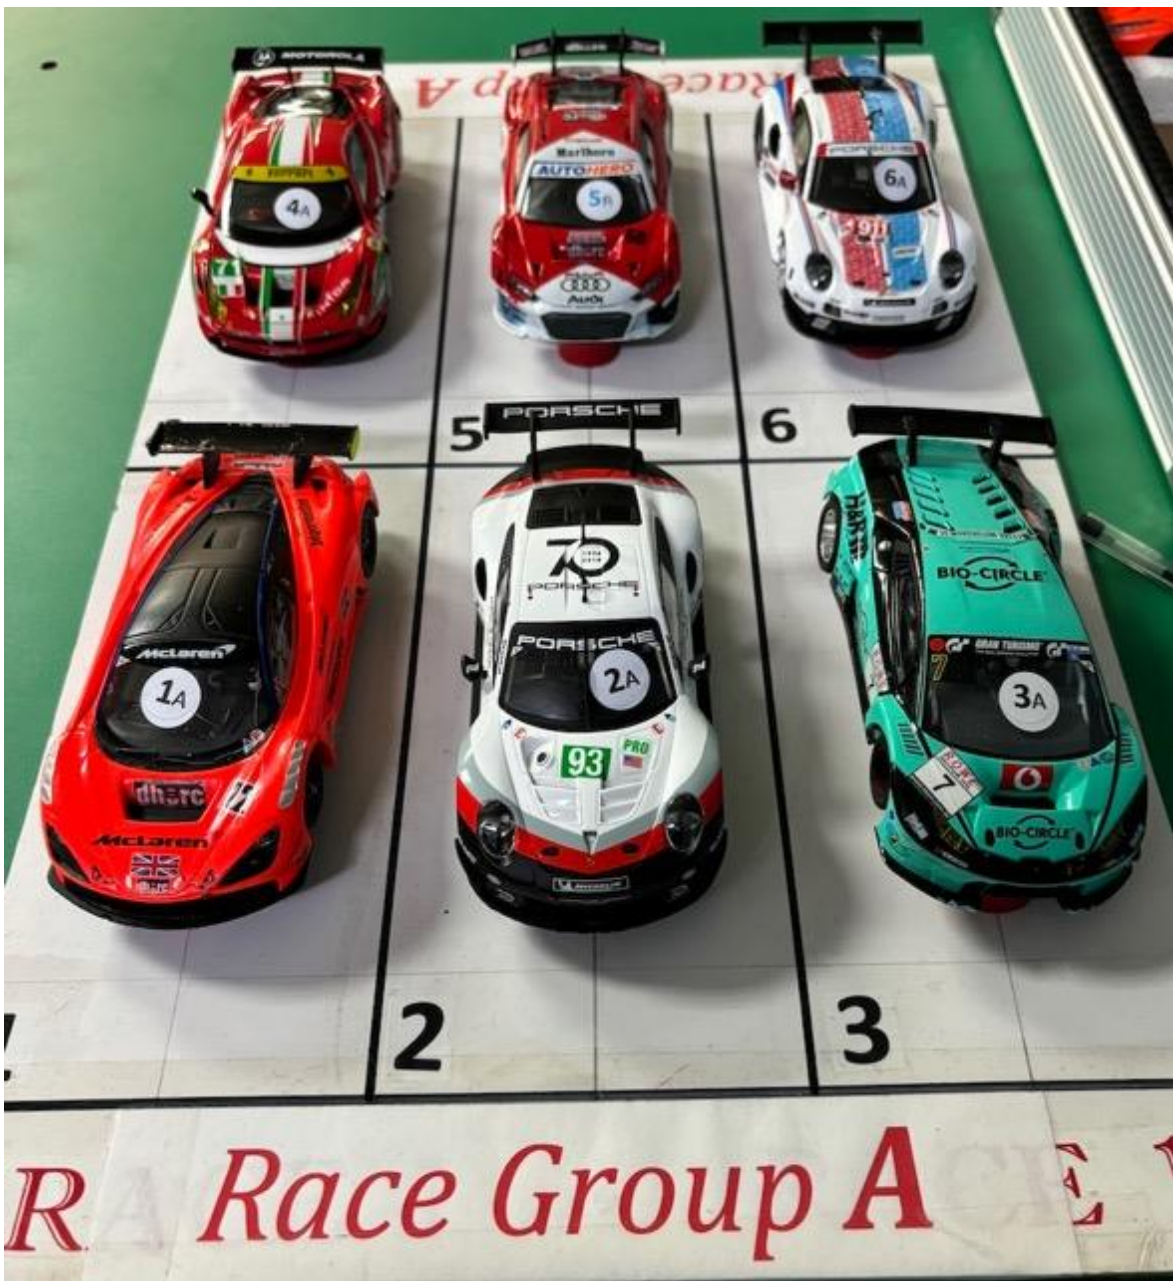

To go with his fifth win Victor added his fourth Pole, taking a hat-trick of front row starts, and his fourth fastest lap, all four being consecutive. **Angus Smith** and **Steve White** mirrored their Round 27 results with second and third again although Angus recorded his best number of laps at Le Mans to date, 79.4, which left him only 1.5 laps behind Victor. He still wasn't happy with his car so was pleased this was the last race of the morning session so could change cars for the start of the afternoon session. Steve was another 1.7 laps back.

Richard Booth and **Nick Sismey** had an incredible tussle for Group B honours with both leading for several minutes. Richard then looked to have cracked it over the last few laps only for Nick to chase him down and finish on the same laps and tenth, just (see Page 45). This fight took them both to their best finish (Nick equalling his Round 25 finish) of the weekend, joint fourth, which was a PB for Richard beating his fifth in the previous Round!

Saturday's Group A – Martin, Phil, Victor, Tom, Steve and Angus

Dave Edwards took consecutive Group win number six with sixth place overall, matching his Round 27 result, but adding 0.7 laps to his best score at Le Mans. **Tom Gray** maintained his top ten finishes with seventh this time 0.1 laps behind Dave while **Phil Rees** was 1.6 laps in arrears of Tom in eighth. **Daniel Kalyan** was having a great Le Mans as was **Jenson Woodhouse** as they closed out the top ten, 0.4 laps apart. Jenson continued to set PBs with sixth on the grid beating his tenth a race earlier!

It all came good for Steve in Round 29

Steve charges to the top!

Steve White took Round 29 by the scruff of the neck and motored home to his seventh career win. His second win of 2024 beat Le Man guru **Victor de Oliveira** by 2.4 laps as the latter took a short breather from the top step of the podium. He did however add to his top trumps' stats by taking his fifth career Pole and fifth career fastest lap. Both were also his fourth in a row!

Tom Gray had been threatening a podium finish all meeting and in the seventh Le Mans race of the weekend he duly delivered finishing just 0.4 laps behind Victor. **Angus Smith**, with a new car, took fourth another 0.3 laps back. **Phil Rees** won the battle with **Nick Sismey** this time making it 4-3 to him, 0.5 laps separating the two with 75.0 and 74.5 laps respectively. While Nick took his third Group (B) win of the weekend **Dave Edwards** took his seventh (C) from seven starts.

8th June 2024

Eight Le Mans races in and eight Group wins for **Dave Edwards** as he zoomed up the Group Challenge table. Just to match that he finished eighth overall here 1.2 laps ahead of **Richard Booth** who, for once, couldn't stay with Daniel and Nick. **Phil Rees'** tenth place finish meant it was now 4-4 between him and Nick at Le Mans with one Round to go. **Macaully Dutton** was back up to 11th again equalling his best result in France.

Chris Whitehouse took his third 12th place finish of the weekend with **Laura Edwards** almost matching him, had she added just 0.1 laps to her score. She was quicker than him in the fastest lap charts, however. Talking of fastest laps **Terry Mullen** was nearly half a second quicker than both of them with his ninth fastest lap beating his previous best of tenth earlier in the day. **Stuart Gray** was only 0.3 laps behind Terry making sure he maintained his 70+ Group Challenge lead.

Bill Whitehouse's penultimate race of the weekend saw him in 16th while **John Lamb** had to take a work phone call after he had completed just over 10 laps. He was able to return but only added 13.2 laps to finish on 23.2 to match Bill on two Le Mans Wooden Spoons.

8th June 2024

Dave took Group wins in all nine Le Mans Club Nights

Victor wins Le Mans weekend 6-2-1

Victor de Oliveira made it six wins at our second Le Mans weekend to go with Simon Goodlip's two and **Steve White's** one. This also puts Victor at the top of Le Mans wins over the two weekends where we have had a combined 15 Club Nights. His six compares to Simon and Gary Skipp's four (one of which they shared), Lewis Blacker and Steve's one each. Of those six wins Victor took five perfect 45 point hauls including this one. Therefore his stats at the end of the Le Mans meeting were Poles 7 – 6 in a row, wins 7 – 4 in a row and fastest laps 7 – 6 in a row. This moves him from 13th to 6th in the main Championship and a record 70 Race Group points over the weekend takes him, incredibly, from 25th to third in the Group Challenge and into second in the Weekend Group Challenge!

Martin Thorpe proved his Round 30 result was no fluke by repeating it in Round 31, those tyres transforming his car's handling. **Angus Smith** finally got back onto the podium during the last race of the afternoon 1.4 laps behind Martin. He is now level on the number of Club Nights in 2024 with Simon as he got back the six races he missed at Monza, while Simon missed six races here. Simon retains his Championship lead as surprisingly our 2022 Champion Angus didn't take a win in France, but he does move into second reducing the lead from 179.5 points to 93.0.

Steve took fourth this time 0.1 laps behind Angus, with his win in Round 29 taking him to third in the Championship. **Tom Gray** closed out his weekend with another top five finish a lap behind Steve in fifth, meaning all of the top five were from Group A. **Richard Booth** then broke that chain taking sixth with his fifth Group win of the weekend. This gave him a total of 55 Le Mans Group points taking him from fifth to the lead in the Group Challenge by an incredible 19 points over **Nick Sismey** who followed him home 0.2 laps in arrears. Richard is also now third in the Weekend Group Challenge.

Richard now leads the Group Challenge

Dave Edwards made it! He took a Group win in every Le Mans Club Night. Only two people have beaten him on consecutive wins now, Andrew Staniec (17) and JJ Hughes-Dowd (10). Dave's performances over the weekend saw him and Laura move into second place in the Team Group Challenge with Crash Test Dummies and third in the Weekend Team Group Challenge. All nine of his results at Le Mans were in the top ten so he will see a move up the Ranking charts for Rockingham – that could stop his Group win steam roller! **Chris Whitehouse** in ninth made sure he retained his lead in the Weekend Group Challenge and he and his dad Bill stayed at the top of the pile in the Weekend Team Group Challenge with GBSC.

Daniel Kalyan took his fifth top ten finish out of nine starts at Le Mans with the Group points he recorded over the weekend placing him to third in the Group Challenge alongside Victor. Dave is only 0.5 points further back in fifth! **Terry Mullen** set yet another PB in Round 31, the last one of the weekend. Finishing in 11th he set the 8th fastest lap beating his 9th in the previous Round. He also moves into second in the 70+ Group Challenge with a 9 point gap to our leader Stuart.

Phil Rees had to concede a 4-5 win to Nick at Le Mans as he took 12th this time to the latter's seventh, however as Team Wolfsburg they now lead the Team Group Challenge and lie second in the Weekend Group Challenge. Similarly **Laura Edwards** helped Dave and their team to move up the charts in both categories with 13th here.

Macaully Dutson was happy with his lot over the eight races he ran over the weekend. His car was quick, his car was smooth, and his car was nice to drive. He is already looking forward to his McLaren taking on Rockingham. It was great to see **John Lamb** run in six straight Club Nights. He wasn't feeling on top form the night before so withdrew from those three races but made sure he was there throughout Saturday.

Stuart Gray remained ahead of the 70+ Group Challenge and helped him and son Tom move into third in the Team Group Challenge with Gray Hounds, a smidgen of 0.5 points behind second. **Bill Whitehouse** did the same with son Chris and made sure they stayed atop the Weekend Team Group Challenge.

Thank you to all 25 racers who took part this weekend, we ran 30 off 15-minute Group Races, recording 12,028.1 laps and 281.5 miles of racing. Absolutely superb!

Nick Sismey

Chris stays top of the Weekend Group Challenge while he and dad Bill maintain their lead in the Weekend Team Group Challenge.

Circuit History

Rockingham Motor Speedway is a former racing motorsport venue in Rockingham, Northamptonshire, England, United Kingdom, near the town of Corby. It hosted professional and club races, as well as testing, track days, driver training, exhibitions and conferences. It claimed to be Europe's fastest racing circuit and was the first banked oval constructed in Britain since the closure of Brooklands in 1939.

The venue entered administration in 2017 and hosted its final motor race in November 2018. In 2021, the facility was purchased by Constellation Automotive.

DHORC ran slot car tracks at many of Rockingham's major meetings and was very sad when it closed.

We are replicating the International Long Circuit with our Carrera Digital track.
