## History and Key Facts

### HO Club founded on 7 July 1992

- DHORC: Derby HO Racing Club ("HO" Is The Scale = 1/64th)
- Tenant at Great Northern Classics, open to all!
- Home of world famous international Le Mans 24 Hour race.
- Smaller scale version of Scalextric, once set up works all night!
- Four and Eight lane circuits
- Computerised timing
- Statistics for every meeting and every member since July 1992
- Over 20 race meetings each year
- 50+ circuit designs, up to 567 feet in length
- Eight-lane routed DHORCingham oval
- Two car categories – Tyco open wheel (F1)
  - Tomy SGP, BSRT, VSR enclosed wheel (GC)

### Carrera Digital Club 1<sup>st</sup> race 18 January 2022

- 1/32<sup>nd</sup> Carrera Digital GT Cars
- 15 Evenings a year, minimum 3x15-minute races per driver per evening.
- 13 circuits, including 2 Sprint circuits
- Full computerised timing and stats through SmartRace App

## The Club Nights and Magazine Coverage

### HO

- Racing starts between 18:45 and 19:00 hours – Finished by 21:30 hours
- Minimum of four 3-minute qualifying races & up to two Finals (F1 & GC) for each member
- Championship points for all members
- Magazine produced for every meeting covering every member & track statistic

### Carrera Digital

- Racing starts between 18:00 and 18:15 hours – Finished by 21:30 hours
- Magazine produced after each evening
- Championship points for all members

- Rules & regulations booklet covering all the DHORC rules produced each year
- Great family atmosphere, a help-all culture

### Membership Fees, Car Costs and Prizes

- Adult £40 and junior (under 16) £20 for HO & Carrera, £50/£25 combined
- Only £50 Total expenditure for two cars HO Cars, £65 one Carrera
- All cars and spares can be bought at club
- Adult, Masters (over 56), Junior (16 & under) HO Championships
- Adult & 70+ Carrera Championships

Martin Thorpe took second in the first Le Mans race and followed that up with two more podium finishes. Championship leader Simon Goodlip made two visits winning Round 26 with Dan Hughes-Dowd taking third in the NASCAR race.

Anthony Mitro started the Evening as a Non-Member but left as our 38<sup>th</sup> Carrera Digital Member, our 1<sup>st</sup> Reserve. He won Group E in his very first race, only racing on Friday.

Group E – Anthony, Andrew Staniec, Richard Booth, José Borges & Jag Kalyan

## Nick takes 1<sup>st</sup> win in 2 years!

Our first Club Night of six over the Le Mans weekend saw 28 racers on the grid for Round 24 of the 2025 season, one off the weekend record of 29 set at Monza in February. This included **Anthony Mitro**, our new 1<sup>st</sup> Reserve Member who only went and took his first Group win in his first ever race, finishing half way up the field in 14<sup>th</sup> place!

**Nick Sismey** was back on top of the pile for the first time since 09May23 at Road Atlanta, taking his third career victory. This was also the first Porsche 911 win since 11Feb25, taking the make to 41 victories to date. Nick became our seventh winner of the year. **Victor de Oliveira** took his 32<sup>nd</sup> career Pole and 10<sup>th</sup> of the year making it four in a row. He also set his 38<sup>th</sup> (12<sup>th</sup>) fastest lap breaking his Pole time of 12.235 seconds leaving it at 12.041.

Behind Nick on the podium, by 1.3 laps, was **Martin Thorpe** taking his best result of the year as well as his ninth Group B win in 2025. Just a tenth further back was **Angus Smith** who was still carrying a one lap penalty from winning Round 21 at Okayama having not dropped out of the podium places since.

Our other two Group winners were **Reuben Litherland** and **Kev Spink** in C and D, both finishing on 55.5 laps in seventh, meaning all five Group winners were in the top 14 places!

The only PB in the first 15-minute Endurance race of the night went to Kev where he set the fifth fastest lap beating his sixth at Okayama on 27May25.

This was also **Lee Pateman's** 100<sup>th</sup> Club Night where he took 21<sup>st</sup>.

Kev's McLaren started from Pole in the 'D' and took the overall race win!

## Kev takes 1<sup>st</sup> win in 8<sup>th</sup> start!

We were down to 27 for the second 15-minute Club Night on Friday evening as **Macaully Dutson** took leave of absence after doing a great job gathering the tenths data.

**Kev Spink** had everyone opened mouthed up on the mezzanine at Great Northern Classics after the final Group, A, had completed their run as Kev had beaten everyone to take his first career victory, in only his eighth start. After he set his 58.1 laps in Group D, taking a trio of Group wins (he also won Group E at the last Club Night at Okayama), Nick said to him “you may have just got this” with three Groups still to go. And sure enough he had, beating his previous best of fourth at Okayama on 27May25. To go with his first win he also took fifth on the grid beating his PB of eighth also at Okayama. What a performance! His McLaren made it 42 wins for the mark.

**Adi Rowland** also took his best ever finish with second, 0.6 laps back, beating his third at Okayama. I must admit we really did think Adi would be the first of the newbies to crack the top step of the podium, however he isn't far away now! This was his one and only Group (B) win of the weekend.

Still carrying a one lap penalty **Angus Smith** took third again, so keeps his -1 lap for Round 26. He was 0.6 laps behind Adi and took the Group A win. **Reuben Litherland** made it four Group (C) winners in the top four which we don't believe has happened before. Just goes to show how close all of the Groups are getting now! **Richard Booth** took Group E, his first win of the weekend.

While **Victor de Oliveira** didn't make the podium he did take his fifth Pole in a row

to reach his 33<sup>rd</sup> (11<sup>th</sup>) front grid spot together with his 39<sup>th</sup> (13<sup>th</sup>) fastest lap.

Nick's quick drivers' briefing on Saturday morning

**“Oooh” – Bill enjoying Le Mans with a best finish of 19th**

**Terry was the only other racer to do a lap in under 12 seconds during the weekend, taking home a best finish of sixth in the Sprint Race.**

## Simon sets new track record!

Saturday started with a changing of the guard, with us losing six racers from the first Round on Friday night and gaining six more to still have a grid of 28, with 34 racers over the weekend.

**Simon Goodlip** made it three different winners from three starts at Le Mans taking his fifth win at La Sarthe and with it became the only racer over the weekend to surpass the 60 lap mark, increasing **Nick Sismey's** Friday night best of 58.6 to 60.3 laps. This gave him his 42<sup>nd</sup> career win equalling **Angus Smith's** all-time record, with his 9<sup>th</sup> of the year. He also extended his record of fastest laps with his 51<sup>st</sup> (12<sup>th</sup>) and of course won Group A. Audi extended its race wins to 49.

**Martin Thorpe** took his second, second place finish in France and second Group B win, losing out to Simon by 1.6 laps. His 58.7 laps would have given him victory in both of the previous 2 Rounds!

Angus was still carrying that penalty, but he was still making it onto the Podium, with his third, third place finish, exactly a lap behind Martin, which would have been second equal, but for that penalty.

Round 25 winner **Kev Spink** made it three straight Group wins for the weekend and four consecutive despite also carrying the one lap penalty. Finishing in fifth however removed that for Round 27. On Saturday he had moved up from D to C but by now he was fearing no-one! He also set the second fastest lap beating his PB fifth on Friday night. Group D went to **JT Hughes-Dowd** as he rounded out the top ten while **Richard Booth** took back-to-back Group E wins. **Victor de Oliveira** made it six Poles in a row to take his 34<sup>th</sup> (12<sup>th</sup>) while **Dave Edwards** was third in fastest laps beating his fourth at Mugello on 21Jan25.

## 7<sup>th</sup> June 2025

Dave Edwards only ran on the Saturday taking a PB equalling 4<sup>th</sup> in the Sprint Race but he did pop in Friday night and did some ad-hoc marshalling. Thanks Dave.

Tom had a good weekend averaging seventh with a best finish of 5<sup>th</sup> in Round 28

Terry and Adi get everywhere! With Steve at Indianapolis & Arnage.  
His best finish being 9<sup>th</sup> twice.

José ran in his first weekend event after first visiting us at the Monza weekend in February. He took a best finish of 22<sup>nd</sup>

## Angus wins & gains another lap penalty!

**Angus Smith** had managed to keep his one lap penalty from his win at Okayama five Rounds ago by repeatedly finishing on the podium since. He followed up his three third place finishes at Le Mans with a win and so goes into Round 27 with a two lap penalty while everyone else has cleared theirs! This was Angus's record 43<sup>rd</sup> win, now one ahead of **Simon Goodlip** and 50<sup>th</sup> Group (A) win, two behind Simon. This also puts McLaren on 43 wins, most of them belonging to Angus.

**Steve White** made his first appearance of the weekend onto the podium and fifth of the year as he took second, 0.4 laps in arrears. He and Simon made history by setting the very first joint fastest lap in 167 Club Nights, stopping the clock at 12.150 seconds. To match each other to the nearest one thousandth of a second is quite remarkable. While this was Steve's fifth fastest lap it was

Simon's 52<sup>nd</sup> (13<sup>th</sup>) and back-to-back following on from his fastest lap in Round 26. Steve's last was on 18Jun24.

**Martin Thorpe** took his third podium and third Group B win of the weekend and 11<sup>th</sup> of the year with his seventh podium of 2025, 0.3 laps behind Steve.

Our next podium winner didn't arrive until tenth place, this time with **JT Hughes-Dowd** taking back-to-back Group D wins. Two places below him was **Kev Spink** with his first Group C win at Le Mans to go with his E and two D wins. Kev also took third on the grid besting his fifth two races earlier.

**Richard Booth** was on a run and made it three Group E wins in a row in 16<sup>th</sup>. **Victor de Oliveira** made it seven Poles in a row as he notched up his 35<sup>th</sup> (13<sup>th</sup>) top spot.

Gabriel Ng & Simon Rankin also joined us on Saturday

Steve got his second win of the year by just a tenth in Round 28

## Steve's tortoise beats the hares!

We were back to 27 on the grid for the fifth and last 15-minute Endurance Race of the weekend with **Liam Smith** leaving for his son's birthday party.

**Nick Sismey**, standing next to **Steve White** on the podium, wished he hadn't told Steve to concentrate on his race and not worry about the speed of the other cars down the Mulsanne straight. As Steve only went and won the race by a tenth over Nick! The latter had to do a splash and dash at the end, and he probably didn't dash as quickly as he should, Steve passing him at the pit exit. Great to see such close racing though! This was Steve's second win of the year, his first also being at a weekend event on 08Feb25 at Monza, and 12<sup>th</sup> of his career. Ahead of his win Steve also took his fourth career Pole, his last being at Luanda on 17Dec24. And like he did with his fastest lap in Round 27 he shared Pole with **Simon Goodlip** who took his 13<sup>th</sup> of the year and record 61<sup>st</sup> in his career. This was also the first time we had two racers on Pole!

To add to that **Angus Smith** and **Kev Spink** both shared third on the grid! Angus would also lose one of his penalty laps as he finished outside the podium for the first time during the Le Mans' weekend.

**Reuben Litherland** took his first podium, and third Group (B) win with third 0.7 laps back. Kev made it five Group (C) wins out of five at La Sarthe in sixth with **JT Hughes-Dowd** making it three Group D wins in a row in 10<sup>th</sup>. **Richard Booth** went one better with four straight Group E wins in 13<sup>th</sup>.

Simon continues to lead the Championship from **Victor de Oliveira** (who set his 40<sup>th</sup> (14<sup>th</sup>) fastest lap with a blistering track record of 11.794 secs) and Angus, however Simon's lead over Victor has increased from 8 points to 51 while Angus has reduced his deficit to Victor from 94 to 59 points.

Victor finally got onto the podium in the Sprint Race after dominating Le Mans in 2024 with six wins. This was his sixth Sprint Race win from eight starts in 2025, and he set the official lap record stopping the clock at 11.794 sec (10.040 mph) in the previous race.

## Victor continues to dominate

For our sixth and last race of the weekend, which was our 900<sup>th</sup> Club Night across HO and CD, we were down to our lowest grid at Le Mans, 26, as **Adi Rowland's** Porsche 911 was having problems in the previous round so decided not to run. This meant **Tom Gray** moved up in to A6 and the remaining five in Group B all moved up a place. This wasn't spotted when the Provisional Results were issued on Sunday or when most of the Group point Championships were issued. Apologies for that, all corrected now.

**Victor de Oliveira** may have been quiet over the Le Mans weekend and not featured on the podium for the five Endurance Races, but he made plenty of noise in the final Club Night of the weekend, the 5-minute Sprint Race. Changing to his trusty BMW, that gave him Pole during the Friday Test Qualifying, he and **Simon Goodlip** set an incredible pace, without the need for fuel stops. Lap after they couldn't be separated and we didn't know who was going to take the win until the power elapsed, Victor taking it by a tenth! **Angus Smith** returned to the podium for the fifth time during the weekend with third, 1.5 laps back.

This was Victor's record seventh win at La Sarthe, and sixth Sprint Race victory from eight starts in 2025. He extends his Sprint Race Championship lead over Angus to 47.0 points with Simon another 9.0 points back. Of the 39 racers in the championship **Dave Edwards** was the biggest mover, up seven places from 31<sup>st</sup> to 24<sup>th</sup> after finishing a PB equalling fourth here and taking the Group C win. In total Victor has 35 career wins with 12 this year. He also took his 36<sup>th</sup> (14<sup>th</sup>) Pole and 41<sup>st</sup> (15<sup>th</sup>) fastest lap.

**Terry Mullen** took the Group B win sharing sixth with former Group B racer Tom and **Steve White**. Fellow 70+ Group Challenge racer **Stuart Gray** matched Terry with a Group win by taking the D in 19<sup>th</sup>, his first Group win of the season. Stuart extends his lead at the top of the 70+ Challenge after Le Mans while **Andrew Staniec** moves back ahead of Terry into second. **Andrew Woodhouse** also took his first Group win of the year, the E, in 12<sup>th</sup>.

Other notable results in the Sprint Race were **Steve Whittaker** taking the eighth fastest lap beating his ninth at Okayama on 27May25 together with **Gabriel Ng** taking 24<sup>th</sup> beating his 25<sup>th</sup> fastest lap at Catalunya on 18Mar25.

In the Group Challenge **Reuben Litherland** regains his position atop the chart with **Adi Rowland** back in second, 13.5 points back. **Nick Sismey** jumps from seventh to third another 16.5 points in arrears.

Before we tweaked the points due to Adi's absence we had three groups of two teams on the same score in the Team Group Challenge. That all changed after the tweak with no teams now sharing the same points.

The Vorsprung DHORC Technik team of Reuben and Phil still lead the Team Group Challenge, however Old Rollers (**Richard Booth** and Nick) have reduced the deficit from 47 to 40 points over the six Le Mans Club Nights. Team M&S of **Martin Thorpe** and Steve move up from eighth to third another 46 points back.

While talking about Teams Vorsprung DHORC Technik also lead the Weekend Team Group Challenge. Old Rollers are again second reducing the lead from 14 to 7 points with Team M&S in third 13 points further back.

Reuben also continues to lead the Weekend Group Challenge, 7.5 points to the good after both Monza and Le Mans with Nick jumping up from eighth to second while Martin remains in third, just 1.5 points back after six more races.

The final laps of the 7,774.3 run over the weekend equating to 257.2 miles

# Circuit History

**Okayama International Circuit (岡山国際サーキット)** sprang to prominence in the 1990s, an early pioneer of the membership club approach taken by other sporting venues - not least because its builder was a golf course magnate.

Soon the call of racing events proved hard to ignore and the circuit, in its early guise as TI Aida Circuit (TIサーキット英田), even made its far as the Formula One calendar, twice hosting the Pacific Grand Prix before concentrating on national events.

A change of ownership brought with it the change in name in 2005 and several years later a return of world class motorsport, this time in the guise of the World Touring Car Championships.

Today the circuit continues to host the major domestic series on two and four wheels, including Super Formula, Super GT and the MFJ Superbike championships.

The outright unofficial all-time track record is 1:10.218, set by triple-world champion Ayrton Senna in a Williams FW16, during qualifying for the 1994 Pacific Grand Prix.
