Editorial 063 Part 1

Well that was a tad warm! Our first Carrera Digital Race Evening back at Derby Leisure & Events (DL&E) saw the temperature hit 34° C and yet all 25 racers stayed the distance. Thank you all so much for your dedication.

Congratulations to **Victor de Oliveira** for taking both Endurance Race wins and to **Steve Whittaker** for taking his first Sprint Race win. He did this with no less than three racers in second place behind him. We are pretty sure this is the first time that has happened!

With these two taking charge of the Group 'A' wins at the Autódromo Internacional Virgílio Távora at Eusébio, near Fortaleza (we use the latter name as easier to remember and shorter!) **Martin Thorpe** won all three Group 'B' races, **José Borges** all three Group 'C' and **Richard Booth** all three Group 'E' races. Group 'D' was however shared out between **Phil Rees, Andrew Staniec** and **Jag Kalyan**. Congratulations all for some great performances.

We never rest on our laurels, coming up with new challenges at DHORC. Now that we are back at DL&E we have the opportunity to use the larger Nightingale Hall again. We already have it booked for Le Mans at the end of the year but having taken careful measurements of the room we have now come up with our largest Carrera Digital track yet. Please see Page 13.

Finally, our second 15-minute Carrera Digital Endurance Race at Fuji Speedway on 16Jun26 will BE our 1,000th Club Night across both HO (766) and CD (234) race! Time to celebrate! See you all there.

This magazine is split into two parts due to the amount of material. **Nick Sismey**

2. Thank you all for attending despite the 34 degrees!

Wow that was a hot one, the thermometers hitting 34^o C on Tuesday. While we already had three small fans we decided to pick up a couple of 18" fans from Screwfix which helped to at least keep the air moving. Great to see **Dave Trantom** getting into the spirit with his Hawaiian tropical shirt! Water was very much in demand all night!

3. We start 'em young!

Ryan Goodere's son Micah joined us at the Fortaleza Test Night on 05May26 and had a quick go on the track before the test started. He loved it as shown in the video on our Facebook Page. Hopefully he will join us in a few years!

4. Van time!

Nick Jarram works for a van company split into two entities, <https://mvs-fleet.com/> who provide logistics and fleet services together with <https://www.mojovehicles.com/> who convert Panel Vans, Kombi Vans & Camper Vans to customers' needs. In fact the latter was the reason Nick found out about DHORC. His company had converted a van for **Andrew Woodhouse** and when Andrew meant to WhatsApp me about a Club Night he incorrectly contacted Nick. Intrigued Nick found out more and the rest as they say is history!

Anyway we were discussing with Nick whether we could get some sponsorship from his company so came up with the idea of making some vans with their logo on and then producing a video of them running round one of our tracks. Naturally **Phil Rees** got involved and this is where we are at the moment. More info to follow.

6. The Big One – 401'3" Interlagos

Our next crazy Carrera Digital project, a 401'3" replica of the old Interlagos track, one of my all-time favourites, including a climb up to the start line and then back down at the other end.

We have the track now, thanks to **Dave Edwards**, and **Phil Rees** is making the extra 10 power straights we need together with sorting out the new black (well white actually) power box required.

Once everything is ready nine of us will do a trial run and then organise a date for a race, hopefully the first being this year and then becoming an annual track like Monza, Le Mans and Luanda. It would run on a Tuesday night. It's going to be mad, but we like being mad.

Overview It was great to be back at Derby Leisure and Events for our first Carrera Digital event since our return. The main difference being that we weren't hit with something unexpected to deal with upon arrival to set up. And now **Phil Rees** and I have a key we can get straight into the Table Tennis Room without having to find anyone! Our first build of Fortaleza was a struggle but thanks to **Stuart Gray**, **Leo Sismey** and **Steve Whittaker** we were carrying out our first track test runs by 12pm.

We had 26 racers on track from 6pm with everyone who remained all night getting five 5-minute Test runs and one 5-minute Qualifying run. Running in an anti-clockwise direction Fortaleza has eight left hand turns and five right hand, with, unusually, no tight R1 curves! This made the track our third fastest track since racing began in 2022

Pole record holder **Victor de Oliveira** again set the quickest time in Qualifying with **Simon Goodlip** and **Steve White** joining him on the podium, although Victor went even quicker during the five test runs. He also set the most number of laps during the test.

Victor de Oliveira took Pole while Jag Kalyan finished in 19th & Daniel Kalyan 24th
