News: 2027 Calendar – Great Rempstone Steam Rally – Porsche 924

About:

History and Key Facts

HO Club founded on 7 July 1992

- DHORC: Derby HO Racing Club ("HO" Is The Scale = 1/64th)
- Tenant at Great Northern Classics, open to all!
- Home of world famous international Le Mans 24 Hour race until 2019.
- Smaller scale version of Scalextric, once set up works all night!
- Four and Eight lane circuits
- Computerised timing
- Statistics for every meeting and every member since July 1992
- Over 30 Club Nights each year
- 50+ circuit designs, up to 567 feet in length
- Eight-lane routed dhorcingham oval
- Two car categories – Tyco open wheel (F1)
 - Tomy SGP, BSRT, VSR, Bulldog enclosed wheel (GC)

Carrera Digital Club 1st race 18 January 2022

- 1/32nd Carrera Digital GT Cars
- 16 Evenings a year, with 15-minute Endurance & 5-minute Sprint Races
- 10+ circuits
- Full computerised timing and stats through SmartRace App

The Club Nights and Magazine Coverage

HO

- Racing starts at 18:45 hours – Finished by 22:00 hours
- Minimum of four 3-minute qualifying races & up to two Finals (F1 & GC) for each member
- Championship points for all members
- Magazine produced for every meeting covering every member & track statistic

Carrera Digital

- Racing starts at 18:00 – Finished by 22:00 hours
- Magazine produced after each evening
- Championship points for all members
- Rules & regulations booklet covering all the DHORC rules produced each year
- Great family atmosphere, a help-all culture

Membership Fees, Car Costs and Prizes

- Adult £40 and junior (under 16) £20 for HO & Carrera, £50/£25 combined
- Only £50 Total expenditure for two cars HO Cars, £65 one Carrera
- All cars and spares can be bought at club
- Adult, Masters (over 56), Junior (16 & under) HO Championships
- Adult & 70+ Carrera Championships

Editorial 065 Part 2

Part 2 covers the 3 races and all the stats.

Dave Trantom and Chris Cooper look on as Simon Goodlip replaces a car after re-coding

In-between Race Control etc Phil Rees took Group C in Round 27, with a best finish of 10th

Victor wins despite 3 lap penalty!

After missing the Fuji-Speedway evening in the middle of June **Victor de Oliveira** immediately took victory upon his return on DHORC's 34th Anniversary, despite carrying a 3-lap penalty from his last three wins. His 11th victory of the year and record 65th career win came after his 78th (15th) Pole, with his 84.9 laps (before the three lap deduction) in the first 15-minute Endurance Race of the evening breaking his own track record of 84.4 laps set on 17Jun25. Classified with 81.9 laps his Aston Martin Vantage still beat **Simon Goodlip's** Audi R8, which was carrying a 2-lap penalty, by 1.2 laps to also take his 13th Group A win of the year. Simon however was very quick, his fastest lap of 8.387 seconds lowering Victor's track record of 8.467 seconds again set in Jun'25. This was Simon's 66th (9th) fastest lap. Victor was only 0.003 seconds slower however!

Martin Thorpe took his 12th Group B win of the year and 13th podium finish in third, his Porsche 911 just two tenths behind Simon on 80.5 laps, the only three cars to surpass the 80 lap marker. With a capacity 30 racers on the grid for our two Endurance Races, **Angus Smith's** McLaren 720S led 17 cars covering between 70 and 80 laps, his 79.9 laps being eight tenths ahead of Endurance Championship leader **Steve White's** Porsche 911 in fifth. **Steve Whittaker** and his BMW Z4, who won last time out, had to settle for sixth this time, our fifth Group A racer home, 0.6 laps behind Steve.

Round 27
Okayama 
07 July 2026

		
		
2nd Simon Goodlip	1st Victor de Oliveira	3rd Martin Thorpe

Jenson Woodhouse and his Porsche 911 finished well above his station, (starting in D4 equalling 22nd on the grid based on his ranking), with seventh at the flag, nine tenths behind Steve's BMW, taking his second Group win of the year on 77.6 laps. While Jenson opened Group D **Tom Gray** closed out Group A with 77.1 laps, his BMW Z4 making it four German and two British marks in Group A. **Chris Cooper**, second in the B, made it three British cars in the top nine with his Cazoo McLaren 720S beating **Phil Rees'** American Ford Mustang (not a Camaro as I quoted in the last magazine – Ed) by a tenth, 76.8 to 76.7 laps. Phil would take the Group C win, his eighth Group win of the year.

Liam Smith's Audi R8 was second to Phil in the C, 0.6 laps back while another 1.7 laps down the

Jenson Woodhouse took Group D wins in both Rounds 27 & 28 with a best finish of 6th in his 2nd run. He moves up 14 places in the Ranking charts for the Watkins Glen evening!

road on 74.4 laps was **Jag Kalyan's** Audi R8 in 12th, and third in the C. **Nick Sismey's** Porsche 911 was also in third, third in the B on 73.5 laps which he nearly shared with **Dave Edward's** identical liveried Gulf Porsche 911 as he made it to 73.4 laps. Another Porsche 911 closed out the first half of our capacity grid, with **Jame Wardle's** CarTech Motorsport Bonk sponsored RSR on the same lap two tenths back in 15th. While Jame's was fourth in Group C, **Ted Whittaker** was fifth again on 73 laps with his Audi R8, just ahead of the first tenth. He would open the second half of the Round 27 finishers in 16th.

Stuart Gray's McLaren 720S (not a Ferrari as I quoted in the last magazine – Ed) led home two more Group D racers, in 17th, finishing third in the fourth Group on 72.8 laps. Fourth and 18th was **Daniel Kalyan's** Audi R8, exactly a lap back with **Richard Booth's** McLaren 720S taking 19th and fifth in the C on 71.5 laps. **Lewis Blacker** joined Daniel and Richard on 71 laps, the first tenth in the rear view mirror of his Ferrari 488 as he made the top 20. **Laura Edwards** was our last Group winner, the E, in 21st as her yellow Mercedes AMG made it two Group E wins in four races. She led home eight cars finishing between 60 and 70 laps. Starting from E6 she would take home a maximum 11 Group points!

It was our seventh Porsche 911 in post-race Parc Ferme having taken 22nd, with **James Bowles**, closing out the D on 66.5 laps. On 65.3 laps was **Simon Rankin's** Lamborghini Huracán as he followed Laura home in the E in 23rd. On the same tenth but a lap back was **José Borge's** Audi R8 (not a Corvette as I quoted in the last magazine – Ed) in 24th. He was the meat in a Group E sandwich as **Mike Graham** took his new Mercedes AMG to third in the fifth Group two tenths behind our Portuguese friend, in 25th.

Both **Colin Blake** and his Audi R8 together with **Terry Mullen** and his BMW Z3 closed out their respective Groups, Colin the C in 26th on 62.3 laps and Terry the B in 27th on 61.9 laps although my sources tell me he didn't finish the race with the same car he started it with! The FIA have been informed! **Lee Stokes**, like Mike, was starting his fourth Club Night, his Porsche 911 leading home the last three racers in the E and in the field. His 61.7 laps took him to 28th and fourth in the E. Fifth in the E was **Andrew Woodhouse's** Ferrari 488 while **Dave Trantom's** identical Team Bernhard Porsche 911 to Lee's was withdrawn after 34.0 laps taking his second Wooden Spoon of the year in 30th

Laura Edwards also took Group wins in both Round 27 & 28, the E, taking the maximum 11 points in both, recording the most Group points at Okayama over the 3 Club Nights.

Race Report

Okayama

Round 28

Carrera
DIGITAL 132

7th July 2026

Simon made it eight wins for the year in Round 28 and broke the laps record at Okayama with 87.5 laps

Simon 4th win from 5 start as records tumble on our 34th anniversary

Simon Goodlip continues to rack up the wins in 2026 with his fourth from his last five starts leaving him on 8 for the year and 53 over the last four and a half years. In his 204th race start he recorded 87.5 laps beating **Victor de Oliveira's** new record of 84.9 laps in the previous round. He also set a record 80th (10th) Pole leading up to his win. His winning margin would have been five laps had Simon not been carrying a 2-lap penalty (which becomes a 3-lap penalty going into Watkins Glen), however that was reduced to three ahead of "Mr Second Place", **Martin Thorpe** who took his 13th Group B win of the year and his ninth second place finish.

Victor, to his displeasure, held onto his 4-lap penalty by again finishing on the podium (you only lose a lap when you finish outside the top three), 1.1 laps behind Martin. Without his penalty he would have taken second, a tenth behind Simon. He did however take a record 88th (17th) fastest lap and broke Simon's early record of 8.387 seconds by nearly doing a sub eight, with an 8.036 second lap!

Round 28 Okayama 07 Jul 2026

		
		
2nd Martin Thorpe	1st Simon Goodlip	3rd Victor de Oliveira

The 15-min Endurance Race Championship leader **Steve White** was half a lap outside the podium places this time, a one place improvement from Round 27. He maintains his lead however, even with Simon's win here, which has reduced the gap to Steve from 86 to 54 points. Despite his win in Round 27 Victor dropped four points to Simon, now 51 points back in third. **Liam Smith** had his best run of the night with fifth two tenths behind Steve on 80.7 laps as he took Group C, his fifth Group win of the year. With three racers surpassing 80 laps in Round 27, we had five in Round 28.

Tom Gray led the 16 racers in the 70 to 80 lap band, which was one less than the previous run. Jumping up two places Tom shared sixth with **Jenson Woodhouse** who was having one of his surges back up the rankings! Both finishing on 79.3 laps, Jenson took the Group D win while Tom was fourth in the A. Fifth in the A was **Steve Whittaker** just like in Round 27 however this time he dropped two places to eighth on 78.7 laps. **Jag Kalyan** also completed 78.0 laps just passing over the finish line as SmartRace killed the power.

Liam Smith had a good night after helping set up, winning Group C in Round 28 with a best finish of 5th. Not sure how many of his wife Sarah's delicious 34th Anniversary cupcakes he had but I know I had two!

Just before he crossed the line for the 78th time **James Wardle** was a tenth behind Jag rounding out the first third of the grid, third in the C. Round 27 Group D winner **Dave Edwards** dropped to second in his second run four, places behind Jenson in 11th, while 0.6 laps further back **Angus Smith** closed out Group A dropping eight places to 12th. **Stuart Gray** was the same number of positions below the halfway point of the field as he was above in the previous round, in 13th, just two tenths of a lap behind our 2022 Champion.

Terry Mullen shared the 13 foot gap between the first and second tenth marker at Okayama with his mate **Chris Cooper**, however Terry managed an extra lap despite his mumblings, finishing on 76.1 laps in 14th with Chris on 75.1 laps in 15th, second and third in the B. **Lewis Blacker** made it a trio of Group B racers finishing on 74.9 laps in 16th. He was followed home by a couple of Group C racers, **Ted Whittaker** hitting 74.6 laps and **Phil Rees** 73.8, Ted dropping a place, Phil eight!

Richard Booth led home the last three Group D racers, just a tenth separating him and **James Bowles** in 19th and 20th with **Daniel Kalyan** in 21st another 0.9 laps back on 71.1 in 21st. He was the last of the 70+ lappers. **Nick Sismey** managed to run out of fuel and then missed the pits on his first attempt, then couldn't refuel on the second attempt only to be successful on the third thanks to advice from Lewis. He suggested using only 10% throttle entering the pits and hey presto! Nick was the first of the 69+ lap racers on 69.7.

Laura Edwards made it back-to-back Group E wins and back-to-back maximum Group points scores (11) but dropped two places to 23rd as she became the biggest points contributor to her and Dave's Crash Test Dummies Team. **Mike Graham** and **Andrew Woodhouse**, both also in Group E, followed her in 24th and 25th, 0.2 and 0.8 tenths of a lap back respectively. **Colin Blake** took 26th again like he did in the previous race and again he closed out Group C, despite an additional 4.9 laps.

Group E racer **Lee Stokes** moved up a place to 27th thanks to a 3.9 lap improvement, taking back-to-back fourth place finishes in the E, with 65.6 laps. Fifth in the E, dropping five places was **Simon Rankin**, although he was only nine tenths of a lap short of his Round 27 score, 64.4 laps this time. We were pleased to see that **Dave Trantom** and his Porsche 911 was able to finish his race this time, however he only moved up one finishing place to 29th. It was unfortunately **José Borges'** turn to step down, his blue Audi R8 giving up the ghost after 11.1 laps. This was his second Wooden Spoon of the year.

Group E – Laura, Simon Rankin, Lee Stokes, Dave, Mike Graham & Andrew Woodhouse

Group D – James Bowles, Daniel Kalyan, Jenson, Stuart Gray, Richard Booth & Dave Edwards

Group C – James Wardle, Colin Blake, Jag Kalyan, Liam, Phil & Ted Whittaker

Race Report

Okayama

Round 29

Carrera
DIGITAL 132

7th July 2026

Steve White continues to lead the Endurance and Sprint Championship after Okayama, with his eight wins, including three Sprint Race victories, his latest here in Japan. He also continues to lead the Team Group Challenge with Martin in Team M&S.

Steve takes 8th win thanks to penalties

Steve White took his third Sprint Race win of the year and eighth Club Night win across both race categories to continue to lead both the Endurance and Sprint Championships, with 31 on the grid for our last race of the night. It was his first win since taking victory in the first Endurance Race of the evening at Autodromo di Franciacorta circuit on 14Apr26 where we had been demoted to build a track in the Pit Lane, at our previous venue. The act that saw our commando return to our former home in quick time. Despite his 31.7 laps in our 5-minute Sprint Race that gave him the win over **Simon Goodlip** by 0.7 laps it was actually Simon who set the most Sprint Race laps of the night. Simon was just a tenth of lap behind the track record set by **Angus Smith** on 17Jun25 but was carrying a 1-lap penalty after his last Sprint Race victory at Fuji-Speedway. Therefore his total laps minus the penalty was 32.0.

Tom Gray had his best run of the evening making it an all Group A podium for the first time during this visit to Okayama. His 31.1 laps beat triple Group B winner in Japan, **Martin Thorpe**, by two tenths of a lap as the latter finished on 29.9 in fourth. That was 12 Group B wins for Martin from his last 15 starts, increasing his lead in the Group Challenge as well as his and Steve's M&S Team's lead in the Team Group Challenge. Both **Chris Cooper** and **Lewis Blacker** had their best runs of the night, Chris by five places and Lewis ten! They followed Martin home in the B on 29.6 and 29.2 laps in B2 and B3.

Angus dropped three places from his best score of the evening with seventh this time on 28.8 laps which he shared with Group C winner **Jag Kalyan** making a two place improvement. We had seven races in all starting their 29th lap.

Ted Whittaker was next but a tenth back in ninth while the last race of the evening's top ten was closed out by Ted's dad **Steve Whittaker**, two tenths of lap behind his son. Steve was carrying a 1-lap penalty so his 28.5 could have been 29.5 that would have seen him finish in sixth. He was the only racer on the night to set a PB. His third on the grid beat his fourth at Sonoma Raceway on 20Jan26. Both **Dave Edwards** and **Stuart Gray** shared 11th, the Group D win and 28.3 laps, both beating their best score at Okayama. This was Dave's second Group win of the night and Stuart's first of the year, meaning only two of our current 36 racers have failed to win a Group in 2026!

Surprisingly **Victor de Oliveira**, our reigning Sprint Race Champion was the last of the seven racers starting their 29th lap. His, an unlucky 13th place thanks to 28.2 laps. Like Simon and Steve he was carrying lap penalties, though his being 2 laps compared to their one. Without these two he would have been second. He, Steve White and Simon now all carry -1 into Watkins Glen while Steve Whittaker loses his as he fell outside the podium places like Victor. While he was languishing (for him) in 13th Victor had already secured his 79th (16th) Pole and a record 89th (18th) fastest lap.

Tom Gray made the podium in the Sprint Race with third

With his third win of the year Steve White has increased his Sprint Championship lead from 20.5 to 30.5 points but over Simon who leapfrogs Victor into second, just a point separating these two.

Richard Booth and **Phil Rees** shared 14th and 27.9 laps, giving them both third in their respective Groups, D and C. Next up was **Liam Smith** who likes to keep close to Richard, two tenths separating the two. Martin extends his lead in the Group Challenge from just 1.5 to 9.5 points over M&S Teammate Steve who moves into second place, overtaking 2024 Champion Richard by 2.5 points, with Liam another point back. I told you he likes to keep close!

James Wardle, like Liam, was running solo at Okayama as his teammate was enjoying England thrashing India at Trent Bridge, although I had to tell him who won later in the week! James finished half a lap behind Liam in 17th, fifth in the C to Liam's fourth. **Andrew Woodhouse** was the fifth racer to complete 27 laps where the Control Unit would have been visible in his car's rearview mirrors had they not fallen off. While Andrew was fifth in Group D **Nick Sismey** was fourth in Group B on a night to forget in 19th on 26.9 laps. **José Borges** meanwhile had to run his Pink Pig Porsche 911 in the Sprint Race following failure of his Audi R8. Setting the first sub 10-second lap of the night he would finish in 20th two tenths behind Nick on the road as well as in the B.

Taking 4 out of a possible 6 Group wins Martin (3 Group B wins) and Steve White's (1 Group A win) M&S Team extend their Team Group Challenge lead over Team Audistang's Simon and Phil, who took a Group win a piece, by three points to 37.0 points. Richard and Nick's Old Rollers Team move up to third from fourth, 10.5 points back.

Andrew Staniec was the only racer to be on Stand Down duty in Japan. However he kindly attended for the Sprint Race. Being the only racer in Group F he duly won the Group however we did put three of our newest drivers in the race with him to give him some competition. His 26.4 laps was enough to beat all three of them as he took his seventh Group win of the year and 40th since he joined the CD fray. Richard extends his points' lead over 2025 Champion Andrew in the 70+ Group Challenge from 12.5 to 16.5 thanks to Andrew only running in the 5-minute Sprint Race. Third placed Stuart, in third, made hay while the sun shone (and boy was it shining!) by nearly halving Andrew's advantage over him, reducing it from 21.0 points to 11.5.

With all of this talk about Andrew we have left out **James Bowles** who matched Andrew's laps score, joining him in 21st place. What a consistent run he had at Okayama with 22nd, 20th and 21st placed finishes. Behind these two was our final Group winner of the evening Andrew Woodhouse who also had to change cars from his Corvette to his Italian flag coloured Ferrari 488. Taking

Andrew Staniec was the only racer in Group F for the Sprint Race, taking home the win

Group B – José Borges, Lewis Blacker, Nick Sismey, Terry Mullen, Martin & Chris

Group A – Steve Whittaker, Tom, Angus Smith, Steve, Simon and Victor

Group E with 26.2 laps it was only his third Group win of the year after winning both Rounds 1 & 2 in January. **Terry Mullen** closed out Group B in 24th on 25.4 laps while **Simon Rankin** followed Andrew home in the E exactly a lap back in 25th.

Daniel Kalyan closed out Group D in 26th the family rivalry between him and Jag going to dad this week. Daniel's 24.6 laps were followed closely behind by **Dave Trantom's** 24.3 as he was the last of the main points scorers in 27th. **Lee Stokes** completed his second CD evening, all the way from Scunthorpe with a 28th place finish with **Laura Edwards** not able to make it three Group E wins in a row with 23.3 laps, as she finished fifth in the Group and 29th overall. She would still accumulate the most Group points on the night, 23.5.

Colin Blake closed out Group C on 23.1 laps with **Mike Graham** taking his second Wooden Spoon in 31st on 22.7 laps. We covered 5,152.3 laps on the night and 128.8 miles as we celebrated our 34th birthday. Thank you all.

Jag took Group C in the Sprint Race

Stuart made Group D his own in Round 29.....

..... well almost as he shared it with Dave

Group E was all Andrew's in the Sprint

Everyone's Best Results At This Circuit

What are my Best Scores?
Who Have I Beaten?

Thumbs up for our 34th Anniversary cup-cakes from José who took a best finish of 20th in the Sprint Race.

Angus took a best of 4th in the first race of the evening.

Championship Tables

Those All Important
Points!

Steve was very happy with his 6th place finish in Round 29. He was also the only racer to set a PB at Okayama.

Circuit History

Watkins Glen International, nicknamed "The Glen", is an automobile race track in the northeastern United States, located in Dix, New York, just southwest of the village of Watkins Glen for which it is named, at the southern tip of Seneca Lake. It is long known around the world as the former home of the Formula One United States Grand Prix, which it hosted for twenty consecutive years (1961–1980). In addition, the site has also been home to road racing of nearly every class, including the World Sportscar Championship, Trans-Am, Can-Am, NASCAR, the International Motor Sports Association, and the IndyCar Series. The facility is currently owned by NASCAR.

The course was opened in 1956 to host auto races previously held on public roads in and around the village. The circuit's current layout has more or less been the same since 1971, with minor modifications after the fatal crashes of François Cevert (1973) and J.D. McDuffie (1991).

The site has also hosted several music concerts: the 1973 Summer Jam, featuring The Allman Brothers Band, the Grateful Dead, and The Band and was attended by 600,000 fans; and two Phish festivals: Super Ball IX in 2011 and Magnaball in 2015.
