Editorial 700

“Let’s give it until DHORC 500” Phil Rees and I said back in 2015 and then decided whether to continue with the Club. Nine years later we have reached DHORC 700 and both enjoying the club as much as ever. I must admit we did have a dip during COVID with the enforced 15 month closure between DHORC 616 on 11Feb20 and DHORC 617 on 27Jul21, where we weren’t actually missing the Club. We then decided to scrap the weekend events, Le Mans in the Sports Hall and Rockingham Oval in the Nightingale Hall as we simply weren’t getting the fun out of them for the effort we were putting in. Well we had done 27 Le Mans!

Then Carrera Digital came along, and this really sparked something new inside us both so much so we also decided to tweak Rockingham into dhoringham so that we could use the oval in the Table Tennis room. That runs for the second time on 23Jul24. Thank you to all who supported our 700th Club Night, here’s to the 800th.

As well as celebrating our 700th Club Night in July we also celebrated our 32nd anniversary on 07Jul24 and surpassed 6,000 followers on Facebook.

The 700th Adult Club Night win couldn’t have gone to a more deserving winner than **Phil Rees** who was also at DHORC 001 on 07Jul92. 2024 Championship leader **Angus Smith** also took the very first Pole at DHORC at that first race. I was also very pleased to have won the Master’s race to go with my DHORC 001 Adult win. **JJ Hughes-Dowd** and **Andrew Woodhouse** also made it 13 Junior and 11 Early Parents’ wins for the year respectively. Congrats all.

4. Previous centennial Club Night Editorials

There have also been six previous Editorials to mark each time we have passed through a multiple of a hundred Club Nights. I seem to get younger in each picture 😊.

ROLLS-ROYCE H:O SLOT CAR CLUB 1998

Editorial.....100

Welcome to the 100th edition of the Rolls-Royce H:O Slot Car Club alias The Derby H:O Racing Club's (DHORC) magazine. As you can see from the front cover and the following pages it has undergone somewhat of a face lift with **Simon Pank** coming up with his own ideas for the cover and yours truly trying to make the inside more professional. We hope you like it.

For the club to have reached it's 100th meeting is a truly a great feat. When we first posed the idea to run a slot car club off the back of the Rolls-Royce Motor Club arm of the Recreational Society there was a large amount of scepticism. However through the likes of **Phil Rees, Martin Chadwick, Steve Minnis, Allan McPeake, Simon Pank, Cliff Roythorne, Paul Levers, Cathy Silkstone, Lynn Boughey** to name but a few, who gave up a lot of their spare time, the club has gone from strength to strength.

May be it was wrong of me to just pick out those names as so many folk have helped out in the back room in their own little way. Please accept my apologies for not including you and at the same time my gratitude for everything you have done

Looking back at Issue 1 of this magazine, which has been included in this Issue, only Phil Rees and yours truly attended both DHORC 1 and DHORC 100. Who from DHORC 100 will attend DHORC 200?

Wow our 200th DHORC Club night, and I missed it being tucked up in bed in Guangzhou!!! Thanks to all who helped **Phil Rees** and **Martin Chadwick** pull the evening together in my absence, I am just pleased that my longest trip to date (four weeks) was timed so I would only miss one meeting, roll on DHORC 201!!!

Congratulations to **Simon Goodlip** and **Tom Chadwick** for their victories!!

The Derby H:O Racing Club

Editorial.....300

Wow, who would ever have believed back in July 1992 that, in September 2007 we would be celebrating our 300th DHORC Club Night? While many people have helped to make the Club great, including those Committee Members listed below, the biggest gratitude I have to give is to **Phil Rees** who has supported both the Club and myself through thick and thin since that very first race. Having only missed three of those 300 Club Nights I am indebted to his dedication.

400,000,000 Thanks to all of you, who have had such a big part in ensuring DHORC reached its 400th Club Night on Tuesday. We celebrated with a good sized field from as far away as Italy and Australia and pizzas went down very well with all.

Congratulations to both **Lee Pateman** and **James Mellor** for taking their tenth victories of the year on such an auspicious evening.

Apologies for the late publication of this magazine, having been out of the country for the last three weeks I just haven't had the time to put it together before now.

Editorial.....500

500 DHORC Club Nights! Wow what an achievement. I could write several pages of Thank Yous to all of the people who have made DHORC the Club it is today. It really is quite remarkable what we have all achieved in nearly a quarter of a century of racing. Thank you, you all know who you are and just what you have contributed to this great club. However I have had to give special attention to **Phil Rees** on Page 5 and I have to thank my long suffering wife Suzy for allowing me to spend an inordinate amount of time running DHORC while travelling the world with Rolls-Royce. Without her support DHORC simply would not happen!

Thank you to all of you who attended over the weekend. It was a fabulous way for us to celebrate our 500th Club Night. Thank you also for your kind words about the weekend, they can be seen from Page 10 onwards. With many of you running to DHORC rules for the first time it must have seemed quite strange, but it all seemed to work! With no less than eight slot car clubs represented, CHORC, DHORC, Four Lane Blacktop, HONK, Larkfield, NSSRC, SCHORC and WHO there was a real cross section of racers.

We must also thank Donington Park for allowing us to run such a special event in their wonderful Paddock Suite, we are indebted to them.

Thanks again to all, see you again at DHORC 1,000.

Editorial 600

That's 600 Club Nights in the Books. Wow if you had told me that we would still be racing after 27 years back in 1992 and on so many different types of tracks (special to DHORC) and organising numerous corporate events I would have struggled to believe you. It has been a quite incredible journey with **Phil Rees** (who still has only missed 14 Club Nights!) and so many more of you. There are four of us still racing who raced at that very first race, **Angus Smith** (although he had a 21 year sabbatical), **Lee Pateman**, **Phil** and I.

However that is only part of the story as we have had 282 Members over the last 600 Club Nights plus many more folk racing at our 26 Le Mans races to date. On top of that we have had thousands of racers on our corporate tracks. After the 600th Club Night on Tuesday we have recorded 94,897 Laps, which equates to 34,319 miles, since DHORC 001. Amazingly much of the track is the same track that we used at that very first Club Night such is the quality of the Aurora/Tomy track.

We have also averaged 28 racers to all 600 Club Nights which is a quite staggering number. Thank you to everyone for making a dream come true, here's to the 601st Club Night next week!

Congratulations to all of our 600 Club Night winners, **Angus Smith** (Adults), **Phil Rees** (Masters), **Reuben Litherland** (Juniors), **Josh Martinez** (Juniors) and **Sofia Martinez** (Tiddlers)

DHORC 700 & 701

The calm before the storm, Denis Latham and Dan Hughes-Dowd above with Dan Turnbull readying Race Control and Phil Rees Parc Ferme while Lewis Blacker shoots the breeze!

Phil wins 700th DHORC Club Night!

'A' Final – **Phil Rees** finished in 14th in DHORC 001 on 07Jul92. Thirty-Two years and nine days later at DHORC 700 he finished first for the 31st time! This was Phil's 250th Final win and he still has only missed 17 Club Nights in all that time! His second win of the year and second win at Jacarepagua (his first at the Brazilian track being on 17Apr07 at DHORC 292) followed his 20th Pole position. Being as this was the first time we had had double Finals during the 18 visits to Jacarepagua, his 39.8 F1 laps was a new track record, his 24th such record. His last Pole had been on 21Feb23 at DHORC 661. His 20.9 laps in the 'A' were also the best of the night giving Phil his 26th best race laps and 3rd of the year.

Simon Goodlip missed out on Pole by 1.2 laps and the win by 0.5 laps. He was closing in on Phil towards the end of the Final at a high rate of knots setting the fastest lap of the night at 7.56 seconds, his 66th fastest lap of his career and 3rd this year. However an off just before the power ebbed away enabled Phil to celebrate our 700 Club Night milestone with a victory. **Angus Smith** was also at DHORC 001 where he finished in the same place as DHORC 700, third, just 0.4 laps behind Simon this time. Only 1.5 laps covered the whole of the 'A' Final with 'B' Final winner **Lee Pateman** another 0.6 laps back.

Round 16 - ADULTS

Jacarepagua F1 - Brazil

16 July 2024

2nd Simon Goodlip	1st Phil Rees	3rd Angus Smith
-----------------------------	-------------------------	---------------------------

We were able to start early at around 18:35 hours with JT Hughes-Dowd, Ellis Woodhouse, JJ Hughes-Dowd and Jenson Woodhouse up for Qualifying first.

'B' Final – **Reuben Litherland** had Qualified just 0.1 laps ahead of Lee, but Lee took a lap out of Reuben here to make his way up to the A. However you could see how closely matched they were as their fastest lap times were but 0.02 seconds apart! **Lewis Blacker** and 'C' winner **Nick Sismey** shared the 'B' with the above two but fell back 0.6 and 1.2 laps respectively as they finished 6th and 7th.

'C' Final – If ever there was an example of consistency required, **JJ Hughes-Dowd's** provided it in the Jacarepagua F1 Adult Finals. He has run in four F1 Finals at the Brazilian track, one in January and three here as he won the 'E' and 'D' Finals. In every one of those Finals he recorded 18.9 laps! In the 'C' it was only good enough for second in the Final and 8th overall but from a grid position of 16th that was no mean feat! He was only half a lap back from 'C' winner Nick on what was his 50th consecutive Club Night.

A further 1.2 laps back was **Liam Smith** with **Dan Hughes-Dowd** 2.2 laps further up the road, rounding out the top ten. Nick, Liam and Dan had Qualified within 0.3 laps of each other so close is the racing now!

'D' Final – **Denis Latham** was JJ's second victim of the night, 0.7 laps separating the two after three-minutes of hard racing. Denis was by far the quicker of the two, lapping over a second quicker at times. In fact his 8.34 second lap was the fourth fastest of the Club Night beating his PB of sixth at DHORC 671 on 25Jul23.

Russell Lawson had kindly brought along biscuits again and while we were munching these he took 12th, 1.1 laps behind Denis but two laps ahead of the returning **Dan Turnbull**, who missed our Brasilia round due to the work required on his hovercraft after a busy weekend of racing.

'E' Final – **JT Hughes-Dowd** had to give best to younger brother JJ by 2.5 laps even though there had been only 1.5 laps between them in Qualifying. Finishing in 14th he put 1.6 laps on **Stuart Gray's** total as the latter ran in his 504th three-minute race!

'Early Parents' F' Final – **Andrew Woodhouse** looked like he could be beaten here by friend **Mike Graham**, but Andrew just held on by 0.6 laps to make it 11 Early Final wins for the year.

Macaully Dutson called it a day after Qualifying due to his back spasms so unfortunately took home his first Wooden Spoon of the year.

MASTERS REPORT

Consecutive wins for Nick in Brazil

Nick took back to back Masters victories after winning the last Club Night at Brasilia and the first at Jacarepagua. He led home Phil in second, with Simon in third and Angus sharing fourth with Stuart.

Dan makes it into the first three photos due to the importance of Race Control 😊

JUNIOR REPORT

JJ edges towards his first crown

'A' Final – JJ Hughes-Dowd made it 13 wins from 16 starts as he edges ever closer to that maiden Junior Championship. He didn't have it all his own way however as it was **Jenson Woodhouse** who took his fourth career Pole and second of the year. Again as we had never run double Finals at Jacarepagua, Jenson's 28.9 laps became his sixth track record.

In the 'A' it was all JJ however, taking his 23rd victory, and second straight win at Jacarepagua, by one lap from 'B' Final winner **Jacob Lawson**. JJ's older brother JT closed out the podium just 0.3 laps further up the road with our Pole man Jenson missing out on the podium steps by 0.2 laps. JJ added his 20th (14) fastest lap and 21st (13th) best race laps to his burgeoning book of stats!
