About:

History and Key Facts

HO Club founded on 7 July 1992

- DHORC: Derby HO Racing Club ("HO" Is The Scale = 1/64th)
- Tenant at Great Northern Classics, open to all!
- Home of world famous international Le Mans 24 Hour race.
- Smaller scale version of Scalextric, once set up works all night!
- Four and Eight lane circuits
- Computerised timing
- Statistics for every meeting and every member since July 1992
- Over 20 race meetings each year
- 50+ circuit designs, up to 567 feet in length
- Eight-lane routed DHORCingham oval
- Two car categories – Tyco open wheel (F1)
 - Tomy SGP, BSRT, VSR enclosed wheel (GC)

Carrera Digital Club 1st race 18 January 2022

- 1/32nd Carrera Digital GT Cars
- 16 Evenings a year, minimum 3x15-minute races per driver per evening.
- 12 circuits
- Full computerised timing and stats through SmartRace App

The Club Nights and Magazine Coverage

HO

- Racing starts between 18:45 and 19:00 hours – Finished by 21:30 hours
- Minimum of four 3-minute qualifying races & up to two Finals (F1 & GC) for each member
- Championship points for all members
- Magazine produced for every meeting covering every member & track statistic

Carrera Digital

- Racing starts at 18:00 – Finished by 22:00 hours
- Magazine produced after each evening
- Championship points for all members
- Rules & regulations booklet covering all the DHORC rules produced each year
- Great family atmosphere, a help-all culture

Membership Fees, Car Costs and Prizes

- Adult £40 and junior (under 16) £20 for HO & Carrera, £50/£25 combined
- Only £50 Total expenditure for two cars HO Cars, £65 one Carrera
- All cars and spares can be bought at club
- Adult, Masters (over 56), Junior (16 & under) HO Championships
- Adult & 70+ Carrera Championships

Editorial 055

12 Winners in 2025, a new record! Congratulations to **Reuben Litherland** for taking his first career win. The previous record had been nine in 2023 however we reached that number on 08Jul25 this year. With 12 Club Nights to go we still have time to add one more!

Congratulations to **Victor de Oliveira** for becoming our first Champion this year taking the Sprint Race Championship after the Mexico City races. The same goes to **Phil Rees** who became our inaugural NASCAR Cup Champion at Watkins Glen.

There are a lot of congratulations to be handed out as we also have to say the same to Victor and **Simon Goodlip** for taking the other two wins on Tuesday and to **Richard Booth, José Borges, Chris Cooper (2), Victor, Simon, Jag Kalyan, Reuben (3), Anthony Mitro, Martin Thorpe, Ted Whittaker, Andrew Woodhouse** and **Jenson Woodhouse** for all taking Group wins.

We must also welcome again our newest Members **Cameron Hawes** and **Dave Trantom** who ran in their first races at Watkins Glen. **Luke Hobson** is testing at Phil's during the evening of Monday 10Nov25 before he joins us all at Bathurst on 28/29Nov25. We may also potentially have another lady racer next year as Cameron says his partner **Libby Curran** is interested in joining the fold.

Our Annual General Meeting is due to take place on 18Nov25 at 7pm in the Conference Room at GNC. The presentation is already coming together, looking forward to seeing you there for all of us to steer DHORC into a successful 2026.

2. Reuben becomes our record 12th winner in 2025

Congratulations to **Reuben Litherland** for becoming our 12th Carrera Digital winner of 2025 at Watkins Glen at Club Night 56.

Our double HO Junior Champion Reuben joined the Carrera side of DHORC on 17Dec25 at Luanda and victory came in his 53rd start.

He continues to lead the Team Group Challenge with **Phil Rees** in Vorsprung DHORC Technik as well as the Weekend Team Group Challenge in the same team together with the singular Weekend Group Challenge.

Sadly he has decided to just run in HO in 2026 but hopefully he will leave at the end of 2025 with at least one Championship under his belt.

8. Whittaker family DHORC T-Shirt cat walk!

With thanks to **Steve, Ted & Luca Whittaker** we have added DHORC T-Shirts to our portfolio. Steve was the first to ask if we could do them for the three of them and of course we could thanks to Shane at Fitzmark Workwear in Eastwood. And what great models they make! They have been added to our Official Clothing advert.

Key: Simon averaged 11.000 in last race, Jag 19.776, so Simon E3

Phil Rees took the NASCAR Cup Championship at Watkins Glen, Nick Sismey took a best finish of third in Round 57. (Photo: Scott Bradley)

Reuben becomes our 12th winner in '25

Reuben Litherland took the year record of winners in Carrera Digital to 12 in the first Club Night at Watkins Glen, Round 56, and became our third new winner of the year. In his 53rd race start his Audi R8 won by a mere 0.2 laps from **Martin Thorpe's** Porsche, both winning their respective Groups. Reuben's previous best was second at Mugello on 21Jan25, which he repeated at Suzuka recently.

We had a capacity 30 racers on the grid for our 15th evening of racing in 2025 and welcomed our newest Members **Cameron Hawes** and **Dave Trantom** with their BMW and Porsche.

While Reuben et al were rejoicing in his win the Audi of reigning double Champion **Simon Goodlip**, taking his 56th (16th) fastest lap, was only 0.3 laps behind Reuben in third. Had he not been running with a one lap penalty, he would have taken victory. But rules are rules and a victory is a victory, congratulations Reuben.

Championship leader, following Suzuka and Mexico City, **Victor de Oliveira**, also carrying a one lap penalty, finished in fourth 2.5 seconds behind Simon but thanks to his lap time in the last two races at Watkins Glen in September he took a record 12th straight Pole, a record 34th Pole in a season and his 56th career Pole with his BMW. We had two Champions and a Champion designate all in a row with our inaugural 2022 Champion **Angus Smith** in fifth, seven tenths behind Victor with his dayglo orange McLaren.

Our youngest racer and first in the top six to run a Ferrari, **Jenson Woodhouse**, took the Group C win, his eighth Group win of the year, half a lap behind Angus. **Phil Rees**, even without his one lap penalty from the win at Mexico City would not quite have disposed Jenson of his sixth place as his Audi was 1.1 laps in arrears. **Nick Sismey's** Porsche was the fifth Group A racer to make it home nine tenths behind his friend of 33 years.

Group A – Martin Thorpe, Terry Mullen, Nick, Angus Smith, Simon Goodlip & Victor de Oliveira

Group B – Stuart Gray, Phil, Scott, Reuben, Steve Whittaker & Tom Gray

Group C – Daniel Kalyan, Chris Cooper, Nick Jarram, Dave Edwards, Jenson Woodhouse & Liam Smith

Scott Bradley took a break from his photography for his Mercedes to share third in the B and ninth overall with **Stuart Gray's** McLaren. They were joined by the McLaren of **Chris Cooper**, second in the C, all on 71.3 laps, 0.7 back from Nick. With the top ten (well top eleven actually) accounted for, we then had two more drivers with 70+ laps, **Terry Mullen** closing out Group A with his McLaren within three tenths of our trio in 12th and then **Steve Whittaker's** Porsche on 70.6 laps.

With 13 racers on 70+ laps we then had nine recording between 60 and 70 laps. Heading these was **Liam Smith's** Pink Pig Porsche on 68.5 laps in his first Carrera Digital race since our previous visit to Watkins Glen in September. **Anthony Mitro's** Porsche followed Liam home in 15th, 0.8 laps back and with it took the Group D win, while another 1.4 laps down the road we had our E winner **Andrew Woodhouse** and his Corvette, taking their fifth and third Group wins of the year.

Andrew Staniec's Porsche was in D1 in the Race Groups and kept himself well up in the proceedings with 17th overall 0.4 laps ahead of our pairing in 18th, **Nick Jarram** and **Daniel Kalyan's** McLaren and Audi finishing beside each other in fourth in Group C on 65.5 laps. **Dave Edwards** was also in Group C he having not raced since before the summer break on 29Jul25 due to work commitments. His Porsche was 0.7 laps back in 20th on his first Watkins Glen visit.

Now for the final ten cars at the flag. In 21st was **Macaully Dutson's** pink Iron Dames Ferrari only half a lap down on Dave while our newest Dave, **Dave Trantom** took 22nd in his very first Club Night with his Porsche despite thinking the lane change button was the brake, finishing on 60.7 laps! Don't worry Dave we won't tell anyone! **Richard Booth** then led the 50+ lappers with 23rd on 59.5 laps, his McLaren keeping **Simon Rankin's** striking yellow Lamborghini at bay to the tune of four tenths of a lap. Another 1.1 laps back was **José Borges** Pink Pig Porsche in 25th, although he would change to another pink car for the last race of the night!

Dan Hughes-Dowd was running without JT at his side for the first evening of the year, it certainly wasn't the same without him, and we all missed his cheeky smile. Dan helped Phil out at Race Control as much as he could, rather JT's, Audi to 26th. **Cameron Hawes**, our other newbie on the night was determined to make his BMW M6 work but found, like many before him, it was just too heavy and tail happy, taking 27th.

Jag Kalyan's Audi was the last of the runners without a problem, finishing on 50.8 laps in 28th while **Tom Gray's** BMW had crown wheel issues where it had lost mesh with the pinion and **Ted Whittaker's** Corvette had rear axle issues that need a fix from dad as he took the Wooden Spoon.

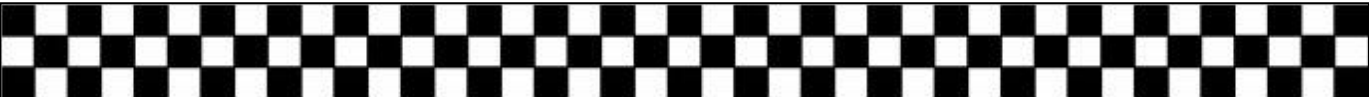

Group D – Macaully Dutson, Anthony Mitro, Ted Whittaker, Richard Booth, Dan Hughes-Dowd & Andrew Staniec

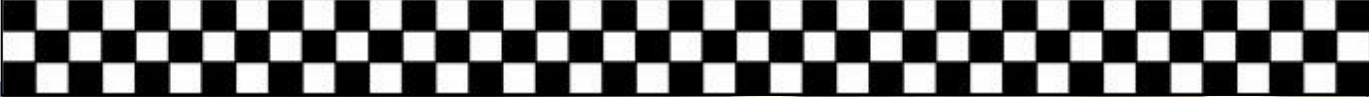

Group E – Dave, Cameron, Jag Kalyan, Simon Rankin, José Borges & Andrew Woodhouse

With thanks to Phil, Steve and Ted we quickly changed the incorrectly fitted double lane changer just before the last corner to a left to right lane changer after Round 56 to prevent missed pit stops as the cars were being taken to the outside lane away from the pit entry.

Race Report

Watkins Glen

 Round 57 

4th November 2025

**Victor was the first Carrera Digital racer to hit 50 career wins, at Round 57.
(Photo: Scott Bradley)**

Victor is the first to hit 50!

Victor de Oliveira became our first Carrera Digital Member to reach 50 Club Night wins during the second race at Watkins Glen! Considering he had only raced in 120 races at this point that is an incredible return for his money! His 27th victory of the year, also a record, saw him break **Simon Goodlip's** race lap record of 83.4 laps, set on 16Sep25 by two tenths leaving it at 83.6 laps.

Simon, carrying a one lap penalty from his win at Mugello in the middle of October, took second, 3.5 laps behind our Championship leader Victor. However, thanks to drop scores, as 75% of results count, reigning and double Champion Simon not only moved into second in this year's Championship but reduced the deficit to Victor from 202 points to 178. He also took a record 67th (19th) Pole to add to his success. Victor meanwhile set two more records with the 62nd (35th) fastest lap. **Nick Sismey** was disappointed with his performance in the previous Round and was one of the keenest in swapping out the incorrectly fitted double lane-changer before the last corner, back to the correct left to right lane-changer as he was one of many that missed the pits on numerous occasions. Therefore to take third here, a lap behind Simon, was very rewarding.

Derby HO Racing Club dharc Home of HO Le Mans Carrera DIGITAL			Round 57 Watkins Glen 04 November 2025			Carrera DIGITAL 132 Watkins Glen INTERNATIONAL		
	2nd	Simon Goodlip		1st	Victor de Oliveira		3rd	Nick Sismey

Martin Thorpe made it four Group A racers in the top four places, 1.4 laps behind Nick, while previous Round winner **Reuben Litherland** led home four Group B racers with back-to-back Group wins. He was but a tenth behind Martin thanks to a lap penalty, which would have seen him ahead of Nick without. **Phil Rees** was next up in sixth, seven tenths back as these two added another 16 points to their Team Group Challenge lead. **Tom Gray** and **Steve Whittaker**, working closely together to help fix **Ted Whittaker's** Corvette, took seventh and eighth with third and fourth in the B on 76.2 and 76.1 laps.

Simon and Dave at Turn 1, great to see Dave back for the first time since 29Jul25

Dan coped well without JT for the first CD Evening helping Phil out at Race Control

Chris Cooper matched Steve on 76.1 laps taking the Group C win beating Round 56 Group C winner **Jenson Woodhouse** by 1.1 laps, as the latter took tenth. **Stuart Gray** continues to perform way above his Ranking Position (15th) with 11th this time after ninth in the previous round, adding another 2.8 laps to Round 56's score. Our second pairing of the race were in 12th with **Dave Edwards** and **Liam Smith** sharing C3 with 71.7 laps. They were followed home by our third pairing, **Richard Booth** and **Terry Mullen** in 14th, half a lap back on 71.2 laps, with matching McLarens. This gave Richard his first Group win of the evening, the D.

The second half of the grid was led by Round 56 Group D winner **Anthony Mitro**, his 16th being a tenth ahead of our third straight Group D finisher **Dan Hughes-Dowd** in 17th. **Scott Bradley** was the last of the 70+ lappers this time, his 70.2 laps meaning we had 18 here as opposed to the 13 in the earlier race. **Andrew Staniec** also continued to put in some great performances, 19th this time, just two places behind his 17th last time out despite covering nearly four laps more.

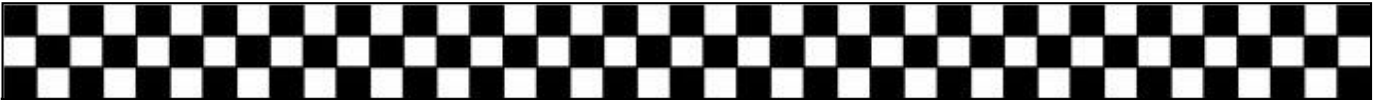

Angus Smith, our 2022 Champion, dropped to third in this year's Championship after 20th in the second Club Night of the evening with car and pitstop problems, his gap to Simon now 39 points. With Angus on 69.3 laps **Jag Kalyan** took the Group E win on 69 laps straight, beating son **Daniel Kalyan** into 21st by four tenths as Team Gruesome Twosome added 12 more Team points to their total.

Second in Group E was **José Borges** three tenths behind Daniel while **Macaully Dutson** broke away from his tenths recording and results reporting to take 24th half a lap back. **Andrew Woodhouse** was third in the E on 65.5 laps taking 25th with **Dave Trantom**, already in his second Club Night, fourth in the same Group, dropping four places to 26th despite adding 2.1 laps to his first ever race score. He was the eighth 60+ lapper compared to seven previously. **Nick Jarram** and **Simon Rankin** were both in the 50's with 59.0 and 54.0 laps in 27th and 28th, both dropping places.

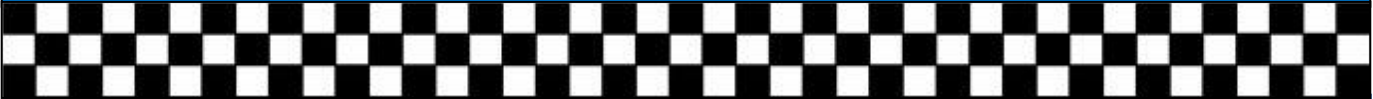

Ted Whittaker unfortunately had further car problems, only starting seven tenths of his 43rd lap, however **Cameron Hawes** had enough of his BMW M6 after 39.2 laps so decided to stand down before the end of the race.

Steve was busy sorting out Ted's Corvette

Race Report

Watkins Glen (SR18)

Round 58

4th November 2025

Simon took his first win since his two wins at the previous Watkins Glen meeting on 16Sep25 (Photo: Scott Bradley)

Simon makes it 3 Sprint Race wins

Simon Goodlip took his third Sprint Race win of 2025 at Watkins Glen after success in Barcelona and Fuji. His 45th (12th) victory came with a new laps record in our 5-minute race, 31.5 laps beating 2025 Champion **Victor de Oliveira's** 31.1 set in the September Sprint Race in upper New York State. Simon also set a new Pole record with his 68th with his 20th front row start of the year. Victor finished in second 1.1 laps back safe in the knowledge that the Championship was now his after Suzuka and Mexico. He also added another couple of records himself, his 63rd career and 36th season's fastest lap.

Reuben Litherland, still grinning from his first win in Round 56, equalled his best ever grid slot of fourth, finishing two tenths behind Victor on the third step of the podium taking three straight Group B wins on the night. We had a Portuguese/French gentlemen in second and fully Portuguese gentleman in fourth for the very first time as **José Borges** took his best ever finish beating his 12th on 18Mar25 at the Catalunya, Barcelona circuit. While **Angus Smith** was kind enough to lend José his potent Audi R8, José still had to drive it and drive it he did without a single crash for the whole 5-minutes! This meant we had three Group winners in the top four as José took Group E, his first Group win since Okayama in June where he took all three Group E wins.

Round 58 (SR18)
Watkins Glen
04 November 2025

2nd Victor de Oliveira	1st Simon Goodlip	3rd Reuben Litherland

Tom Gray had his best finish of the night with fifth, two better than the previous round and 24 places better than his first result of the night, where car problems needed a pit stop. He was only a tenth behind our flying Iberian on 28.8 laps while **Nick Sismey** and **Steve Whittaker** finished on the same piece of track, the second tenth at the start of their 29th lap, making it four racers finishing on 28 laps. Also sharing the same tenth were **Scott Bradley** and **Chris Cooper** on 27.8 laps in joint eighth. As destiny would have it Scott did hold the record for the number of Group points scored at Watkins Glen, but Chris' 5.0 points here meant he set the new record at 23.0 points!

Tom's best run was in the Sprint Race with fifth

Ted Whittaker, with Corvette now sorted, showed what he could do by taking tenth and the Group D win, a tenth behind our last pairing with Angus wishing he had used the Audi he had leant José as he took 11th another tenth back so close was the field at the front. Angus remains second in the Sprint Race Championship although the gap extended from 134 to 144 points while Nick is 20.5 points behind Angus. The second and third places on the podium certainly aren't settled as the absent Steve White is two points behind Nick and tonight's winner Simon another two points behind Steve.

Stuart Gray in 12th here, nine tenths behind Angus, continues to lead the 70+ Group Challenge, however during the course of the evening **Andrew Staniec**, 21st in the Sprint Race, reduced Stuart's lead from 10 to eight points. Stuart's brother-in-law **Richard Booth** followed Stuart home in 13th, six tenths the gap with **Jenson Woodhouse** just completing his 26th lap, as Richard passed the first tenth of his 27th. We then had a three way tie in 15th with **Phil Rees** running his NASCAR to take his 16th win and the inaugural NASCAR Cup. **Nick Jarram** and **Anthony Mitro** shared the 25.7 laps with Phil, all three running in different Groups. Phil also maintained his ten point lead in the Group Challenge, however Reuben now moves into joint second.

We had no less than seven cars finishing on 25+ laps with **Liam Smith** next in line in 18th, 0.3 laps behind our trio with **Terry Mullen** and **Andrew Woodhouse** sharing 19th on 25.3 laps. Terry now lies third in the 70+ Group Challenge 29 points behind Mr Staniec who was next on the road as covered above. **Dave Edwards** and **Macaully Dutton** were only separated by a tenth in 22nd and 23rd, two tenths behind Andrew while **Cameron Hawes** had his best run of the day with a borrowed car (his BMW already sidelined) in 24th, another tenth back.

Jag Kalyan made it a 2-1 victory over son **Daniel Kalyan** this time, with 25th to his 27th, after only one place separating them in the previous Round but Daniel holding a ten place advantage in Round 56. Between them was **Simon Rankin**, who Jag had introduced to DHORC-CD, a lap behind Jag and a tenth ahead of Daniel. **Dan Hughes-Dowd** was our other NASCAR runner, in 28th, safe in the knowledge that he had secured second in the 2025 NASCAR Cup with JT now in the Navy.

Dave Trantom finished his first evening at DHORC-CD with 29th, however **Martin Thorpe** played another blinder pitting after just one lap to ensure he came last which would increase his ranking score to stay firmly in Group B. He also retained second place in the Group Challenge, but now alongside Reuben.

With all of the finishers now accounted for we can also update the Team Group Challenge. Thanks to Reuben taking all three Group wins he and Phil's Team Vorsprung DHORC Technik extended their lead from 76.0 to 93.5 points but over the Old Rollers team of Richard and Nick who moved back into second at the expense of Team M&S with Martin sitting in the pits during the Sprint Race and Steve White in Cornwall. Incredibly, with 12 Club Nights to go there are still a possible 264 points to gain so we are nowhere near deciding this Championship!

Daniel was kept busy at the final Turn

Terry and Chris had a great evening. Don't mention "BMW" to Cameron though! Oh and Chris increased the Evening Group Points record at Watkins Glen to 23.0

Circuit History

Mount Panorama Circuit is a motor racing track located in **Bathurst**, New South Wales, Australia. It is situated on Mount Panorama/Wahluu (*Wahluu* being the Wiradjuri name used in the official dual name^{[1][2]}) and is best known as the home of the Bathurst 1000 motor race held each October, and the Bathurst 12 Hour event held each February. The track is a 6.213 km (3.861 mi) long street circuit, which is used as a public road when no racing events are being run, with many residences which can only be accessed from the circuit.

The track has an unusual design by modern standards, with a 174 m (571 ft) vertical difference between its highest and lowest points, and grades as steep as 1:6.13. From the start-finish line, the track can be viewed in three sections; the short pit straight and then a tight left turn into the long, steep Mountain straight; the tight, narrow section across the top of the mountain itself; and then the long, downhill section of Conrod Straight, with the very fast Chase and the turn back onto the pit straight to complete the lap.
