News: UK Car Events – New Members? – Poynton's – Facebook followers

About:

History and Key Facts

HO Club founded on 7 July 1992

- DHORC: Derby HO Racing Club ("HO" Is The Scale = 1/64th)
- Section of Derby Leisure Limited, open to all!
- Home of world famous international Le Mans 24 Hour race.
- Smaller scale version of Scalextric, once set up works all night!
- Four and Eight lane circuits
- Computerised timing
- Statistics for every meeting and every member since July 1992
- Over 20 race meetings each year
- 50+ circuit designs, up to 567 feet in length
- Eight-lane routed DHORCingham oval
- Two car categories – Tyco open wheel (F1)
 - Tomy SGP, BSRT, VSR enclosed wheel (GC)

Carrera Digital Club 1st race 18 January 2022

- 1/32nd Carrera Digital GT Cars
- 15 Evenings a year, minimum 3x15-minute races per driver per evening.
- 13 circuits, including 2 Sprint circuits
- Full computerised timing and stats through SmartRace App

The Club Nights and Magazine Coverage

HO

- Racing starts between 18:45 and 19:00 hours – Finished by 21:30 hours
- Minimum of four 3-minute qualifying races & up to two Finals (F1 & GC) for each member
- Championship points for all members
- Magazine produced for every meeting covering every member & track statistic

Carrera Digital

- Racing starts between 18:00 and 18:15 hours – Finished by 21:30 hours
- Magazine produced after each evening
- Championship points for all members

- Rules & regulations booklet covering all the DHORC rules produced each year
- Great family atmosphere, a help-all culture

Membership Fees, Car Costs and Prizes

- Adult £40 and junior (under 16) £20 for HO & Carrera, £50/£25 combined
- Only £50 Total expenditure for two cars HO Cars, £65 one Carrera
- All cars and spares can be bought at club
- Adult, Masters (over 56), Junior (16 & under) HO Championships
- Adult & 70+ Carrera Championships

Editorial 036

Barrier Sponsorship! Well that's something we had not thought of before. However, when **David Martin** from UK Car Events approached us at Great Northern Classics during one of our Corporate Events we jumped at the idea. As you can see from Page 5 in News & Views we have already produced the new barriers. With well over 3 million hits to our Facebook Page over the last month it has to be good as an advertising medium!

Talking of Facebook, we surpassed 9,000 followers this week and we are already more than half way to 10,000. It is quite incredible the number of hits we get with some of our videos!

Thanks to the 24 racers for attending on Tuesday, we were very close to running 26 but illness and an AWOL babysitter dropped the numbers by two. Congratulations to **Simon Goodlip** for taking two wins and **Victor de Oliveira** one at Fuji. Congrats also to all of our other Group winners, **Richard Booth, Stuart Gray, Tom Gray, Daniel Kalyan (2), Jag Kalyan, Terry Mullen, Lee Pateman** and **Phil Rees**.

Apologies for anyone who felt their races were either delayed or too often on Tuesday. We have to work with what we have I am afraid, with some folk unable to arrive any earlier and others having to leave early. We will always try our best to be fair to all.

Front Cover: John Lamb enjoying his evening at Fuji.

2. Sponsored Crash Barriers – UK Car Events

For the first time in DHORC's history we have had some of our crash barriers sponsored as shown below, skilfully modelled by **Steve White** and **Martin Thorpe** at Fuji's Turn 1.

Based at Great Northern Classics, UK Car Events are an event organiser running car meets, events, photoshoots and track days across the UK. It was founded on 27Jun22 after running several successful events with their partners in the automotive industry. They have a strong emphasis on running family friendly and safe events for all types of car enthusiast. **David Martin** from UK Car Events approached us when we were running an event at Great Northern Classics and the rest, as they say, his history!

3. Possible New Members?

We had four guests to our Fuji Carrera Digital meeting on Tuesday including **Steve Whittaker** and his two sons **Teddy** and **Luca**. Steve lives just up the road from me and hopefully they will be coming along to have a go at an HO Club Night soon.

Group E before transforming into Group D – Andrew, Terry, Simon and Macaully

Simon takes 2nd win at Fuji

Simon Goodlip took his second win at the Fuji Speedway circuit, 23 months after his first at the Japanese track. His 31st win and 15th of 2024 followed his Club record 44th (23rd) Pole position and included his 38th (19th) fastest lap giving him another maximum 45 points, extending his lead in the Championship. He was followed home, 0.9 laps in arrears by **Dean Garbett** who made it three straight second place finishes under the gaze of Mount Fuji in a row. **Lee Pateman** returned, after missing Sakhir, with a bang, taking an incredibly well controlled third place just 0.1 laps further back! This was his best result since 15Feb22 where he took second and is only the fourth time he has been on the podium! With this he also took his second Group win of the year, the B.

We had 26 on the grid Tuesday morning but by lights out that evening we were down to 24 due to a bug and a disappearing baby sitter! Therefore, while we actually ran in five Groups we consolidated everyone into four after the Evening was run, as shown on Page 16.

2nd Dean Garbett	1st Simon Goodlip	3rd Lee Pateman

Angus Smith and **Steve White** shared fourth place 0.4 laps back, Angus taking home 27 points to Steve's 26 due to an extra point for fifth in the fastest lap chart. **Nick Sismey** so nearly made it a three way finish for fourth as he was only 0.1 laps further down the road.

After his record seven straight wins streak **Victor de Oliveira** had to settle for, you guessed it, seventh. It was his first ever race at Fuji, with no practice, so he had to learn the track on the go! Dropping just 0.2 laps to Nick on a new track was a great effort. **Martin Thorpe** made it six Group A racers in the top eight, while **Phil Rees** and **Tom Gray** made it four Group B racers in the top ten. Phil was only outpaced by Martin to the degree of 0.2 laps, while Tom was another 1.8 laps in arrears. He did however set the second fastest lap of the Club Night beating his previous PB of third on 19Jan24.

We had a trio of family members from 10th to 12th with Tom's dad **Stuart Gray** taking 11th and Uncle **Richard Booth** in 12th. This equalled Stuart's best finish of the year, the third time he has only had ten cars ahead of him in 2024. And with it he took his fifth Group win of the year, the C. **Jenson Woodhouse** also made a trio with three Group C racers together. Our youngest racer, at 10, taking 13th while our second youngest racer, and newly crowned Junior HO Champion, **JJ Hughes-Dowd** finishing in 14th just over a week before his 14th birthday!

Andrew Woodhouse was nearly a lap down on son Jenson at the flag, in 15th while **Daniel Kalyan**, a smidgen of 0.2 laps further back was celebrating back-to-back Group wins, his ninth of the year. Added to that he had also qualified in eighth beating his PB of ninth set on 18Nov23, 54 Club Nights ago. Pushing Daniel hard in the D was **Macaully Dutson** and **Terry Mullen**, who, was having, in his words "a very enjoyable night". Our recently married Terry was having a great time at DHORC racing both Daniel and Macca! Macca was 1.2 laps behind Daniel and 1.0 lap ahead of Terry in 18th.

Dan Hughes-Dowd had been elevated to the bottom of Group B for Fuji however he lost seven places to take 19th just 0.2 laps behind Terry. The evening would steadily get better for him. **Simon Rankin** had his new Lambo for Fuji however he hadn't sorted out his tyres, which would have taken too long to fix at this late stage. Step in young Macca who offered Simon the rear axle out of his Lambo for the evening. What a kind thing to do! Simon took his car and Macca's rear axle to 20th.

Decked out in his splendid, one of a kind, purple DHORC Carrera Digital polo shirt **John Lamb** took home 20th beating **Jag Kalyan** by precisely two laps. Jag had swapped his trusty green Audi R8 for an older white version, and it just didn't have the same feel as his original one. Another kind soul, Simon G, would swap things back for him after the race as agreed by Scrutineering. **Andrew Staniec's** Ford GT kept Jag in sight 0.6 lap in arrears while **JT Hughes-Dowd** took the first Wooden Spoon of the evening. Like his dad, the night would improve for him.

Jag Kalyan recorded the most Race Group points in one Club Night at Fuji with 11 in Round 47 after winning Group C from C6.

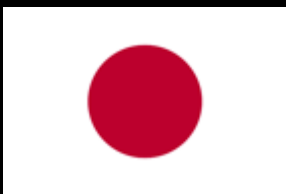

Daniel Kalyan won Group D in both Round 45 and 47

Race Report

Round 46

Fuji

Carrera
DIGITAL 132

15th October 2024

With 24 cars on the grid Angus Smith was kept busy at Scrutineering

Victor makes it 8 wins from 9 starts!

Victor de Oliveira was back in the winner's circle at the second Club Night on Tuesday, taking his eighth win from his last nine starts, something no-one else has achieved! In the process he beat **Angus Smith's** 06Dec22 laps record of 85.7 by two laps leaving it at 87.7 and he equalled **Simon Goodlip** on the number of wins in 2024, 15. Considering Victor only started racing in 2024 that was some achievement! After winning Round 45 with 84.0 laps Simon upped his game, also beating Angus' old record, with 86.7 laps. On the way to second he extended the DHORC CD Pole record to 45 and at the same time equalled Angus' record for 24 Poles in a year (set in 2022). During his second 15-minute run of the evening he also broke Angus fastest lap record of 8.553 seconds, again set in Dec'22, dropping it to 8.527, the 39th (20th) fastest lap of his career.

While Angus watched his records beaten or equalled he calmly took his second podium from the last six races, also beating his old lap record score, but only by a tenth. **Steve White** kept the Group A theme going with fourth, 0.9 laps further down the road while it was **Phil Rees** who took his turn to win Group B, just 0.3 laps down on Steve, with fifth being his best result of the night.

 	 	 
2nd Simon Goodlip	1st Victor de Oliveira	3rd Angus Smith

Stuart Gray again helped with track build and ran the Spares box, with a best finish of 11th and the Group C win in Round 45.

Sixth was also **Tom Gray's** best result at Fuji half a lap down on Phil while **Nick Sismey** dropped a place to seventh another 0.4 laps back. **Dean Garbett's** Porsche 911 Pink Pig dropped from second on the podium to eighth despite recording exactly the same laps in both races. Just goes to show how the performances ramp up during the night! Fellow Group A racer **Martin Thorpe** followed him home, half a lap separating the two Porsches. **Lee Pateman** also dropped out of podium contention, after third in Round 47 with 10th here but he still set the third fastest lap of the race, much quicker than the one in the previous race! From winning Group B earlier, he was now fourth in the Group.

Former winner **JJ Hughes-Dowd** got his act together in the second Club Night moving up three places to 11th matching his ranking position on the grid. **Richard Booth** matched his earlier performance, taking 12th again but with it the Group C win, and the most Race Group points of Round 46 (10) enabling him to eat into Victor's lead in the Group Challenge. He needed 76.6 laps this time to stay still compared to 71.3 last time. **Andrew Woodhouse** followed Richard in both the C and overall, finishing in 13th and second in the Group, 0.2 laps the deficit.

Jag Kalyan was back in his trusty green Audi R8, jumping eight places to 14th, the smile back on his face! **Dan Hughes-Dowd** was also on an upward trajectory, moving up from 19th to 15th, being in the centre of a trio of drivers each separated by a mere 0.1 laps. **Terry Mullen**, loving life was the other driver 0.1 laps behind as he celebrated his fourth Group win of the year, the D, and 16th overall.

Daniel Kalyan may have been beaten to Group D honours this time, but 5 more Group points kept the pressure on the two ahead of him in the Group Challenge. He beat fellow Round 47 Group winner **Stuart Gray** to 17th, again by just a tenth so close was the racing at Fuji. A lap behind Stuart was **John Lamb** in 19th a two place improvement thanks to 8.5 more rotations of the Japanese circuit. **Simon Rankin** matched his earlier result with 20th by also adding more laps to his previous total.

JT Hughes-Dowd prized himself up from the bottom rung to 21st this time, with an incredible improvement of 10.7 laps! **Macaully Dutson**, realising he had shot himself in the foot, losing out to Simon and his rear axle this time up in 20th, took 22nd, 0.2 laps behind JT. **Andrew Staniec** added six laps but remained in 23rd while **Jenson Woodhouse** had a fall from grace thanks to some degrading rear tyres. So bad were they, with even a chunk missing, that he dropped from 13th to 24th taking home a Wooden Spoon. New tyres please!

Group D racers JT Hughes-Dowd and Daniel, together with Group C racers Jag, Richard Booth and Stuart with the original Group D cars. The first one with Jag's white Audi R8 used in Round 45 and the second showing his green Audi R8 used in Rounds 46 and 47.

Race Report

Round 47

Carrera
DIGITAL 132

Fuji

Carrera
DIGITAL 132

15th October 2024

Lee Pateman stunned the field with an incredible third in Round 45.

Simon's 16th win in '24 equals record!

Simon Goodlip equalled **Angus Smith's** 2022 record of 16 victories in a year with his second win of the night at Fuji. He didn't actually score as many laps as in the previous race but that was because he ran out of fuel! That also went for previous race winner **Victor de Oliveira**. They were both vying for the win and were both running out of fuel. Victor dived in for a splash and dash while ahead while Simon decided to try his luck and stay out. He passed Victor in the pits and then both ran out of fuel on the next lap, clearly Victor's splash and dash being just too short. They both started their 87th lap but both were out of fuel, so the lap didn't count! Therefore their final scores were 86.4 and 86.1 respectively! Luckily for them **Steve White** was three, make that two, laps behind as he took his first podium of the evening!

Ahead of Simon's 32nd career victory he also added to his club record of Poles, taking his 46th and breaking Angus' record of Poles in a year, increasing it to 25. Trying to keep Simon at bay Victor broke the formers' fastest lap record set in Round 46 reducing it from 8.527 secs to 8.337, Victor's 15th of his career and 2024.

In all this excitement Simon left the Table Tennis Room with his 15th and 16th wins of the year extending his lead over second placed Steve from 121 to 165 points. Steve and Angus, in second and third matched each other with 83 points at Fuji so their gap remained the same at 73.5 points. An update on Victor's lead in the Group Challenge can be found later in this report.

Dean Garbett recovered somewhat from his drop to eighth in the previous Round by moving back up towards the top of the table with fourth just 0.2 laps off the podium. Half a lap back was **Martin Thorpe** with his best finish of the night with Angus making sure Group A took all of the first six places another 0.3 laps in arrears.

Tom Gray then headed a quartet of Group B racers taking his seventh Group win in 2024 and 20th of his career. He so nearly spoilt Group A's symmetry, 0.1 laps the gap to Angus. **Phil Rees** was next up for Group B in eighth with **Lee Pateman** still buzzing from his performance in Round 45 in ninth. **Nick Sismey** completed the B quartet exactly a lap behind Lee rounding out the top ten.

Jag Kalyan was finally back where he belonged, winning Group C and taking 11th, beating his 22nd and 14th from earlier. **Andrew Woodhouse** also had his best result of 12th, 1.1 laps behind Jag with both of them finishing two places higher than their Race Group positions. **Dan Hughes-Dowd** finally got one over on son **JJ Hughes-Dowd** at Fuji, making it 2-1 to JJ on the night. While Dan was 0.1 laps behind Andrew he was double that ahead of JJ.

Daniel Kalyan made it three Group wins in four starts and two at Fuji, with his second Group D win of the night. This keeps him well in contention for the Group Challenge with the racer just behind him in Round 47, **Richard Booth** in 16th. Richard broke the Race Groups points record of 18 held by the absent Laura Edwards, Dave Edwards, Lewis Blacker and our sixth place finisher Angus. It now stands at 24 points! Victor continues to lead the Group Challenge however Richard has slashed the gap from 14 to 3 points, with Daniel a further 8 points back.

John Lamb also had his best run of the night to 17th a lap behind Richard while 70+ Group Challenge leader **Stuart Gray** maintained his lead adding another two points from fifth in Group C and 18th overall. His nemesis for the 70+ Group Challenge **Terry Mullen** followed him home on the track, 0.9 laps back but taking second in the D gave him seven Group points. Over the three Fuji Club Nights Terry reduced Stuart's lead from 24 to 17 points while extending the gap to third placed **Andrew Staniec** from 32 to 48 points with Andrew taking 22nd and fifth in Group D in the final race of the evening.

JT Hughes-Dowd matched Terry's 19th place finish, also recording 73.2 laps, by far his best result of the evening. **Macauly Dutson's** 21st place finish was his second best finish of the night as he held off Andrew and just behind him **Simon Rankin** with Macca's rear axle. Simon's Lambo certainly looked much more stable than his trusty Aston. Am sure it will help him move up the table. Unfortunately for **Jenson Woodhouse** there was clearly something wrong with the new tyres fitted in-between Rounds 46 and 47 as they had gone all lumpy meaning he could only record 57.6 laps. The car and tyres have been taken away by Phil to review and fix FOC.

The only Championship we haven't covered is the Team Group Challenge. While Phil and Nick's Team Wolfsburg continue to lead, the Gruesome Twosome team of father, son Jag & Daniel took 9 points out of their lead, 28.5 points now separating them. With Daniel taking two Group wins and Jag one, where he took the maximum 11 points, they also increased the gap to Team M&S of Martin ad Steve, in third, from 7.5 to 23.5 points.

Group C racers Andrew Woodhouse, John Lamb and Jenson Woodhouse with Group B racers Dan Hughes-Dowd and JJ Hughes-Dowd

Richard giving Dean Garbett marshalling lessons!

Tom Gray marshalling the heaviest braking zone, Turn 1.
His best result was 6th in Round 46 as well as taking a PB in fastest laps with second.

Circuit History

The Autódromo José Carlos Pace, better known as **Autódromo de Interlagos** or simply Interlagos, is a 4.309 km (2.677 mi) motorsport circuit located in the city of São Paulo, Brazil. It was inaugurated on 12 May 1940, by the federal intervener of the São Paulo province, Adhemar de Barros. The traditional name of the circuit and of the neighbourhood itself comes from the fact that it is located in a region between two large artificial lakes, Guarapiranga and Billings, which were built in the beginning of the 20th century to supply the city with water and electricity. In 1985, the circuit was renamed to honour the Formula 1 driver José Carlos Pace, who died in a plane crash in 1977. Attached to its facilities there is a kart circuit named after Ayrton Senna. The circuit runs counter clockwise.

It is internationally known for hosting the Formula 1 Brazilian Grand Prix stage and the Lollapalooza music festival. It has hosted the Formula One Brazilian Grand Prix since 1973. It also hosted the Brazilian motorcycle Grand Prix in 1992, the Deutsche Tourenwagen Meisterschaft in 1996, the FIA GT1 World Championship in 2010, and the FIA World Endurance Championship from 2012 to 2014. As the major racetrack in the country it also hosted many previous and active national championships such as Stock Car Brasil, Campeonato Sudamericano de GT, Fórmula Truck, Copa Truck, Formula 3 Sudamericana, Brazilian Formula Three Championship, and Mil Milhas Brasil. In addition, the Prova Ciclística 9 de Julho road cycling race was held at the venue from 2002 to 2006 and from 2008 to 2013.
