# Editorial 059 Part 1

**Steve Whittaker becomes our 17<sup>th</sup> winner** in Carrera Digital with his victory in the last race at Monza, DHORC-CD 220. Congratulations to Steve for a great drive and making it six different winners from 11 starts in 2026.

Welcome also to our newest Member **Andy Mason** who becomes our 42<sup>nd</sup> Carrera Digital Member and 58<sup>th</sup> across both HO and CD this year. Andy saw us on Facebook, visited us at the Sonoma Raceway evening, became hooked and then ran at **Phil Rees'** Test Track before his first race at Monza, taking 20th in his inaugural run.

With 34 racers taking to Monza over the weekend we had a fantastic time. It was certainly worth the four days of work, including moving the stuff up onto the mezzanine on Wednesday, building the track on Thursday and then running two days of racing Friday night and Saturday, before packing away. Apologies for the later finish on Saturday than we envisaged. We have agreed now if we have 5 Groups on Saturday we really have to reduce the number of races.

Congratulations to our overall winners at Monza, **Simon Goodlip (3), Victor de Oliveira (2), Martin Thorpe, Steve White (3) and Steve Whittaker**, together with our Group winners, **Colin Blake, Richard Booth (2), Simon Goodlip (4), Tom Gray (3), Daniel Kalyan (4), Jag Kalyan (3), Terry Mullen (2), Victor de Oliveira (3), Lee Pateman, Simon Rankin, Phil Rees (6), Lee Smith, Andrew Staniec, Martin Thorpe (2), Steve White (3), Bill Whitehouse (4) and Steve Whittaker (2).**

Congrats also for Team M&S 2 racers Simon and Martin for winning our first two 2026 NASCAR Cup races.

This magazine is in two parts due to the amount of material with Part 1 covering the News & Views plus the Friday night races.

**2. Steve Whittaker takes first win!**

What a way to finish off the Monza weekend by taking your first win in the last race of the event. A neighbour of mine, **Steve Whittaker**, joined the HO side of DHORC alongside youngest Luca on 26Nov24 after a brief chat on Chaddesden Park when he was setting up for football training. Then on 07Feb25 his first Carrera Digital meeting was at Monza, with his older son Ted joining him on 17Jun25. After Ted beating him to the first win, at Bathurst, Steve was keen to make amends. He did that at DHORC-CD 220, his 63<sup>rd</sup> Club Night, sharing it with **Simon Goodlip**. Congratulations Steve.

## 7. NRG Entertainment also runs Monza banking

NRG Entertainment, <https://www.nrgentertainment.co.uk/>, based at Great Northern Classics, ran their sims running round the Monza banking during our Saturday Monza races.

## 8. Pit Stop Adaptors and CUs

Following a couple of problems with the Pit Stop Adaptor Unit tracks at Monza with them not allowing cars to refuel, where **Stuart Gray** kindly lent us one of his on Saturday, we bought a new one from Malcs Models in Ilkeston on Monday and ordered two more.

New Member **Andy Mason** had a problem with a Control Unit that came with a set he bought. We therefore steered him towards Malcs where he bought a new one. **Phil Rees** checked Andy's original one and found a wire and come detached, which he fixed. Therefore we bought that one off him and we have ordered two more from Malcs.

We also have a new App dongle should we have a problem with the existing one.

Considering we have run 220 Club Nights since 18Jan22 and completed 8,000 miles of racing the reliability has been incredible. **Nick Sismey**

# Steve becomes 4<sup>th</sup> different winner in 2026

**Steve White** kicked off our third 196'2" Monza GT weekend with his first win of 2026 racing his Porsche 911, making it four different Carrera Digital winners this year. With two 15-minute Endurance Races and a 5-minute Sprint Race on Friday evening and four Endurance Races with one Sprint Race on Saturday we ran eight GT events over the two days. For Friday night the 25% extra fuel usage was set at 14.200 seconds based on the last three sixth fastest laps from 2025.

Friday evening saw 27 racers on the grid in five Groups, with Groups A & B running six cars, the other three just five. We had five racers starting their 2026 season at Monza, **Scott Bradley**, **Macaully Dutson** and **Martin Thorpe**, together with weekend racers **Kev Spink** and **Bill Whitehouse**.

Steve took the win and Group A by 1.1 laps from **Simon Goodlip's** Audi R8, who was carrying a one lap penalty from his Sonoma victory, which, finishing on the podium, he will carry onto the next race, Steve also gaining a one lap penalty. This was Steve's 20<sup>th</sup> career win and third at Monza, while Simon took his third Pole of the year and record 73<sup>rd</sup> career front row grid slot. In addition Simon has taken all four fastest laps this year notching up his 61<sup>st</sup> and with it broke his own track record of 12.339 seconds set on 07Feb25 leaving it at 11.606 secs. **Steve Whittaker** closed out the first podium of the weekend just four tenths behind with his Porsche 911, making it an all-German podium as he took the Group B win.

**Jag Kalyan** was, as usual, only running on Friday night, he and his Audi R8 secured Group E with eighth overall, with **Phil Rees'** Mustang

and **Richard Booth's** McLaren finishing in 12<sup>th</sup> and 14<sup>th</sup> respectively taking Group C and Group D. The top 18 racers all finished with between 50 and 60 laps! **James Wardle** and his Ferrari became our fourth different Wooden Spoon winner of the year, which, like HO, we will be presenting a trophy for at the end of the year for the first time in Carrera Digital.

Martin teamed up with car owner Simon in Team M&S 2, both taking wins

## Martin wins 1<sup>st</sup> race of new series

**Martin Thorpe** became the first winner of our new NASCAR Cup series in 2026. Last year NASCARs ran in the 5-minute Sprint Races mixed in with the GT cars. This really didn't take off with a maximum of six racers at one of the 21 rounds that only saw seven starters in all. Therefore we decided to have a rethink for 2026. That rethink has us running two 5-minute independent NASCAR Sprint Races at each of the four weekend event plus a 15-minute team race on the Luanda Oval at the end of the year.

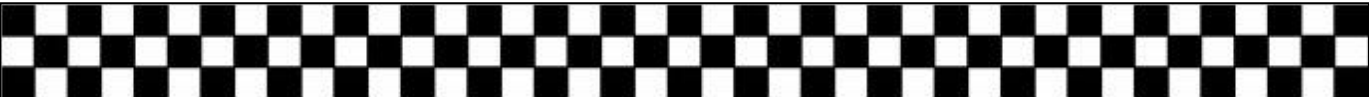

To increase the numbers on the grid we asked six NASCAR Cup car owners to share their cars with their teammates to make a 12 car grid. **Simon Goodlip** and **Phil Rees** were already teammates so for the NASCAR series Simon was joined by winner of the first Round Martin while **Victor de Oliveira** joined Phil. It was great to see six NASCAR Cup cars thundering around the banking!

We had three different teams on the podium with Phil taking second, six tenths back while **Steve Whittaker's** evening continued as it started with his second third place finish of the evening. Martin also broke Simon's laps record of 18.6 set on 08Feb25 with 20.4 here.

# Simon & Steve take Sprint 2

**Simon Goodlip** and **Steve White** were already monopolising the Monza weekend after both taking an Endurance Race win and then sharing victory in the first 5-minute Sprint Race of the event. Their 22.9 laps beat **Victor de Oliveira's** original Sprint Race record of 21.3 laps set on 07Feb25. Victor would again take the Wooden Spoon to become the first to take two in 2026 on a night he will want to put to the back of his mind!

At the other end of the grid this was Simon's ninth win at Monza, third of 2026 and 48<sup>th</sup> of his career while Steve's fourth Monza victory and second of the year takes him to 21 overall. While Simon also took his fifth Pole of the year and third straight, adding up to a record total of 75, Steve set his first fastest lap of the year reaching double figures for the first time in his career.

**Tom Gray** took back-to-back podium finishes dropping one place to third, 1.1 laps behind our joint winners. **Terry Mullen** and **Liam Smith** with their BMW and McLaren took their first Group wins of the weekend, the C, Terry taking his best finish of the event so far with eighth, Liam having taken seventh in Round 5. **Jag Kalyan** made it a hat-trick of Group E wins at

Monza just a tenth behind these two while second time Group D winner at Monza '26 was **Richard Booth** who continues to strengthen his 70+ Group Challenge, another tenth back in 11<sup>th</sup>.
