# Editorial 034

**Congratulations Victor de Oliveira** for taking his second hat-trick of wins and to **Martin Thorpe, Liam Smith** and **Macaully Dutson** for all taking triple Group wins at Road America 2. We don't think that has happened before!

And thank you to all who stuck it out on a very warm Evening in the Table Tennis Room. We ran the fans, but it didn't really bring the temperature down, just moved the air about a bit!

With the temperature rising we now move into the 7-week summer break. However we do have the old Interlagos Test on 20Aug24 on the giant 252' track. In addition we have the last four Corporate Events of the year before we return to racing on 17Sep24. Have a great Summer, see you soon!

### 3. Next stop the 252' 9" old Interlagos Test – 20Aug24

Although we are now on the 7-week summer break for Carrera Digital racing we do have one Carrera event during that time. That is the old Interlagos Test Night on 20Aug24. This will be our biggest circuit yet at 252' 9" together with our longest Sprint circuit, the 102' 4" exterior circuit, diagrams of both shown overleaf. Having discussed the date with all who were there at Road America 2 it looks like we will have a big enough field to run the Test on the date proposed.

## Victor takes first North America victory!

After his domination of the Le Mans weekend, where he took six wins in June, it has been quiet of late for **Victor de Oliveira** until our second visit to Road America where he would again dominate proceedings with his red Ferrari. His first win of three would be thanks to a lap score of 78.0 over the 15-minute GT race. This was just 0.1 laps shy of **Simon Goodlip's** track record set at the previous Evening. While this was Victor's eighth career victory, it was Simon's record 43 Pole, surpassing his and **Angus Smith's** joint record of 42. It was also Simon's 22<sup>nd</sup> of the year, two off Angus' season record.

**Steve White**, who dominated Rockingham two meetings ago by taking all three wins, took second to Victor some 1.2 laps in arrears. Steve's long time slot car friend **Martin Thorpe** took the Group B win (his third in a row) with his similar Porsche 911 to Steve's, and third overall, another 0.4 laps behind. This was both Steve and Martin's 100<sup>th</sup> race start. Steve was one of four racers who dipped into the nines on lap times.

To add to his eighth win Victor also recorded his eighth fastest lap, with what would be the quickest lap of the night. It was however 0.142 seconds off Angus fastest lap around Road America set in Qualifying. Round 38 was also **Lewis Blacker's** 100<sup>th</sup> race start, and he took second to Martin in the B and fourth overall, giving just 0.6 laps to the latter. **Dean Garbett** followed Lewis home a lap further back, setting the third fastest lap of the race.

Our two Carrera Digital ladies Laura Edwards and Caroline White

Angus, still looking for his first win since April, was a good 1.7 laps behind Dean in sixth with Championship leader and triple winner at the previous Road America Evening Simon nearly two laps further back in seventh. These two have won 64 of the 115 Club Nights run to date but wouldn't be adding to that tally at Road America 2.

**Phil Rees** and **Liam Smith** would be the only shared result of the Evening, both recording 69.3 laps in eighth, with Liam taking the Group C win. **Dave Edwards** followed him home in the C and would also celebrate his 100<sup>th</sup> race start by closing out the top ten, 1.1 laps behind our duet. **Lee Pateman** set the sixth fastest lap with his Audi but missed out on a top ten finish by 0.4 laps. However he would lead home the remainder of the 20 strong grid.

**Daniel Kalyan**, just 0.3 laps behind Lee, but a whole 1.4 seconds a lap slower, proved just how much more consistent he was with far fewer crashes. He was another to run in his 100<sup>th</sup> race this Round as he took 12<sup>th</sup>. **Nick Sismey** was again quicker than Daniel, but he too was suffering with barrier attacks as he dropped 0.7 laps to the younger Kalyan, to take 13<sup>th</sup>, usually his lucky number, but not this time. **Richard Booth** and Nick are often found in the same part of the results table (just check the results!) and Round 38 was no exception with Richard just below Nick in 14<sup>th</sup> 1.4 laps in arrears.

DHORC-CD 115 was the start of something good for **Macaully Dutson**, his McLaren running a dream as he won Group D in 15<sup>th</sup> overall. While we had discussed his son's results a few places above **Jag Kalyan** found himself in 16<sup>th</sup> although he did beat Daniel's best lap time by 0.018 seconds. It seems Jag is suffering the same fate as Nick, who ran the same Porsche for the last two and a half years. His Porsche chassis eventually started to flex too much reducing the handling capabilities. Jag's Audi is now two years old and looks to be going the same way! He did take second in the D though.

**Andrew Staniec** took his best result at Road America out of four starts with 17<sup>th</sup> as he made it three Group D racers in a row. **Laura Edwards** would make it four, her Iron Dames pink Ferrari 1.3 laps behind Andrew's Ford GT. **Terry Mullen's** first run at Road America (he missed the Test as on hols and Road America 1 due to illness) placed him in 19<sup>th</sup> another 2.3 laps back while **Simon Rankin** was back with his Aston, after borrowing Simon's Audi last time out, and took the first Wooden Spoon of the Evening. Some good did come of that Simon squared alliance however as Mr Rankin is now looking to replace his Aston with an Audi in the near future!

## Victor goes back-to-back in Wisconsin

We again had a field of 20 racers in Round 39 and again **Victor de Oliveira** was atop the pile with his second victory of the Evening. This time he broke **Simon Goodlip's** race track record of 78.1 laps, increasing it to 78.3. Victor's ninth career victory followed on from his eight Pole, while he is now third equal in the all-time charts for fastest laps with his ninth. Both he and **Martin Thorpe**, who took second place 1.5 laps back, again took nine points for taking their respective Group wins, both from fourth placed grid slots in their Groups. This was Martin's fourth straight Group B win, equalling his best Group win sequence to date.

This time it was **Dean Garbett** who took the remaining place on the podium even though he recorded 0.2 laps less than third place in Round 38. Again he was one of four races to dip into the nine second lap times. Apart from Victor the other two were Simon and **Steve White** who took fourth and fifth this time, Simon a bumper's width of a tenth behind Dean.

**Lewis Blacker** dropped from fourth to sixth thanks to 2.5 less laps this time, however he was pleased with his lot in the end as he felt he had a torrid time during the first half of the race. He was also making a habit of taking fifth place in fastest laps, with his fourth in a row!

While **Liam Smith** and **Phil Rees** tied for eighth in Round 38, Round 39 saw Liam take seventh and Phil remain in eighth, 3.7 laps separating the two. For the first time Liam took back-to-back Group wins as the C was his again. Our 2022 CD Champion **Angus Smith** could do no better than ninth this time as he struggles to get back to his dominating form. **Dave Edwards** was a mere 0.1 laps in arrears despite being nearly a second a lap slower!

**Nick Sismey** had his Porsche 911 looked at by a very kind Lewis between races as it had hit the floor in the previous Round and seemed sluggish thereafter. Whatever Lewis had done to it, it was much quicker this time. So much so Nick struggled to contain it, taking 11<sup>th</sup>. **Daniel Kalyan**, in his 101<sup>st</sup> race, matched the position he finished in his 100<sup>th</sup>, 12<sup>th</sup>, despite being half a lap down on his previous result. He and Nick, like **Richard Booth** and Nick seem to be matching each other now. Daniel was just 0.1 laps behind Nick with Richard again in close attention another lap back in 13<sup>th</sup>.

**Macaully Dutson's** great night continued with back-to-back Group D wins and a one place improvement in overall results, 14<sup>th</sup>. Macaully had once done the Group E win treble on a Carrera Digital Evening, could he do it again, but in the D? **Lee Pateman** dropped one place in fastest laps, to seventh, even though it was a quicker lap time, but dropped four final positions to 15<sup>th</sup>. **Andrew Staniec** on the other hand moved up the results table by a placing with 16<sup>th</sup> helped by a quicker lap and adding an extra 0.7 laps to his best score.

**Simon Rankin** recorded his best score of the Evening with 59.9 laps, 6.2 better than Round 38, placing him three places higher 17<sup>th</sup>, with **Terry Mullen's** 1.5 extra laps moving him up a slot to 18<sup>th</sup>. **Jag Kalyan** unfortunately went the other way as did **Laura Edwards** in 19<sup>th</sup> and 20<sup>th</sup> respectively.

Dave Edwards took a best of 10<sup>th</sup> in both Rounds 38 & 39

Lee Pateman's night came together in Round 40 with an eighth placed finish.

Group C – Daniel, Terry Mullen, Richard Booth, Dave, and Liam Smith who won all three Group races.

## Victor makes it 3 trebles in 3 Evenings

**Victor de Oliveira** made it three trebles in three Evenings after **Steve White** won all three Club Nights at Rockingham in June and **Simon Goodlip** took all three Club Nights at Road America 1 in early July. This was the second time Victor has taken a hat-trick after he took four on the trot at Le Mans in June. His 10<sup>th</sup> career win saw him break his own track record, set in Round 39, with 79.0 laps trumping his 78.3. He now stands fourth in the all-time win standings. However he goes one better with Poles and fastest laps. His ninth Pole places him third equal in that category and his 10<sup>th</sup> fastest lap in third on his own there. He now lies fourth in the Championship, up from sixth.

All three podiums at Road America 2 were shared by the same four racers. While Victor locked out top spot each time, Steve repeated his Round 38 result with second again while **Dean Garbett** took back-to-back third places. It was an excellent night for Steve as he closed the gap to Championship leader Simon, from 126 points to 96 and extended the gap to **Angus Smith** in third from 23 to 57 points. To add to that his results tonight takes him to the top of the Ranking charts!

**Martin Thorpe** missed out this time, having already taken two podiums on the night, taking fourth, 0.4 laps behind Dean. This was Martin's fifth straight Group B win, his best Group run at DHORC-CD. He and Victor both scored 27 Group points on the night beating Martin's original record of 25 set on 09Jul24. **Lewis Blacker** tried hard to stop Martin achieving the five Group B wins but he could only get to within half a lap of stopping him. He did take his fifth straight fifth place in fastest laps however!

Group B – Lee, Martin Thorpe winner of all three Group races, Nick Sismey, Lewis Blacker and Phil

The Smiths were up next with Angus equalling his best run of the Evening in Round 38<sup>th</sup> with sixth, while **Liam Smith** took his third straight Group C win, his best ever set of Group results. He equalled his Round 39 score with seventh despite dropping 1.7 laps. This now leaves our most successful Carrera Digital Club Night winner Angus(34) with no wins in 22, his longest winless streak to date! Eighth was **Lee Pateman's** best finish of the Evening by three places, his first 70+ laps at Road America helping greatly.

**Phil Rees** made it three wins over Wolfsburg team-mate **Nick Sismey** out of three starts at 2024 Evening 10, 0.9 laps separating them in 9<sup>th</sup> and 10<sup>th</sup>. However their combined Group scores of 18 points (11 to Phil, 7 to Nick) just keeps them ahead in the Team Group Championship. Martin and Steve's M&S team scored 40 points (Martin 27 – Steve 13) soaring up from fifth into second, 22.5 points back. As to be expected **Richard Booth** was just behind Nick, well 0.3 laps to be precise, in 11<sup>th</sup> as he saw his lead in the Group Challenge diminish with Victor's 27 Group points taking him to first place 3.0 points ahead of Richard!

It was certainly **Macaully Dutson's** night as he went from 15<sup>th</sup> in Round 38, to 14<sup>th</sup> in Round 39 finishing in 12<sup>th</sup> in Round 40. He also matched his three consecutive Group E wins by taking his third straight Group D win. To use Macaully's own words, "he was buzzing!". Someone else who was "buzzing" was **Daniel Kalyan**. He had been very consistent on the night with two 12 placed finishes and a 13<sup>th</sup> here. However that wasn't the full story. His 18 Group points took him from fourth to third in the Group Challenge, 2.0 points behind Richard and took Team Gruesome Twosome from fourth to third in the Team Group Challenge with dad **Jag Kalyan**. Jag helped the cause with his 13 Group points, five from Round 38, three from Round 39 and five again from this Round as he finished 0.7 laps behind Daniel in 14<sup>th</sup>. His best result of the Evening.

Another family pairing was **Dave Edwards** and **Laura Edwards**. After being guardian of the top ten in the first two Rounds Dave dropped to 15<sup>th</sup> meeting his wife Laura travelling in the opposite direction with her best finish of the night, 16<sup>th</sup>. There was just 1.3 laps separating them this time compared to the largest gap of 14.4 laps in the previous Round. **Andrew Staniec** was also very consistent with a 17, 16 and a 17<sup>th</sup> placed finish with 1.4 laps covering his three scores.

**Simon Rankin** made sure he didn't take home a second Wooden Spoon on the night with his 55.1 laps taking him down one place from the previous Round to 18<sup>th</sup> while **Terry Mullen** was saved from his first Wisconsin Wooden Spoon by Simon who suffered braid problems on his 34<sup>th</sup> lap, which saw him stand down for the rest of the race. Terry took six points out of the absent Stuart Gray's lead in the 70+ Group Challenge leaving the gap at 33 points.

We now go into our 7-week summer Race Night break, the next Race Night being on 17Sep24 at Sakhir which is also Sprint Race Night. We do however have a Test Night at the old Interlagos on 20Aug24, our longest track to date at 252' 9". **Nick Sismey**

# Circuit History

The Bahrain International Circuit, **Sakhir**, is a modern, Hermann Tilke-designed Grand Prix circuit set in the middle of the Bahraini desert. It opened in 2004 to hold the first Formula 1 race in the Middle East. Normally an early round of the World Championship, it was the opening race in 2006 after Melbourne delayed its race to avoid clashing with the Commonwealth Games. As with many of its contemporaries, the circuit at **Sakhir** was accused of being somewhat bland although its desert location does give it a unique atmosphere.

It was chosen as the opening round of the 2011 World Championship, but the race was postponed and then cancelled amid popular unrest in the Gulf State. Two races were held in 2020 as part of the rearranged F1 calendar. That year's Bahrain GP was stopped by Romain Grosjean's fiery accident. The following week's Sakhir GP was held on the 2.2-mile Outer Circuit when Sergio Pérez scored a surprise victory for Racing Point.

The FIA World Endurance Championship's (WEC) 2024 calendar has the Bapco Energies 8 Hours of Bahrain scheduled to take place on 02Nov24 at **Sakhir**.
