Editorial 057 Part 1

Our fourth Carrera Digital year concluded with some great racing on the Luanda Roval and Oval. Thank you so much to the 29 racers who helped close out the 2025 season in style and thank you to the 47 racers who ran in our 69 Club Nights throughout the year. We added 16 new Carrera Digital Members during the year which is quite extraordinary.

Having run HO for 30 years it was a real gamble to take on and invest in Carrera Digital in 2022, a gamble we are so pleased we took. Two years later we gambled again to move from our home for 32 years, Rolls-Royce, to Great Northern Classics and again it paid off. DHORC has grown and grown over the last 12-months across both CD and HO, including surpassing 65,000 followers on Facebook. It is a privilege to be part of such an amazing club, thanks to all for your continued support.

Congratulations to **Reuben Litherland** and **Steve White** for a joint Roval win and thank you to **Victor de Oliveira** for running out of fuel on the last lap of the Oval gifting me the win! Congratulations also to our Group winners, **Lewis Blacker, Dan Hughes-Dowd, Stuart Gray, Daniel Kalyan, Jag Kalyan, Lee Pateman, Phil Rees** and **Martin Thorpe**.

There are 42 days between our last race in 2025 and our first test on 13Jan26. Have a fantastic festive season and see you in 2026.

2. Race Group organisation for 2026

Before we move onto the facts for 2025 I think we should just agree on how we should take the club forward into 2026. With apologies, I honestly thought we would lose more racers going into 2026, however I'm delighted to say we didn't, and we therefore have more racers than we could possibly expect with an estimated 38 Tuesday racers plus three weekend racers.

There are three ways we can therefore run Club Nights in 2026, based on the time taken shown in the chart below. We can discuss further at the first Test Night on 13Jan26. Please don't discuss on the WhatsApp Group otherwise it will get out of hand. Thanks.

1. Run 36 racers in 6-Groups with everyone running 2 x 15 minute Endurance Races. This would mean we forfeit 1 x 5 Sprint Race however it would be rare for anyone to have to Stand Down. If there were only 30 of us on a night then we would reinstate the 5-minute Sprint Race.
2. Run 30 racers in 5-Groups with everyone running 2 x 15 minute Endurance Races and 1 x 5 minute Sprint Races but if there is ONE space then two of the Stand Down racers will get 1 x 15 minute Endurance Race and 1 x 5 minute Sprint Race. This will again help the Stand Down racers.
3. Run it as we have this year, with 8 rather than 6 Standing Down, and as a space opens up the first Stand Down racer gets all three races as normal and see how it goes.

19 - 24	3	0	3	0
25 - 30	2	1	2	55
31 - 36	2	0	3	0

We have also closed Carrera Digital Membership for now and won't add any new Members until the Tuesday numbers, and I hope they don't, drop to 35 racers.

3. How did we do in 2025?

Thank you all for your amazing support in 2025, a year that broke all of the Carrera Digital records. We had 69 Club Nights, beating the previous record of 63 in 2024. Average attendance was up from 24 to a record 26 which is quite exceptional for any slot car club! Turn up percentage was down to its lowest at 64.94% but that was because we had some of our record 47 members (of which 16 were new) who didn't last the whole journey so if they weren't attending that impacts on the percentage. Laps and miles covered were also records, over double what we saw in our first year, 2022.

We ran on 14 different circuits with eight new ones, Bathurst being our third track with topography. Our other two 3D tracks, Road America and Road Atlanta are back in 2026.

Andrew Staniec came in strong at the end of the year to snatch the 70+ Group Challenge while **Tom Gray** won Round 13, the Jono Johnson Memorial Trophy. Finally **Richard Booth** and **Nick Sismey** made it to the top step in the Weekend Team Group Challenge.

Good to have Dave and Laura Edwards back racing (and marshalling) with us at Luanda

Martin Thorpe took the Group C win finishing just outside the podium in 4th

Lewis Blacker helped out with Race Control when Phil was racing taking the Group E win and 12th overall.

Reuben & Steve take home the spoils

Reuben Litherland and **Steve White** became our sixth pairing to take a joint Carrera Digital victory on Tuesday night on our longest circuit of the year, our 196' Luanda Roval, both on 55.2 laps. And we so nearly had our first three way tie with **Phil Rees** but a tenth behind on 55.1. Had Steve not been carrying a one lap penalty for a previous win he would have taken the soul win however rules are rules and it was nice to see Reuben take victory in his penultimate 1/32nd Club Night as he concentrates on HO in 2026.

We almost had a maximum grid of 30 racers however, unfortunately, Luke Hobson got caught in traffic travelling up from his new job at the Williams F1 team so was unable to attend. That still left 29 to fight it out on the Roval and Oval. With the track having been built Saturday evening, after the Bathurst weekend, we were a little worried that the cold nights may have affected it and so when the first Group race began and cars were going slow and stopping our fears were realised! After about ten minutes of faffing we then decided to run another Group to see if it really was the track. Thankfully they ran perfectly and for the rest of the night we didn't miss a beat. Whether it was some of the cars causing problems in the first Group we are not sure, but when they raced later there were no problems; odd!

It was Reuben's second career victory, both this year, with Steve reaching 19 and nine for the year. Interestingly, while **Victor de Oliveira** smashed Dean Garbett's fastest lap record by over a second, down from 13.118 secs to 12.021 the race laps recorded by Reuben and Steve were 4.5 laps off Dean's record from last year, leaving them eighth in the all-time lap scores! This was Victor's fourth straight fastest lap, hitting a total of 70 with 41 for the year, both records! With Reuben and Phil winning their respective Groups from sixth on the grid they both took home the maximum 11 Group points, beating Dean's record of ten from 2024. While they had already won the Team Group Challenge and Phil the Group Challenge after Bathurst, had there still been any challengers this would have put them to bed!

Simon Goodlip did a great job at Parc Ferme in Angus' absence, here booking in Steve and Ted Whittaker's cars

Dave Trantom, Cameron Hawes and Andrew Staniec waiting for racing to start.

The top four places were filled with Group winners as **Martin Thorpe** was nine tenths behind Phil as he took the C, his 25th and final Group win of the year. **Tom Gray** returned after missing the Bathurst weekend to take fifth on 53.9 laps, three tenths behind Martin with Tom leading a pack of five racers covered by two tenths and eight covered by 0.6 laps. A tenth behind Tom were **Simon Goodlip**, **Nick Sismey** and **Jenson Woodhouse** all on 53.8 laps, all in sixth. Simon had taken a record 69th Pole with his 21st of the year. **Lee Pateman** followed these three a tenth further back in ninth.

Tenth place belonged to **Liam Smith** who had kindly helped to build Luanda on Saturday night with Nick, Phil and **Steve Whittaker**, with Liam two tenths behind Lee and then Steve a tenth behind Liam in 11th. **Lewis Blacker** was the Group E winner, in 12th, another tenth back. As mentioned above eight finishers within 0.6 laps! Victor would have made it nine racers within seven tenths had he not been carrying a one lap penalty from Bathurst, finishing 1.1 laps back in 13th.

Two tenths of a lap covered the next three with first time winner, at Bathurst, **Ted Whittaker** in 14th on 51.6 laps, running in Group A for the first time, leading home **Jag Kalyan** and **Colin Blake**, in only his fourth Club Night, on 51.5 and 51.4 laps respectively. **Stuart Gray** returned after missing our flyaway race in Australia to take 17th on 50.8 while **Dan Hughes-Dowd** was our final Group winner taking the D in 18th which he shared with **Andrew Woodhouse** on 50.4 laps. With Dan starting at the back of the D grid he also took 11 points for the win, joining Phil and Reuben atop the most Group points chart at the Luanda Roval. **Gabriel Ng**, one of our weekend racers, was able to make Luanda after his great showing the previous weekend in the southern hemisphere. He was the fourth racer to finish on 50 laps just cracking the first tenth of the 51st lap.

Our 21st finisher was the new 70+ Group Challenge Champion **Andrew Staniec** who beat the Weekend Team Group Champion **Richard Booth** by 0.2 laps with **José Borges** startling the field in 23rd by setting the second fastest lap of the race, just 0.050 seconds slower than Victor, beating his previous best of fifth at Bathurst. **Terry Mullen** set the 11th quickest time finishing in 24th while it was great to have **Dave Edwards** and **Laura Edwards** back for the first time since Watkins Glen on 04Nov25 and for Laura Catalunya on 29Jul25, with Dave pipping his lady wife by 0.4 laps to take 25th.

Dave Trantom and **Cameron Hawes** were both starting their third evening of Carrera Digital racing, this one going the way of Dave by 0.2 laps in 27th while **Daniel Kalyan** and his superb KFC liveried Audi R8 was, unusually, at the foot of the table on 29th.

Gabriel Ng was able to attend despite normally just running at the weekends
