News: Le Mans 6-hour Teams & Cars coming together - Teams revealed

About:

History and Key Facts

HO Club founded on 7 July 1992

- DHORC: Derby HO Racing Club ("HO" Is The Scale = 1/64th)
- Tenant at Great Northern Classics, open to all!
- Home of world famous international Le Mans 24 Hour race until 2019.
- Smaller scale version of Scalextric, once set up works all night!
- Four and Eight lane circuits
- Computerised timing
- Statistics for every meeting and every member since July 1992
- Over 30 Club Nights each year
- 50+ circuit designs, up to 567 feet in length
- Eight-lane routed dhorcingham oval
- Two car categories – Tyco open wheel (F1)
 - Tomy SGP, BSRT, VSR, Bulldog enclosed wheel (GC)

Carrera Digital Club 1st race 18 January 2022

- 1/32nd Carrera Digital GT Cars
- 16 Evenings a year, with 15-minute Endurance & 5-minute Sprint Races
- 10+ circuits
- Full computerised timing and stats through SmartRace App

The Club Nights and Magazine Coverage

HO

- Racing starts at 18:45 hours – Finished by 22:00 hours
- Minimum of four 3-minute qualifying races & up to two Finals (F1 & GC) for each member
- Championship points for all members
- Magazine produced for every meeting covering every member & track statistic

Carrera Digital

- Racing starts at 18:00 – Finished by 22:00 hours
- Magazine produced after each evening
- Championship points for all members
- Rules & regulations booklet covering all the DHORC rules produced each year
- Great family atmosphere, a help-all culture

Membership Fees, Car Costs and Prizes

- Adult £40 and junior (under 16) £20 for HO & Carrera, £50/£25 combined
- Only £50 Total expenditure for two cars HO Cars, £65 one Carrera
- All cars and spares can be bought at club
- Adult, Masters (over 56), Junior (16 & under) HO Championships
- Adult & 70+ Carrera Championships

Carrera DIGITAL
Carrera Digital 1/32nd

Our 60th Carrera Digital Evening saw a full grid of 30 racers for all three Club Nights, which means we have averaged 24 racers for all 223 Club Nights since our first on 18Jan22. Thanks to all for your support.

Congratulations to **Victor de Oliveira** and **Steve White** for taking two wins a piece at Mugello, both sharing the Round 13 win. Congrats also to all of our Group winners with those in red taking their first wins of the year, **Lewis Blacker**, **Colin Blake (2)**, **José Borges**, **James Bowles**, **Macaully Dutton (3)**, **Dan Hughes-Dowd (2)**, **JJ Hughes-Dowd**, **Jag Kalyan**, **Angus Smith (2)**, **Victor (2)** and **Steve (2)**.

The teams for our very first Carrera Digital LMDh Le Mans 6-hour race on 07Jun26 are coming together as are the cars as shown on Page 5 thanks to **Phil Rees**.

It looks like it will be a great race with some very even teams of four drivers.

See you all at the Test at Ruapuna on 24Feb26.

Nick Sismey

Group C – James, Daniel Kalyan, Dan Hughes-Dowd, Terry Mullen, JJ Hughes-Dowd & Phil Rees

Group B – Chris Cooper, Liam, Ted Whittaker, Lewis Blacker, Angus Smith & Nick Sismey

Victor takes 4th win of the year!

Our reigning Endurance Race and Sprint Race Champion **Victor de Oliveira** and his Aston Martin took their fourth win of 2026 with his fifth win at Mugello, beating the Porsche 911 of **Steve White** by a mere tenth of a lap after 15-minutes of racing, 81.6 laps to 81.5. Championship leader **Simon Goodlip** took third, another 3.8 laps back with his Audi R8, which would have been 2.8 laps without his 1-lap penalty from Monza. This was Victor's record 58th win and with it he took back-to-back fastest laps, his fifth of the year leaving him on a record 76th. Steve meanwhile took back-to-back Poles taking him to nine in his career.

With eight racers unavailable our first reserve **Andy Mason** and his Ferrari was able to join the fray ensuring a maximum grid of 30 racers for the three Club Nights with no-one standing down. Scott Bradley has decided to become our fifth Weekend racer due to work and personal commitments, which means we now have 36 racers available on a Tuesday plus three reserves. Fuel wise we were using 9% per lap with the extra 25% usage coming in at 10.000 seconds.

Derby HO Racing Club
www.derbyho.co.uk

Round 12
Mugello -
10 February 2026

Carrera DIGITAL 132

2nd Steve White	1st Victor de Oliveira	3rd Simon Goodlip

Lewis Blacker's Ferrari finished on the same lap as Simon, 0.6 laps back in fourth, equalling his best result of the year, as he took the Group B win, his second Group win of the year. **Chris Cooper** and his McLaren was one of two racers in the 76 lap bracket with **Liam Smith's** Audi R8 sixth tenths back on 76.3 laps in sixth, Chris matching his best finish of the year, Liam one above.

Both **James Bowles** and **Dan Hughes-Dowd** equalled their best ever finish with seventh, both recording 75.5 laps, both taking their first Group (C) win of the year and both taking home 21 points with their Lamborghini and Porsche 911. We had to give everyone in the C an five extra laps at the flag as a certain **Dave Edwards**

Stepped on the power lead pulling the plug out of the wall! We estimated five laps due to the time lost resetting everything. We got it pretty accurate as Dan's previous best result at this track was 75.7 laps. It wasn't pretty but Dave was dealt with as he should be and that was despite bringing cakes in for everyone as it was his birthday the next day!

After three Group A racers, followed by three Group B and then two Group C racers we had three racers all on the same 75.1 laps in ninth from both Group A and B. **Tom Gray's** BMW was fourth in the A while 2022 Champion **Angus Smith's** Audi R8 together with **Nick Sismey's** Porsche 911 shared fourth in the B. **Terry Mullen** and his BMW was another 0.6 laps back in 12th with **JJ Hughes-Dowd**, back after missing Monza, another tenth back with his Porsche 911 in 13th.

Group A – Martin Thorpe, Steve Whittaker. Tom Gray, Victor, Steve White & Simon Goodlip

Simon fixing Colin's Audi after it hit the floor & two wires came off the motor.

Dave looking after Laura after he caused one race to stop by stepping on the wire!

Steve Whittaker was carrying a 1-lap penalty after his win at the last race at Monza, however that deducted lap didn't have any effect on his placing here as he was 1.8 laps behind JJ without the penalty and 2.8 with, his Porsche 911 taking 14th. His son **Ted Whittaker** and his Audi R8 followed him home in 15th three tenths back closing out the first Group across the line on this Club Night, the B. We then had another father/son combination occupying the next two places, both, like Ted, were running Audi R8s. **Jag Kalyan** took the Group D win, his fourth of the year, in 16th, while son **Daniel Kalyan** got to within 0.1 laps of his dad in 17th. That mean it was 3-1 to the dads in DHORC-CD 221.

Both **José Borges** and **Richard Booth** took 18th and second in Group D, their lap times only separated by 0.003 seconds, Richard's McLaren just quicker than José's Audi R8. Half a lap back in 20th was **Macaully Dutson's** Iron Dames' pink Ferrari, taking his first Group win (E) since DHORC-CD 148 at Monza last year. **Andrew Staniec** made it four cars on 70 laps, his Porsche 911 just passing over the start line as the power was cut. That meant we had two racers on 80+ laps and 19 on 70+ laps so close is the field these days!

Phil Rees and his Mustang were the second pairing to close out a Group, the C, as he led home five racers on 60+ laps, his 69.8 beating **Dave Edwards'** and his Porsche by six tenths and **Stuart Gray** and his McLaren by eight tenths, as these three took 22nd, 23rd and 24th respectively. **Simon Rankin's** Lamborghini made it two Group E racers in a row, 0.3 laps behind Stuart in 25th, **Andy Mason** made it three in a row 1.3 laps back in 26th.

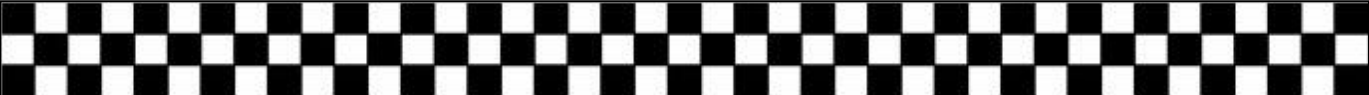

Martin Thorpe's Porsche 911 had problems during the race dropping him way below his normal finishing position, closing out Group A on 59.7 laps, despite setting the 11th fastest lap, in 27th, the final point scoring position. **Dave Trantom** also crossed the line for the 59th time, his Porsche 911 three tenths behind Martin's similar model. **Laura Edwards** and her Audi closed out Group E in 29th while **Colin Blake** did the same for Group D in 30th with his Audi R8. Colin limped home really just to check everything was OK as earlier his car got stuck leaving the pits and was broadsided by another car coming down the start line straight catapulting the Audi onto the floor. Once retrieved there was no power, so Simon took it to one side and lifted the body (Page 19) to find two broken wires on the motor, which he kindly fixed before race end. Colin becomes our tenth different racer to take a Wooden Spoon in 2026.

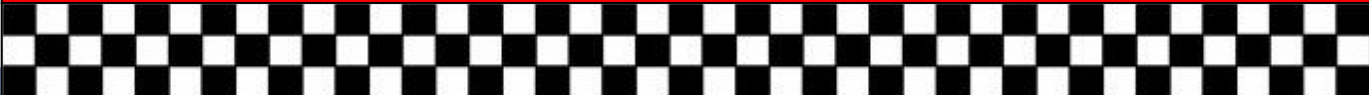

Chris equalled his best result of the year with 5th in Round 12

In between spells at Race Control Lewis also equalled his best finish of the year, 4th in Round 12 taking the Group B win.

Race Report

Mugello

Round 13

10th February 2026

Steve took his 4th win of the year in Round 13, alongside Victor, and 5th win later in Round 14, lying second in both the Main and Sprint Race Championships.

Steve & Victor take 10th joint win!

Victor de Oliveira made it back-to-back Endurance Race wins at Mugello but had to share this one with **Steve White**, both finishing on 84.4 laps breaking Victor's 14Oct25 record of 82.5 laps. However there was a twist, while both had won Victor was carrying a 1-lap penalty from victory in the previous round, therefore his score was actually 85.4 laps which would stand as the new record! Our 13th Round each year is in memory of Jono Johnson who raced with us for 19 Club Nights but sadly passed away just before Round 13 in 2023. Therefore Steve and Victor share the trophy this year, the second pairing to do so.

Simon Goodlip was also still carrying a 1-lap penalty from Monza as he finished on the podium in the first race of the Mugello evening. He would equal the old laps record in third but actually also beat it by a lap, without the penalty.

Steve made it three Poles in a row for the first time in his career reaching 10 front row starts from 182 races. With it he took his 23rd (4th) win giving the Porsche 911 it's 50th win in DHORC-CD, while Victor notched up a record 59th career win and became the first to take five wins in 2026. This was already the third pairing to take joint wins this season equalling the records set in '24 & '25, with ten pairings now taking wins since we started Carrera Digital at the start of '22. Victor also took his third fastest lap in a row and produced a record 77th for his career.

Angus Smith took the Group B win this time, his first of the year, moving up five places from the first race to fourth, thanks to swapping from his Audi to his trusty McLaren and becoming only the fourth Member to surpass 80 laps on the Italian track. While he was 1.9 laps behind Simon he was 2.1 laps ahead of **Nick Sismey** who made a four place improvement after sharing ninth with Angus first time out. **Tom Gray** would make it a three place improvement as he shared ninth with Angus and Nick earlier as he took sixth this time three tenths behind Nick.

Having been the first Group B winner at Mugello, **Lewis Blacker** took B3 this time despite adding eight tenths of a lap to his previous score! He was followed home by B4 finisher **Liam Smith** on

Moving up to Group A for Mugello Tom took a best 6th in Round 13 and lies 3rd overall.

Ted took a best of 12th in Round 13 matching his dad Steve on exactly the same lap time.

77.6 laps to Lewis' 77.9, taking eighth overall. **Steve Whittaker** shared ninth with **JJ Hughes-Dowd** taking his first Group (C) win of the year and first since his last full season in 2024, both on 77.4 laps. Ninth was also his best result since his return. **Terry Mullen** went one better than Round 12 with 11th this time while **Ted Whittaker** was again beaten by dad but matched him to the thousandth of a second in lap time, taking 12th two tenths behind Terry and three places better than the previous round.

After taking Group C earlier and seventh equal **James Bowles** dropped six places to 13th finishing in C3 a tenth ahead of **Dan Hughes-Dowd** in C4 and 14th. He was also one of 15 racers to record a sub 10 second lap in Round 13, with only seven achieving this in Round 12. He and **Martin Thorpe** actually shared the last of those sub 10 second laps with a 9.941, therefore it was apt that Martin was only 0.1 laps behind Dan at the flag in 15th. While Martin closed out Group A **Macaully Dutson** opened Group E. Like Victor, he took the first two Group wins of the Evening, the Group E win this time being four places better than his first, as he took 16th.

Colin Blake soared up the leader board after his first Wooden Spoon to finish 17th with the Group D win, four tenths of a lap behind the Group E winner. **Daniel Kalyan** and dad **Jag Kalyan** were again in consecutively placed finishes. While Jag took it last time out, by a tenth, it was Daniel's turn this time by half a lap in 18th and 19th. That made it 2-2 in the dads verses sons contest this time or 5-3 overall. With Daniel on 73.9 laps, Jag on 73.4, **Phil Rees** joined the party on 73.0 two places better than earlier.

Just **Dave Edwards** was on 72 laps, inching past the seventh tenth at the flag in 21st while we had four racers finishing on 71 laps. First up in 22nd was **Andrew Staniec** on 71.7 laps holding off two fellow 70+ Group Challenge competitors, the 2026 leader **Richard Booth** in 23rd on 71.4 and then the 2024 Champion **Stuart Gray** on 71.1 laps, matching Round 12's 24th place finish. **José Borges** just crept over the start line on 70.0 laps as the flag dropped to take 25th.

Four of the last five finishers were from Group E with **Simon Rankin** in 26th leading home our newest Member **Andy Mason** by 1.3 laps while end of 2025 Member **Dave Trantom** took 28th 3.7 laps to the rear. **Chis Cooper** was the outlier, from Group B, dropping 24 places to finish in 29th thanks to car issues while our only lady racer **Laura Edwards** became our 11th Wooden Spoon winner of 2026 from 14 Club Nights as she took 30th.

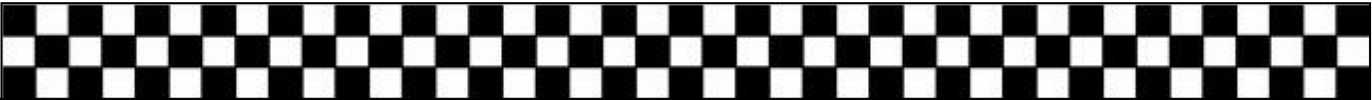

Simon Goodlip continues to lead the Endurance Race Championship however Steve White has reduced the gap to Simon from 53 to 38 points thanks to his win in Round 13 and second place in Round 12. Tom remains in third but 56 points back rather than the 18 after Monza.

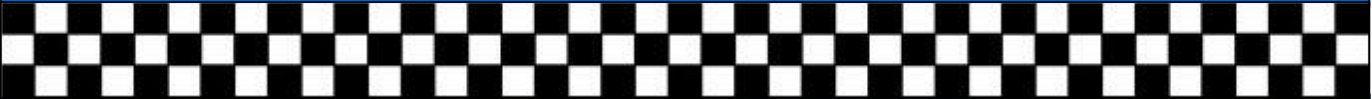

JJ took his best result of the year in Round 13, 9th and the Group C win, where he beat his dad, Dan, by five spots, with Dan equalling his best ever result of 7th in Round 12 and beating that with 6th in Round 14, giving him two Group C wins. The only racer to set a PB.

Jag took 16th in Round 12, with the Group D win, with a very happy Simon taking 24th in Round 14.

Race Report

Mugello (SR04)

 Round 14 

10th February 2026

Colin took Group D wins in both Rounds 13 & 14 with a best finish of 11th in the latter. Steve was 3rd in Round 14, running in Group A, & continues to lead the Group Challenge.

Steve Sprints to Victory!

Steve White took his second Sprint Race win of the year at Mugello in Round 14 and made it back-to-back victories after winning Round 13 alongside Sprint Race Champion **Victor de Oliveira**. Steve added a lap to Victor's 5-minute laps record, set on 21Jan25, upping it from 31.2 laps to 32.2. He now equals Victor on five wins this year taking his career tally to 24. Sprint Race Championship leader **Simon Goodlip** took second some 2.6 laps in arrears with the pairing of **Angus Smith**, taking his second straight Group B win, and **Steve Whittaker** three tenths further back in third on 29.3 laps. Simon was carrying a 1-lap penalty from his win at Monza but that didn't affect the outcome. He alongside Steve will also have a 1-lap penalty for Ruapuna on 17Mar26.

Nick Sismey followed Angus home in the B, 0.7 laps back, matching his previous round's result. He had upped his brakes from 65% to 80% for the second two races and that certainly helped, especially at the end of the long main straight into Turn 1. **Dan Hughes-Dowd** set the only PB recorded during the evening with sixth here, three tenths behind Nick, taking Group C and beating his previous best of seventh way back on 18Jun24 at Rockingham Motor Speedway. **Liam Smith** was the third racer to complete 28.0 laps crossing the line just as the power ebbed away, another three tenths back in seventh following a sixth and eighth. Consistency!

We then had no less than nine racers on 27 laps with all five Groups represented. Group A racer **Martin Thorpe** led the way with 27.8 laps in eighth place, his best run

of the evening by far. **Terry Mullen** was the Group C representative, and he also had his best run with ninth, two tenths of a lap shy of Martin. Another tenth of a lap back was **Tom Gray**, making it two from Group A, while both **Colin Blake** and **José Borges** took the Group D win 0.1 laps behind Tom. This was José's first Group win of the year with 11th also being his best result of the year. For Colin it was his best result of the night and second straight Group D win.

We had another pairing in 13th with our first Group B racer **Chris Copoer** and third Group D runner **Dave Edwards** both on 27.2 laps. They were immediately followed, yet another tenth back, by triple Mugello Group E winner **Macaully Dutson** and Victor, our third Group A racer in this nine car group, both on 27.1 laps in 14th. Had Victor not had a 1-lap penalty from his win at Monza he would have moved up nine places to seventh! He did however set his 68th (5th) Pole and a record 78th (7th) fastest lap.

Seven more racers all finished on 26 laps meaning we had 17 racers covered by just 1.9 laps! **Lewis Blacker** took the lead on 26.8 laps in 17th with **JJ Hughes-Dowd** two tenth markers back on 26.6 laps in 18th. One more tenth back was **Jag Kalyan** in 19th. Incredibly for all three races at Mugello he and son **Daniel Kalyan** were only one position apart each time. This time it was Daniel behind his dad, two tenths back, which means over the three races Daniel covered 171.2 laps and

2022 Champion Angus took a season equalling best of 3rd in Round 14 in between taking charge of Parc Ferme as usual. He also took two Group B wins.

Jag 171.0. **Phil Rees** matched Daniel on 26.3 laps in 20th both taking fourth in Group C.

Two more tenths covered our 22nd and 23rd place finishers with **Andrew Staniec** on 26.2 laps and **James Bowles** on 26.1. Only one racer was on 25 laps with **Simon Rankin's** 25.4 placing him 24th after a 25th and 26th place finish. Exactly a lap behind Simon was **Dave Trantom**, one of two on 24 laps, his 24.4 beating fellow 70+ Group Challenge racer **Stuart Gray** in 26th on 24.1 laps.

Three of the last four racers closed out their respective Groups, **Ted Whittaker** the B on 23.1 laps in 27th, **Laura Edwards** the E on 22.3 laps in 29th and **Richard Booth** the D on 22.2 laps where he became our 12th racer to take home a Wooden Spoon from 14 Club Nights. We are certainly spreading it about! Amongst these racers was also new Tuesday racer **Andy Mason** on 23.1 laps in 28th. With Ted in 27th it meant Round 14 saw two dads and two lads win so the final score after three rounds at Mugello was 7-5 to the dads!

After 4 Sprint Races Simon Goodlip continues to lead that Championship however Steve White has again reduced that lead, from 5.5 to 1.5 points thanks to his second win of the year at Mugello. Our other double winner in 2026 and reigning Sprint Race Champion Victor remains in third but his 15th in Italy meant the gap to Steve increased from 4.5 to 17.5 points.

Richard has maintained his lead in the 70+ Group Challenge, for the third successive event, despite his Wooden Spoon here, however 2025 Champion Andrew Staniec has taken 3.0 points out of his lead reducing it to 15.0, with Terry just another 1.0 point back, having taken the most points on the night.

Steve Whittaker added 7.0 points to his Group Challenge lead however Richard added 8.5 to reduce the gap to just 0.5 points with Liam now in third, 1.5 points back. Previous third placed racer Phil is now joint fourth with Simon Goodlip half a point back, Steve White another half point back in sixth.

Just 18.0 points covers the top three teams in the Team Group Challenge, just as it did following the Monza weekend. Phil & Simon Goodlip's Audistang continue to lead but Steve White & Martin's Team M&S have reduced that lead from 12.0 to 11.0 points while increasing their lead over third placed Old Rollers, made up of Richard & Nick Sismey, from 6.0 to 7.0 points.

Next stop Ruapuna on 17Mar26 following the Test on 24Feb26.

Round 14 was José's best result with 11th beating his highest finish in 2026 by two places. It also gave him the Group D win, his first of the year.

Martin, not keen on running in Group A, took some big jumps during the evening with a 27th, 15th and an 8th place finish. Our '23 & '24 Champion Simon, leading both the Main & Sprint Race Championships was on the podium for all three rounds at Mugello.

Let us pray!

Another busy day for Stuart with setting up and managing the Spares. He was also pretty consistent with two 24th place finishes and a 26th.

Who Has Been On The Podium?

Circuit History

Euromarque Motorsport Park (often referred to as **Ruapuna**) is a permanent motor racing circuit owned and operated by the Canterbury Car Club Inc on land leased from the Christchurch City Council. It is located at 107 Hasketts Road in Templeton, 13-kilometre (8.1 mi) west of Christchurch, New Zealand. It was opened as Ruapana Park in 1963, and between 2004 and 2013 was known as Powerbuilt Raceway at Ruapuna Park. Mike Pero joined the circuit as title sponsor from 2013–2023, as Mike Pero Motorsport Park. In the early parts of February 2023, the sponsorship deal was over, and Euromarque became the new title sponsor.

The track also features a drag strip, pit garages, racing school, speedway circuit and even a radio controlled car circuit. There are a number of configurations of the circuit with licences from FIA Grade 3 to National grades 1, 2 and 3.

The track was opened in November 1963. The circuit was a fairly simple sealed surface road course, at just a mile in length and comprising essentially a flat tri-oval with an extended main straight down to a hairpin bend. In 1976 the main straight was widened and a staging area added to allow drag racing to take place. The biggest change in the circuit's history came in 1993 when it was extended to 3.330 km (2.069 mi), along with other renovations.
