Editorial 058 Part 1

A record 34 racers at CD Evening 58th. What an amazing Carrera Digital Evening with a capacity 30 racers running in the 2 x 15-minute Endurance Races and then four Stand Down racers adding to those 30 in the 5-minute Sprint Race. Thanks to those four for supporting the Evening, whose 5-minute race ran before 20:00 hours so they didn't have to stay all night! At the Sonoma Test Night the week before we voted on retaining the 30 racers on a Tuesday night rather than going to 36.

It was panic stations at lunchtime Monday as I received an e-mail from Great Northern Classics (GNC) to say the Conference Room had been booked. Luckily **Steve Whittaker** was at home, so he and I rushed over and moved all of the equipment up onto the mezzanine, and made sure there was space for the track. **Cameron Hawes** kindly moved his BMW, so we had the room!

Congratulations to **Simon Goodlip, Tom Gray** and **Victor de Oliveira** for taking the wins on Tuesday and to our Group winners **Lewis Blacker, Victor, Dave Edwards (2), Simon (2), Tom, Nick Jarram, Liam Smith (3), Steve White, Steve Whittaker (2)** and **Andrew Woodhouse (2)**.

Thank you so much to Club Secretary **Laura Edwards** for presenting the trophies at Prize Giving on Tuesday.

Talking of the Committee, thank you to **Dan Hughes-Dowd** for stepping into **Dan Turnbull's** shoes as the latter, unfortunately, has decided not to run in the HO side of DHORC this year.

See you all at Monza next weekend.

4. Thanks to Mark Stephenson

A big thanks to **Mark Stephenson** for printing off our track and table plans on A3 card. I used to work with Mark at Rolls-Royce (Aerospace) when he worked on site at Canon Printers. We have both since retired but Mark continues to support DHORC. As with all Clubs it is the hard work by so many that keeps them going, hence why we have just started our 35th year.

6. Troublesome Control Unit

Andy Mason popped in to see us during the Sonoma evening and brought with him a Control Unit that came with an F1 set he recently purchased, as he couldn't get it to work. **Phil Rees** confirmed that it wasn't working therefore we suggested Andy visit Malcs Models to pick up a new one.

Andy did just that and was blown away by the Ilkeston hobby shop, particularly as it also stocked model railway parts he couldn't find elsewhere. He took the new Control Unit home, and all worked well. Phil is taking a look at the old unit.

7. New Member Andy Mason testing

On the Saturday after the Sonoma evening **Andy Mason** visited **Phil Rees'** man cave to get some Carrera Digital practice before he races at Monza. He is now our first reserve for Tuesday night's followed by **Matt Blood** and **Mike Gretton** who have yet to test at Phil's. Thanks to **Terry Mullen** and **Steve Whittaker** for also helping.

8. We remain at 30

Following a very quick review, during the break in testing at Sonoma, it was agreed that, despite us having an extra Tuesday racer this year, totalling 37 we will still run 2 x 15-minute Endurance Races with fuel stops and 1 x 5-minute races per night for 30 racers. That means there could be up to 7 racers on Stand Down. Last year we only had 3 all year, although we did have 4 at Sonoma!

Overview

Our fifth season of Carrera Digital racing started with a Test Night on the all new 136'3" Sonoma Raceway circuit which replicates the Californian track. Despite having no real long straights it was a real driver's circuit with long sweeping bends intersected by several tight turns that caught many out at times.

We had 29 racers on the night split into five Groups which were, as usual, built up as folk walked into the Conference Room. Everyone had four 5-minute Test runs with the majority having a further 5-minute Qualifying run. For those who couldn't stay for this, we took their Qualifying time from their fourth Test run.

Reigning Champion **Victor de Oliveira** lit up all three categories with the most laps, the fastest Test run and Pole position. He was followed home by two time Champion **Simon Goodlip** and **Steve White**.

Group A – Dan Hughes-Dowd, José Borges, Simon Rankin, Terry Mullen, Andrew Staniec & Dave Trantom

Group B – James Bowles, Cameron Hawes, Richard Booth, Simon Goodlip, JJ Hughes-Dowd & Nick Sismey
