# About:

## History and Key Facts

### HO Club founded on 7 July 1992

- DHORC: Derby HO Racing Club ("HO" Is The Scale = 1/64th)
- Tenant at Great Northern Classics, open to all!
- Home of world famous international Le Mans 24 Hour race until 2019.
- Smaller scale version of Scalextric, once set up works all night!
- Four and Eight lane circuits
- Computerised timing
- Statistics for every meeting and every member since July 1992
- Over 30 Club Nights each year
- 50+ circuit designs, up to 567 feet in length
- Eight-lane routed dhorcingham oval
- Two car categories – Tyco open wheel (F1)
  - Tomy SGP, BSRT, VSR, Bulldog enclosed wheel (GC)

### Carrera Digital Club 1<sup>st</sup> race 18 January 2022

- 1/32<sup>nd</sup> Carrera Digital GT Cars
- 16 Evenings a year, with 15-minute Endurance & 5-minute Sprint Races
- 10+ circuits
- Full computerised timing and stats through SmartRace App

## The Club Nights and Magazine Coverage

### HO

- Racing starts at 18:45 hours – Finished by 22:00 hours
- Minimum of four 3-minute qualifying races & up to two Finals (F1 & GC) for each member
- Championship points for all members
- Magazine produced for every meeting covering every member & track statistic

### Carrera Digital

- Racing starts at 18:00 – Finished by 22:00 hours
- Magazine produced after each evening
- Championship points for all members
- Rules & regulations booklet covering all the DHORC rules produced each year
- Great family atmosphere, a help-all culture

### Membership Fees, Car Costs and Prizes

- Adult £40 and junior (under 16) £20 for HO & Carrera, £50/£25 combined
- Only £50 Total expenditure for two cars HO Cars, £65 one Carrera
- All cars and spares can be bought at club
- Adult, Masters (over 56), Junior (16 & under) HO Championships
- Adult & 70+ Carrera Championships

# Editorial 064

**We have hit 1,000 DHORC Club Nights!** What an incredible achievement made possible by so many people, but I simply have to thank **Phil Rees** who like me (and **Angus Smith**) was at Club Night 001 on 07Jul92 and running in Club Night 1,000. While Angus was in the picture before our first Club Night and has helped out so many times with track builds, Carrera Digital scrutineering and rulemaking Phil has been the one of our 350 Members to date who has and continues to work tirelessly on the technical side of the club. Without Phil we wouldn't have run 27 Le Mans 24-hour races, without Phil our Rockingham Motor Speedway and latterly our dhorcingham oval wouldn't have enjoyed so much success. Without Phil we wouldn't have been able to run 10-lane Club and Corporate tracks and without Phil we wouldn't be where we are with the Carrera Digital side of the club. And I have just scratched the surface. Thank you Phil and thank you to so many more of you. To celebrate our 1,000<sup>th</sup> Club Nights we

HO 1/64<sup>th</sup>

have a new joint DHORC logo.

Fuji Speedway saw **Simon Goodlip** take all three wins, it also saw **Richard Booth, Laura Edwards, Dave Edwards (2), Anthony Mitro, Nick Sismey, Lee Stokes (2), James Wardle (2) and Ted Whittaker (2)** take Group wins. Congratulations all.

You may have noticed an unfamiliar name amongst the Group winners above, one **Lee Stokes**. Like **Mike Graham** he ran his first Carrera Digital races at Fuji, see Page 7.

The last word must go to **Sarah Smith** for producing some delicious cupcakes to celebrate our 1,000<sup>th</sup> Club Night. Thank you so much Sarah. **Nick Sismey**

**2. DHORC reaches 1,000 HO/CD Club Nights!**

The second Club Night at Fuji Speedway was our 234<sup>th</sup> Carrera Digital Club Night, while on 02Jun26 we ran our 766<sup>th</sup> HO Club Night at Dijon-Prenois equating to 1,000 HO/CD Club Nights since 07Jul92. In that time we have had 350 Members, covering 2,119,331 laps and 48,209 miles. **Phil Rees, Nick Sismey & Angus Smith** all ran in the first and thousandth Club Night. A big thank you to all for your support & to **Sarah Smith** for helping us celebrate with her delicious cupcakes.

### 3. *One new Carrera Digital Member turns into two!*

We already knew HO racer **Mike Graham** (right) was going to run in his first Carrera Digital evening at Fuji Speedway, but we had no idea that **Lee Stokes** would walk into the Table Tennis Room at 16:40 hours all the way from Scunthorpe! We had spoken on Messenger but had last been in touch on 23Dec25. With us down to 29 racers there was a spot on the grid for Lee therefore I loaned him one of my Porsche 911s (as I did Mike), we gave him some lane changing and refuelling lessons and he was ready to go. So ready that he won Group E in his second 15-minute Endurance Race with Mike taking second. Lee then went onto win Group E in the 5-minute Sprint Race!

## 4. Mike's Carrera Digital Test in Phil's Man Cave

Prior to his first race at Fuji Speedway **Mike Graham** ran his first Carrera Digital laps on **Phil Rees'** Man Cave circuit learning how to lane change and fuel stop. **Steve Whittaker** and I joined in.

## 5. New Carrera Digital Team - EMR

With **Mike Graham** joining the Carrera Digital fray and **Ryan Goodere** needing a teammate they have formed the EMR team, Electric Mike & Ryan based on the fact that Ryan works on EMR trains. Clever play on words Ryan.

## 6. Watkins Glen date change.

With apologies for any inconvenience caused, as well as the Road America date change, we have also had to move the Watkins Glen evening from 28Jul26 to 21Jul26. We had to move the HO dhorcingham oval date from 21Jul26 to 28Jul26 as the room we hold that event in, the Nightingale Hall, was already booked up on the former date. Therefore Watkins Glen has had to swap dates.

## Fuji Speedway

Round 24

16<sup>th</sup> June 2026

Two time Champion Simon Gooldip returned after a six race sabbatical to win all three Club Nights at Fuji-Speedway, giving him eight wins at the Japanese circuit. His first run out in the land of the rising sun was his 200<sup>th</sup> career start! Fuji newbie Anthony Mitro recorded a career best finish of seventh in Round 25 where he also won Group C, his first Group win of the year.

**Carrera DIGITAL**

Andrew Woodhouse explains the Carrera Digital techniques to friend and newbie Mike Graham before Mike hit the track. Andrew took a best of 21<sup>st</sup>, Mike 20<sup>th</sup>. Say no more!

Dave Edwards matched his lady wife and Teammate Laura with a Group (C) win in Round 24 taking a best of the night sixth. He matched that Group win in Round 26.

Richard Booth would take the Group D win in Round 24 with teammate Nick Sismey matching him with the Group B win, his first of the year. Richard, our 2024 Group Challenge Champion moved up from 6<sup>th</sup> to 2<sup>nd</sup> in this year's Challenge thanks to his 19.5 Group points.

## Simon wins on return!

**Simon Goodlip** returned, after missing both the Autodromo di Franciacorta and Fortaleza Carrera Digital meetings, to take his 5<sup>th</sup> race win of the year and 50<sup>th</sup> career victory. Our 2023 and 2024 Champion took his 77<sup>th</sup> (7<sup>th</sup>) Pole prior to the win, to equal the absent Victor de Oliveira's club record of front grid slot starts, in his 200<sup>th</sup> Club Night. Simon also set his 63<sup>rd</sup> (6<sup>th</sup>) fastest lap.

With none of the 30 racers on the grid carrying any penalties it was a straight race to the flag. Simon's Audi R8 took just over two laps out of **Martin Thorpe's** Porsche 911, 87.2 laps to 85.1. This was Martin's sixth straight second place finish. With **Steve White's** Porsche 911 but a tenth behind his teammate their 10 Group points helped them to extend their M&S team's lead in the Team Championship.

2nd Martin Thorpe	1st Simon Goodlip	3rd Steve White

**Angus Smith's** McLaren would make the four top finishers all from Group A while **Tom Gray's** BMW would make it five. Angus was 1.3 laps behind Steve on 83.7 laps while Tom finished on the same lap but another two tenths back. **Dave Edwards** was punching well above his weight running in C6 (Ranked 18<sup>th</sup> at Fuji) to take a remarkable sixth place finish and of course the Group C win with his Porsche 911. He was five laps back from Tom, but a Group win is a Group win and again starting from C6 he took the maximum 11 Group points for his troubles. This was his second best result of the year after a fourth in Round 1.

Group B winner, his first of the year, **Nick Sismey**, with his

identical Gulf liveried Porsche 911 to Dave's, was in seventh, 0.9 laps behind his fellow Group winner. **Phil Rees'** Camaro was second to Dave in the C but just dropped behind Nick by half a lap, 77.6 to 77.1. Then followed five racers all on their 77<sup>th</sup> lap but not finishing their 77<sup>th</sup> lap.

**Liam Smith's** Audi R8 gave Nick the most trouble in the B, finishing in ninth a 0.7 lap deficit preventing him from stepping on the top step of the Group B podium, but starting from B3 and finishing in B2 Liam scored the same six Group points as Nick. His 76.9 laps were followed in by two racers on 76.8 laps, **Ted Whittaker** and his Corvette, running in their 50<sup>th</sup> Club Night, together with **Jag Kalyan** and his Audi R8, both rounding out the top ten. **Richard Booth** and his McLaren made it four Group (D) winners in the top twelve and the fourth racer to complete their 76<sup>th</sup> lap. His 76.6 laps beat **Anthony Mitro's** Porsche 911 by four tenths of a lap as Anthony completed the five racers on their 77<sup>th</sup> lap, finishing on 76.2.

Lee Stokes walked into the Table Tennis room all the way from Scunthorpe in Lincolnshire! It was a total surprise to Nick as they had last talked on Messenger on 23Dec25, but a nice surprise. Luckily we had a spare grid place, so Lee borrowed one of Nick's Porsche 911s, had some practice and then joined Group E. Angus Smith, who explained to Lee the Scrutineering set up, took a fourth and two third place finishes.

**Stuart Gray's** Ferrari was second to his brother-in-law Richard' McLaren in the D taking 14<sup>th</sup> overall, just pipping four time winner **Lewis Blacker** in a similar Ferrari by a tenth of a lap, 74.1 to 74.0. Exactly a lap behind Lewis in 16<sup>th</sup> was our Portuguese gentleman **José Borges** and his Corvette, the third fastest car in the first race of the night, which gave him an extra three points, moving him up to 13<sup>th</sup> in the final points standing alongside Anthony. Another tenth of a lap separated José and the KFC liveried Audi R8 of **Daniel Kalyan**, which actually showed that Daniel was the most consistent of the two as he only set the 25<sup>th</sup> fastest lap!

**Jenson Woodhouse's** Porsche 911, in 18<sup>th</sup> on 72.2 laps, led home a trio of Group D racers, with **James Wardle's** own Porsche 911 taking 19<sup>th</sup> on 71.8 laps while fellow Germany manufacturer Audi took its R8, in the hands of **Macaully Dutson**, to 20<sup>th</sup> on 68.8 laps. After five racers finishing on 80+ laps, and 14 finishing on 70+ laps Macaully led eight on 60+. Next up was **Andrew Woodhouse** closing out Group C, his Corvette a tenth behind Macca on 68.7 laps. While Andrew was closing a Group **Laura Edwards'** Mercedes was winning one, the E, her first Group win of 2026 in her 150<sup>th</sup> Club Night, taking her to 21 career Group wins.. Her last Group win was at DHORC-CD 155 on 18Mar25, Round 15 of the 2025 season, at Catalunya.

While Mr and Mrs Edwards were both celebrating Group wins, **Lee Stokes** in his very first Club Night, borrowing a Porsche 911 off Nick, was just 0.1 laps away from matching fellow Group E racer Laura on 67.5 laps. He would match Laura on nine Group points, only Dave beating them on 11. With Laura in 22<sup>nd</sup> and Lee in 23<sup>rd</sup> we had the last of the Group A racers, **Terry Mullen** and his BMW in 24<sup>th</sup> some 2.4 laps in arrears. He was clearly missing racing against Nick!

Another 2.1 laps back was **Simon Rankin** and his Lamborghini in 25<sup>th</sup>, third in the E, while **Dave Trantom's** Porsche 911 and **Andy Mason's** Ferrari shared fourth in Group E and 26<sup>th</sup> overall, both on 60.7 laps, 2.2 behind Simon. The last three finishing places, 28<sup>th</sup>, 29<sup>th</sup> and 30<sup>th</sup> were taken up by racers closing out their respective Groups. First was **Andrew Staniec's** Group B Porsche 911 on 56.8 laps, then our second newbie of the night, HO racer **Mike Graham**, also borrowing a Porsche 911 off Nick, on 53.5 laps in Group E. He and Group D racer **Ryan Goodere** in 30<sup>th</sup>, with his Corvette, on just 28.4 laps (as he had to break away from racing to look after his three year old son Micha) have joined forces in Team EMR (Electric Mike & Ryan) as Ryan works on EMR trains. Ryan became our 17<sup>th</sup> different racer to take home a Wooden Spoon in 2026.

Group 'E' – Lee, Mike, Laura, Andy Mason, Simon Rankin & Dave Trantom.

Group 'D' – Jenson Woodhouse, Ryan Goodere, Richard, Stuart Gray, James Wardle & Macaully Dutson.

Group 'C' – Dave, Andrew, Daniel Kalyan, Phil Rees, Anthony & Jag.

# Race Report

## Fuji Speedway

Round 25

16<sup>th</sup> June 2026

José Borges took a career best 3<sup>rd</sup> on the grid in Round 24 with a best finish of 11<sup>th</sup> in Round 26.

Round 25 was Simon's 150<sup>th</sup> start, he would take a best of 22<sup>nd</sup> in Round 26.

## Simon smashes records in our 1,000<sup>th</sup> Club Night

**Simon Goodlip** wasn't deterred by picking up a 1-lap penalty after winning Round 24, he simply added 3.6 laps to his previous score taking the 15-minute Endurance Race record set by the absent Victor de Oliveira of 88.8 laps on 08Apr25 to 90.8 laps! Even with his 1-lap penalty, dropping him to 89.8 laps he still took his 51<sup>st</sup> (6<sup>th</sup>) win from **Martin Thorpe** by 3.3 laps. Martin made it an incredible seven straight second place finishes with 86.5 laps while **Angus Smith** moved up a place to third on 86.1 equalling his best finish of 2026.

On the way to race victory Simon also set a new all-time Pole record of 78 front grid slot starts, one more than Victor. It was also Simon's eighth pole of the year. Added to that he also broke his own fastest lap record of 8.019 seconds set on 08Apr25 becoming the first racer to go sub eight seconds, leaving the record at 7.779 seconds with his 64<sup>th</sup> (7<sup>th</sup>) fastest lap.

All of this happening in our 234<sup>th</sup> Carrera Digital Club Night, which, combined with our 766 HO Club Nights was our 1,000<sup>th</sup> Club Night since DHORC began on 07Jul92. Thank you all.

**Steve White** swapped places with Angus to take fourth four tenths back. He was still happy though as he has extended his lead in our Carrera Digital Endurance Race Championship from 69 to 84 points after the two races at Fuji Speedway. However his lead is now over back-to-back Fuji winner Simon, who moves into second, while Victor drops to third, another 47 points back.

**Tom Gray** again took fifth, with an extra lap added to his previous score compared to the first round and again made it five Group A racers in the top five with 84.5 laps.

**Ted Whittaker** jumped four places however to take the Group B win, the earlier Group B winner **Nick Sismey** simply unable to

keep up with Ted's consistency as they finished on 81.7 and 79.8 laps respectively in sixth and eighth. In between them was Group C winner **Anthony Mitro** in seventh on 80.1 laps, his best ever finish, beating his ninth on 08Jul25 at Sakhir. They were also Ted and Anthony's first Group wins of the year.

**Phil Rees** dropped a place to ninth on 79.7 laps, a mere tenth of a lap preventing him joining Nick in eighth while **Lewis Blacker** and **Terry Mullen** joined them on 79 laps, Lewis just past the fifth tenth and Terry between the first and second, closing out Group A. Lewis jumped five places to

“Oh did you see that crash?”, “Even I couldn’t push someone off that hard!” Terry Mullen exclaims. Running in Group A he took a 24<sup>th</sup>, 11<sup>th</sup> and 8<sup>th</sup> placed finish at Fuji but was twice in the top five in fastest laps.

tenth while Terry up 13 places to 11<sup>th</sup>. **Jag Kalyan** dropped a couple of places to 12<sup>th</sup>, again taking third in the 'C' on 78.4 laps. Both **Liam Smith** and **James Wardle** finished on the same lap and tenth, both on 77.3 laps in 13<sup>th</sup>, James taking his second career Group (D) win.

Previous Group D winner **Richard Booth** was six tenths behind James in 15<sup>th</sup>, a drop of three places from Round 24 while James had jumped three rows up the grid at the flag. Just one tenth marker separated **Dave Edwards** from Richard, Round 24 Group C winner, dropping ten places to finish in 16<sup>th</sup>. **Lee Stokes** did it! In only his second Club Night he took his first Group win, the E, and what's more **Mike Graham**, in his second Club Night, took second in the Group, three laps separating the two on 76.0 and 73.0 laps in 17<sup>th</sup> and 20<sup>th</sup>, see Page 7. Separating these two in the final standings were **José Borges** on 73.7 laps and **Macaully Dutson** on 73.5 laps in 18<sup>th</sup> and 19<sup>th</sup>. José had taken third in Qualifying beating his previous best of seventh at Bathurst on 29Nov25.

Seven racers completed 80+ laps (including Simon's 90+) this time compared to five earlier while 13 went 70+ compared to 14 last time. **Stuart Gray** led home the nine 60+ lappers this time, one more than the first race of the night, finishing on 69.6 laps in 21<sup>st</sup>, a seven place drop overall and two in the D. **Laura Edwards** also dropped two places in the E but finishing in the same place 22<sup>nd</sup> on 68.5 laps, a lap improvement compared to earlier, which was a tenth ahead of **Andrew Woodhouse** who gained a place in the C, but again dropped two places overall down to 23<sup>rd</sup> thanks to 0.3 laps less in this 15-minutes. He admitted he is looking for another car now!

**Dave Trantom** jumped two places to 24<sup>th</sup> on 67.7 laps while **Daniel Kalyan** lost an octave to 25<sup>th</sup> with 66.1 laps closing out our second Group (C). **Ryan Goodere** was up four to 26<sup>th</sup> with more than double his previous score, 65.7 laps while **Simon Rankin** in his 150<sup>th</sup> Club Night clocked up 1.2 more laps but dropped a place or two to 27<sup>th</sup> finishing on 64.1 laps.

The final three again racers all closed out their respective Groups, in 28<sup>th</sup> was **Andy Mason** in Group E on 64.0, just a tenth behind Simon. In 29<sup>th</sup> was **Andrew Staniec** in Group B on 62.8 and Group D racer **Jenson Woodhouse** on 55.5 laps, becoming our 18<sup>th</sup> new Wooden Spoon winner of the year. Both he and Andrew were running in position six and both seemed to be struggling with lap counting. Interesting as the other racers in driver position six finished in 11<sup>th</sup>, 16<sup>th</sup> and 17<sup>th</sup> which they wouldn't have had they suffered the same! Interesting!

Group 'B' - Andrew Staniec, José, Ted, Liam Smith, Lewis Blacker & Nick Sismey

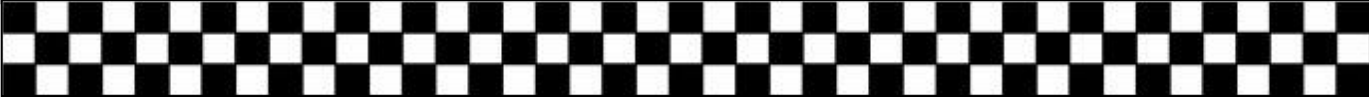

Group 'A' - Terry Mullen, Tom Gray, Angus, Martin Thorpe, Simon & Steve White

# Race Report

**Fuji Speedway (SR08)**  
 **Round 26**   
**16<sup>th</sup> June 2026**

**Steve and Martin were very happy on Tuesday night as Steve continues to lead the Endurance and Sprint Race Championships while Martin moves into the lead of the Group Challenge. In addition their M&S Team extended the lead in the Team Group Challenge.**

**Macaully took a best finish on 19<sup>th</sup> in our 1,000<sup>th</sup> Club Night in between collecting tenth scores and helping with the results service.**

## Simon takes 3 from 3!

**Simon Goodlip** wanted all three wins at Fuji Speedway and all three wins he got, setting a new 5-minute Sprint Race laps record in the process. His 52<sup>nd</sup> (7<sup>th</sup>) victory saw him score 34.2 laps beating the 32.6 he shared with Dean Garbett on 08Apr25. Sitting on the grid before the start he would make it three Poles in a row extending the club record to 79 (9) and then during that 5-minutes he took his 65<sup>th</sup> (8<sup>th</sup>) fastest lap. **Steve White** finally broke M&S teammate **Martin Thorpe's** stranglehold of second place finishes, losing out to Simon by 1.1 laps, recording 33.1 laps. One lap further back **Angus Smith** made it back to back third place finishes with 32.1.

Steve also continues to lead the Sprint Race Championship. This time the absent Victor de Oliveira remains in second but his gap to Steve opened from 2.0 to 20.5 points. With his second Sprint Race victory of the season Simon still holds third place but reduced the deficit to Victor from 30 to 7.5 points.

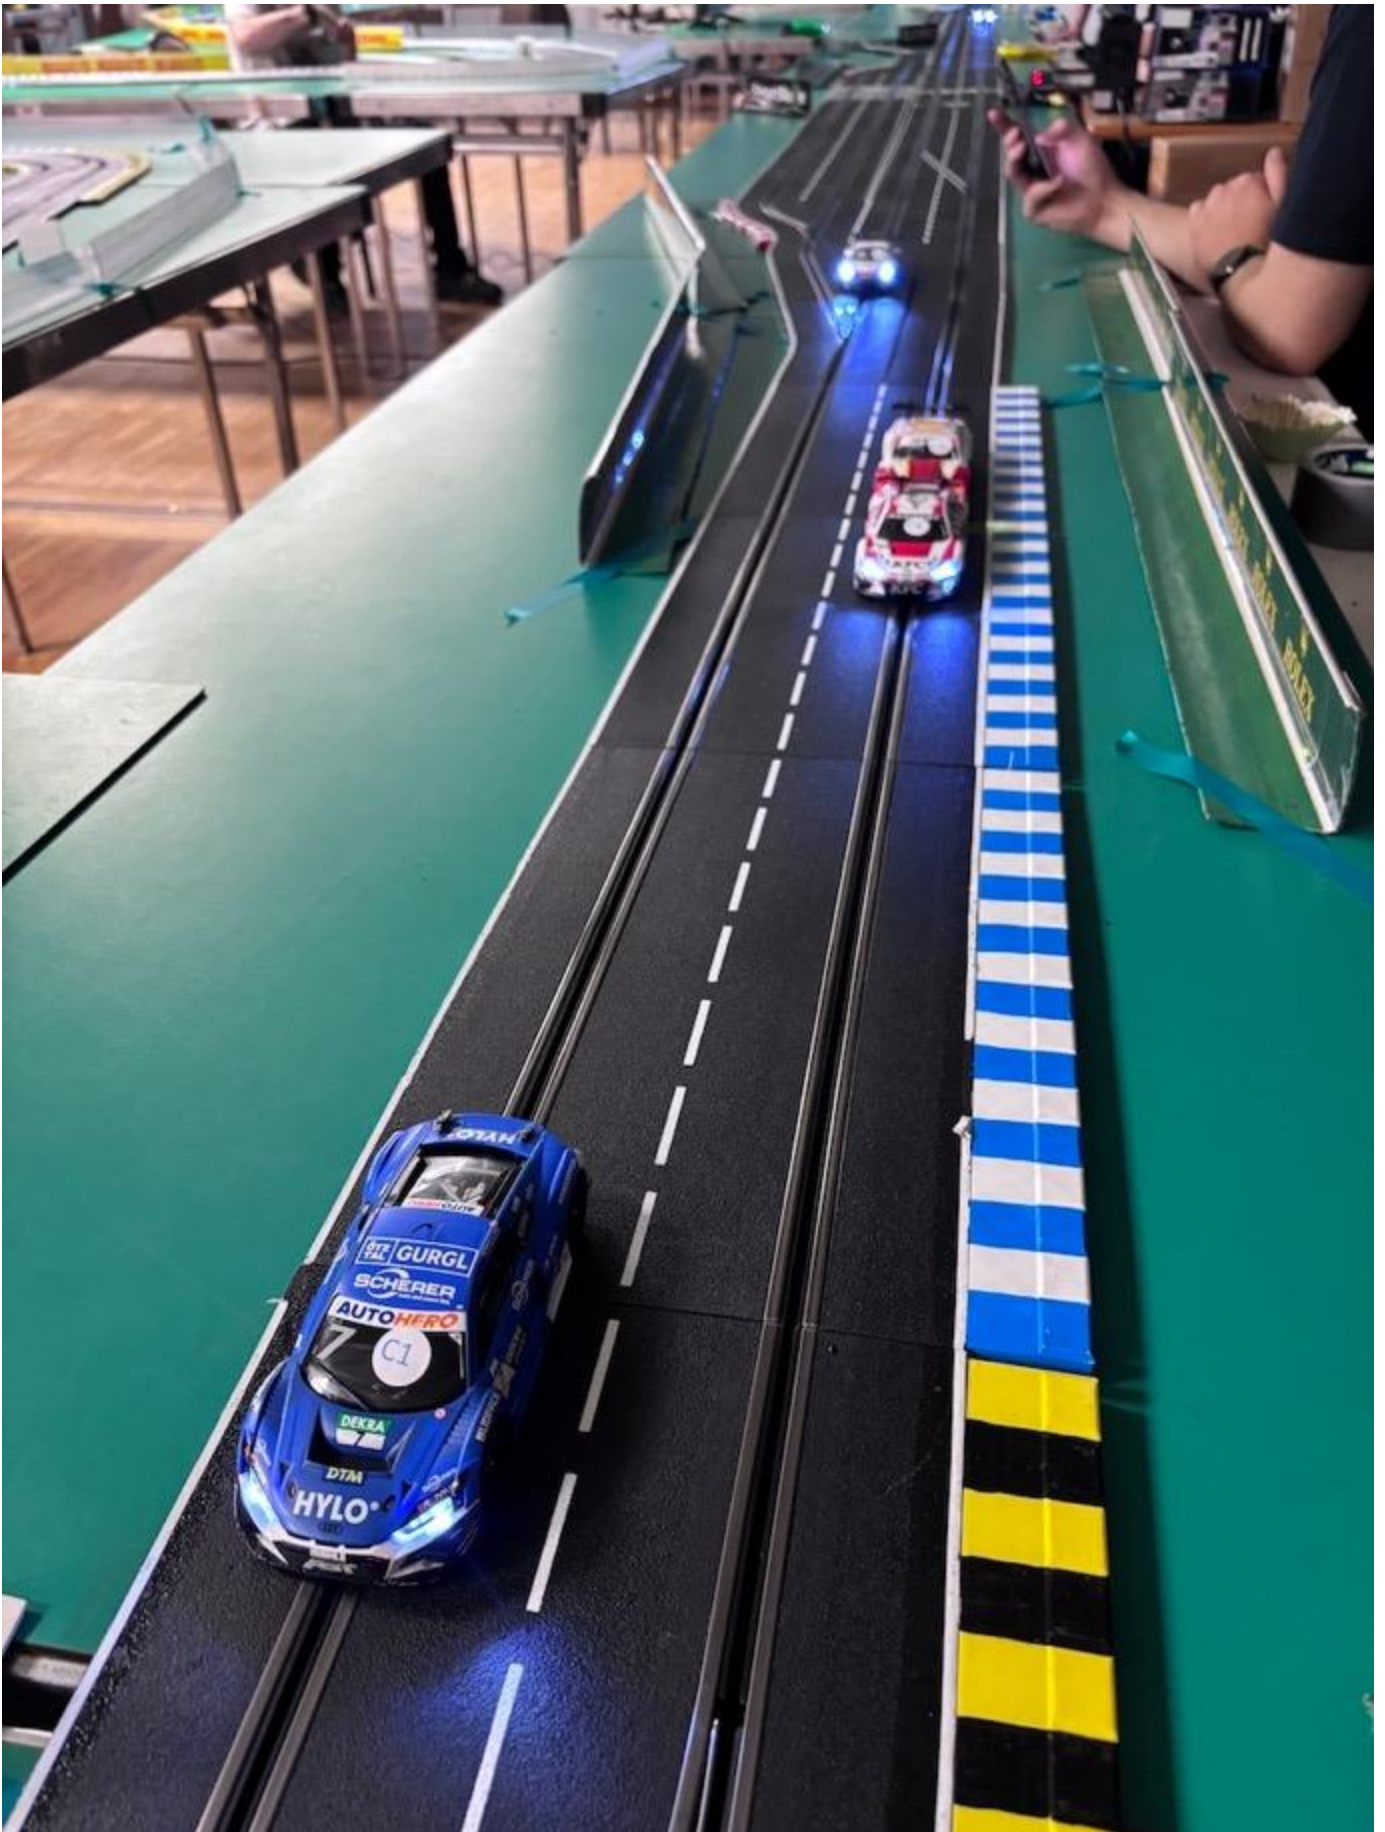

2nd	1st	3rd
Steve White	Simon Goodlip	Angus Smith

**Ted Whittaker's** mojo was up after his Group B win in Round 25 and finishing in sixth, as he again took the Group B win but jumped two places to take fourth on 30.7 laps. Three others broke the 30 lap barrier with Martin and **Lewis Blacker** both in fifth on 30.2 laps while **Tom Gray** had just started his 31<sup>st</sup> lap in seventh on 30.0 after four consecutive fifth place finishes. Lewis meanwhile had gone 15<sup>th</sup>, 10<sup>th</sup> and then 5<sup>th</sup> so where will he be at the next race!?

**Terry Mullen** also continued to progress up the charts at Fuji, with 24<sup>th</sup>, 11<sup>th</sup> and now 8<sup>th</sup> on 29.7 laps, which he shared with **Dave Edwards**, taking his second Group C win of the night, and **Nick Sismey** in B3 following a B1 and B2 finish and a seventh and

and eighth overall, maintaining his consistency. Terry closed out Group A while **José Borges** took B4 this time and 11<sup>th</sup> overall, his best finish of the night stopping on the same lap as the above three but half a lap back on 29.2 laps. Two more joined the 29 lap party with **Anthony Mitro** and **Phil Rees** sharing C2 and 12<sup>th</sup> as they crossed the line together making six racers on the same lap.

**Jag Kalyan** was the lone racer in the 28's his 14<sup>th</sup> place finish thanks to exactly 28.0 laps, a lap behind our above duo. We then had another group of racers completing 27 laps with **James**

Four of the six Group C cars finished before the first tenth in the Sprint Race

**Wardle** taking back-to-back Group (D) wins for the first time on 27.9 laps, his third ever Group win. In 16<sup>th</sup> was **Liam Smith** three tenths behind James on 27.6 while **Richard Booth** secured the lead of the +70 Group Challenge again with 3.5 Group points finishing in D2 and 17<sup>th</sup> a tenth marker behind Liam. He was also joint best Ranking improver after Fuji, moving up six paces to 28<sup>th</sup>. Richard's brother-in-law **Stuart Gray** was half a lap behind him sharing 27.0 laps with **Lee Stokes** who took back-to-back Group E wins closing out his first Carrera Digital evening in 18<sup>th</sup> after 23<sup>rd</sup> and 17<sup>th</sup> placed finishes. His 25.5 Group points from the three Club Nights was the new target as he beat Richard's record of 24.0 points set on 15Oct24.

Martin jumps two places to take the lead of the Group Challenge from 2024 Champion Richard, who moves up from sixth, 1.5 points behind Martin. Steve drops a place to third another 1.5 points back. Former leader, Victor is now in sixth with 11.5 points between him and Martin.

Following Lee home in the E was **Laura Edwards** with her best run of the night in 20<sup>th</sup>, 0.6 laps separating the two Group E winners in the last Fuji Speedway Club Night. With Laura on 26.4 laps **Andrew Woodhouse** finished the night on 26.1 laps in 21<sup>st</sup> equalling his best run in Japan. **Simon Rankin** was also moving up the charts, his 22<sup>nd</sup> here on 25.2 laps was three places better than his first run of the night. **Dave Trantom** followed his fellow Group E racer home, just the second tenth between them as he finished on 25.1 laps to take his best result on Honshu Island, 23<sup>rd</sup>.

**Jenson Woodhouse** led a quartet of racers on 24 laps, where he almost made 25 laps with his 24.9 laps giving him 24<sup>th</sup>. Thanks to his results at Fuji, he, like Richard jumped six places in the Ranking chart to 30<sup>th</sup>. While Lewis was counting the difference in his finishing places at Fuji in fives, Jenson counted his in sixes with his other results being 18<sup>th</sup> and 30<sup>th</sup>! **Macaully Dutson** and **Ryan Goodere** followed Jenson home in Group D in D5 (25<sup>th</sup>) and D6 (26<sup>th</sup>), Ryan mirroring his previous result, as they finished on 24.6 and 24.5 laps. While Ryan closed Group D **Daniel Kalyan** closed this quartet on 24.0 laps as well as Group C, in 27<sup>th</sup>.

**Andy Mason** also mirrored his previous result with 28<sup>th</sup>, his 23.2 laps beating the closing racer of Group B, **Andrew Staniec**, by a lap, while Andrew's 22.2 was 1.1 laps ahead of **Mike Graham's** 21.0 as he closed both Group E and the race in 30<sup>th</sup> becoming our 19<sup>th</sup> new racer to take home a Wooden Spoon in 2026

Early 70+ Group Challenge leader Richard returns to the top of the standings ousting erstwhile leader and 2025 Champion Andrew to open a gap of 12.5 points. Our 2024 Champion Stuart replaces Terry for third, 21 points behind Andrew.

Although neither Martin or Steve took Group wins at Fuji Speedway (as they were both in Group A where Simon won all three races) their M&S team added 15.5 points to their lead of the Team Group Challenge over the Segrob Ceinats team of José and Andrew, taking their lead out to 34.0 points. Simon and Phil's Team Audistang joins them in second place on 187.0 points while, in an incredibly tight Championship, Team Old Rollers consisting of Richard and Nick are but 0.5 points further back!

Andrew ran in Group B but took 28<sup>th</sup>, 29<sup>th</sup> and 29<sup>th</sup> place finishes. He however continues to hold second in the Team Championship with José and second in the 70+ Group Challenge.

Everyone's  
**Best Results**  
At This Circuit

**What are my Best Scores?**  
**Who Have I Beaten?**

Andy may lead the Wooden Spoon Championship with three spoons in his utensil draw. However he managed to stay away from adding any further awards at Fuji Speedway looking very dapper in his new Carrera Digital Polo shirt. Fuji saw three new Wooden Spoon winners, Ryan Goodere, Jenson Woodhouse and Mike Graham which takes us to 19 different pit boxes containing Wooden Spoons!

Ryan helped with set up and had to step down from Round 24 to take his first Wooden Spoon as son Micha needed more hugs . However he managed 26<sup>th</sup> in both of the last two races.

Liam also helped with morning set up taking a best of 9<sup>th</sup> in Round 24

Tom took four fifth place finishes in a row before a seventh in the last race. Dad, Stuart, after also helping with set up that morning, and spares during the evening, took a best of 14<sup>th</sup> in Round 24. As Team Gray Hounds they now sit in fifth.

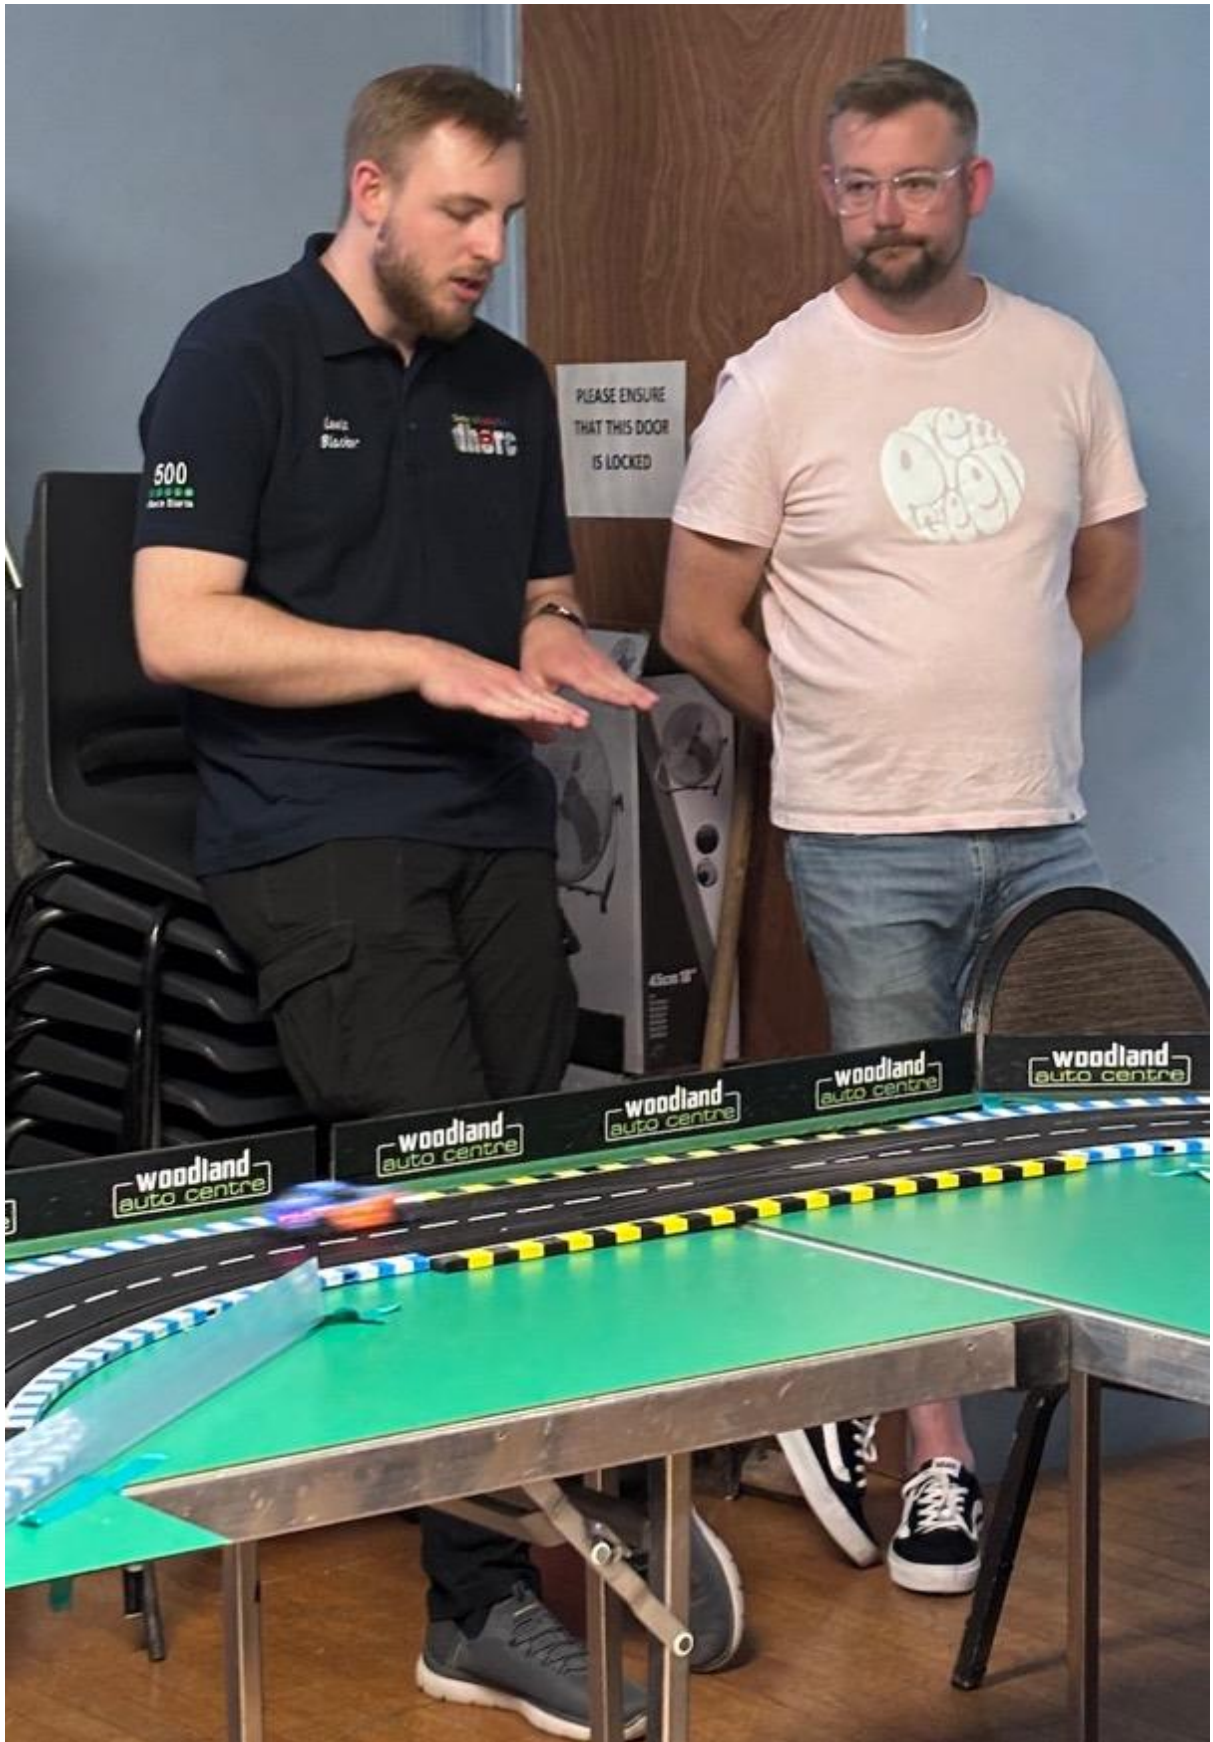

Andrew and son Jenson took best finishes of 21<sup>st</sup> and 18<sup>th</sup> although Jenson also became our 19<sup>th</sup> racer to take home a Wooden Spoon.

“So I was just minding my own business and then Terry came alongside me and just took me out!” explains Lewis while James thinks about something else! Lewis would improve as the evening progressed with 15<sup>th</sup>, 10<sup>th</sup> and 5<sup>th</sup> while James took two Group D wins with a best finish of 13<sup>th</sup> in our 1,000<sup>th</sup> Club Night.

Dave had only been back from the Le Mans 24-hour race for a day before he arrived at Fuji Speedway where he took a best finish of 23<sup>rd</sup> in the Sprint Race resplendent in his new DHORC Carrera Digital Polo shirt!

Daniel was one of, if not the top marshal at Fuji Speedway, taking a best finish of 17<sup>th</sup>

**Who Has Been On The Podium?**

# Circuit History

**Okayama International Circuit (岡山国際サーキット)** sprang to prominence in the 1990s, an early pioneer of the membership club approach taken by other sporting venues - not least because its builder was a golf course magnate.

Soon the call of racing events proved hard to ignore and the circuit, in its early guise as TI Aida Circuit (TIサーキット英田), even made its far as the Formula One calendar, twice hosting the Pacific Grand Prix before concentrating on national events.

A change of ownership brought with it the change in name in 2005 and several years later a return of world class motorsport, this time in the guise of the World Touring Car Championships.

Today the circuit continues to host the major domestic series on two and four wheels, including Super Formula, Super GT and the MFJ Superbike championships.

The outright unofficial all-time track record is 1:10.218, set by triple-world champion Ayrton Senna in a Williams FW16, during qualifying for the 1994 Pacific Grand Prix.
