Editorial 047 Part 1

Six different winners in six races and a new winner with **Kev Spink** taking his first Carrera Digital victory in only his eighth start and taking home wins in five of his Group races! What a weekend with 34 racers including new kid on the block **Anthony Mitro** who decided to join the throng after initially running as a Non-Member. He only went on to win Group E in his first race! He becomes our 59th racing Member and our first Reserve Racer. Following him at Okayama will be our second, **Teddy Whittaker**, taking us to 60 current racing Members!

Congratulations to our six winners, myself being particularly pleased in taking my first race win for two years in Round 24, **Kev (25)**, **Simon Goodlip (26)**, **Angus Smith (27)**, **Steve White (28)** and **Victor de Oliveira (29SR8)**. Make that seven with **Phil Rees** winning the NASCAR race!

We also had 16 Group winners, **Anthony**, **Adi Rowland**, **Angus (2)**, **Andrew Woodhouse**, **Dave Edwards**, **JT Hughes-Dowd (3)**, **Kev (5)**, **Martin Thorpe (3)**, **Nick**, **Richard Booth (4)**, **Reuben Litherland (3)**, **Simon**, **Stuart Gray**, **Steve**, **Terry Mullen** and **Victor**. Congratulations all.

With two HO magazines to complete from the Tuesday before Le Mans and then a spur of the moment 5-day holiday to Cornwall on the Monday after Le Mans, which took time out of Monday and Friday for travel, I have only been able to precis the Race Reports for Le Mans this time in order to finish the magazine before our Okayama race on 17Jun25. The magazine has still had to be split in two due to the amount of data. Enjoy and thank you all again for an amazing weekend.

Nick Sismey

2. Kev Spink takes first win in eighth start!

Well no-one expected that! **Kev Spink** winning his first Carrera Digital 15-minute Endurance Club Night in only his eighth start! And it wasn't as if he didn't have stiff opposition with 10 of our 12 race winners, since DHORC-CD began in Jan'22, being on the grid including both Champions!

Kev's first CD Evening was at Fuji on 08Apr25, and he has now risen from 37th in the ranking charts to 7th, top of Group B. Congratulations Kev, this has been a meteoric rise!

The two Friday night winners driving to Le Mans together on Saturday below!

4. Anthony Mitro joins DHORC-CD as 1st Reserve Member

Anthony Mitro responded to our advert re our Le Mans weekend and to cut a long story short he met up with **Adi Rowland** and **Victor de Oliveira** at the Slot Car Festival, bought a Porsche 911 there, which was set up by **Phil Rees** and then tested at Phil's. He then raced as, initially a Non Member on Friday night at Le Mans which turned into our 1st Reserve Member where he took his very first Group win in his very first Club Night! Going forward this means will be able to race if we have 29 on the grid. Welcome Anthony. He becomes our 59th current racing Member.

5. New Pit Lane Entry Sign

On his own volition **Stuart Gray** arrived with a Pit Lane Entry sign he had made, at the first Okayama Evening, as folk were complaining they couldn't see where our pit entry was. It was used again at Le Mans and since then **Phil Rees** has painted it. Thank you both so much for this.

7. *Local Derby chaps' Carrera Digital track in Vietnam*

Local Derby chap **Gary Rowe** contacted us recently via Facebook. He never new DHORC even existed! Working in Vietnam at present for Porsche they have a large Carrera Digital track over there in their offices which six of them race on every couple of weeks.

Hopefully he will be able to pop in and see us when he is back in the UK.

8. *Jim Dudley & Victor de Oliveira – Honda F1 colleagues*

Our HO Member **Jim Dudley** mentioned to me at our Dijon Club Night that he had seen a **Victor de Oliveira** was racing at our Carrera Digital Club Nights and that he knew a Victor de Oliveira, as he used to work with one. He was surprised to see someone else with the same name. After a couple of questions as to where Jim had worked I informed him it was the one and the same Victor. Both worked as Composite Laminators for the Honda F1 Team, Jim on nights, Victor on days during the early part of this century. They met up again for the first time in 18 years on Friday night at Le Mans.

10. Teddy Whittaker to be our 2nd Reserve Racer

Teddy Whittaker, son of Carrera Digital Member **Steve Whittaker**, visited us at Le Mans on Friday night and was hooked. Since then he has been to **Phil Rees'** to test where he put in some great laps. He therefore will become our 2nd Reserve Driver which means he will race on a Tuesday night if we get down to 28 racers, or 29 if **Anthony Mitro** isn't available. He becomes our 60th current racing Member.

11. Le Mans Sprint Race was our 900th DHORC Club Night!

The Le Mans Sprint Race was our 169th Carrera Digital Club Night. Adding the 731 HO Club Nights to this sum and we have reached our 900th Club Night across both scales!

12. Hopefully a fix to our Wi-Fi/SmartRace Connect Issues

We believe the issues we are having with the SmartRace Connect App dropping out is due to the number of devices we are using on an evening. **Martin Thorpe** has been kindly looking into this for us and come up with the following device. We will be trying it out at Okayama on Tuesday 17Jun25. Thanks Martin

Le Mans Test

06 June 2025

Overview

There was only a one off 5-minute Test for everyone on Friday night immediately followed by a 5-minute Qualifying session. **Terry Mullen** surprised the field by setting the first sub 12 second lap in the Test.

It was however the perfect storm as all of the other cars in his Group were either in the pits or off the track at the time and his McLaren's motor had just reached its optimum performance for that one lap before it grenaded on the next. Such a pity it didn't happen in Qualifying otherwise he would have taken his very first Pole.

Instead that went to **Victor de Oliveira**, with a time some 0.326 seconds slower. This was his 10th Pole of the year and 32nd to date.

Both he and **Simon Goodlip** also set the most laps in the 5-minute Test with 21.3 in the books.

Position	Competitor	Time
2nd	Simon Goodlip	13.025 secs
1st	Victor de Oliveira	12.235 secs
3rd	Adi Rowland	13.354 secs
