Key: Ted averaged 15.667 in last race, Daniel 26.000, so Ted B4

James took his first career Group win in Round 62

Ted becomes our 13th winner in '25

Ted Whittaker, from deep in Group B, became our 13th different winner in 2025 and fourth new Member to reach the top step of the podium! His 74.0 laps saw him beat reigning double Champion **Simon Goodlip** by seven tenths of a lap and **Nick Sismey**, finishing on his fourth straight podium, another 0.4 laps back. Ted's previous best had been fourth at Mugello on 14Oct25. The eleven racers in Group A and B filled the top eleven places with **José Borges** taking his second Group win of the weekend, the C, in 12th. He was immediately followed by first time Group (the D) winner **James Bowles** in 13th, four tenths of a lap separating the two.

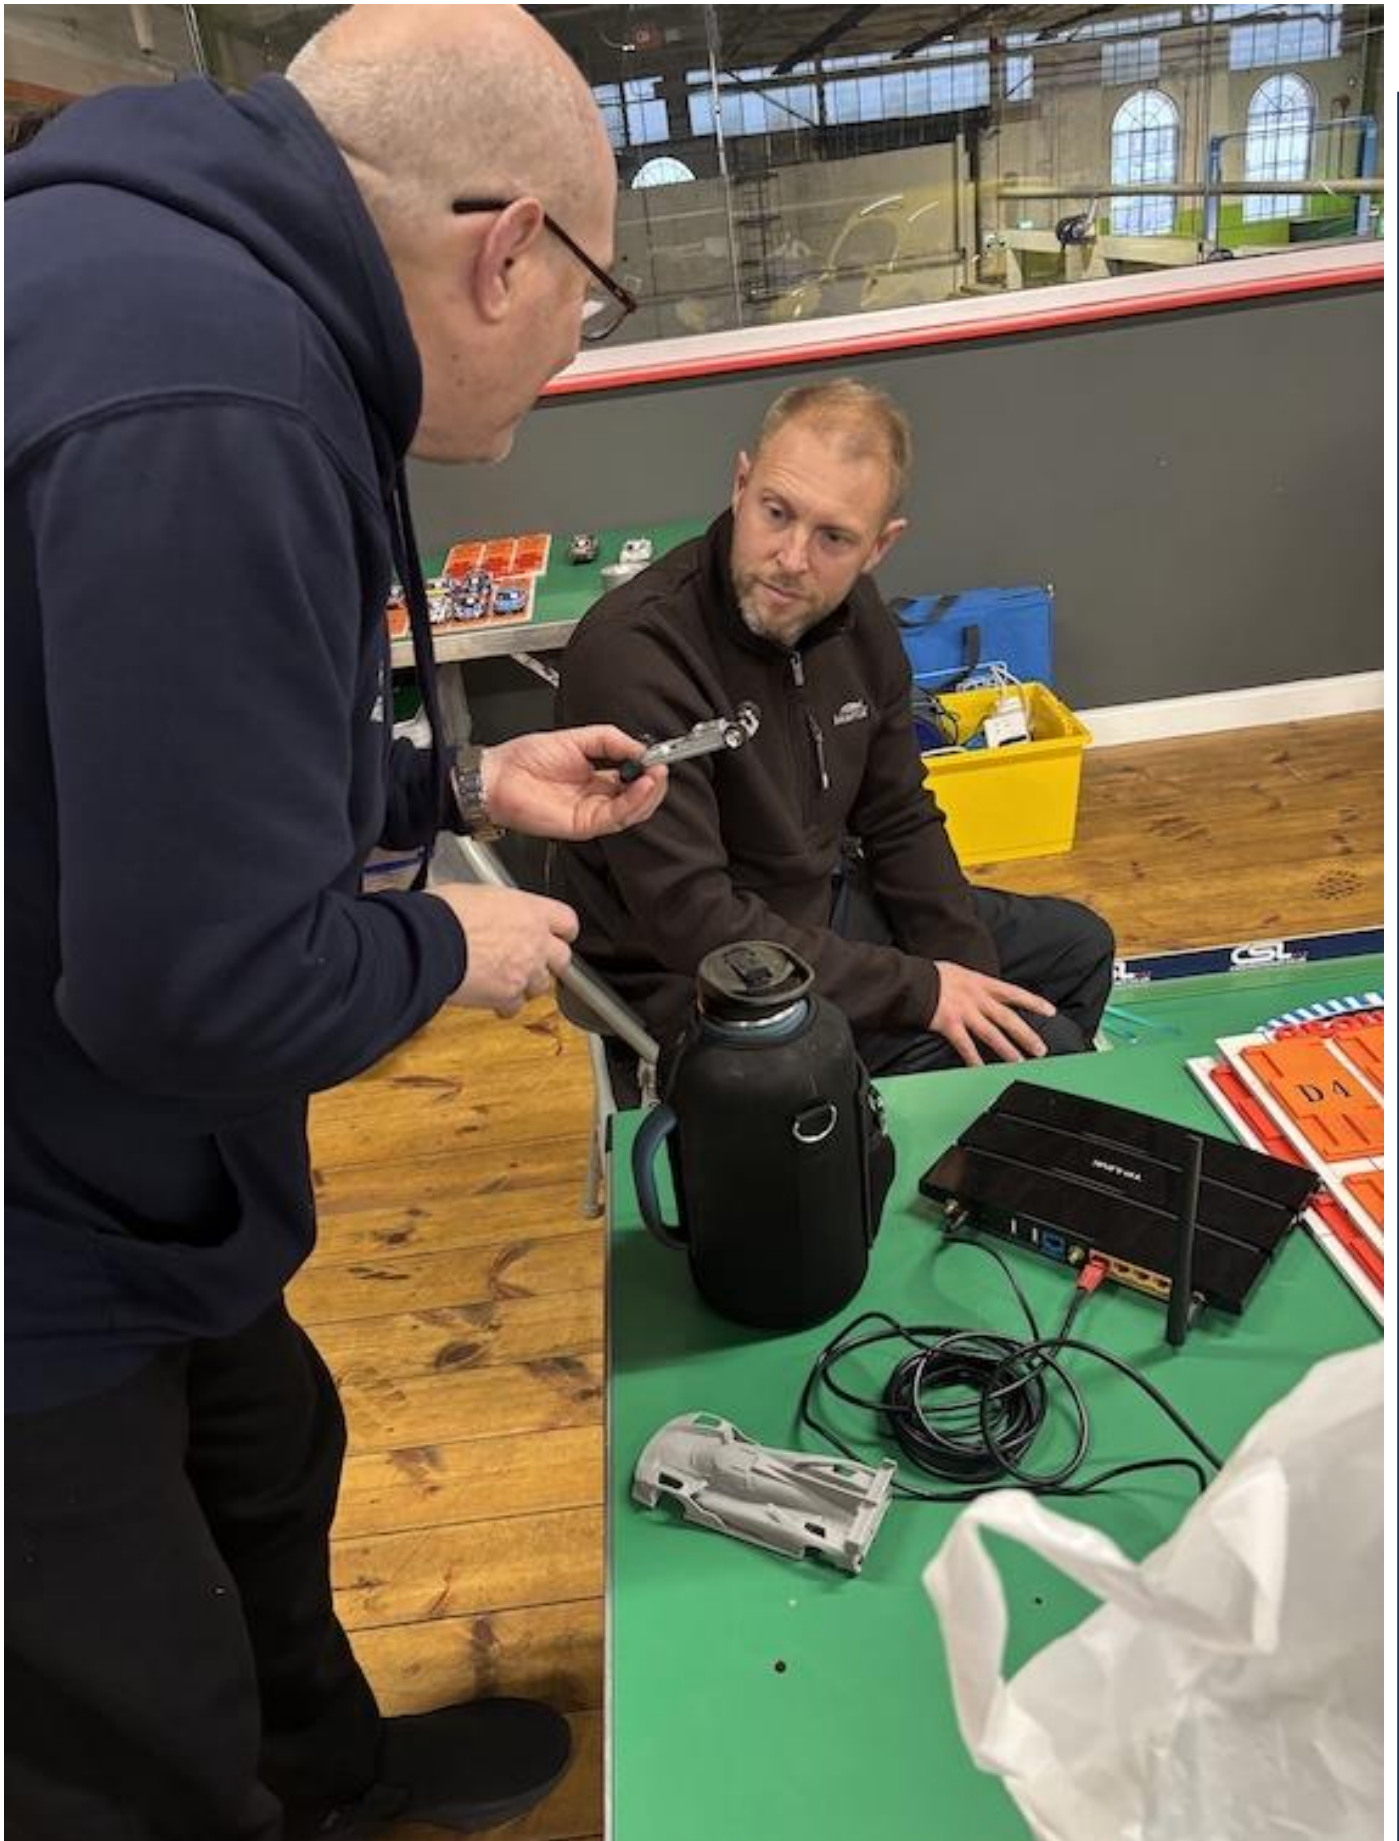

Saturday morning's session again ran two 15-minute Endurance Races from 10am and one 5-minute Sprint Race with 22 racers on the grid. We were joined for the first time by **Gabriel Ng**, **Lee Pateman**, **Simon Rankin**, **Andrew Woodhouse** and **Jenson Woodhouse** taking the number racing at Bathurst over the weekend to 32.

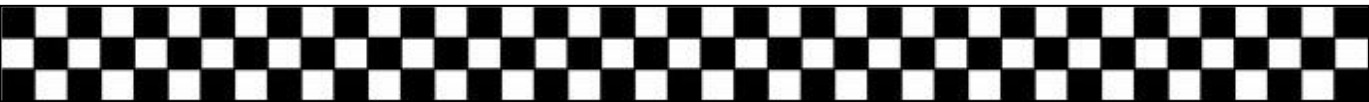

Victor de Oliveira's one lap penalty for winning our 200th Club Night dropped him from third to fifth however he still took his 58th Pole and a record 36th for the year together with a 65th (39th) fastest lap, both records. Group D winner James took 14th on the grid beating his 18th at Catalunya on 29Jul25 as well as the 15th fastest lap, one place better than his 16th also at Catalunya but on 18Mar25.

James Wardle and Gabriel also set personal bests. James finished 17th improving on his 20th at Suzuka on 24Oct25, while Gabriel's ninth fastest lap beat his previous best of 19th on 25Oct25 at the Japanese track by a staggering ten places!

Round 63

29th November 2025

Gabriel Ng also joined us Saturday morning and took his first career Group win in Round 63

Victor takes two in Australia

Victor de Oliveira became our first double winner at Mount Panorama taking Round 63, our fourth 15-minute Endurance Race around the iconic New South Wales track. Free of any penalties he recorded 75.3 laps to beat back-to-back second place finisher **Simon Goodlip** by 0.3 laps while **Nick Sismey** was starting to make a habit of finishing on the podium down under with his fifth straight finish in the top three, another 1.1 laps in arrears. With his third straight Pole Victor continues to extend his record in a season with his 37th and 59th of his career, with his 52nd (29th) win, both being records. The same goes for fastest laps with his 66th (40th).

Unusually the top six places were all taken by Group A racers, so the next Group winner was in seventh with **Ted Whittaker** taking five straight Bathurst Group wins, three 'C' and two 'B' with his 'D' win at Watkins Glen giving him six in a row!

Two places behind Ted was **James Bowles** celebrating his second career Group win with his second D victory while just sixth tenths behind him there were even bigger celebrations with **Gabriel Ng** taking his very first Group win, the C. This was as a result of taking 10th overall which was eight places better than his 18th at Suzuka on 25Oct25. Gabriel was having a fabulous time with his new Audi R8 also taking ninth in Qualifying beating his previous best of 17th at the same Suzuka event.

José Borges was our other racer to set a PB in Round 63 with the fifth fastest lap, improving on his sixth at Sakir on 08Jul25.

José set PBs in Qualifying and fastest lap and equalled his best finish of 4th, at Bathurst.

Race Report

Bathurst (SR20)

Round 64

29th November 2025

Angus getting ready for another victory as Cameron, José and Gabriel look on.

Angus powers to Sprint Race win

Angus Smith took his second Bathurst win of the weekend and second Sprint Race win of the year with victory in Round 64 (SR20). His 46th (7th) win takes him into sole second in the all-time charts, one ahead of **Simon Goodlip** who finished fifth but took his 57th (18th) fastest lap. For the sixth straight Bathurst race **Nick Sismey** was again on the podium, this time in second 0.8 laps back, while our youngest racer 11-year-old **Jenson Woodhouse** took his best ever finish, third, his first visit to the podium another eight tenths back. His previous best had been fourth over a year ago at Le Mans on 08Jun24. He would take home the Group B win, his ninth of the year.

José Borges also set another PB with seventh on the grid beating his eighth from Sakhir on 08Jul25, before equalling his best ever finish with fourth and taking the Group C win, his tenth of the year. **James Bowles** made it three straight Group D wins setting the 13th fastest lap in the process beating his 15th two races earlier!

Victor de Oliveira continued to dominate Qualifying with his fourth straight Pole hitting 60 for his career and a record 38 in a year.

Another noticeable performance at the flag was **Andrew Staniec** taking sixth which in any other circumstances would also be celebrating a Group C win had José not pulled out all the stops. This was two places better than Andrew's previous best of eighth way back on 16Jan24 at the modern day Interlagos circuit. The same went for **Gabriel Ng** who improved two place from the previous Round with eighth here and also set the eighth fastest lap beating his ninth from two Rounds earlier. **Ted Whittaker** may have failed to take a Group P for the first time at Bathurst but he did set the fourth fastest lap beating his fifth at DHORC-CD 200 the previous night!

Again it was between **Phil Rees** and **Steve Whittaker** dualling it out for NASCAR Cup honours. Phil recorded exactly the same lap score as in the previous Sprint Race, 23.4, however Steve failed to match him this time by 0.6 laps. Phil was only 0.06 seconds slower than his previous run as he took away yet another maximum points haul.

Lee Pateman arrived Saturday morning and once he got everything together posted two podium finishes!

Nick's second weekend win of '25

Nick Sismey matched his Le Mans win in June by taking his second weekend win of the year at Bathurst equalling the second best laps of the weekend set by **Victor de Oliveira** in Round 60, 75.7. Nick's 4th (2nd win) was 3.1 laps ahead of **Lee Pateman** who had finally got it all together to take the Group B win equalling his best ever finish. **Ted Whittaker** proved his earlier win was no fluke with third just three tenths back. With 22 racers on the grid for the first race of the afternoon we welcomed new Member, adding Carrera Digital to his HO racing portfolio, **Colin Blake**.

James Bowles Group D winning streak continued with his fourth straight win. No Group wins in his previous 26 Club Nights, now four out of four! He also recorded his best finish to date with seventh, two better than his ninth in the last race of Friday night.

Gabriel Ng was following suit. He hadn't won a Group prior to our Australian fly away race and now he was on his second in three races, again the 'C' finishing in a three way tie for eighth with **Richard Booth** and **Jenson Woodhouse** who were both fourth in the 'B'.

Despite only finishing in 14th equal alongside **Cameron Hawes**, Victor still took his fifth straight Pole taking him to a career tally of 61 and a record season total of 39. Added to

this he extended his fastest lap records to 67 and 41.

Victor's Australian hattrick seals 2025 Carrera Digital Championship!

Victor de Oliveira sealed the DHORC Carrera Digital Championship for the first time with his third win of the weekend, after already taking the Sprint Race Championship at Watkins Glen, what an incredible year for Victor! As with Round 63 he took all three categories. His sixth straight Pole took him to a record 40th for the year and a career total of 62, while both his 53rd (30th) win were records as were his 68th (42nd) fastest lap.

Round 66 Bathurst - 29 November 2025

2nd Ted Whittaker (USA)

1st Victor de Oliveira (BRA)

3rd Lee Pateman (GBR)

Ted Whittaker made all three steps of the podium at Bathurst with second here 2.3 laps back, notching up six Group wins from eight starts in Australia, with **Lee Pateman** taking third four tenths further down the road after his second in the previous round. Lee is back!

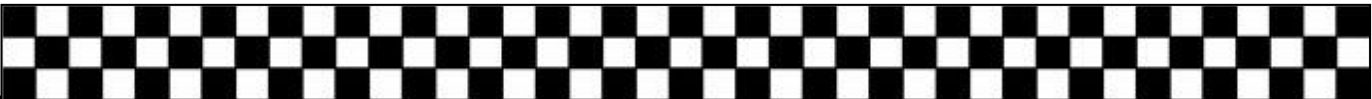

Colin Blake stunned the crowd with his first Group win in only his second Club Night, the 'D', in fifth. While he was running the absent Reuben Litherland's race winning Audi R8 and TruSpeed controller, which he has bought off Reuben, he still had to drive it and drive it he did! **Gabriel Ng** also continued to impress with his third Group 'C' win of the day, in 14th. Despite being beaten to the Group 'D' win by Colin **James Bowles** set the 9th fastest lap beating his PB of 13th in Round

64 earlier during the day.

With just one Club Night left at Bathurst, all of the remaining Championships would be decided.

Race Report

Bathurst (SR21)

Round 67

29th November 2025

Andrew took two Group wins at Bathurst a C and a D, Steve took the B in the first race as well as winning his first NASCAR Cup race.

Victor closes Bathurst with 4th win as all Championships decided

Victor de Oliveira closed out the Bathurst weekend with his four win of the event, and first Australian Sprint Race win where he equalled the absent Steve White's 29.8 race laps record. His record 54th (31st) win followed his 63rd Pole with a record 41st in 2025. He also increased both fastest lap records with his 69th (43rd) as he beat **Simon Goodlip** by 2.3 laps and **Nick Sismey** by 2.9, who returned back to the podium for the eighth time at Bathurst after missing out just the once at the previous round.

Ted Whittaker shared fourth place with **Angus Smith** just a tenth behind Nick, taking his seventh Group win of the weekend, the 'B'. Group 'D' and 'C' were only a couple more places back with **Colin Blake** taking back-to-back 'D' wins and **Andrew Staniec** the 'C', his second of the weekend. The 3.0 points Andrew scored here ensured he was our 70+ Group Challenge winner in 2025, his first Championship win.

James Bowles was our final position improver down under, setting the 11th grid slot in Qualifying, beating his 14th five races earlier.

Phil Rees, 12th in the last race of the weekend, took home three more Championships to go with the NASCAR Cup he won at Watkins Glen.

He also won the Group Challenge, the Team Group Challenge with the absent Reuben Litherland and the Weekend Group Challenge. Added to this **Richard Booth** and Nick secured the Weekend Team Group Challenge. Congratulations to all.

Circuit History

When it first opened in 1972, the **Autódromo Internacional de Luanda** was hailed as the most sophisticated circuit of its type in the world and a template for all modern circuits to follow. The track in the Angolan capital boasted an Indianapolis-style oval course, multi-configuration road course and all the mod-cons of the day, including an electronic marshalling system.

Designed to showcase national pride and match its colonial master Portugal, the circuit was also the first in the world to employ gravel traps.

Sadly, the civil war stymied activity as far as motorsport was concerned, until a revival in the 2000's under private ownership breathed life back into the venue. However, by the end of the 2020s it had fallen into decline again, with government investment said to be needed to breathe further life into it. The coronavirus pandemic added another layer of uncertainty, with the track surface falling into considerable disrepair. However, in July 2021, racing resumed following intervention from the Angolan Federation of Motor Sports.
