Editorial 067

Two new winners in consecutive Club Nights! Congratulations to **Chris Cooper** and **Liam Smith** for finally achieving their first victories in their 112th and 172nd starts respectively. That wasn't enough for Chris though, he then went on and won the Sprint Race as well! Congratulations also to **Steve Whittaker** for sharing Chris' first win and to **Steve White** for sharing his second!

We also had 5 other Group winners at Sonoma, **Dave Edwards, Simon Goodlip, Nick Jarram, Lee Stokes (3)** & **Andrew Woodhouse (3),** congrats to them all. We must also welcome **Ian Cowlishaw** to the Carrera Digital side of DHORC after joining the HO side on 04Aug26, as he ran his first digital evening at Sonoma.

He was also one of the team that helped with our crazy 402'3" Interlagos track on 17Aug26 to see if it would work. Please see the full story on Page 5. **Phil Rees** is seen here showing **Stuart Gray** the wooden supports we need for that track which we will run on 27Oct26.

Our second weekend event is coming up on Friday/Saturday 25/26Sep26 at the undulating Road America. I have sent all a message asking which (or all) sessions you can make. Please confirm ASAP. See you all in Elkhart Lake, Wisconsin the weekend after next.

Nick Sismey

2. Testing our 402'3" original Interlagos circuit.

Moving DHORC back to Derby Leisure and Events' (DL&E) Table Tennis room, after 18 months away, it very much felt like we were back home. No hassle and we could simply concentrate on running the club again. Not long after we returned we met up **David McKenna**, the new Hospitality & Events Manager. It was clear he was very customer friendly and keen to help us with any ideas we had. With DL&E also having the larger Nightingale Hall, which we used several times in the past, my brain went into overdrive thinking "What if we could build an enormous version of the old Interlagos circuit and run it there?". Being, probably, one of my favourite circuits ever, we have run a 203' HO version 12 times and a 414' HO version once, with four Club Nights on a 254' Carrera Digital version. After several tweaks I managed to come up with a 402' 3" CD version! That came to fruition on Monday 17Aug26 thanks to the help from so many!

On Sunday 16Aug26 **Nick Jarram** and **Steve Whittaker** were kind enough to provide the transport and man power to move everything from the Table Tennis Room ready for the build on Monday.

Then at 09:00 hours on Monday morning our great team of **Ian Cowlishaw, Ryan Goodere, Andy Mason, Terry Mullen, Liam Smith, Dave Trantom** and **Steve Whittaker** arrived to start the build. We paired up, with Andy and I working out the pits as well as how to raise the upper part of the track above the tables.

Phil Rees had gone to great lengths in making the new power distribution unit and extra ten power straights. That meant we could power up 20 straights rather than the normal 10. Arriving at 11:30 hours Phil "guided" Ryan on where to place the power distribution unit, with Liam and Ryan wiring up the track.

We left Phil to decide which were the best Pit entry pieces of track so he could say he had helped build the circuit! As the track is so large we decided we needed to break it down into 20ths Having made our tenth markers **John Lamb** kindly agreed to make our extra markers shown on the left. Before 12:00 hours the track was ready to run!

We were then joined by **Luca & Ted Whittaker** to help test the track, with Ted setting the fastest lap at 28.123 seconds. By 13:00 hours we had built up a good understanding of the circuit and agreed to go forward with a Club Night later in the year.

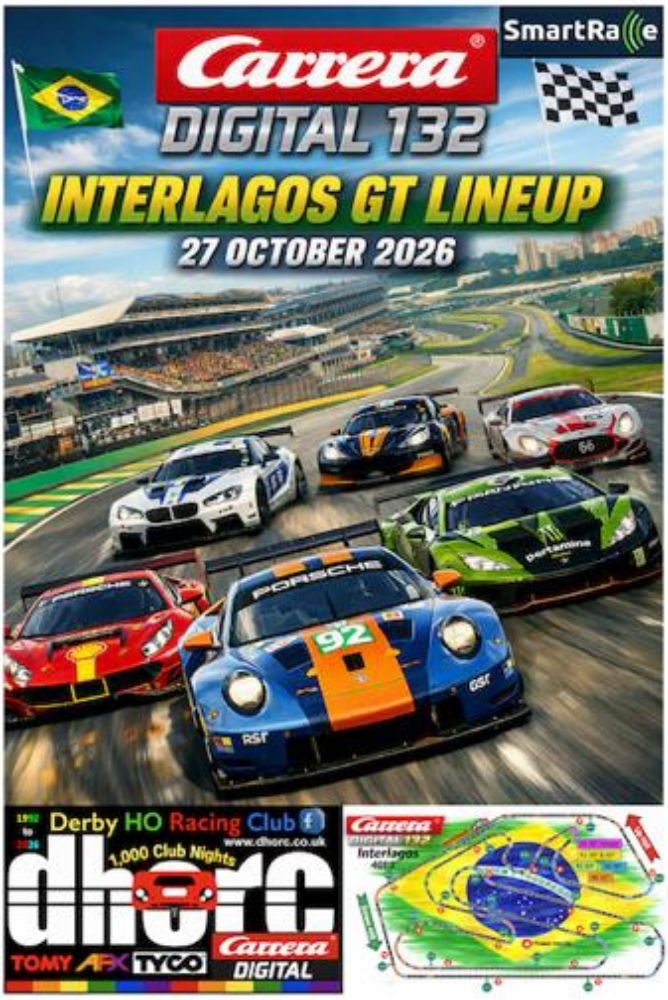
The next stop was to pull everything apart and within 90 mins we were all leaving for home. Again a big thanks to all for their incredible support and thank you to Dave at DL&E for allowing us to test the track without any room charge.

Since then we have booked the Nightingale Hall for Tuesday 27Oct26 to run Interlagos as part of our 2026 Championship. Can't wait.



3. For Interlagos in 2027 read Spa-Francorchamps

Now we have established a date for Interlagos we will maintain this date each year but alternate it with Spa-Francorchamps as requested by **Anthony Mitro**. It is 186'1" in length and will have a number of undulations! Always something new to look forward to at DHORC!

7. Let's go mad in Brazil!

Eduardo Andrade asked a question on Facebook re our 402'3" 1/32nd Carrera Digital original Interlagos circuit, as to whether it was to scale? Checking we realised to be to scale it would have to be 816' in length

Having checked the size of our Sports Hall and tweaked the track to fit the area with room to get around and reasonably still represent the real track we could do it! But will we do it? Never say never!

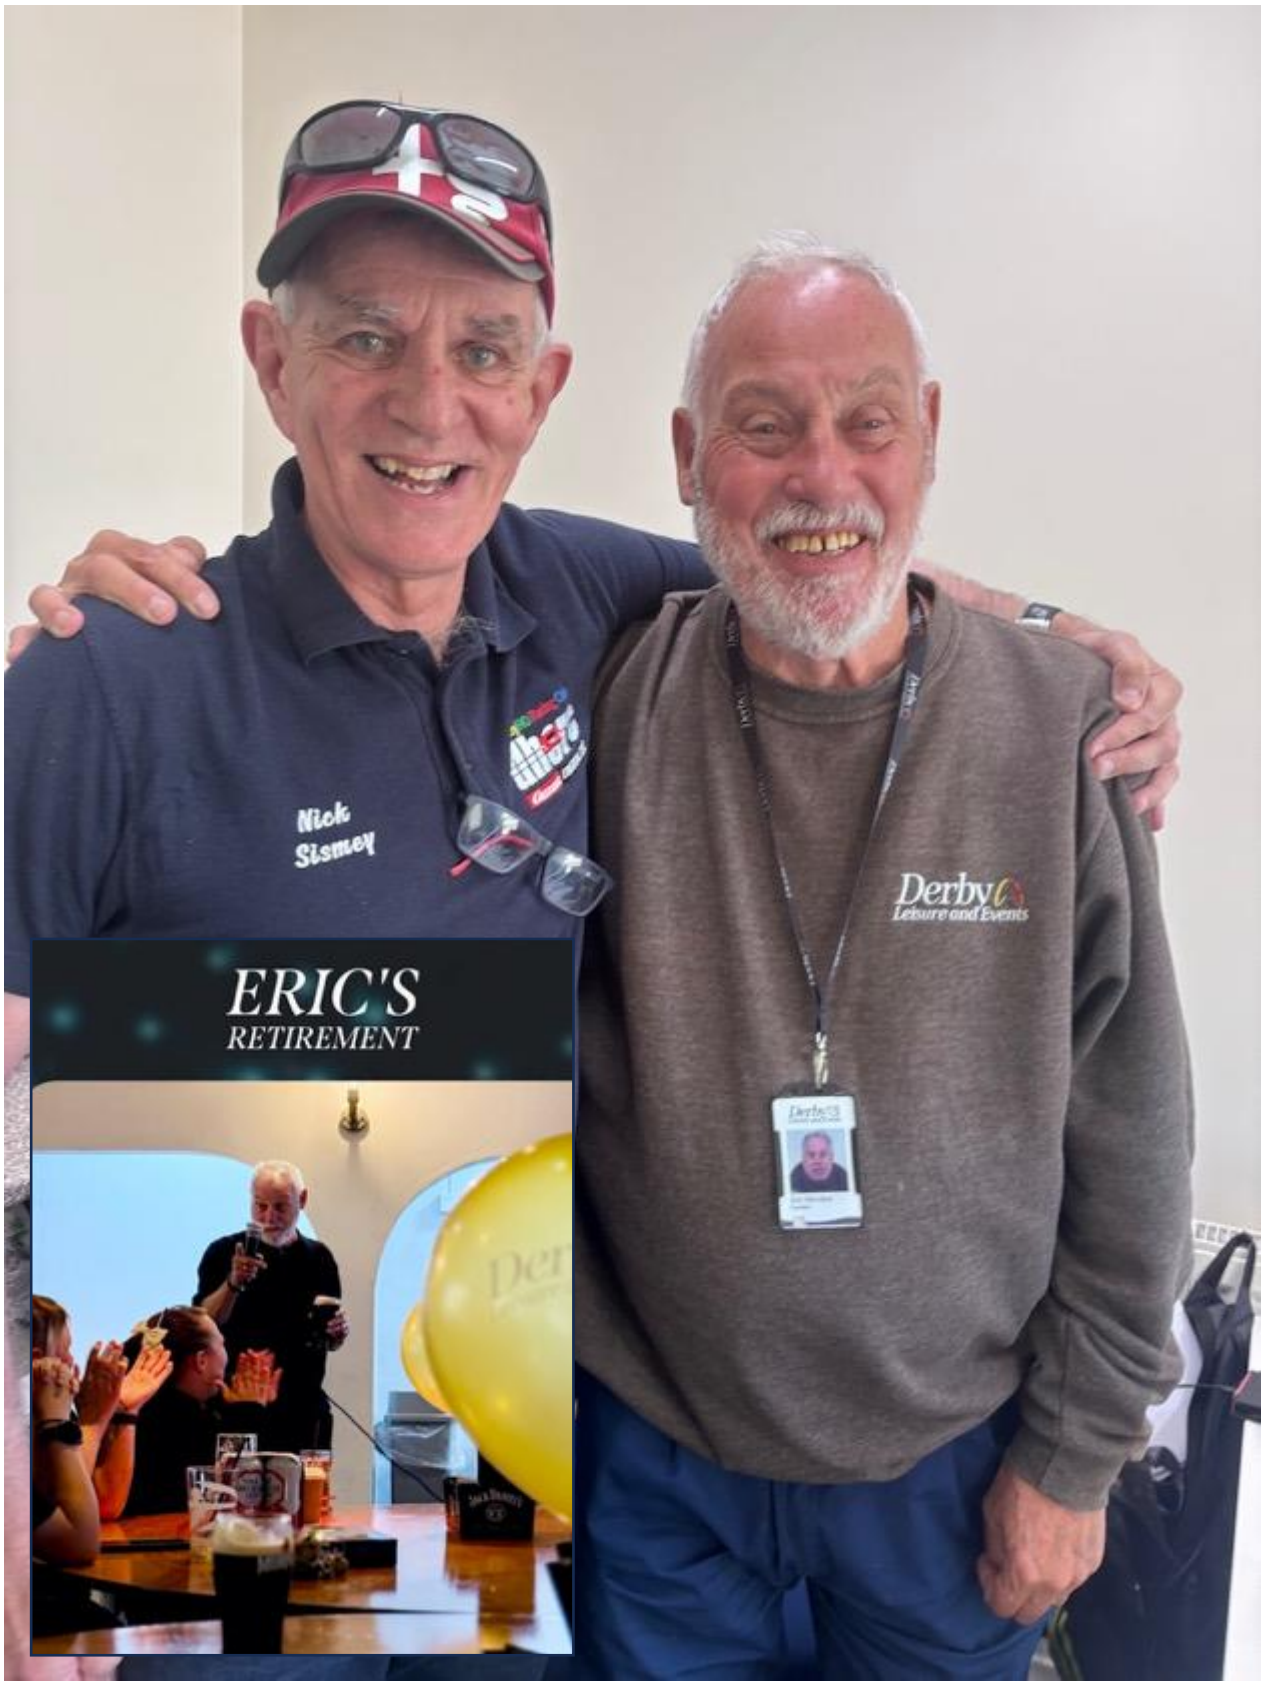
8. Goodbye to Eric Marsden at DL&E security

We said goodbye to 81 year old **Eric Marsden**, who has been on security duty at Derby Leisure and Events for 22 year, on the Tuesday evening of our Sonoma race. What a great guy, we have always had a great rapport with him and will miss him. The good news, however, is that **John "Razor" Lamb** is returning to replace the unreplaceable Eric!



9. Geoff Peach pops in to say hello….

Geoff Peach joined the HO side of DHORC on 07Jan97 lying in fourth place in the all-time attendance records with 457 Club Nights in the books with three wins. He also ran in our first Carrera Digital Club Night on 18Jan22 and clocked up a total of 86 CD Club Nights there. His last Club Night was his 457th HO Club Night on 25Jun24 at Brasilia before moving up to Northumberland to be closer to his two sons. He has joined a 1/32nd Slot Car Club up there as well as a bowls club, really living the life. He came down to Derby and popped in to say hello at Sonoma. Great to see you Geoff.

Our newest Carrera Digital Member Ian Cowlishaw ran in his first evening at Sonoma taking a best of 17th in Round 34

Chris shares his first win with Steve Whittaker

Chris Cooper proved his move up to Group A was justified by taking his first career victory in Round 33 of our 2026 Carrera Digital GT Championship, our first 15-minute Endurance Race of the evening at our 136'3" Sonoma Raceway circuit. This was Chris' 112th race start with his previous best result of 2nd on 21Jan25 at Mugello. His McLaren (1) was joined on the top step of the podium by **Steve Whittaker's** BMW (1) as they became our 11th joint winners in 242 Club Nights and fourth of this season, breaking the record of three pairings set in both 2024 and 2025. Having won the previous Sprint Race this was Steve's first back-to-back win taking him to five for the year and five for his career. It was also notable that the last McLaren win was on the Luanda Roval on 02Dec25. Added to this Chris made it four Group wins in a row, beating his previous best of three!

Liam Smith's Ferrari (1) had looked like it would take his first win, but he would lose out by 1.1 laps, 73.9 to 72.8, which was some 2.7 laps off the Endurance Race Lap record. We had two racers setting personal best finishes behind Liam, **Anthony Mitro** and his Porsche 911 (1) taking fourth beating his seventh at Fuji-Speedway on 16Jun26 and **Nick Jarram's** McLaren (2) taking fifth, three places better than his eighth on 14Apr26 at Autodromo di Franciacorta. There was but a tenth of a lap between them with 71.5 and 71.4 laps scored. This was Nick's third Group (C) win of the year taking home a maximum 11 points starting from C6 on the grid.

We had 29 on the grid for this first race with our youngest racer **Jenson Woodhouse** finishing seven tenths behind Nick in sixth. His Porsche 911 (2) would only make this Club Night unfortunately due to the time. We will have to look at tweaking the Groups, so he runs with his dad in the future, so he doesn't miss out. However in this lone run Jenson set the fifth fastest lap beating his sixth way back on 08Jun24 at Le Mans. Our Championship leader **Steve White** brought home the third Porsche 911 of the evening in seventh 2.3 laps back on 68.4 laps to Jenson's 70.7. Jenson's dad **Andrew Woodhouse's** Gulf Porsche 911 (4) would run in all three Club Nights at Sonoma, here taking the Group D win, making it four Group winners in the top eight! He was 2.9 laps and two places behind Jenson on 67.8 laps.

Lewis Blacker ensured Group B would have four of their racers home first in the top nine. His Ferrari (2) was a tenth of a lap ahead of fellow Race Controller **Phil Rees'** Mustang (1) 66.3 to 66.2 while **Jag Kalyan's** Audi R8 (1) followed his Group C comrade home in 11th half a lap back on 65.7. Jag's son **Daniel Kalyan** was running a new superb black Joyn sponsored Audi R8 (2),

Liam Smith would equal his best ever finish with third in Round 33 taking the Group B win but there was better yet to come for him in the next Round!

the new chassis clearly much better than his older KFC Audi R8, as he moved back up the leader board with his best result since April with 12th, finishing on 65.1 laps, second to Andrew in the D. **Stuart Gray's** McLaren (3) could see Daniel's Audi just passed the first tenth ahead of him as he finished on 65.0 laps in 13th.

In his 150th start **Terry Mullen** took his McLaren (4) to 14th on 64.6 laps, taking fifth in the B while **Nick Sismey** was pleased to take his Porsche 911 (5) to fourth in Group A as he struggled to get attuned to Sonoma's continual twists and turns. His 63.9 laps were 0.4 tenths better than **Dave Edward's** McLaren's (5) 63.1 laps, fifth in the C, as they finished in 15th and 16th. **Andrew Staniec** made it six Porsche 911's home in the top 17 on 61.7 laps while **Lee Stokes** took the number of Audi R8s across the line to three finishing in 18th and taking his third Group E win from ten starts on 61.3 laps.

Ryan Goodere was the first Corvette returning to the pits in 19th on 60.7 laps while **José Borges'** Audi R8 (4) was the 14th and last car in the 60-70 lap bracket on 60.3 laps in 20th as Group B was the first Group to get all of its cars across the finish line. Ryan would set the 18th fastest lap beating his 19th at Autodromo di Franciacorta on 14Apr26. Top of the six 50-60 lappers was **Andy Mason's** Ferrari (3) in 21st on 56.7 laps while **Ted Whittaker** was uncharacteristically low in the order with 23rd on 54.7 laps, his Audi R8 (5) not giving him the confidence to push, his brakes probably not at the optimal setting and one of his rear tyres coming off the rim several times. In between them was **Dave Trantom's** Porsche 911 (7) in 22nd, 1.4 laps behind Andy and 0.6 laps ahead of Ted on 55.3.

Simon Rankin was the only racer to run a Lamborghini, his sleek yellow version closing out Group D on 54.5 laps, only two tenths behind Ted in 24th, while our new Carrera Digital racer, **Ian Cowlishaw** from near Mansfield, finished his first Club Night in 25th on 52.5 laps. He ran the identical bright red and while Lionspeed Porsche 911 (8), as Jenson, fresh from Phil's preparation studio. **Mike Graham** was back after missing Watkins Glenn, he was the fourth racer to run a one off model on the night, his, a Mercedes AMG. In his seventh start he was a tenth of a lap behind newbie Ian on 52.4 laps in 26th.

Our 2023 and 2024 Champion **Simon Goodlip** may have taken a record 84th career Pole together with his 14th front grid slot start, his fourth in a row, and he may have taken his 68th (11th) fastest lap but car problems, which saw him having to recode a couple of times left him languishing down in 27th on 47.6 laps. Even if he hadn't have been carrying his two lap penalty he wouldn't have improved his case with his Audi R8 (6) as he closed our Group A.

Laura Edwards' Audi R8 made it seven Audi's on the grid as she drove the penultimate car home on 41.3 laps in 28th while **James Wardle** ensured that the Porsche 911 were the most abundant make on the grid with the ninth one across the finish line as his 35.8 laps, again due to car issues, gave him his second Wooden Spoon of the year in 29th. Despite this James would take the seventh fastest lap beating his 11th at Suzuka on 24Oct25. Interesting we had joint winners but no other pairings throughout the remaining 27 racers!

The final car count was Porsche 911 (9), Audi R8 (7), McLaren (5), Ferrari (3), BMW (1), Corvette (1) Lamborghini (1), Mercedes AMG (1) and Mustang (1)

Simon Goodlip was in control of Parc Ferme and would have won Rounds 34 & 35 had he not been carrying a one lap penalty. He did win Group A in Round 34 though.

Liam makes it two new winners in two races at Sonoma

Liam Smith made it two new winners in two Club Nights at Sonoma, only the second time this has happened at DHORC-CD, the first being when JJ Hughes-Dowd followed Lewis Blacker at Road Atlanta on 09May23. This was Liam's 172nd race start, with his previous best finish being third on 11Feb25 at Daytona. Running a Ferrari, this was the first time the Italian manufacturer had taken a race win since 15Oct24 at Fuji Speedway, taking Ferrari to 24 victories. It was also back-to-back Group B wins for Liam and his third Group win in a row.

Liam's 75.8 laps was 0.8 laps off the track record set by **Simon Goodlip** in January and made it six different winners at Sonoma from five races. Had Simon not being carrying a one lap penalty he would have actually won the second 15-minute Endurance Race of the evening with 76.2 laps, however the penalty system worked as it was intended leaving Simon in second on 75.2 laps, a 25 place improvement to Round 33, and the Group A win. He also took his fifth straight Pole position with a record 85th (15th) top Qualifying placing and added to that in the race with his 69th (12th) fastest lap. **Chris Cooper** took back-to-back podiums with third, all three of them on their 76th lap with him just crossing the line for the 75th time as the flag dropped.

Dave Edwards was our Group C winner in Round 34 with a best finish of 7th

Endurance Race Championship leader **Steve White** moved up three spots, compared to the previous round, with fourth, a good 1.4 laps behind Chris. His lead in the Championship over Simon went up from 27 to 35 points over the two Californian races while the absent Martin Thorpe's gap to Simon increased from 92 to 136 points in third.

Steve Whittaker dropped four places to fifth while son **Ted Whittaker** managed to get his car sorted between races catapulting up to sixth from 23rd first time out, their laps being 73.4 and 72.7 respectively, with Steve losing one place due to his one lap penalty. Ted set the second fastest lap time in Round 34 beating his previous best of third at Monza on 31Jan26. He was the fifth straight Group A finisher in a 28 car field. **Dave Edwards** took the Group C win off previous winner **Nick Jarram** by just a tenth, both bagging nine Group points in seventh and eighth on 72.1 and 72.0 laps. Nick also set the seventh fastest lap beating his ninth on 28Nov25 at Bathurst.

Andrew Woodhouse again took Group D with 71.8 laps, four more than earlier and made it nine racers to record 70 laps or more compared to six earlier. **Daniel Kalyan** was getting used to his new chassis as he made the top ten this time, second in the D on 68.7 laps. **James Wardle** also sorted his car out jumping up 18 places from last to 11th on 68.0 laps having taken seventh in Qualifying four places better than his previous best grid slot of 11th at Autodromo di Franciacorta on 14Apr26. **Nick Sismey** did better this time, with 67.3 laps compared to 63.9 moving him up from 15th to 12th as he closed out Group A.

Lewis Blacker recorded a devil of a score with 66.6 laps (0.3 laps more than earlier) in 13th dropping four places with **Phil Rees** joining him on the 67th lap by just clearing the line with 66.0 laps, while **Lee Stokes**, in only his 11th start, recorded a career best of 15th on 65.1. He also took back-to-back Group E wins, with all five Group winners in the top 15. **Jag Kalyan** lost out to son Daniel by 5.2 laps this time, finishing on 63.5 laps in 16th, having bested him by half a lap earlier. That made it 1-1 in the Kalyan household, the first time Daniel has beaten his dad since April. **Ian Cowlishaw** was already climbing the rankings in only his second Club Night with 17th here after his 25th first time out, adding 10.9 laps to his previous score.

A lap behind Porsche 911 runner Ian was fellow Stuttgart car driver **Andrew Staniec** on 62.4 laps in 18th while **Ryan Goodere** followed home Group D associate Andrew in 19th only two tenths of a lap separating them both, Ryan recording 62.2 laps. He had taken 19th in Qualifying beating his 20th at Autodromo di Franciacorta on 14Apr26 and set the 15th fastest lap, three places better than his 18th in the previous round earlier in the evening. **Andy Mason** went one place better than Round 33 with 20th, thanks to two more circulations of the 136'3" Sonoma Raceway circuit, 58.7 laps his total this time.

José Borges swapped places with Andy taking 21st this time on 57.4 laps while **Mike Graham** improved by four places to finish in 22nd three tenths behind José on 57.1 laps. **Simon Rankin** jumped a place to 23rd thanks to 1.7 more laps in his second run of the evening leaving a 56.2 on the board. **Dave Trantom** followed him home having two more cars ahead of him in this race as he took 24th with 55.7 laps, despite being 0.4 laps further down the road, closing out the D. **Laura Edwards** meanwhile was up three places, her 52.0 laps 10.7 better than earlier as she again closed out the E as the fifth finisher.

Stuart Gray struggled with his car in the second race of the evening, dropping 13 places to 26th on 49.7 with **Anthony Mitro** amazingly following up his best ever finish in Round 33 of fourth with his worst of 27th from his 45 starts to date, thanks to a blown motor after 49.1 laps! It was **Terry Mullen's** turn to take his second Wooden Spoon of the year however, driving his car behind the wall after only 12.0 laps. He would head home before the 5-minute Sprint Race, having taken 28th.

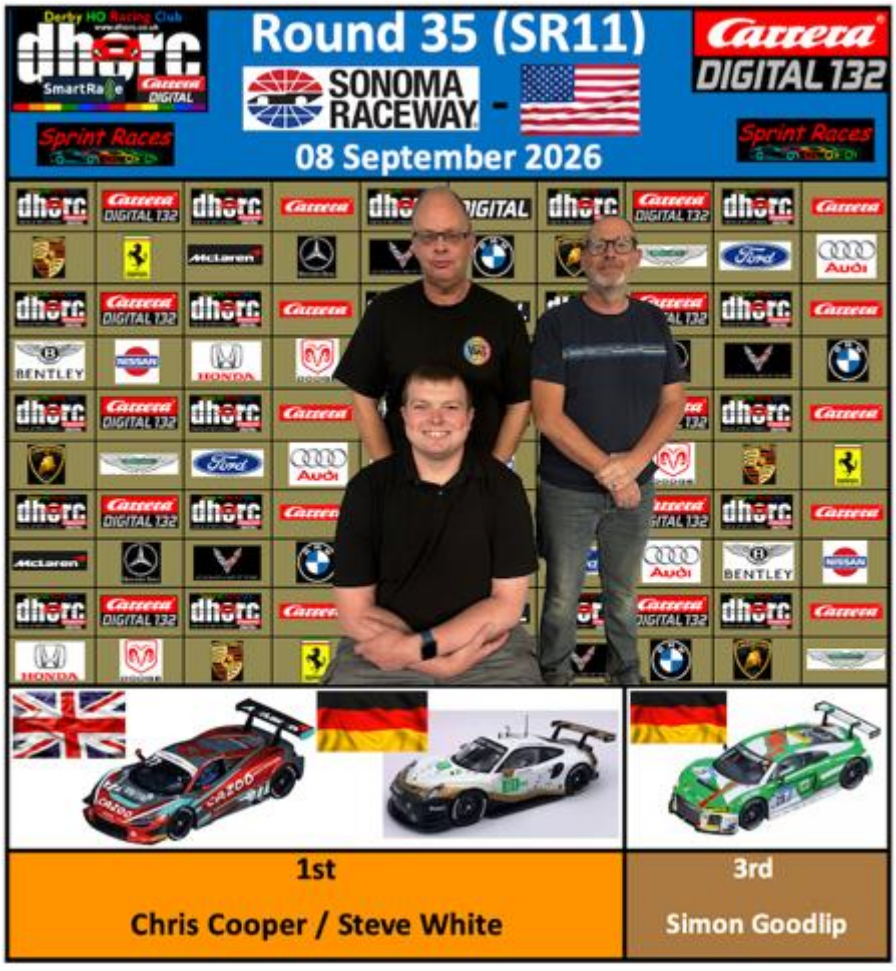
Chris sprints to second win with Steve White

Chris Cooper did it again! While still celebrating his first career win in Round 33 it took Chris just two races to take his second victory. He again shared it with a Steve but Sprint Championship leader **Steve White** on this occasion! Sonoma on Tuesday was the first time we have had two pairings taking wins on the same night, the 12th in 244 Club Nights and a record fifth this year. While Chris made it two for the night and career Steve took his 28th (9th) with both on 28.2 laps, two tenths shy of the absent Victor de Oliveira's 5-minutes laps record of 28.4 set on 20Jan26.

Someone who wasn't shy of the record was **Simon Goodlip** who saw 28.9 laps come up on the screen, therefore becoming the new record holder. However as far as the race was concerned he was carrying a one lap penalty so that took him down to 27.9 laps. It was the second straight race where a penalty denied him the top step of the podium. He did however take a sixth straight Pole, taking his club record to 86 with his 16th of the campaign.

Steve, taking his fourth Sprint Race win of the year, extends his lead over Simon from 23.5 to 28.5 points with the reigning Sprint Race Champion Victor dropping 16.5 points but remaining in third.

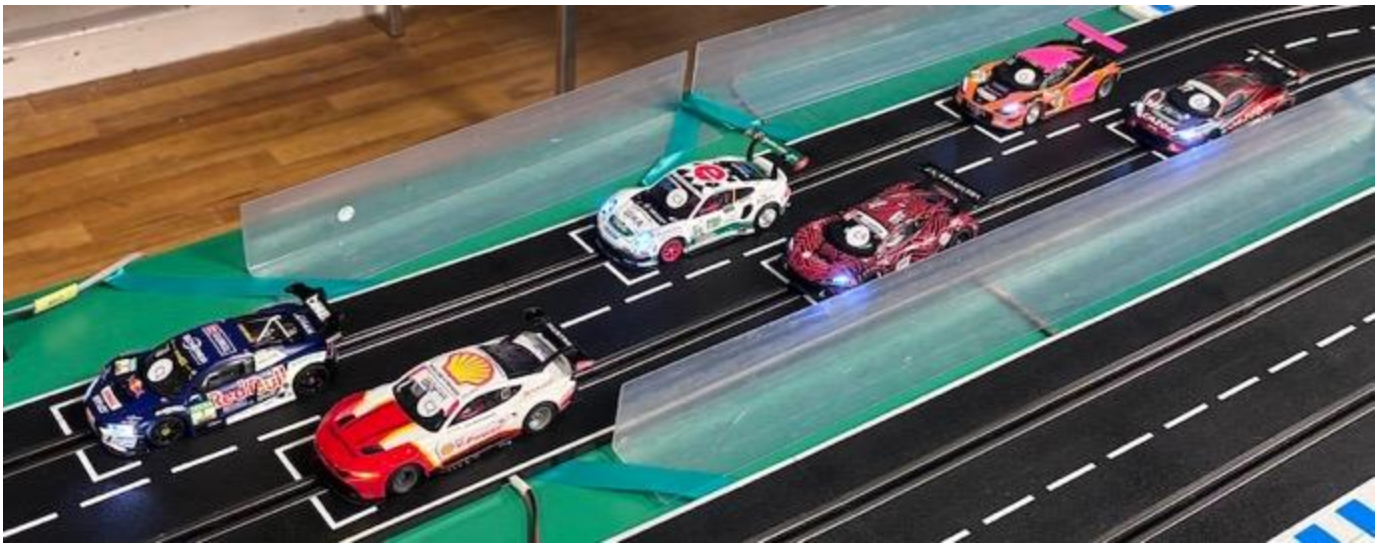


Liam Smith made it four straight Group wins in a row by taking all three Group B wins at Sonoma, his best run to date, claiming fourth this time, just 0.2 laps behind Simon. **Ted Whittaker** was flying by now finishing one place better than his second race of the evening in fifth another two tenths back. He also started from second on the grid beating his previous best of third at DHORC-CD 179 on 16Sep25 at Watkins Glen. **Nick Sismey** also felt more comfortable in the Sprint Race up six places to sixth, another lap back.

In the Group Challenge the absent Martin Thorpe had such a lead he is still atop the leaderboard; however second placed Liam ate into that lead, reducing it from 21.5 to 6.5 points with third placed Steve White dropping 3.0 points to Liam, the gap now 3.5.

Group B – José Borges, Terry Mullen, Jenson Woodhouse, Anthony Mitro, Lewis Blacker & Liam

Group A – Nick Sismey, Ted, Chris, Steve White, Steve Whittaker & Simon



While we only had one pairing across Endurance Rounds 33 and 34 the Sprint Races always seem to breed more. The second pairing in this Club Night was between **Lewis Blacker**, second in the B and **Andrew Woodhouse** taking a hat trick of wins in Group D, both on 26.1 laps and both in seventh. Having taken his second Wooden Spoon of the year in the first race of the night **James Wardle** took ninth in the final race as well as the Group C win on 25.7 laps.

There was only a tenth of lap down to tenth and another tenth down 11th with **Dave Edwards** taking all three family wins of the night on 25.6 laps and **Steve Whittaker** going 2-1 with Ted, this time on 25.5 laps. He however set the fastest lap of the night with a 9.646 second lap which was the third of his career and 2026. He would have taken sixth without his one lap penalty sharing the place with Nick.

Our third and fourth pairings then took us past the halfway stage of the grid with our 12th and 14th placed finishers as Terry Mullen had decided to leave before the Sprint Race leaving us with 27 racers. **Stuart Gray** and **Nick Jarram** shared 12th and third in Group C on 24.7 laps while half a lap back were **Daniel Kalyan** and **Phil Rees** both in 14th and both recording 24.2 laps. With **Jag Kalyan** another tenth back on 24.1 laps it meant Daniel won the Kalyan family race at Sonoma 2-1. **Andrew Staniec** was the sixth racer to complete 24 laps, his Porsche 911 flashing across the line as Smart Race killed the power as he recorded exactly 24.0 laps and 17th place in what was his 150th race start!

In the 70+ Group Challenge the absent Richard Booth retains his lead however Andrew Staniec took 10 Group points out of him, to be within 5 points after our California visit, with Stuart still in third but dropping 2 points to Andrew, sitting a further 3 points further back.

Despite Team M&S having only one racer in the Californian hills (with Martin away), Steve White ensured they continued to lead the pack in the Team Group Challenge. Simon Goodlip and Phil made hay while the sun shone however with their Team Audistang reducing the deficit to M&S from 43.5 points to 37.5. Third placed Gray Hounds were also short of a racer, with son Tom Gray away leaving dad Stuart to fend off any challenges. They maintained their position but the gap to second opened up from 4.5 to 11.5 points. The next five teams are covered by just 12 points. Still all to play for with over half of the season to go!

The final ten finishes of the Sprint Race were led home by **José Borges** on 23.8 laps in 18th while **Lee Stokes** was very pleased he made the trip all the way from Scunthorpe in his Transit van (as his car broke down earlier in the day) as he took all three Group E wins on the night. A tenth behind José in 19th on 23.7 laps he was no longer our most recent Member. That belonged to **Ian Cowlishaw** who finished his first Sprint Race in 20th on 22.1 laps. Third in the E behind Lee and Ian was **Laura Edwards** in 21st place on 20.7 laps. She was followed in by our fifth pairing of this race, **Andy Mason** and **Dave Trantom** on 20.0 laps a piece in 22nd with Andy also setting the 22nd fastest lap, beating his 24th on 31Jan26 at Monza.

Mike Graham closed out Group E with 19.5 laps in 24th with **Ryan Goodere** just holding off **Simon Rankin** for fifth in Group D, the former on 19.3 laps the latter closing Group E on 19.1 laps, in 25th and 26th. Having taken the 14th grid slot for the final Round of the evening Ryan beat his PB of 19th set in the previous Round.

Having had a wonderful start to his evening in Round 33 with a PB fourth, **Anthony Mitro** finished Round 35 in the same position as Round 34 in 27th on 15.5 laps thanks to more car problems. However with only 27 on the grid this meant Anthony took home his first Wooden Spoon of the year, our 23rd different racer to do so!

Circuit History

A sign outside **Road America's** Turn 5 proudly declares the facility as "America's National Park of Speed" and it is hard to put forward a counter-argument. With a layout largely unchanged since its mid-1950s inauguration, this four mile course has plaid host to some of the country's most prominent road racing championships.

The 640-acre, park-like grounds offer amazing viewing opportunities, fantastic concessions and high-speed excitement to thousands of spectators each year. In addition to public race weekends, Road America offers group event programs, the Briggs & Stratton Motorplex for karting and Supermoto club racing, and the Road America Motorcycle and Advanced Driving Schools.

The track currently boasts a full schedule of racing each year, with highlights including the IndyCar Series, NASCAR Cup and Xfinity Series, IMSA Sportscars, MotoAmerica and the GT World Challenge America, alongside several vintage and classic events.
