Editorial 043

Wow what a busy six days! Monza build on Thursday, Monza Club Nights on Friday, Monza Club Nights on Saturday, Monza Italian Day on Sunday, Monza magazine on Monday, Daytona Club Nights on Tuesday! And that wasn't the end as two magazine needed publishing. Monza's went out on the Sunday just gone and this one, well must have just gone out! Thank you to everyone who has made all of the above possible, what an amazing Club we have!

Talking of that thank you to **Martin Thorpe** for helping out with our WIFI dilemma by gifting us his spare non internet WIFI unit which seems to have fixed the issues we have had.

Welcome to new Member **Kev Spink** who was a great help at Daytona without turning a wheel! Although Kev takes us back to a maximum 36 CD Members, with Razor stepping down, there are others who are coming to our next HO Club Night so they can get on the CD waiting list. A nice problem to have!

Congratulations to **Victor de Oliveira** for taking two wins at Daytona and to **Tom Gray** for taking his second Carrera Digital win. Congrats also to all of our Group winners on Tuesday, **Connor Bacon (2), Lewis Blacker, Scott Bradley, Dean Garbett, Reuben Litherland, Liam Smith, Martin Thorpe, Steve Whittaker (2) and Jenson Woodhouse (2).**

2. Welcome to new CD Member Kev Spink

Kev Spink got fully stuck in with the Daytona Sports Car Course Club Night helping out with set up in the morning and then not moving from his marshal post for 4-hours during the Club Night. What an initiation! He will be visiting **Phil Rees'** mancave on 22Feb25 alongside our other new Member **José Borges**. Kev was able to sign up as unfortunately **John (Razor) Lamb** has decided to step down, selling three of his cars and hand controller to Kev. Welcome Kev will miss you Razor. Although Razor will still help with track set up and Corporate events, which is great news.

Victor de Oliveira took the top step of the podium in Rounds 12 & 14

Victor's 4th Endurance Win of '25

Victor de Oliveira equalled **Simon Goodlip** on four 15-minute Endurance race wins in 2025 breaking both track records, one owned by **Martin Thorpe** and the other by **Angus Smith**. Victor's 84.3 laps beat Martin's 83.1 set on 12Dec23 and his 8.686 second lap beat Angus' 8.827 from 07Nov23. These were Victor's 29th (6th) win and 32nd (6th) fastest lap of the year, also taking into account the 5-minute Sprint Races. Victor's victory over Simon was 3.3 laps however Simon was carrying a two lap penalty so would have been just 1.3 laps. Their lap times were also very close. **Nick Sismey** was but 0.4 laps behind Simon as he continues to have an uncharacteristically good start to the season! **Steve White** and Angus made it five Group A racers in the top five, a change to the results we were seeing at Monza!

Group E

Martin headed home the rest of the Groups taking the B in sixth from fellow B racer **Phil Rees** just 0.3 laps back. The other Groups then found their feet with 10-year old Group C winner **Jenson Woodhouse** taking his third Group win of the year and eighth of his career. Behind Jenson was our remaining Group A racer **Dean Garbett** who unfortunately missed the Monza weekend again, though a bad cold, while **Lewis Blacker** was the top ten rounder upper and Group D winner. Dean did take his 14th career Pole to give himself a well-earned boost.

Liam Smith lead home a trio of Group B racers, with **Reuben Litherland** 1.5 laps back in 12th and **Chris Cooper** another half a lap behind in 13th. Then we had another trio, with three racers all on 72.1 laps, **Daniel Kalyan**, **Jag Kalyan** (keeping it close in the family) and **Terry Mullen** (pleased to have recovered from his illness during the Monza races), all taking 14th. **Tom Gray's** time would come in the next Round, however for now he would have to settle for 17th on 71.7 laps. But would you believe it we had our third trio in a row as his uncle **Richard Booth** and **Connor Bacon** also finished on the same lap score, 17th shared three ways!

In only his fourth start newbie **Steve Whittaker** took his first Group win, the E, his yellow Audi R8 taking him to the top of the Group from fourth on the grid, finishing in 20th. **Andrew Staniec** one of our top ten all-time Group winners was just 0.3 laps behind Steve making eight racers bunched together within two laps of each other! **Lee Pateman** again struggled to get back to where he should be, based on his lap times, as he was another 0.3 laps back in 22nd.

Scott Bradley was also in his fourth race having first run at Mugello but missed Monza. He would take second behind Steve in the E with fellow E racer **Stuart Gray** 0.4 laps back in 24th. **Andrew Woodhouse** closed out Group D in 25th while birthday boy **Dave Edwards** did the same in Group C with **Macaully Dutson** pipping him by 0.6 laps in 26th.

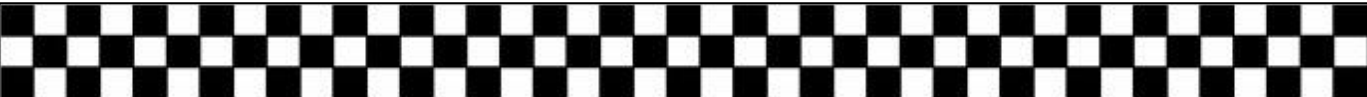

Adi Rowland must have spent the most time between Mugello and Monza and Monza and Daytona preparing his cars. While his Ferrari looked amazing on track his first race in Florida left him in 28th. He, Steve and Scott will all soon establish where they fit it in the grand scheme of things. Time will tell, especially as we have two more newbies joining us soon! **Laura Edwards** followed Adi home, 2.2 laps separating fellow Group E racers with **Simon Rankin** closing out Group E and the field in 30th.

Round 13

11th February 2025

Round 13 and Jono Johnson Memorial Cup winner Tom Gray's green Porsche 911 pitting for fuel behind Dave's Gulf livered Porsche

No Gray day for Tom!

Tom Gray became our third Jono Johnson Memorial Cup winner in three years. The cup is awarded to the winner of Round 13 each year as that was the last Round Jono ran in, in 2023, before he passed away. This was Tom's second career win, the first coming at the Original Interlagos circuit on 26Oct24. That victory he shared with **Martin Thorpe** but this time he was the sole winner, beating **Dean Garbett** (standing very lonely on the podium!) by just a tenth. **Reuben Litherland**, who was also shy of the camera took an excellent third a further 0.9 laps back. All three won their Groups, Tom (C), Dean (A) and Reuben (B) as the latter extended his lead in two of the Championships.

11 February 2025

<p>2nd Dean Garbett</p>	<p>1st Tom Gray</p>	<p>3rd Reuben Litherland</p>

Dean Garbett took 2nd and Reuben Litherland 3rd in Round 13

Nick Sismey dropped a place from Round 12 to take 4th which he shared with fellow Gulf sponsored Porsche 911 driver **Connor Bacon** who scored his best ever result, beating his 11th at Mugello on 21Jan25. He also made it four different Group winners in the top four, taking the D, which we believe to be a record in itself! **Simon Goodlip**, carrying a two lap deficit, finished in sixth but as **Victor de Oliveira** was ninth, with a one lap penalty, Simon maintained his lead in the Championship with Nick remaining in second and Victor in third. Victor however took his 26th (4th) Pole and 33rd (7th) fastest lap, breaking his own record of 8,686 seconds recorded in Round 12, reducing it to 8.596.

Phil Rees and Martin, second and third in Group B, were separated by just a tenth in 7th and 8th. **Daniel Kalyan** and **Jenson Woodhouse** shared second place in Group C and 10th overall on 75.4 laps while a tenth of a lap more would have seen **Jag Kalyan** join them. That means just a tenth of a lap over 30-minutes of racing is all that separated the father son duo! **Dave Edwards** had a much better run here (he had probably had time to digest all of his cup cakes) with his Gulf Porsche, up 14 places to take 13th while another tenth separated him and **Liam Smith** who dropped three places. **Steve White** was in 15th but still not the last of the Group A racers this time. **Steve Whittaker** again won Group E but four places higher than the previous Round, sitting in 16th.

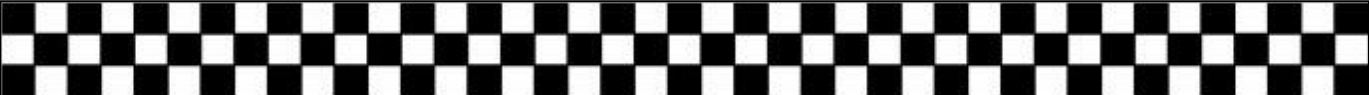

Lee Pateman and **Terry Mullen** shared 17th, both on 73.2 laps with **Chris Cooper** wishing he had reached the next tenth enabling him to join them as he finished in 19th. **Scott Bradley**, the fourth racer with a Gulf Porsche 911, was second in the E again, and like Steve ahead of him, he too improved his overall finishing place with 20th this time. **Angus Smith**, from taking a win in the last race at Monza, and fifth in Round 12 here at Daytona, found himself in 21st this time, due to refuelling issues. A result he will no doubt have removed from his scores come year end with the 75% to count rule.

Reigning Group Challenge Champion **Richard Booth** added another 4 points to his 2025 Challenge taking third in the D from third in the D while **Andrew Woodhouse** moved up two places from D6 to D4, half a lap behind Richard in 23rd. **Stuart Gray** was the first of six racers below the 70+ lap bracket with 68.6 laps, just a tenth ahead of fellow 70+ Group Challenge racer **Andrew Staniec's**. Stuart extra 2 Group points ate into Andrew's Championship lead.

Simon Rankin then lead home three Group E racers. While he was only 0.2 laps behind Andrew in 26th, **Adi Rowland** was a further 3.6 laps back with **Laura Edwards** another 1.3 behind. The Wooden Spoon befell **Lewis Blacker** this time as he continued to struggle with his car.

Phil Rees won the NASCAR Sprint Race

Round 14

11th February 2025

Liam Smith took his best Carrera Digital result in Round 14 with third. Unfortunately Macaully Dutson had to leave after Round 12.

Victor's 100% Sprint Race Record

Victor de Oliveira maintained his 2025 Sprint Race record with his fourth win from four races. With the lap penalties not counting in the shorter 5-minute format he and **Simon Goodlip**, who took second 1.2 laps back, were not hampered by this. **Liam Smith** scored his best Carrera Digital result to date with his first visit to the podium, another 0.7 laps behind. His previous best had been fourth was nearly three years ago on 12Apr22 at Sakhir, some 144 Club Nights ago at DHORC-CD 10. Both he and Victor won their respective Groups. It was also Victor's fourth maximum 22.5 point haul in four races with his 30th (7th) win and 34th (8th) fastest lap to go with his 27th (5th) Pole. Victor naturally leads the Sprint Race Championship with Liam moving up to third!

Andrew Woodhouse couldn't catch son Jenson in Florida taking a best 16th to Jenson's 4th

Four Group winners were in the top five places this time, such is the depth of racing at the moment, with **Jenson Woodhouse** equalling his best ever result of 4th recorded at Monza together with the Group C win and **Connor Bacon** just dropping one place from his best in the previous Round with fifth and the Group D win. **Steve White** maintained second place in the Sprint Race Championship with sixth in the last race of the night. **Dean Garbett** and **Martin Thorpe** closed out five racers on 28 laps with 28.1 and 28.0 in seventh and eighth.

There were then six racers on 27 laps. **Chris Cooper** passed the most number of tenths in lap 27 with the number six in ninth overall, **Terry Mullen** just one tenth back in tenth. We then had previous race winner **Tom Gray's** together with **Scott Bradley's** Porsche 911's between the third and fourth tenth sharing 11th, Scott's best result to date, especially as it was his first Group win, the E. **Reuben Litherland** and **Richard Booth** respective teams are fighting it out in the Team Group Challenge. They both just started their 27th lap with Richard taking one more Group point than Reuben. Reuben however still leads both Group and Team Group Challenges.

While improving on his 21st in the previous Round **Angus Smith** was still struggling here, even without pit stops, in 15th, beating **Andrew Woodhouse** by two tenths. Three more racers were on the same lap as these two with **Jag Kalyan** two tenths back and **Nick Sismey** really not helping teammate Richard in the Team Group Challenge with 0.5 points from finishing bottom of the A. He was just pleased these points didn't count towards the main Championship being in second place. **Stuart Gray** took 19th just squeezing into the 26th lap as the power ebbed away.

Adi Rowland and **Steve Whittaker** may be sharing car tuning techniques, but here they also shared 20th and third in the E, Ferrari and Audi R8 in perfect unison. **Daniel Kalyan** was 0.9 laps behind dad Jag in 22nd meaning after 35 minutes of racing at Daytona there was only a lap between them! **Laura Edwards** closed out the 25 lappers again just passing the line as the flag dropped. Having given Dave the chance to beat her in the first two races of the night as it was his birthday, she put him in his place here!

The three 24 lappers all finished fifth in their respective Groups. **Andrew Staniec** (D5) took 24th on 24.5 laps, **Dave Edwards** (C5) 25th on 24.2 laps and **Phil Rees** (B5) with his NASCAR on 24.0 laps in 26th. **Lee Pateman** followed Phil home a tenth back while **Simon Rankin** was two tenths further down the road in 28th. **Lewis Blacker**, the only other NASCAR racer in the Sprint Race took back-to-back Wooden Spoons in 29th.

Andrew Staniec and José Borges sorting out their team name, Segrob Ceinats

Phil beats Lewis to the win

Just two cars started the NASCAR Cup race this time with **Phil Rees** beating **Lewis Blacker** by 4.8 laps at Daytona to take the lead in the Championship. **Simon Goodlip** and **Stuart Gray** decided to stand down this time while **Dan Hughes-Dowd** and **JT Hughes-Dowd** weren't able to make the Evening. We will have to have a rethink on how we run NASCAR in 2026.

Circuit History

The **Circuit de Barcelona-Catalunya** was built in 1991 and began hosting the Spanish Grand Prix that same year. Construction also coincided with the Olympic Games scheduled to take place in Barcelona the next year, where the circuit acted as the start and finish line for the road team time trial cycling event. The Circuit de Barcelona-Catalunya should not be confused with the Montjuïc circuit, which hosted the Spanish Grand Prix four times between 1969 and 1975 and, unlike the Circuit de Barcelona-Catalunya, is actually located within the city of Barcelona.

Because so much testing is done at this circuit, Formula One drivers and mechanics are extremely familiar with it. This has led to criticism that drivers and mechanics are too familiar with Catalunya, reducing the amount of on-track action.

When first used, overtaking was frequent as cars could follow closely through the last two corners and slipstream down the long straight. As aerodynamic balance became more critical, this overtaking method drastically decreased as the cars were unable to follow each other through the fast final corner due to turbulence created by the leading car. The 2007 season saw the first of the two final sweepers replaced with a slow chicane to reduce speeds through the final corner, where serious accidents could occur, and in an effort to improve overtaking.

This is the circuit we are running.
