10 Winners in a year! Thanks to **Phil Rees** taking his first win in three years and **Adi Rowland** (Page 5) taking his first ever win on Tuesday night we now have ten different winners in 2025 beating the record of nine in 2023. And yet there are still two current racers who must get back to winning ways sometime this year and others who must take their first wins. We still have 27 Club Nights to go, who will be next to reach the top step of the podium?

DHORC reached its 33rd Anniversary on Monday 07Jul25 and thanks to **Sarah Smith** we celebrated that in style at the Sakhir evening. Thank you so much Sarah (Page 7)

We are already looking forward to our 2026 season and the proposed Calendar has been issued as covered on Page 8. We also reveal three new tracks in the same article.

We are pleased to welcome **Anthony Mitro** as a fully-fledged Member as of Tuesday night leaving just **Teddy Whittaker** as a reserve driver. With **JT Hughes-Dowd** hoping to join the Navy later in the year it looks like Teddy will also go the way of Anthony soon.

Next stop a return to Catalunya on 29Jul25, see you all there!

Nick Sismey

2. Congratulation to Adi Rowland for taking 1st win.

Adi Rowland became our 14th Carrera Digital racer to take a win on Tuesday night in his 33rd Club Night, our second new winner in 2025 after **Kev Spink** at Le Mans. He is our tenth winner this year breaking the record of nine in 2023.

Adi first became aware of DHORC at a Great Northern Classics' Mince Pies and Motors event on 30Dec24. We were running our 8-lane Gazebo track and while another new 2025 Carrera Digital Member **Scott Bradley** had several goes, winning the free ticket for a Donington Park event, Adi had just the one go.

However he became fascinated with DHORC, particularly the Carrera Digital Gulf Porsche 911 we had on show at the event.

After numerous WhatsApp's it was clear that Adi wanted to become part of the Club. He had two weeks to purchase a car and have a test at **Phil Rees'** as our first Carrera Digital event of the year was the Mugello Test Night on 14Jan25. Both he and Scott attended.

Since then Adi has run in 34 Club Nights, including the three races at Sakhir, taking his first fastest lap at Okayama at DHORC-CD 163 on 27May25 and first Pole at the same track at DHORC-CD 171 on 17Jun25. Congratulations Adi.

3. DHORC's Happy 33rd Anniversary thanks to Sarah Smith

With thanks to **Sarah Smith**, wife of longtime Member **Liam Smith**, we celebrated DHORC's 33rd anniversary in style at the Sakhir Carrera Digital evening on Tuesday 08Jul25. Our anniversary was the previous day, Monday 07Jul25. Sarah had produced some delicious cup-cakes decorated in edible DHORC logos and 33rd anniversary labels together with a wonderful cake with both **Phil Rees** and I on the top. Thank you so much Sarah.

The club's first HO Club Night was on 07Jul92 following our first of 27 off HO Le Mans 24-hour races on 20/21Jun92.

We have since run a staggering 733 HO Club Nights averaging 27 racers to each and every race. We have covered 1,740,948 laps and 204,231,460 feet which equates to 38,680 miles!

However, that still doesn't match the distance covered in our 27 off HO Le Mans races up to the final event in 2019. There we ran 1,131,515 laps and 252,566,154 feet equating to 47,834 miles.

On 18Jan22, after 6-months of testing, we introduced 1/32nd Carrera Digital to our portfolio and have since run 172 Club Nights with an average of 23 racers to each meeting. In that time, we have covered 243,683 laps and 32,909,148 feet which adds up to 6,279 miles. **Note:** *this was prior to the Sakhir evening.*

Therefore, our total stats are 3,116,147 laps equating to 489,706,762 feet, giving us a grand total of 92,794 miles of racing! Quite amazing.

Thank you to all for your fantastic support, with particular mention to **Phil Rees**, who, with so many others, has made DHORC what it is today.

Group 'C' – Chris Cooper, Stuart Gray, Phil, Macaully Dutson, JT Hughes-Dowd & Lewis Blacker

Group 'B' – Liam Smith, Reuben Litherland, Terry Mullen, Martin Thorpe, Steve White & Tom Gray

Phil breaks 3-year wait for 3rd win!

Phil Rees took his third race win of his career, 159 Club Nights after his second on 31May22 at DHORC-CD 14, on Tuesday night at our Sakhir circuit. His previous win had also been at Sakhir, his other at Sebring at DHORC-CD 4. What a fantastic result for someone who does so much for club. The good thing was that he didn't win by default with the next in line having been docked laps. Double, reigning and current Championship leader **Simon Goodlip**, in second, 0.9 laps back was not carrying any lap penalties. He was followed home just 0.3 laps down the road by **Adi Rowland** with American muscle taking on German technology, Audi, Audi, Corvette.

The first Club Night of the evening ran with 27 racers, one short of the average grids of 2025. Phil's win was the ninth different winner of the year, equalling the record set in 2023. It was also Audi's 50th win at DHORC. Phil took the Group C win Simon the A. **Martin Thorpe** made it three different Group winners in the top four taking his Porsche to the top of the B just a tenth behind Adi and 0.8 laps ahead of fellow B racer **Steve White** in fifth. This was Martin's fourth straight B win. **Nick Sismey** made it three Porsche 911's in a row in sixth 1.5 laps back. Five out of six German marks.

Round 33
Sakhir - 
08 July 2025

2nd	1st	3rd
Simon Goodlip	Phil Rees	Adi Rowland

Victor de Oliveira was carrying a two lap penalty after his previous two Endurance Race wins, but he would have only moved up one place, from seventh, without them as he was more than two laps behind Steve in fifth. His BMW shared seventh with a very pleased **Stuart Gray** and his McLaren, which was his best result of the year and only one off his PB. They were 0.6 laps behind Nick. Victor's fastest lap from the last two races at Sakhir, back in Sep'24, gave him his 39th career Pole and 17th of the year. His back-to-back front grid slot was followed up by his 45th (19th) fastest lap.

Lewis Blacker and **Liam Smith** also shared ninth place with their Porsche and Audi, 1.3 laps back, so we had a

variety of cars in the top ten, one BMW, one Corvette, one McLaren, three Audi's, and four Porsches. Another Porsche (all five in different liveries) took 11th, that of Daytona winner **Tom Gray** sitting a tenth behind Lewis and Liam. A second Gulf liveried Porsche 911 of **Scott Bradley**, returning after a 12 race sabbatical, took 12th half a lap behind Tom while **JT Hughes-Dowd**, in what could be his last Club Night at DHORC (with the Navy calling), a further 0.4 laps back with his Audi R8 in 13th.

Group 'A' – Kev Spink, Nick Sismey, Adi Rowland, Simon Goodlip, Angus Smith & Victor de Oliveira

Reuben unfortunately had a tyre blow leaving the grid in Round 33 so had to purchase some new ones off Stuart who took his best result of the year, 7th.

It was great to have **Anthony Mitro** back racing again for the first time since Le Mans, and now as a fully-fledged racer, taken off the reserve list. His Porsche took him to 14th a tenth ahead of **Terry Mullen** who suffered a couple of refuelling issues in 15th with his McLaren, which he would fix come the next Round later in the evening. **Angus Smith** would lose his one lap penalty after Round 33 as his McLaren could only take 16th, fuel stops also aggravating his run. He finished two tenths behind Terry while **Jag Kalyan's** Audi R8 would be another 0.8 laps back in 17th, but with it he took the Group E win, his fourth of the year.

Dan Hughes-Dowd will have a lot of backup cars soon, with JJ having retired last year and JT possibly moving on to bigger and better things. He followed Jag home in the E with his Ferrari 0.9 laps back, the first Italian stallion in the top 18! The car that is. Dan was the meat between two Audi R8s with **Daniel Kalyan** 0.4 laps in arrears in 19th which he shared with **Andrew Staniec** and another differently liveried Porsche 911, the Ford GT put out to pasture for now.

It was two Andrew's in a row with **Andrew Woodhouse** running our second Corvette of the night for the first time in his 50th race start. With son Jenson away he could concentrate on getting to know his new set of wheels. Andrew would take 21st just two tenths up the road with **Kev Spink** and his splendid yellow and orange painted Porsche 911 (all of his own design) in 22nd with a deficit of 1.5 laps to Andrew.

José Borges and his Pink Pig Porsche (livery number seven) had to give good three laps to Kev as he came home in 23rd while **Simon Rankin**, the only one to run a Lamborghini, was another ten laps in arrears in 24th. José however proved he has a very quick car as he set the sixth fastest lap beating his 14th on 18Mar25 at Catalunya. **Reuben Litherland**, who must be a winner sometime this year, had a tyre blow out on his Audi R8 at the start of the race so had to ask Stuart for some emergency spares so he could at least finish the race. He would only record 43.7 laps in 25th.

Gabriel Ng was the only one to run an Aston Martin as he finished in 26th with **Macaully Dutton's** McLaren suffering either a chip or motor problem taking him to the Wooden Spoon trophy in 27th. Gabriel was one of eight racers who took 20th in Qualifying as none of them had run at Sakhr before. This was actually three places better than Gabriel had done in Qualifying before on 08Apr25 at Fuji.

The final car type count in the first Round of the night was. Aston Martin-1, BMW-1, Ferrari-1 Lamborghini-1, Corvette-2, McLaren-4, Audi-7 & Porsche-10

José took the 6th fastest lap in the first race of the Evening, a PB

Gabriel recorded his best grid slot with 20th in Round 33

Adi takes 1st win in 33rd start

Adi Rowland finally did what he had been promising to do over the last 15 races or so, he took his first career victory and the 16th Corvette win in his 33rd start. He became our record 10th winner in a year and made it eight different winners in the last 12 Club Nights. His 76.3 laps was the second highest endurance race laps score at Sakhir, but still 2.1 laps behind **Victor de Oliveira's** record set on 17Sep24. He also took the Group A win for the first time as well, his 11th Group win of the year.

Our 2022 Champion **Angus Smith** moved into second after a lowly 16th in the previous race, some 2.5 laps back, while our double Champion **Simon Goodlip** finished in third 0.2 laps behind Angus. Victor was a further 0.7 laps back in fourth, although he would have taken second had he not carried a one lap penalty. He also made it three Poles in a row with his 40th (13th) together with his 46th (20th) fastest lap, equalling Angus in second place in the all-time charts, with his seventh consecutive fastest time. Adi was slightly disappointed not to take his second fastest lap as he was only 0.002 seconds slower than Victor.

Simon extends his lead over Victor by 11 points to 33 in the main Championship after the two Sakhir Endurance races, while Angus drops back 8 points to a deficit of 89 points behind Victor.

Carrera

DIGITAL 132

2nd Angus Smith	1st Adi Rowland	3rd Simon Goodlip

Macaully's family visited Sakhir to see what we were all about. His best result of the night was in Round 34 with 18th

JT took a best finish of 12th in Round 34 so certainly not all at sea!

Steve White added 2.7 laps to his Round 33 score but remained in fifth taking the Group B win, a lap behind Victor, as previous Group winner **Martin Thorpe** dropped two places to sixth 0.3 laps back. Having won the first Round of the evening **Phil Rees** dropped to seventh on 71.1 laps, which would have been 72.1 laps without his lap penalty, 0.2 less than his first score, but took back-to-back Group C wins. **Terry Mullen** was much happier with his pit stops this time taking eighth, 0.4 behind Phil and 0.3 ahead of **Nick Sismey**. We had nine racers on 70+ laps this time compared to only four earlier.

First of the 15 off 60+ lap racers was **Tom Gray** on 69.4 laps in tenth, one place better than Round 33 and 3.7 laps further up the road, with **Chris Cooper** joining us for the last two races of the night taking the grid to 28. He would finish 0.7 laps behind Tom in 11th with fellow Group C racer **JT Hughes-Dowd** moving up one place to 12th two laps behind the newcomer. **Kev Spink** shared 13th with Group D winner **Daniel Kalyan** on 66.3 laps, Kev jumping up nine places, Daniel six.

Our second joint finishers were next up with **Anthony Mitro** and **Liam Smith** both in 15th and both on 65.8 laps. This was Anthony's best result to date beating his 18th at Le Mans on 06Jun25. **Reuben Litherland's** new tyres helped him move up the leaderboard from 25th to 17th so he was going in the right direction, 0.4 laps back. **Macaully Dutson's** McLaren motor change by Liam saw Macca jump up to 18th on the same lap as Reuben but four tenths further back. **Jag Kalyan** again won Group E with 64.8 laps in the bank compared to 63 earlier while **Stuart Gray** took a bit of a drop from seventh to 20th a tenth behind Jag.

Lewis Blacker also dropped well outside the top ten this time, 12 places back in 21st on 64.3 laps closing out Group C. Second in the E was **Dan Hughes-Dowd**, half a lap back in 22nd, again with the only Ferrari on the grid. Another tenth down the track were **Scott Bradley's** Gulf Porsche's lights burning bright, third in the D. Following a Ferrari and a Porsche was **Andrew Woodhouse's** Corvette 1.2 laps in arrears in 24th three places further down the road than Round 33.

Andrew Staniec's Porsche and **Simon Rankin's** Lambo both shared 59 laps with Andrew taking 25th 0.4 laps ahead of Simon. **José Borges** took eighth on the grid with his Pink Pig, beating his 16th on 18Mar25 at Catalunya, but was only able to convert that to 27th here. It was **Gabriel Ng's** turn to take the Wooden Spoon this time as he closed out this Club Night in 28th.

Andrew is also running a Corvette like Adi's, taking a best of 21st twice on the night

Steve took a best finish on the night of 2nd in the Sprint Race, Martin 3rd

Victor's dominance marches on!

Victor de Oliveira domination of the Sprint Race Championship continues with his seventh win from ten starts. His fourth straight Pole and 19th of the year from 34 Club Nights takes him to a career total of 31. He converted that to a 2.7 lap victory over **Steve White** who was back on the podium for the first time since his win at Le Mans last month, his 27.0 laps giving him the Group B win. This was Victor's 38th (15th) win and with it he smashed his own lap record of 9.630 seconds set on 17Sep24 leaving it at 9.357. His eighth straight fastest lap equals his own consecutive PB record taking him to 47 (21) quickest lap times. He now moves into second in the all-time charts.

Another 0.6 laps behind Steve came friend **Martin Thorpe** taking his ninth podium finish of the year. Will our four time winner become our 11th winner of 2025? He was followed home by our other two main Championship contenders, **Simon Goodlip**, a tenth back and **Angus Smith** half a lap down the road. The top three in the Sprint Race Championship consist of the same racers as the main Championship, although Victor extends his lead to 53.5 points over Angus with main Championship leader Simon in third, closing the gap to Angus to 13.5 points.

Still celebrating his first win in Round 34 **Adi Rowland** cruised into sixth here while **Nick Sismey** and **Liam Smith** broke off results duty to lead a quartet of shared results. They matched each other on 24.7 laps to both take seventh while **Chris Cooper** and **Anthony Mitro** couldn't be separated sharing 24.6 laps and ninth, Chris taking the Group C win, Anthony the D. We went one better in 11th with a three way tie on 24.1 laps between **Lewis Blacker**, **Terry Mullen** and a still recovering **Reuben Litherland**. Finally the pairing of **Scott Bradley** and **Tom Gray** both notched up 24.0 laps in 14th. Just 0.7 laps covering nine racers, quite amazing! Going back to Anthony, he set PBs in every category here, his 19th on the grid beat his 20th, his ninth at the flag beat 14th both at Le Mans while his 10th in fastest laps beat his 15th from the previous Round. He would also be the joint highest mover up the Ranking charts post Sakhir, moving up five positions to 23rd.

Simon's best finish was 23rd in Round 35 with Kev going ten places better in Round 34

Reuben continues to lead the Group Challenge however that lead has been drastically reduced by second placed Adi. After his tyre blow out in Round 33 Reuben was chasing his tail as Adi reduced the gap from 21 to 8.5 points with Phil now moving into third 4.5 points back. Reuben and Phil's Vorsprung DHORC Technik Team have extended their lead over the absent Richard Booth and Nick's Team Old Rollers from 45.5 to 62.5 points in the Team Group Challenge. Steve and Martin's Team M&S have taken a big chunk out of our second placed team reducing the gap from 42 to 18.5 points. There are also several teams very close to each other as all challenge for the top spot.

After nine racers finishing on the 24 lap only one was left on the 23rd lap, namely **Andrew Staniec** who cleared six tenths of that lap to finish 16th, his best finish of the night, and with it the reward of the Group E win. Three racers finished on the next lap down, **Kev Spink** on 22.8, **Jag Kalyan** on 22.4 and **Stuart Gray** on 22.3 laps. In our closest 2025 Championship Stuart has converted a one point deficit into a five point lead as he returns to the top of the Veteran's 70+ Group Challenge ahead of Terry with Andrew a further five points back.

In 20th was **Phil Rees**, but more importantly he was the first NASCAR Cup driver over the line taking his seventh straight NASCAR win and eighth of the year. Our second and third NASCAR racers were **Dan Hughes-Dowd** in 24th and son **JT Hughes-Dowd** in 25th just a tenth apart. Phil continues to dominate proceedings, extending his Cup lead over Dan to 101.0 points, who is another 17.5 points ahead of JT.

Circuit History

The **Circuit de Barcelona-Catalunya** was built in 1991 and began hosting the Spanish Grand Prix that same year. Construction also coincided with the Olympic Games scheduled to take place in Barcelona the next year, where the circuit acted as the start and finish line for the road team time trial cycling event. The Circuit de Barcelona-Catalunya should not be confused with the Montjuïc circuit, which hosted the Spanish Grand Prix four times between 1969 and 1975 and, unlike the Circuit de Barcelona-Catalunya, is actually located within the city of Barcelona.

Because so much testing is done at this circuit, Formula One drivers and mechanics are extremely familiar with it. This has led to criticism that drivers and mechanics are too familiar with Catalunya, reducing the amount of on-track action.

When first used, overtaking was frequent as cars could follow closely through the last two corners and slipstream down the long straight. As aerodynamic balance became more critical, this overtaking method drastically decreased as the cars were unable to follow each other through the fast final corner due to turbulence created by the leading car. The 2007 season saw the first of the two final sweepers replaced with a slow chicane to reduce speeds through the final corner, where serious accidents could occur, and in an effort to improve overtaking.

This is the circuit we are running.
