Editorial 053

What an incredible two days of racing! What an incredible week! It started on Wednesday night when nine of us cleaned all of the Carrera Digital track we have for the first time in nearly four and a half years, if you include the 6-months of testing we did before we ran our first Club Night in Jan'22 – see Page 7. **Chris Cooper, Daniel Kalyan** and I also moved all of our tables, equipment and track up onto the mezzanine on Wednesday night with the help of a couple of others ready for the Suzuka build on Thursday. And build it four of us did from 1pm, as mentioned on Acknowledgements. Then we ran the track on Friday night, Saturday morning and Saturday afternoon before a few of us converted it over to the Mexico City track for Sunday's F1 75th anniversary celebrations. But that is all covered in the next magazine. Thank you all so very much for your support.

We had 25 racers over the two days of Suzuka, running six 15-minute Endurance races and three 5-minute Sprint Races plus one 5-minute Test and one 5-minute Qualifying. To say we were busy is an understatement!

Phil discussing all things NASCAR with Steve and Ted

Steve takes first blood!

Steve White was the first to take a win at our nine Club Night Suzuka weekend. Running in three sessions, Friday night, Saturday morning and Saturday afternoon we ran two 15-minute Endurance Races and one 5-minute Sprint Races in each session, which saw a different grid each time. For Friday night we ran with 22 racers on the grid and welcomed back weekend racer **Bill Whitehouse** and his Lamborghini. This was our smallest grid of the year, beating the 23 at the Monza Saturday afternoon session on 08Feb25. As we ran nine Club Nights these reports only cover the highlights rather than a full update to ensure the magazine is published on time!

Phil Rees/Angus Smith

Steve made it back-to-back wins with his McLaren after taking the Sprint Race win at Mugello taking his fifth win of the year and 15th career victory. Pole sitter for the 45th (23rd) time **Victor de Oliveira** and his BMW took second, two laps back, with both he and Steve carrying a one lap penalty thanks to their previous wins. Steve will carry a two lap penalty into Round 46. Victor also set his 52nd (25th) fastest lap during the race but that wasn't as quick as his Pole time of 11.190 secs (11.237mph) from earlier.

James and Nick started their first weekend Carrera Digital event at Suzuka

We had two McLarens on the podium with **Angus Smith** in third half a lap behind Victor, which was effectively 1.5 laps. **Phil Rees** and his Audi matched Angus on 58.9 laps, making it a very crowded third step of the podium, as well as taking the Group B win.

Suzuka

Round 46

24th October 2025

Victor began his Suzuka winning campaign in Round 46

Victor takes second enduro win

Victor de Oliveira moved up a place on the podium in the second Club Night of the evening beating **Steve White's** previous laps record of 62.4 laps (without the lap penalty) with 62.5 laps (also without the lap penalty) to equal **Angus Smith** and the absent Simon Goodlip atop the all-time winners' record of 44 victories with his 21st win of the year. Steve dropped two places to third with his namesake **Steve Whittaker** taking second 2.1 laps in arrears of Victor and 0.9 laps ahead of Mr White who would have taken second without his two lap penalty, which he keeps as he finished on the podium! Mr Whittaker led home Group B with his PB equalling second place. His first win can't be too far away!

Richard took all three Group D wins on Friday night

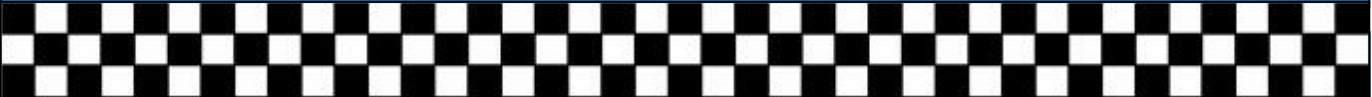

Phil ran most of the races at Race Control.....

...but Tom took over (helped by dad Stuart) when Phil was racing.

Race Report

Suzuka (SR14)

Round 47

24th October 2025

Like us all Andrew was well dressed against the cold!

Victor is king of the Sprints

Victor de Oliveira doesn't care which track we race on, he invariably is king of the 5-minute Sprint Races as he took his 10th win from 14 Sprint Races this year. This also meant he was now out on his own with the most Carrera Digital wins at DHORC with 45, 22 of which have come this year. To add to this he also notched up his 47th (25th) Pole with his third straight fastest lap equalling **Angus Smith's** 27 fastest laps record in a year.

While Victor set the 5-minute race lap barrier at 23.9, **Steve White** followed him home 2.2 laps back (no lap penalties in Sprint Races) with Angus sharing third with **Kev Spink** and his dayglo coloured Ford GT on 21.9 laps. This must be the best ever result for a Ford GT, with Kev also setting the third fastest lap time!

Martin becomes our 11th winner in 2025

Martin Thorpe became our record 11th winner of 2025 in the first Club Night of a very cold Saturday morning, with his fifth career victory. His last win had been on the Luanda Oval on 17Dec24. We welcomed **Lee Pateman** and his McLaren, **Anthony Mitro's** Porsche and weekend racer **Gabriel Ng's** Aston Martin to the grid this time, however there were only 19 cars in Parc Ferme, our lowest turnout of the year, beating the 22 from Friday night.

Our fourth different Group B winner of the weekend Martin, and his Porsche, hit sixty laps for the first time, 60.7 to be precise, seven tenths ahead of **Angus Smith**, who was our third Group A winner at Suzuka, while **Steve White's** two lap penalty left him in third, his fourth straight podium finish. Steve would have taken top spot as he was 1.4 laps behind friend Martin and 0.7 behind Angus without the new rule for 2025, which is clearly working.

<p>2nd Angus Smith</p>	<p>1st Martin Thorpe</p>	<p>3rd Steve White</p>

Group D – Gabriel, Andrew, Richard and Bill

Group C – Daniel, Nick, Anthony, Reuben and Stuart

Group B – Phil, Lee, Martin, Terry and Kev

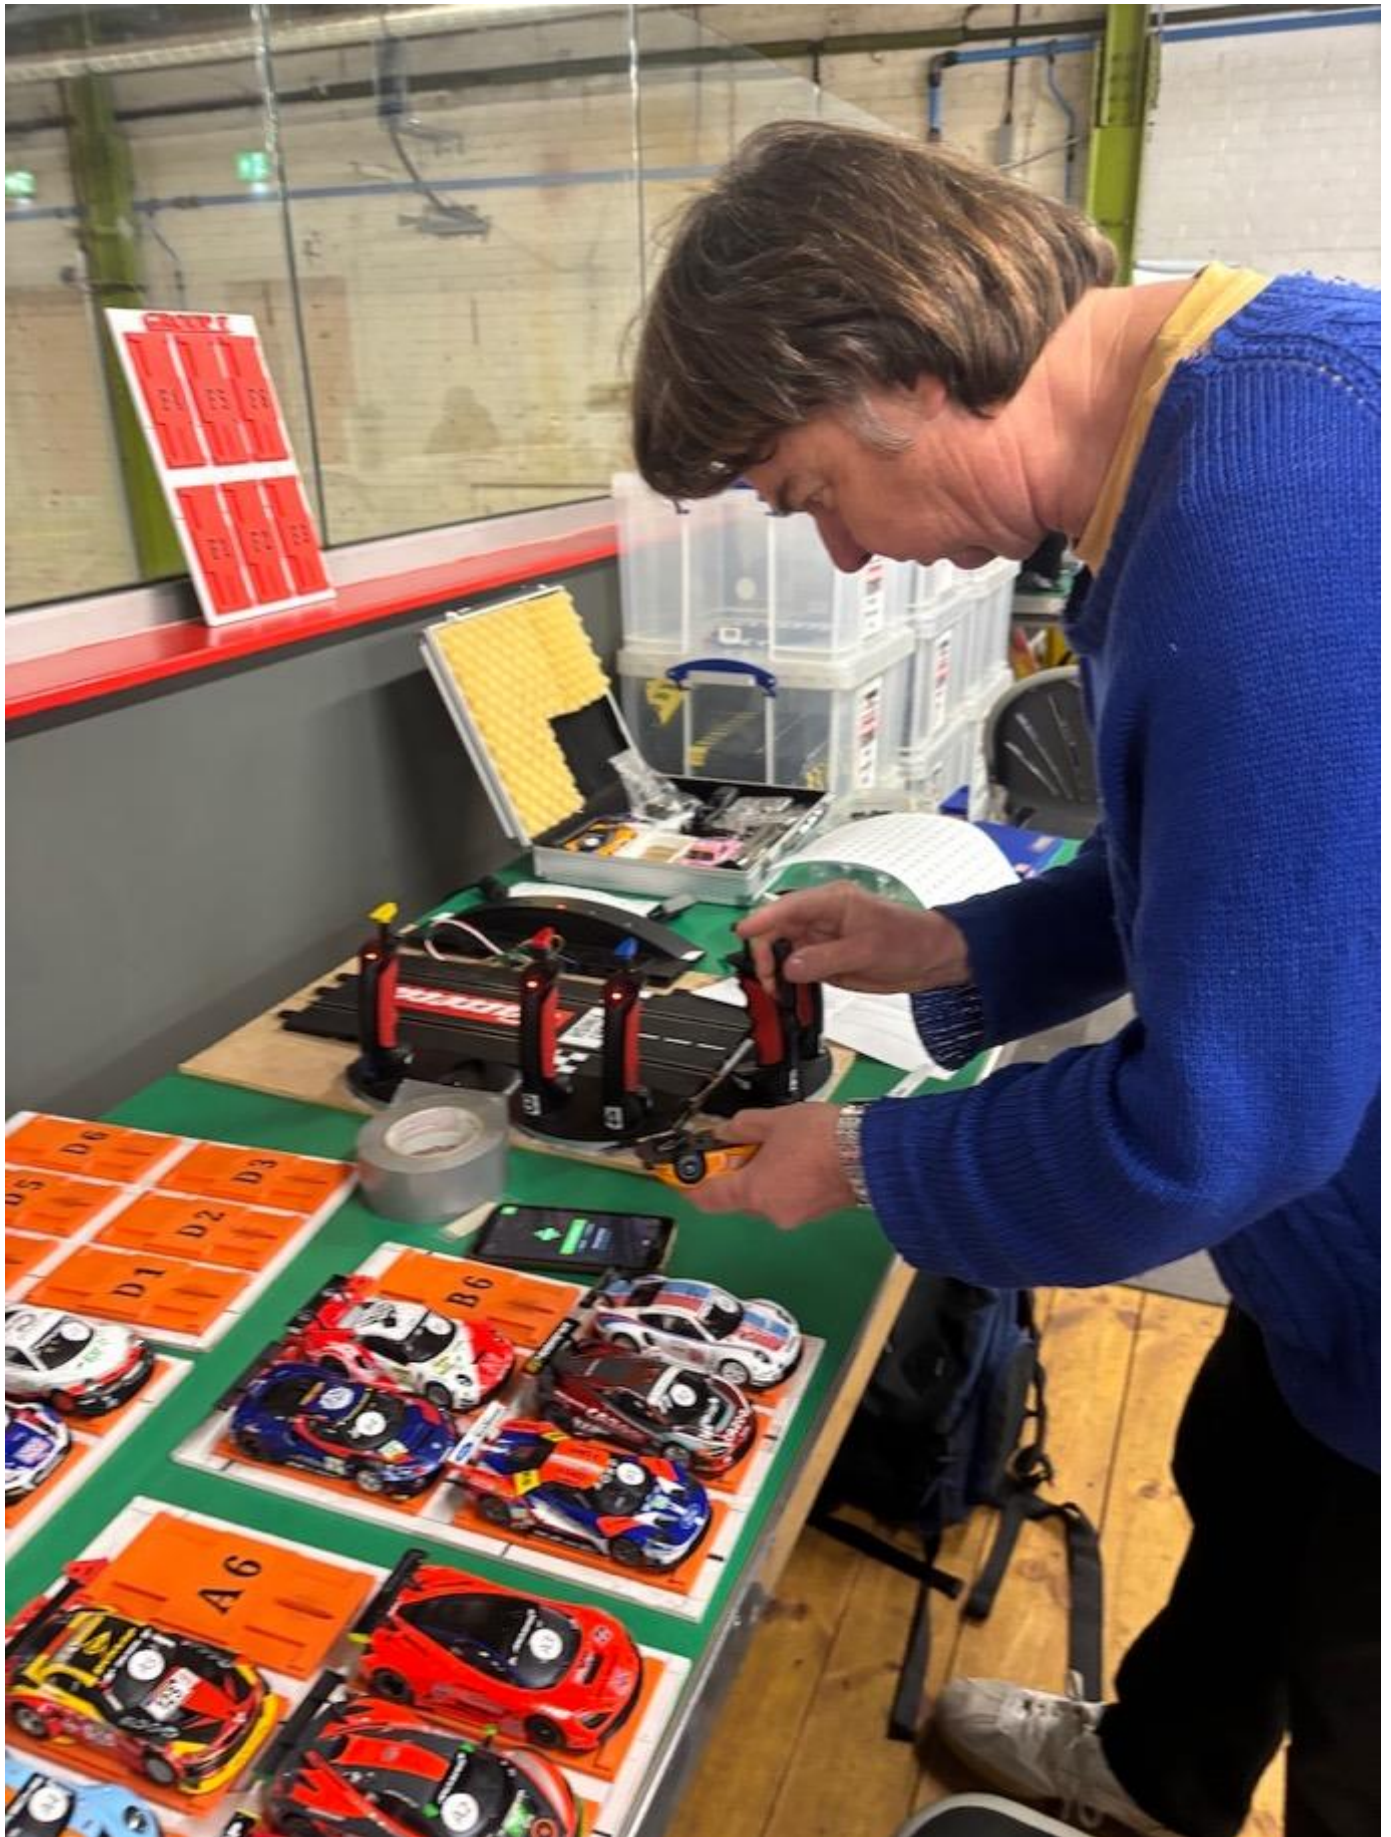

Reuben Litherland took his second Group C win in Japan in sixth, with the Porsche of **Andrew Staniec** recording its first Group D win in the Far East.

While **Victor de Oliveira** uncharacteristically struggled down in 15th, where had he lost his two lap penalty would have only seen him move up to 13th, he still set his fourth straight Pole and Fastest Lap. It was Pole number 48th (26th) and fastest lap number 55 which equalled the absent Simon Goodlip's record, while Victor's 28th quickest time of the year beat his own record from the previous round. His 11.137 second (11.290mph) lap would also beat his 11.190 from Qualifying and stand as the fastest lap for the rest of the weekend.

Partially due to the low grid numbers we had four PBs at this race, three going to Gabriel. Without actually attending Qualifying he was 17th on the grid alongside Anthony without setting a lap time, Gabriel beating his 20th from Sakhir on 08Jul25 and Anthony beating his 18th on 29Jul25 at Catalunya. Gabriel also beat his 25th placed finish at the previous Catalunya round on 18Mar25 with 19th here, with 19th also beating his 24th best in fastest laps at Le Mans on 07Jun25.

Round 49

24th October 2025

Steve went to a record penalty of -3 laps after winning Round 49

Kev took the second fastest lap here

Steve wins with 2 Lap penalty!

Steve White took his second win of the weekend, despite carrying a two lap penalty that becomes a record three lap penalty for Round 51 (No penalties for the next Sprint Race). His fifth straight podium at Suzuka saw him take the win with 61.0 laps, that, without the two lap penalty, equated to 63.0 laps, beating **Victor de Oliveira's** track record of 62.5 laps in Round 46.

Steve's sixth win of the year and 16th since he joined the Carrera Digital side of DHORC was exactly a lap ahead of **Angus Smith** with **Reuben Litherland** just two tenths back in third making it back-to-back Group C wins, equalling **Richard Booth's** three Group D wins at the Suzuka track on Friday night.

2nd Angus Smith	1st Steve White	3rd Reuben Litherland

Stuart and brother-in-law Richard took six Group wins between them at Suzuka

Not to be outdone Richard went one better than Reuben with his fourth Group D win in 15th while **Martin Thorpe** dropped five places from his previous round's win to sixth with back-to-back Group B wins.

Victor was again off the podium, which meant he lost his remaining lap penalty for Round 51. However he continued to add Poles and fastest laps to his portfolio. His fifth straight Pole was his 27th of the year equalling the absent Simon Goodlip's record as he made it a total of 49 to date since he joined at DHORC-CD 69 on 17Nov23 at Le Mans. He also set two new club records with his 56th (29th) and fifth straight fastest lap.

Anthony Mitro took the lone PB, his 16th on the grid beating his 17th set at the first race of the day.

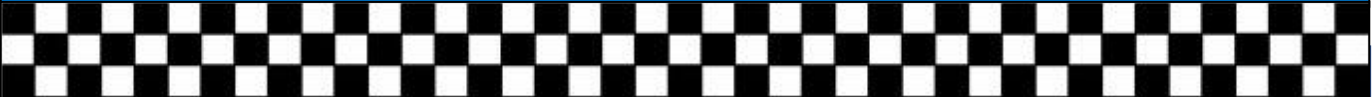

Andrew took three Group D wins

Round 50

25th October 2025

All three Japanese Sprint Races went the way of Victor

Victor Sprints to victory

Victor de Oliveira made it two Sprint Race wins out of two at Suzuka Saturday morning following up on his Friday evening win in what was our 50th Club Night in 2025. His 24.3 laps beat the record from our first Sprint Race in Japan where he hit 23.9 laps. Victor therefore increased the DHORC-CD win record to 46 and equalled his and DHORC-CD's season record of 23 victories.

Steve White, on his sixth straight podium finish at Suzuka took back-to-back Sprint Race runner up slots, a lap behind Victor with **Kev Spink** taking his second third place finish of the weekend, 0.4 laps back, although this time he kept it to himself! To add to this Kev also took second on the grid beating his third at Le Mans on 07Jun25 as well as taking his first Group win if the weekend, the B.

Round 50 (SR15)

Suzuka -

25 October 2025

2nd Steve White	1st Victor de Oliveira	3rd Kev Spink

Ahead of Kev on the grid, of course, was Pole sitting guru Victor, his sixth straight for the weekend, and on the 50th Club Night of the year his 50th career Pole, which meant he had taken 28 in 2025 which was a new DHORC-CD record. Another two records for Victor were the number of fastest laps and then number of fastest laps in a year, now sitting at 57 and 30 with his sixth in a row.

Reuben Litherland ensured there were three Group winners in the top six with his third straight Group C win and fourth for the weekend while Andrew Staniec took his second Group D win in 11th, sharing the lap score with Nick Jarram's McLaren. Reuben also set the third fastest lap beating his fourth at Monza on 08Feb25.

Anthony Mitro continued his progress towards the front of the grid, with 14th this time beating his 16th in the previous race while Phil Rees again took the NASCAR Cup win in a race of one.

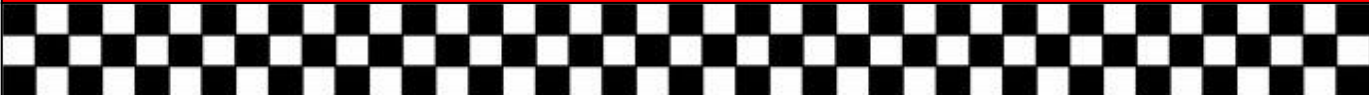

The SmartRace App and RamJet-X Club controllers kept the weekend on track

Victor continues to win in Japan

After a half hour lunch break **Steve Whittaker** and son **Ted Whittaker** rejoined the grid again for the afternoon session, taking us up to 21 racers.

Having refuelled **Victor de Oliveira** continued on from where he finished the morning session with his fourth win of the weekend. Records were being broken left right and centre now. His seventh Pole in a row was his 51st with 29 being the new record for one season. His 47th win and 24th in 2025 were both new records as were his 58th (31st) fastest lap, also his seventh in a row. His 63.1 laps also broke **Steve White's** race lap record of 63.0 set in Round 49. For the first time in the weekend Steve wasn't actually on the podium finishing in 10th with three penalty laps. He would have only finished in fifth without the penalty.

Round 51 Suzuka - 25 October 2025		
2nd Reuben Litherland	1st Victor de Oliveira	3rd Nick Sismey

Reuben Litherland made it four Group C wins in a row, his fifth of the weekend, taking his best result in East Asia, second, matching his best ever finish in CD, 3.3 laps back. **Nick Sismey's** Gulf Porsche took its best finish of the weekend, third, two tenths behind Reuben.

Jag returned for the last two Suzuka races, explaining to Victor how the taxi App works

Steve makes it three in Japan

Just prior to the last two afternoon Club Nights at Suzuka **Jag Kalyan** walked in to see how things were going. He was in between taxi runs. We encouraged him to run in these two races with his Audi and so **Nick Sismey** was given the honour of hitting "Long Break" on Jag's app! This meant we were back up to 22 racers.

Despite his two lap penalty **Steve White** took his third win of the weekend and with it the new race laps record of 63.2 (with his penalty laps added back in), beating **Victor de Oliveira's** earlier record by a tenth. Steve's seventh podium finish from eight starts in Japan put him on seven wins for the year and 17 in his career as well as the Group A victory. **Phil Rees** was just 0.3 laps away from taking his first win of the weekend, apart from the NASCAR Cup victories, but after third equal in Round 45 he was going in the right direction up the podium together with his second Group B win of the weekend

Without his lap penalty Victor would have snatched second but a tenth behind Steve, however he finished eight tenths behind Phil in third. Prior to this run he set his eighth straight Pole equalling his own PB streak, resulting in his 52 career Pole and record 30th for the year. During the race he also took his eighth straight fastest lap and upped his club records to 59 (32).

Bill Whitehouse finally got onto the Group winning charts in 2025 with the Group D win in sixth, having borrowed a car from Mr White for the last two races. His seventh best fastest lap was also a PB beating his 12 almost a year ago on 26Oct24 on the External Interlagos circuit.

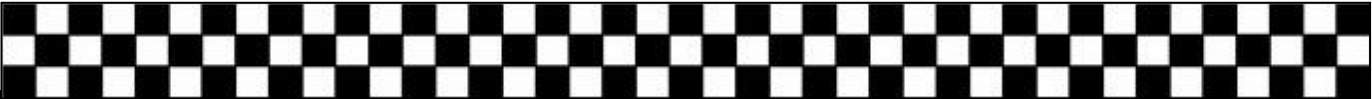

Reuben Litherland then made it five Group C wins in a row sharing ninth place with **Lee Pateman** and his McLaren on 57.9 laps; Reuben's six Group wins for the weekend being more than anyone else.

Bill came to life in the 8th and 9th Suzuka races thanks to Steve White.

Daniel was one of eight racers who ran in both the Suzuka and Mexico City races

Suzuka (SR16)

Round 53

25th October 2025

Victor re-wrote the record books with number of wins, Group wins and fastest laps

Victor takes all three Sprints

Victor de Oliveira almost certainly secured the 2025 Sprint Race Championship after taking all three 5-minute races over the Suzuka weekend, with a maximum 67.5 points. Dropped scores will now come into play however with 12 wins from 16 starts no-one is going to surpass this! He added a tenth to his previous Sprint Race lap score leaving the record at 24.4 laps, exactly a lap more than **Steve White** who, like Victor has a superb weekend, finishing on the podium in eight of the nine races! **Nick Sismey** closed out the Suzuka weekend with the final Podium position in Japan 0.9 laps back.

Victor's fifth win in East Asia was also his fifth Group A win taking him to 27 Group wins this year. This equated to his 25th overall victory in 2025 and 48th career win, both club records. Prior to this he set nine straight Poles in a row breaking his own PB with his 53rd (30th), the latter extending the season record. He also made it nine fastest laps in a row, extending both Club records to 60 and 33 respectively.

2nd Steve White	1st Victor de Oliveira	3rd Nick Sismey

Tom tweaking his BMW

Martin Thorpe took his fifth Group B win at Suzuka taking him to 23 for the year, leaving him and Victor top of the all-time Group win charts with 58 a piece!

Circuit History

The **Autódromo Hermanos Rodríguez** is a 4.304 km (2.674 mi) motorsport race track in **Mexico City**, Mexico, named after the racing drivers Ricardo Rodríguez (1942–1962) and Pedro Rodríguez (1940–1971). The circuit got its current name in 1979 after Ricardo Rodríguez died in practice for the non-Championship 1962 Mexican Grand Prix and his brother Pedro was also killed behind the wheel nine years later. Since 2015, the track has once again hosted the Formula One Mexican Grand Prix, an event it previously hosted in two separate periods on a different layout, the last occasion of which was in 1992. Since 2021 the event has been held under the name "Mexico City Grand Prix".

The circuit is located within the public park of the Magdalena Mixhuca Sports City in southeast Mexico City. The circuit is owned by the Government of the City, but is currently operated under concession by Corporación Interamericana de Entretenimiento (CIE) through OCESA, one of CIE's subsidiaries. CIE also organizes the NASCAR Mexico Series races in this circuit and rents the circuits to other parties, including race organizers, automobile clubs and track amateurs for fees that are controversial due to their disproportionately high amounts compared to other ex-F1 courses.
