History and Key Facts

TOMY **AFX**

HO Club founded on 7 July 1992

- DHORC: Derby HO Racing Club ("HO" Is The Scale = 1/64th)
- Based at Derby Leisure and Events, open to all!
- Home of world famous international Le Mans 24 Hour race until 2019.
- Smaller scale version of Scalextric, once set up works all night!
- Four and Eight lane circuits
- Computerised timing
- Statistics for every meeting and every member since July 1992
- Over 30 Club Nights each year
- 50+ circuit designs, up to 567 feet in length
- Eight-lane routed dhorcingham oval
- Two car categories – Tyco open wheel (F1)
 - Tomy SGP, BSRT, VSR, Bulldog enclosed wheel (GC)

TYCO

Carrera Digital Club 1st race 18 January 2022

- 1/32nd Carrera Digital GT Cars
- 16 Evenings a year, with 15-minute Endurance & 5-minute Sprint Races
- 10+ circuits
- Full computerised timing and stats through SmartRace App

The Club Nights and Magazine Coverage

HO

- Racing starts at 18:45 hours – Finished by 22:00 hours
- Minimum of four 3-minute qualifying races & up to two Finals (F1 & GC) for each member
- Championship points for all members
- Magazine produced for every meeting covering every member & track statistic

Carrera Digital

- Racing starts at 18:00 – Finished by 22:00 hours
- Magazine produced after each evening
- Championship points for all members
- Rules & regulations booklet covering all the DHORC rules produced each year
- Great family atmosphere, a help-all culture

Membership Fees, Car Costs and Prizes

- Adult £40 and junior (under 16) £20 for HO & Carrera, £50/£25 combined
- Only £50 Total expenditure for two cars HO Cars, £65 one Carrera
- All cars and spares can be bought at club
- Adult, Masters (over 56), Junior (16 & under) HO Championships
- Adult & 70+ Carrera Championships

Editorial 068

What a weekend with 33 racers taking to our undulating Road America circuit, last used in Jul'24. Again it proved a favourite to many and yet something to get through for others. The yump before the start line caught so many folk out, me included, missing several laps during the weekend.

A big DHORC welcome to our newest Member **Daryl Russell** as covered on Page 5.

Congratulations to **Simon Goodlip** for dominating the weekend with five wins, taking command in both the Endurance Race and Sprint Race Championships. Congrats also to our other GT winners, **Tom Gray** with two and **Martin Thorpe** with one on Friday. I was also delighted to take my first win of the year once I had tamed the yump! Simon and Tom also won a NASCAR Cup race a piece as did **Liam Smith**, congratulations to all.

We must also congratulate all of our Group winners, particularly **Luke Hobson** for taking his first and then finishing up with eight from nine starts! Our others were **Simon (5)**, **Tom (2)**, **Victor de Oliveira (1)**, **Phil Rees (1)**, **Nick Sismey (6)**, **Liam Smith (3)**, **Andrew Staniec (4)**, **Lee Stokes (1)** **Martin (1)** **Dave Trantom (5)** & **Andrew Woodhouse (2)**.

Round 41, the last Club Night on Saturday morning, was our 250th GT race since we started the Carrera Digital side of DHORC on 18Jan22. It really doesn't seem two minutes ago, but time certainly flies! Due to the number of races over the weekend the reports only cover the highlights.

Nick Sismey

Front Cover: Luke Hobson fettling his Porsche 911 before his eight Group wins

2. Daryl becomes our 68th Member of the year!

Daryl Russell who contacted us via Facebook in July made his first appearance at DHORC-CD at our Road America weekend. Borrowing one of my cars and getting there early for some Digital practice on Friday Daryl was soon up to speed and enjoyed all nine Club Nights in Wisconsin. A big DHORC welcome Daryl.

3. *Richard & Nick, '25 Weekend Team Champions*

DHRC Secretary **Laura Edwards** was finally able to present **Richard Booth** and **Nick Sismey** with their 2025 Weekend Team Championship trophies on Saturday as the trophies were returned. Thanks Laura and congrats both.

4. *Stuart's wooden table supports*

DHRC's in house carpenter **Stuart Gray** has been at it again, replacing our track box table supports with purpose built wooden alternatives. Thank you so much Stuart.

7. 1st Nanpantan Scouts 22/23Sep26 - Tuesday

With thanks to **José Borges**, **Phil Rees** and **Nick Sismey** we had a great early evening session of HO racing with the **1st Nanpantan Scout Group** 6-8 year old Beavers between 17:45 and 19:15 hours on 22Sep26 in their superb Scout Hut. The noise was unbelievable, but they never stopped racing for the full 90 minutes!

Scouts
1st Nanpantan

Then from 19:45 hours through to 21:15 hours we switched to the older Scouts.

1st

Arran Pull

3rd

Remy Flitton

Phil (top right) was in charge of the power which was turned down for the Beavers but then upped to 15V for the Scouts.

José (top right) looked after the other end of our approx. 100' long 4-lane Tomy AFX track.

Nick ran Race Control with the help of **Euan Rhodes** (centre left)

While Beavers just took it in turns to drive the Scouts ran four off 2-minute Qualifying rounds with our Porsche 924 Lexans on Bulldog chassis.

The top four then had a Final to see who the Champion for the evening would be. **Arran Paul** took top honours on Tuesday.

One evening down, one to go!

Wednesday

With thanks to **José Borges** (who had brought his own DIY noise cancelling devices 😊), **John Lamb**, **Nick Sismey** and **Dave Trantom** (who's grandson was racing) our second night at the 1st Nanpantan Scout Group running a 4-lane track for a different group of Beavers went down a treat.

Susan Smith, the Leader in charge of the Beavers, ensured they all had several two-minute runs each and then organised two team events which went down really well.

We then had a new group of Scouts later on who ran in a full race simulation like Tuesday.

Sprint Races

Having raced at the HO dhorcingham oval in July Luke Hobson ran in his first Carrera Digital event of the year at Road America. He won his very first Group C race and then went on to take 8 out of 9 Group wins over the weekend. Things would get even better!

Key: Angus averaged 3.000 two races ago, Steve 4.667, so Angus A2***Phil averaged 16.000 two races ago, Stuart 19.667, so Phil B5******Note: Both of the above had the same scores in the last race.**

Lee Stokes also only ran on Friday night. His 14th in the first round of the night was a PB finish and gave him his fourth straight Group win.

Martin kicks off the Weekend with the first win!

Martin Thorpe kicked off the first of nine Club Nights (Six 15-minute Endurance Races & three 5-minute Sprint Races) on the 145'3 undulating Road America track with his fourth victory of the year and the ninth in his career. His Porsche 911, carrying a 1-lap penalty, beat **Angus Smith's** McLaren by the smallest of margins, a tenth of a lap, 73.3 to 73.2 laps. **Tom Gray's** BMW joined them on 73.0 laps as he crossed the finishing line just as the power ebbed away.

We had 23 racers on the grid for our first session of three over the weekend with newbie **Daryl Russell** joining the fray running **Nick Sismey's** back up Porsche 911 after taking some quick digital racing lessons from **Phil Rees** before the evening started at 6pm on Friday night.

Round 36 25 September 2029 DHORC-CD 245		
2nd Angus Smith	1st Martin Thorpe	3rd Tom Gray

Simon Goodlip, fourth home in Group A, would have been on the podium without his 1-lap penalty. However he would take a record 87th (17th) Pole with his Audi R8, his seventh in a row equalling his own PB. The record however, set by the absent Victor de Oliveira, who would be racing on Saturday, is 12. Simon would also take his 70th (13th) fastest lap during the race.

Group B winner **Nick Sismey** took fifth overall with his Gulf Porsche 911 with **Luke Hobson** racing for the first time in Carrera Digital this year with his Porsche 911 taking his very first Group win, the C, in his tenth race start. He would also finish in tenth. **Lee Stokes** in his 13th start took the Group D win in 14th, his fourth straight Group win, which was a PB finish for him.

We had no less than ten Personal Bests in Round 36. Of those above both Luke and Lee would record two. Luke's tenth place finish would beat his 12th back on 29Nov25 at Bathurst while his 14th position in fastest laps at the same meeting became ninth here. Lee's 14th at the flag would beat his 15th at Sonoma on 08Sep26, while he was one of 11 racers who had never run at Road America before and so shared 13th on the grid with all of them, beating his 21st at Sonoma.

Four others of the 11 mentioned above also set PB grid positions, with only **Macaully Dutson's** previous best being outside this year. His sixth at Road America beat his seventh way back on 08Jun24 at Le Mans. **Andy Mason's** 19th at Fortaleza on 26May26 was now 13th as was **Dave Trantom's** 16th on 21Jul26 at Watkins Glen. **Mike Graham's** 16th placed grid slot at Fuji-Speedway on 16Jun26 also reduces three places to 13th in Round 36. Mike would then take 16th in the race beating his 20th at Fuji while Andy being 18th past the flag beat his 20th on 31Jan26 at Monza.

Liam Smith, having won the previous Endurance Race at Sonoma Raceway was carrying a one lap penalty into the Road America weekend. He would lose that immediately becoming our 24th different Wooden Spoon winner of the year in 23rd.

Our newest recruit Daryl Russell taking Carrera Digital training from our top instructor Phil Rees prior to Friday evening's races.

Daryl was only going to race Friday PM and Saturday AM, but when we couldn't work out why the Race Group numbers weren't correct on Saturday PM we realised he had decided to stay!

In his first nine Club Nights he took a PB of 10th.

Race Report

Road America

Round 37

Carrera
DIGITAL 132

25th September 2026

Simon Goodlip would dominate the Road America weekend with five race wins starting with Round 37. In the same race Liam would take his best American finish of third with his first of three Group wins. He would also team up with Simon in his NASCAR team on Saturday for the absent Martin, taking a win!

Simon takes 1st win since July

Simon Goodlip finally got back to the top step of the podium after missing out on eight previous occasions, several due to penalty laps. Here, free of any penalty laps, thanks to his fourth in Round 36 he was able to kick back into his stride and take his 54th (9th) win. However truth be told he was saved from second place this time thanks to Round 36 winner **Martin Thorpe** carrying a two lap penalty for the latter actually scored 76.9 laps to Simon's 76.3 so this time our two time champion benefitted from the ruling. Both **Tom Gray** and **Liam Smith**, with his Ferrari, took third on 72.3 laps, Liam taking the Group B win in the process.

Prior to the second Endurance Race of Friday evening Simon secured a record 88th (18th) Pole, with his eighth consecutive front row slot beating his PB seventh in the last round. He also took back-to-back fastest laps during the race to take him to 71 (14).

Round 37 25 September 2029 DHORC-CD 246		
 2nd Martin Thorpe	 1st Simon Goodlip	 3rd Liam Smith Tom Gray

After taking his very first Group win in the previous round **Luke Hobson** repeated it here going back-to-back in Group C, his eighth place finish beating his tenth earlier while tenth on the grid beat his 12th at Bathurst on 29Nov26.

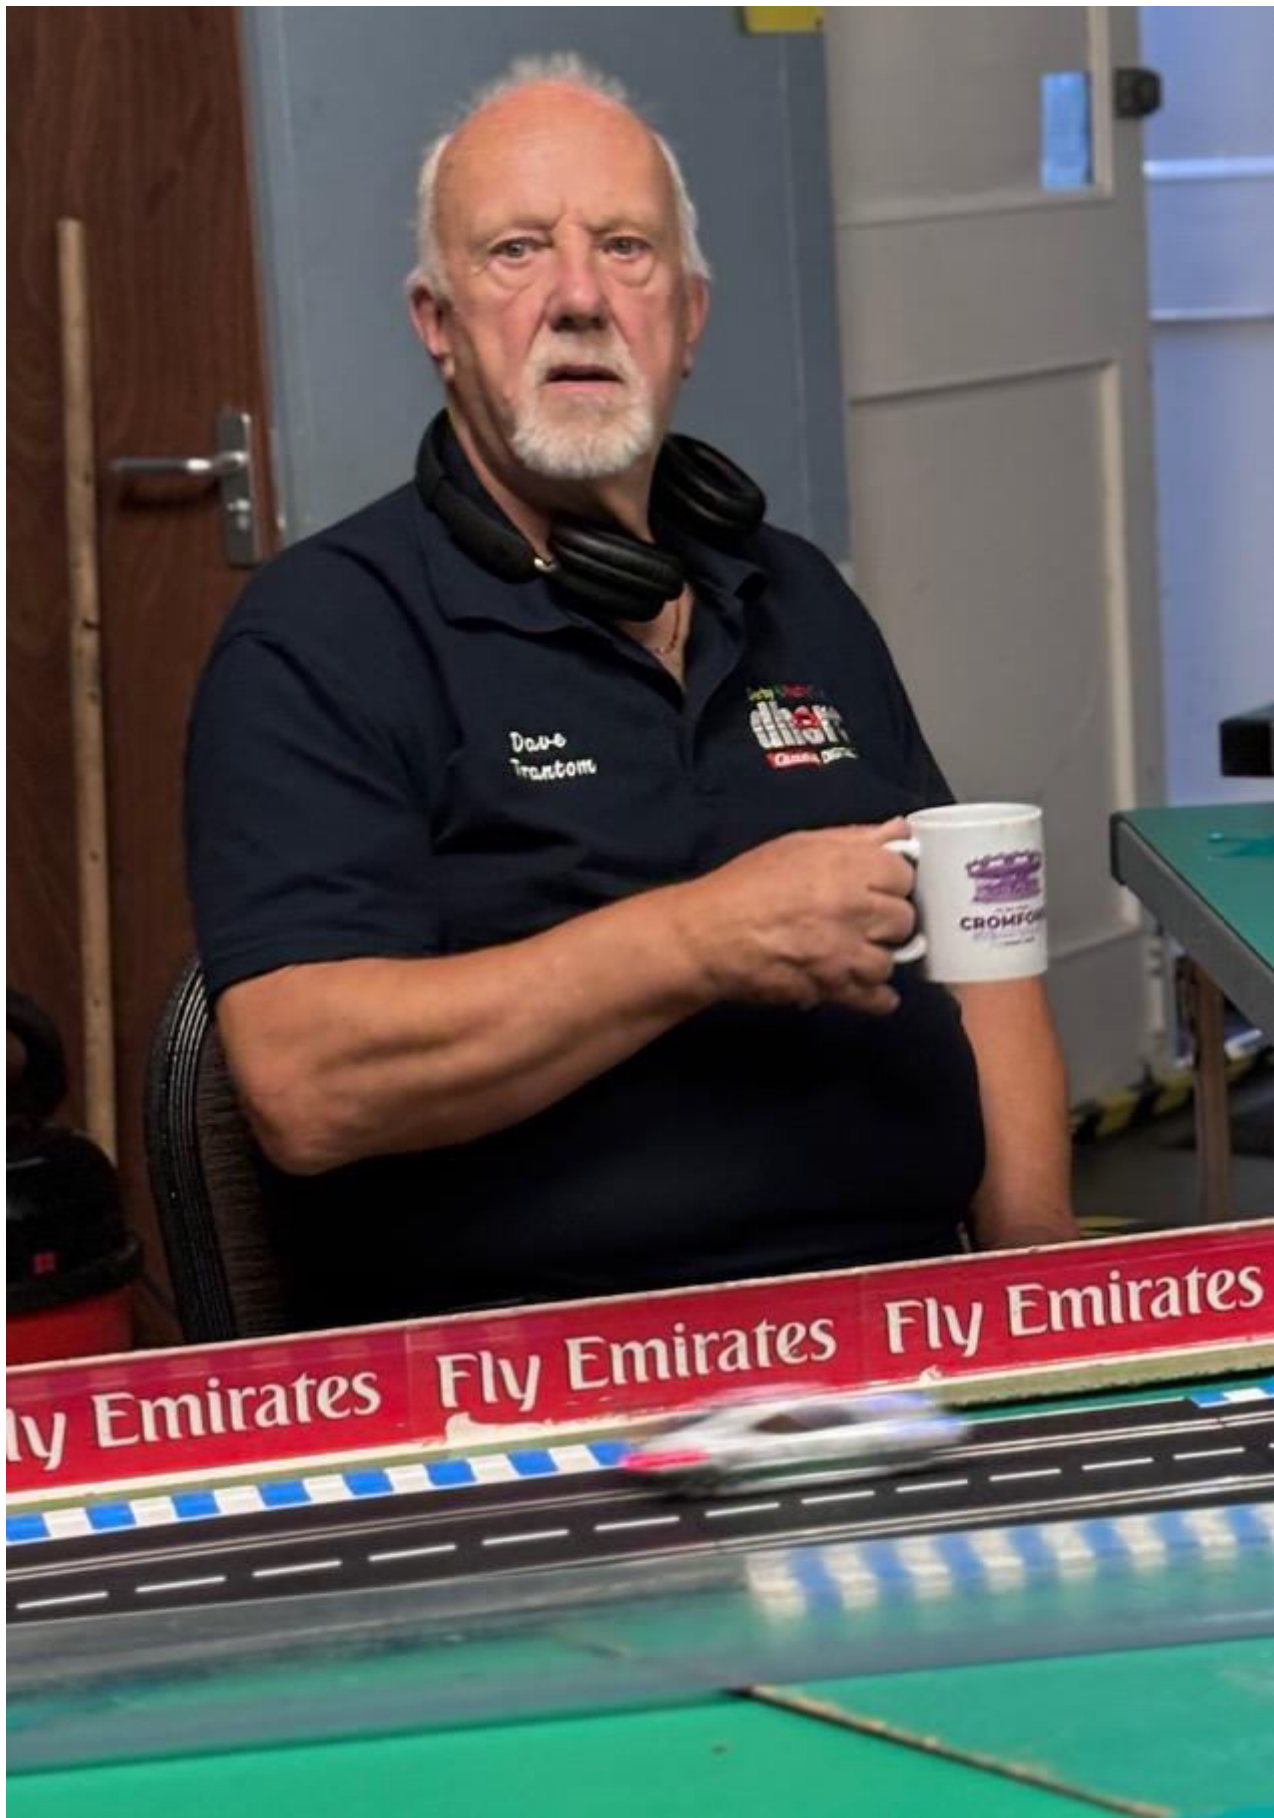

Group D belonged to **Dave Trantom** and his Porsche 911 where he was also setting improved scores. Finishing in 12th meant he beat his 15th at Bathurst and setting the 13th fastest lap beat his 16th at Autodromo di Franciacorta on 14Apr26.

Mike Graham was the only other improver in this round with the 14th fastest lap beating his 15th on 16Jun26 at Fuji.

As well as Tom and Liam taking third, we had **Ted Whittaker's** BMW and **Phil Rees'** Ferrari sharing sixth on 70.4 laps, Luke

and **Steve Whittaker's** Audi R8 in joint eighth on 68.3 laps, with **Jag Kalyan** and **Nick Sismey** immediately following them with their Audi R8 and Porsche 911 on 68.1 laps both in tenth. Our fifth joint finishers in this round were **Richard Booth** with his McLaren and **Daniel Kalyan** with his new Audi R8 who took 14th with 64.3 laps, and our sixth, yes the sixth, being **Macaully Dutson's** Audi R8 and **Mike Graham's** Porsche 911 both on 57.8 laps in 20th.

José Borges and his Audi R8 were 23rd this time taking a record equalling third Wooden Spoon matching **Andy Mason** in 2026.

Dave refuelling before taking the first of five straight Group wins in Round 37.
His best finish was 11th in Round 39. Dave without a cup of tea isn't Dave!

Mike was our third “Friday evening” only racer at Road America taking three PBs including a best career finish of 16th in Round 36

Group A – Ted Whittaker, Martin, Tom Gray, Steve Whittaker, Angus Smith & Simon

Race Report

Road America (SR12)

Round 38

Carrera
DIGITAL 132

25th September 2026

Tom would take three victories in a row, all in different categories of race. His first was in our 12th Sprint Race of the year followed by the Friday evening NASCAR race and then the first Endurance Race of Saturday morning.
Steve ran Friday PM and Saturday AM taking a best of 4th in Round 39.

Tom takes second win of 2026

Tom Gray made it three different winners in three races on Friday night as he took his second win of the year in the Friday night 5-minute Sprint Race, to go with his Sonoma Endurance Race win on 20Jan26, taking him to four career wins. Being the first Sprint Race at Elkhart Lake Tom also set the benchmark of 28.0 laps as the record for our shorter race. **Angus Smith** made his first podium visit of the weekend with second on 27.7 laps while **Ted Whittaker** took his first of the year on 27.5 laps, in third, all three racers being in Group A.

Liam Smith took back-to-back Group B wins which equated to six out of the last seven Group wins for young Liam! While he was in fifth this time **Simon Goodlip** actually matched Tom on 28.0 laps, however a one lap penalty dropped him to that fifth place on 27.0 laps. Simon continued to add to his record tally of Poles though with his 89th (19th) increasing his PB of consecutive front grid slot starts to nine. He also took his third straight fastest lap notching up his 72nd (15th).

Luke Hobson continued to climb the charts, finishing seventh this time, one place better than the last race and he also recorded the eighth fastest lap beating his ninth from the first race of the evening. Added to that he made it three Group C wins in a row.

Dave Trantom went back-to-back on Group D wins finishing in 15th but took the 12th fastest lap, one place better than he achieved in the previous race.

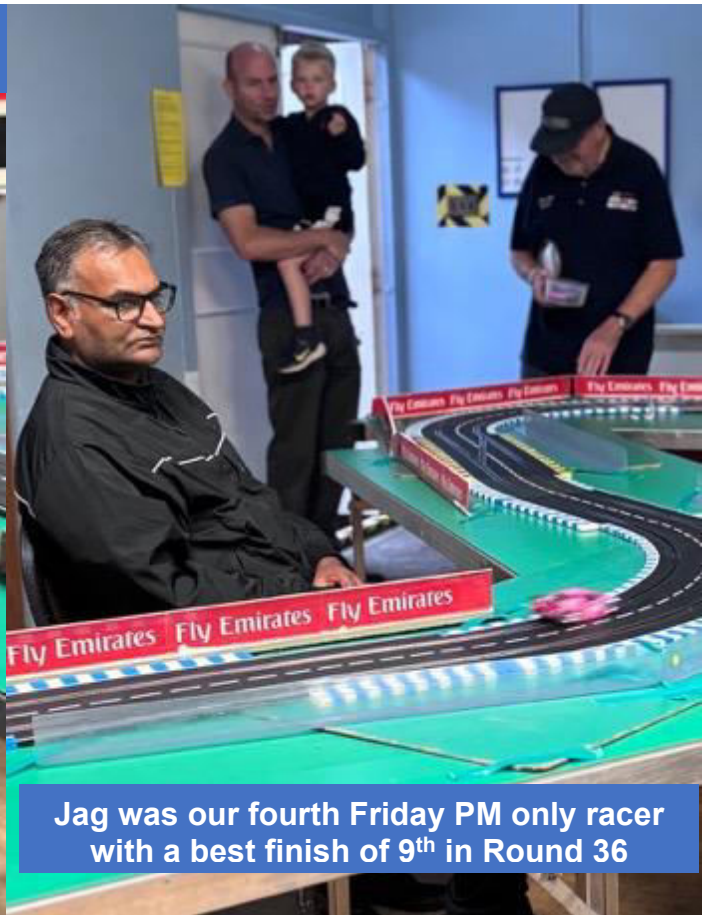

José Borges unfortunately took back-to-back Wooden Spoons to take the lead in that category with four wins in 2026

Round 38 SR12 Sprint Races 25Sep26 Sprint Races DHORC-CD 247

2nd	1st	3rd
Angus Smith	Tom Gray	Ted Whittaker

Andy ran Friday PM & Saturday PM with a career best finish of 16th in Round 44

Jag was our fourth Friday PM only racer with a best finish of 9th in Round 36

Richard took a best finish of 12th in the final race of the weekend

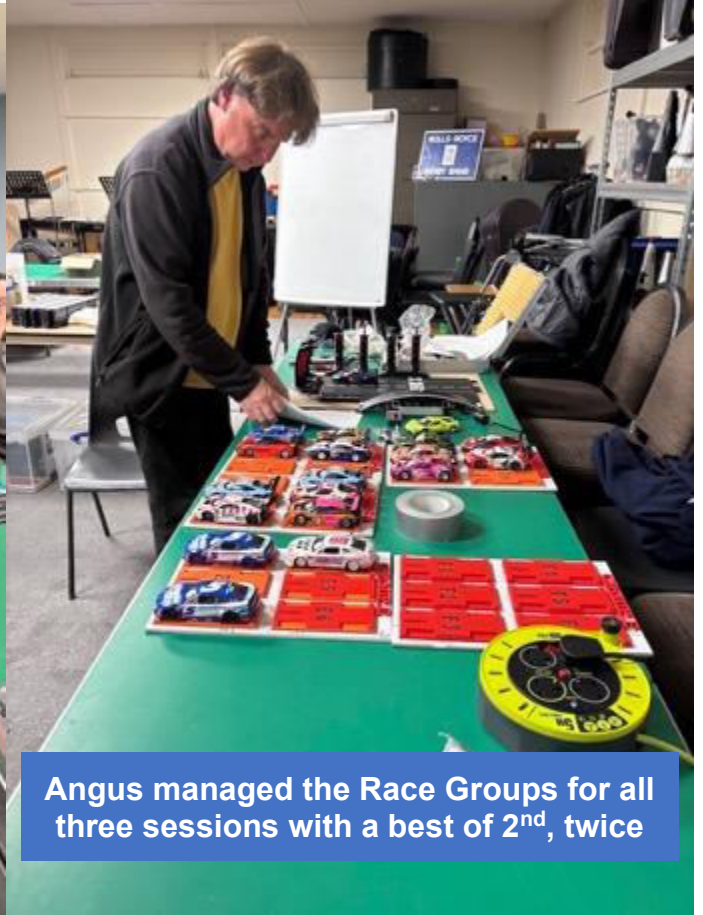

Great to have Bill back for the first time since Monza where he would take a best finish of 10th in Rounds 39 & 42

Key: Angus averaged 3.000 two races ago, Steve 4.667, so Angus A3*

Phil averaged 16.000 two races ago, Stuart 19.667, so Phil C2*

*Note: Both of the above had the same scores in the last race.

Luke had an incredible weekend with 11 PBs, 8 Group wins and his first Podium finish.

Tom takes back-to-back wins

Tom Gray was clearly awake way before any of the other 27 racers on the grid for our Saturday morning session as he took his first back-to-back win following victory in the last race on Friday night. This was his third win of 2026, and fifth in his career. **Phil Rees** and his Ferrari had his best run of the weekend to date taking the Group C win and second overall, just 1.1 laps behind Tom's 75.5 laps. Meanwhile **Luke Hobson** continued his progress up the leaderboard with his first career podium, second to Phil in Group C on 72.8 laps in third. This beat his seventh in the previous race. He also started from ninth on the grid, one place better than his previous PB of tenth at the first Road America race last night.

With 28 racers starting the morning session, which would be the biggest grid of the weekend, this took us to 33 racers overall, with four more racers new to the Wisconsin track, all taking 25th on the grid. This meant we ran five Race Groups, A through to C with six racers, D and E with five.

2nd	1st	3rd
Phil Rees	Tom Gray	Luke Hobson

Steve Whittaker and son **Ted Whittaker** made it three Group A racers in the top five, notable because they both finished in fourth on 72.4 laps with their BMW and Audi R8.

Nick Sismey took his second Group B win of the weekend in sixth on 70.4 laps, while **Andrew Staniec** and his Ford GT took his first, finishing in eighth on 70.1 laps, with the Group D win. Andrew actually holds the record for consecutive Group wins with 17, no-one else has reached double figures! **Dave Trantom** is trying his best to catch him with his third straight Group win in a row, his best run to date, this time in Group E with a PB finish of 11th beating his 12th in Round 37 last night. He would share his 11th place finish and 67.0 laps with **Daniel Kalyan** and his Audi R8.

Simon Goodlip found himself down in ninth on 69.7 laps in the first of six GT races on Saturday still carrying a one lap penalty, however he did set a record 90th

Pole with his 20th of the year. This was his 10th straight front grid spot start beating his previous nine, but still two shy of record holder **Victor de Oliveira** on 12.

Victor was one of the nine new racers running at Road America Saturday morning. Unfortunately for him he was carrying a record four lap penalty going into his first race of the weekend, his 66.9 laps leaving him in 13th with his Aston Martin, whereas he would have taken sixth without the penalty. At least he loses a lap for Round 40. He did however take a record 90th (19th) fastest lap as he re familiarised himself with the Wisconsin track. So quick was he that his 9.221 second lap beat **Angus Smith's** track record of 9.380 seconds set during Qualifying at the Test on 02Jul24.

José Borges became the first Member to take a hattrick of Wooden Spoons taking him to five for the year, two ahead of Andy Mason.

Victor de Oliveira joined us Saturday morning taking four second place finishes and breaking the fastest lap and Sprint Race laps records at Road America

Laura Edwards just ran on Saturday morning with a best finish of 20th

Race Report

Road America

Round 40

Carrera
DIGITAL 132

26th September 2026

Ian Cowlshaw raced in five of the six Saturday races with a best finish of 21st

Simon matches Tom with second Win of the weekend

Simon Goodlip, running in Group B, due to his late arrival, but still classified in Group A, took his second win of the weekend, with 77.4 laps, to match **Tom Gray** on Wisconsin wins, who was third this time on 74.3, his fifth straight podium finish of the weekend from five starts. While Tom was carrying a one lap penalty from winning the first race of the day, which didn't actually hamper him in this race, Simon was free of any penalties after his ninth place finish earlier resulting in his 55th (10th) victory. Therefore his 77.4 laps was genuine, beating **Victor de Oliveira** on 75.8 laps, who was carrying a three lap penalty, having lost one in the previous race after finishing 13th. Had he not he would have taken the win.

Victor stopped Simon's Pole run in it's tracks by taking his 80th (17th) prior to the race and then went on to again break the fastest lap record of 9.221 seconds he set in the first race of the day, stopping the clock at 8.994 seconds, the first sub nine second lap equating to 11.011 mph. This was his record 91st (20th) fastest lap.

Round 40 26 September 2029 DHORC-CD 249

 	 	 
2nd Victor de Oliveira	1st Simon Goodlip	3rd Tom Gray

Outside the podium places **Andrew Woodhouse**, in his second race of the weekend would finish in fifth with his Porsche 911 and take the Group D win on 73.7 laps. His fifth place finish beat his sixth at the Shanghai West Long circuit on 16Apr26, while his ninth fastest lap beat his PB of tenth on 19Mar24 at the Shanghai International circuit.

He would lead three Group winners line astern with **Liam Smith** taking his third Group B win of the event in sixth on 73.5 laps and **Luke Hobson** but a tenth back on 73.4 laps with his fourth Group C win from five starts in the USA. He would also continue to record PBs, this his ninth of the weekend, as he set the sixth fastest lap of Round 40, beating his eighth in Round 38.

Dave Trantom continued on his merry way regarding Group wins, taking a PB fourth in a row while crossing the line in 17th to win Group E on 65.8 laps. **Ian Cowlshaw** became our 25th different Wooden Spoon winner in 2026 with 37.7 laps leaving him in 28th with his Porsche 911.

Ted Whittaker ran Friday PM and Saturday AM taking third in Round 38

Dave Edwards, like Laura, only ran Saturday morning with a best of 8th in our 250th Club Night

Race Report

Road America (SR13)

Round 41

Carrera
DIGITAL 132

26th September 2026

Colin Blake was another racer to just run Saturday morning
taking a best of 22nd in Round 38

Simon wins our 250th Club Night

Simon Goodlip marked our 250th Carrera Digital Club Night with his 56th victory, matching **Victor de Oliveira** on 11 wins for the year. Simon's third win of the weekend came straight after his second and beat **Tom Gray's**, and his, initial Sprint Race laps record of 28.0 laps in Round 38 by 2.8 laps although the actual record went to Victor as he finished on 30.3 laps in second but with a one lap penalty taking the record up to 31.3 laps to Simon's 30.8.

Victor took back-to-back Poles, his 81st (18th) and followed that with his third straight fastest lap taking him to a record 92nd (21st). **Nick Sismey** finally made his first visit to the podium at Road America thanks to finally stopping his car jumping the start line and losing laps. He finished exactly two laps behind Victor on 28.3 taking his third Group B win of the weekend.

The end of our 250th Club Night marked 352,095 laps, 48,503,489 feet and 9,186 miles of racing since 18Jan22 with an average of 24 racers to each of those 250 Club Nights. This year we have averaged 28. Thanks all for your incredible support.

Luke Hobson continued to win Group C, his fifth win from six starts at Road America and continued to set PBs. This time he took seventh on the grid beating his ninth two races earlier. With Luke in fourth at the flag **Andrew Woodhouse** was also having a good day, taking seventh this time with back-to-back Group D wins while **Dave Trantom** was having an even better weekend with his fifth straight Group win, taking all three Group E wins on Saturday morning. He did however take his worse score of the weekend with 21st.

We had our first triplet result of the weekend in Round 41 with **Nick Jarram's** Porsche 911 sharing 14th with **Andrew Staniec** and **Steve Whittaker**, all in different Groups, on 25.4 laps while **Ian Cowlshaw** took back-to-back Wooden Spoons in 28th on 15.7 laps.

Saturday AM Group E – Daryl, Laura, Simon Rankin, Ian & Dave

Group D – Colin, Andrew, Andrew Woodhouse, Macaully & Richard

Group C - Daniel, Luke, Andrew, José, Stuart, Phil & Bill

Key: Phil averaged 16.000 two races ago, Stuart 19.667, so Phil B5

Daniel ran all weekend with 11th in Round 39 his best result

Simon makes it three in a row!

Simon Goodlip was certainly enjoying our return to Road America, after a two year absence from the calendar, taking his third straight win and fourth of the weekend despite carrying a one lap penalty that now becomes two for Round 43! His 57th career win, thanks to 77.0 (78.0) laps, took him to 12 victories for 2026 with second placed **Victor de Oliveira** still on 11, his three lap penalty preventing him from reaching 78.7 laps leaving him on 75.7. He would retain that three lap penalty going into the next round by finishing on the podium as would **Tom Gray** his one lap penalty for finishing third on 74.0 (75.0) laps.

Round 42 26 September 2029 DHORC-CD 251		
2nd Victor de Oliveira	1st Simon Goodlip	3rd Tom Gray

Victor went three in a row with his 82nd (19th) Pole while he made it four fastest laps in a row with a record 93rd (22nd) at the end of the first 15-minute race of the Saturday afternoon session. Here we saw the smallest grid of the weekend with just 21 cars coming out of the pits to do battle.

With Group A locking out the podium again **Nick Sismey** had to settle for fourth a lap behind Tom on 73.3 but this did give him back-to-back Group B wins and his fourth of the weekend.

Luke Hobson took his second hattrick of Group C wins of the weekend, six wins from seven starts, finishing in fifth this time on 73.0 laps and yes he set yet another PB, fifth on the grid beating his seventh at the 250th Club Night. This was his 11th and final PB of the weekend, congrats Luke!

Andrew Staniec meanwhile took his second Group D win at Road America on 69.3 laps equalling his best result of the weekend.

Andy Mason was back for the afternoon session after missing the morning, taking 19th in his first race back on 55.8 laps, but that wasn't a PB, it was his 20th in the fastest lap charts, beating his 22nd at Sonoma Raceway on 08Sep26, that was. **Ian Cowlshaw** equalled **José Borges** with three Wooden Spoons in a row during the weekend as he took 21st with 46.3 laps.

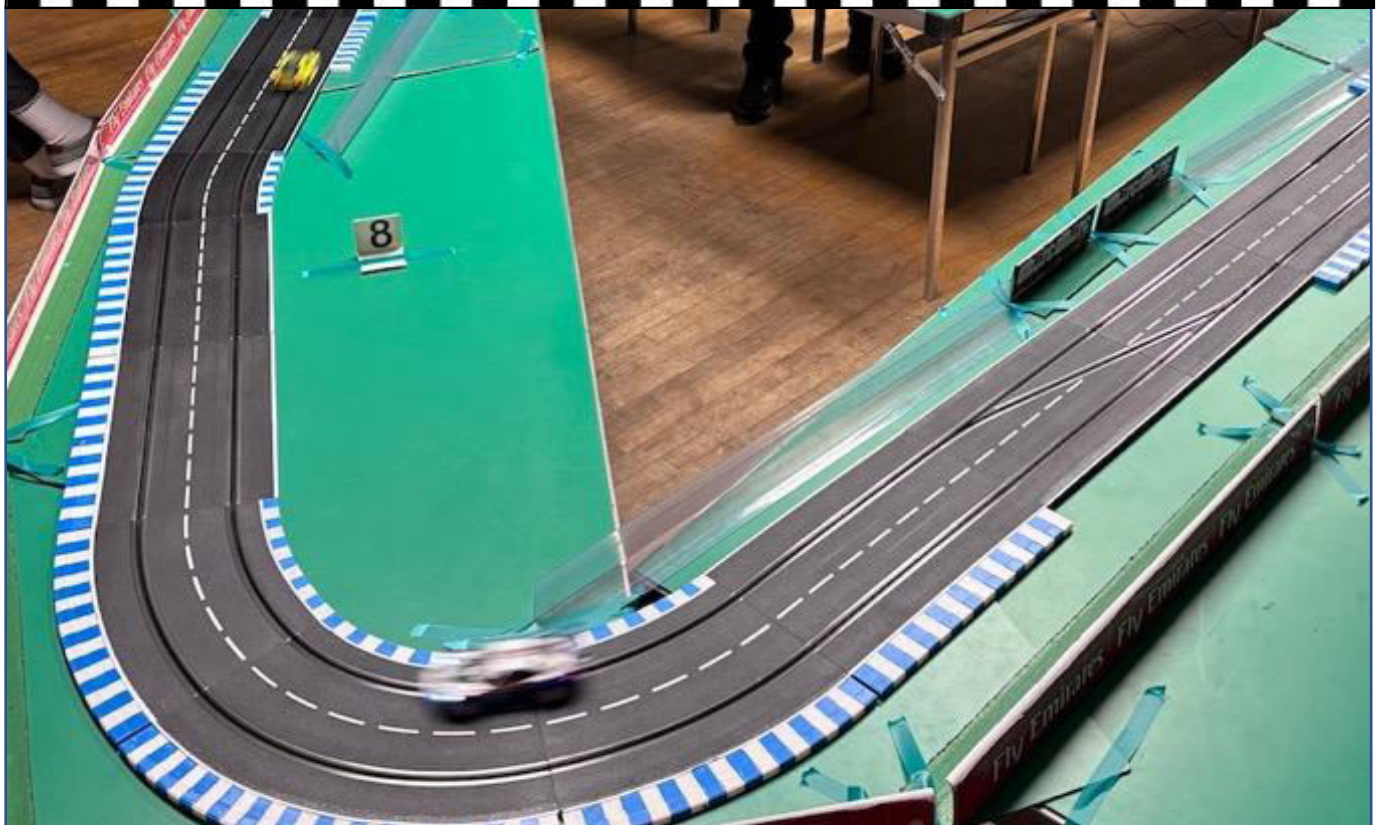

José also ran all weekend and now, unfortunately, leads the Wooden Spoon Championship, adding three at Road America taking him to a total of five. His best finish was 12th in Round 43

Dave had a fantastic weekend at Road America with five straight Group wins. Bill outgunned Dave on the best finish with a tenth to Dave's 11th.

Race Report

Road America

Round 43

Carrera
DIGITAL 132

26th September 2026

Thumbs up from Jenson who only ran in the Saturday morning session, taking a best of 12th while Nick took his first win of the year in Round 43.

Nick stops jumping the start to take his 1st win of the year

Nick Sismey finally controlled his habit of taking the yump before the start line too fast so losing laps as he was clearing the lap counting sensor. The reward, his first win of 2026 at his 43rd attempt having won the last one of 2025 on the Luanda Oval on 02Dec25. His sixth career victory, third Group B win in a row and fifth over the weekend came thanks to his best score of the weekend, 76.4 laps. However he was pleased that reigning Endurance Race Champion **Victor de Oliveira** had retained his three lap penalty (which he will going into the next ER at Ruapuna on 13Oct26) as that reduced his 77.7 laps recorded on the SmartRace app to 74.7, 1.7 behind Nick.

Victor's first Group A win of the weekend came with his fourth Pole in a row at Road America taking him to 83 (20), the 20 Poles in 2026 equalling **Simon Goodlip's** listing. He would also lower his own fastest lap record from 8.994 seconds in Round 40 down to 8.856 seconds here, still the only racer to go sub nine seconds. Simon took third on 73.9 laps, his two lap penalty also carrying over to Ruapuna as he finished on the podium for the fifth time over the two days of racing.

2nd	1st	3rd
Victor de Oliveira	Nick Sismey	Simon Goodlip

Tom Gray will go into Ruapuna penalty free as he took fourth on 73.7 laps. **Luke Hobson** made it seven Group C wins from eight starts, his fourth in a row, finishing in joint sixth with 72.1 laps. That was matched by Group D winner **Andrew Staniec** taking back-to-back Group D wins with his third of the weekend, his sixth placed finish his best of the Road America event and one off equalling his all-time best result. He also took seventh on the grid beating his eighth at Sonoma Raceway on 20Jan26.

The only other PB set in our penultimate race of the weekend was that of **Andy Mason** who set the 19th fastest lap beating his 20th in the previous race as he also finished in 19th.

2024/2024 Endurance Race Champion Simon takes the lead in the 2026 Championship by 180

points over Tom, with former leader, the absent Steve White now in third, another 5 points back. Simon moved up one place, Tom two.

Unfortunately car problems saw **Ian Cowlshaw** become the first racer to take four straight Wooden Spoons this year as he again took 21st with only 11.9 laps. Ian decided to call it a day after this race, handing his car over to **Phil Rees** ready for Ruapuna, leaving us with 20 racers for final round of the day.

Saturday PM Group D – Daryl, Andy, Simon, Ian, Dave & Andrew

Group C – Richard, Daniel, Luke, José & Stuart

Simon closes out Road America Weekend with 5th win

Simon Goodlip dominated the nine race Road America weekend with five wins, taking his fifth in our third 5-minute Sprint Race of the event. Despite carrying a one lap penalty he took the win by 0.2 laps, 28.8 to 28.5 laps from double Road America GT winner **Tom Gray** with **Nick Sismey** finishing on the same lap with 28.1 laps in the books in third. This was his fourth straight Group B win, a PB, and sixth over the course of the weekend. Tom was the most prevalent podium finisher in Wisconsin with seven, Simon on six. This was Simon's 58th (13th) win and eighth at Road America. Tom also takes over the lead in the laps completed in 2026, with 2,409.2 to **Liam Smith's** 2,394.5 and **Angus Smith's** 2,329.2.

Round 44 SR14 Sprint Races 26Sep26 DHORC-CD 253		
2nd Tom Gray	1st Simon Goodlip	3rd Nick Sismey

Victor de Oliveira was also carrying a one lap penalty, taking fourth on 27.7 laps, however he closed out the Elkhart Lake event with his 84th (21st) Pole, going one ahead of Simon for the year with his fifth straight front grid placing. He went one better with his sixth straight fastest lap, so all of the Saturday Club Nights, taking him to a career record of 95 (24).

Andrew Staniec went one better than Round 43 with fifth here on 27.5 laps equalling his best ever result, and with it made it three straight Group D wins and four for the weekend. As a result of his performances in the USA he moves up the most places in the Ranking Chart, up 17 places from 34th to a head spinning 17th.

Luke Hobson however was the king of the Group winners at Road America, taking his eighth Group C win from nine starts, with his fifth in a row. His 27.5 laps but a tenth behind Andrew as he finished the weekend in sixth. While **Dave Trantom** didn't add to his five Group wins in Round 44 it was his 50th race start, finishing joint 12th with **Richard Booth** and his McLaren on 24.4 laps. **Daniel Kalyan** would become our 26th different Wooden Spoon winner in 2026 with 16.7 laps leaving him in 20th.

Interestingly, regarding the lap penalties, six of the nine races would have had a different result at the top without the penalties, so it shows the ruling is working.

Now for the remaining Championships updates following our nine Club Nights. First the annual Championships.

Simon Goodlip also takes the lead of the Sprint Race Championship, after his two Sprint Race wins, turning a 28.5-point deficit into a 30-point lead over former leader of the pack, the absent Steve White. Reigning Sprint Race Champion **Victor de Oliveira** maintains third, reducing the gap to second from 36.0 to 30.5 points

In the Group Challenge **Phil Rees** jumps up from fifth to take the lead by 6.5 points over **Liam Smith** who remains in second. **Tom Gray** moves up from seventh to third just 2.5 points back while erstwhile leader, prior to Road America, Martin Thorpe, who only ran in the three Friday night races, did well to only fall down to fourth another 2.0 points back!

Our 2025 70+ Group Challenge Champion **Andrew Staniec** moves up from second, 5.0 points behind **Richard Booth**, to first 12.5 points to the good over Richard, with Richard's brother-in-law **Stuart Gray** still in third but the gap increasing from 3.0 to 21.0 points over the nine Road America Club Nights.

Due to Martin Thorpe only running in the three Friday night races and Steve White being unable to attend the entire weekend Team M&S's 37.5-point lead has evaporated in the Team Group Challenge as they drop to third, 7.0 points behind **Richard Booth** and **Nick Sismey's** Old Rollers Team who jump up from fifth.

Team Audistang move up from second to take the lead thanks to **Simon Goodlip's** five Group A wins and **Phil Rees'** Group C win on Saturday morning. Their lead is 29.5 points over the Old Rollers.

And finally the two Weekend Championships.

Again as Martin Thorpe only ran in the three Friday Club Nights at Road America and missed the six Saturday races our former Weekend Group Challenge leader drops to ninth with **Phil Rees** jumping up one place to take the lead by 17.0-points from **Tom Gray** (up from sixth) with **Nick Sismey** moving up no less than 11 positions to third, 5.5 points behind Tom.

Just 3.5 points then cover the next four racers, with **Daniel Kalyan** and **Andrew Staniec** sharing fourth 2.5 points back, **Simon Goodlip** half a point down in sixth, with another half a point to **Richard Booth** in seventh!

Team Audistang of **Phil Rees** and **Simon Goodlip** increase their lead in the Weekend Team Group Challenge from just 0.5 points after the eight Monza races to 23.0, but over **Richard Booth** and **Nick Sismey's** Old Rollers who move up a place, with 25.5 points separating them from the Gray Hounds team of **Stuart Gray** & **Tom Gray** who move up two places to third. The M&S team of Martin Thorpe and Steve White drops from second in Italy to sixth after the USA trip.

Angus did a great job all weekend at Parc Ferme. He took two second placed finishes at Road America. Here coding in Anthony's Audi R8 which took a best of 7th in this last race.

The NASCAR Cup grid without the absent Terry Mullen's car

Tom, Liam & Simon all take NASCAR Cup wins

We had three different winners in the three 5-minute NASCAR Cup races during the Road America weekend. This is structured slightly different to the GT races with all of the car owners running in Group A based on their ranking and their team mates then running in Group B in the same positions as their car owners. Also if a team mate is away you can bring in a reserve driver.

Tom Gray took his first win of the year in Round 3 while stand in driver for Team M&S2 **Liam Smith** took the win in Round 4 on Saturday morning, with **Simon Goodlip** being the first racer to take two wins in 2026. He leads the Championship with his M&S2 Team leading the Team Championship thanks to four wins from five rounds this year. Next stop Road Atlanta.

Circuit History

Euromarque Motorsport Park (often referred to as **Ruapuna**) is a permanent motor racing circuit owned and operated by the Canterbury Car Club Inc on land leased from the Christchurch City Council. It is located at 107 Hasketts Road in Templeton, 13-kilometre (8.1 mi) west of Christchurch, New Zealand. It was opened as Ruapana Park in 1963, and between 2004 and 2013 was known as Powerbuilt Raceway at Ruapuna Park. Mike Pero joined the circuit as title sponsor from 2013–2023, as Mike Pero Motorsport Park. In the early parts of February 2023, the sponsorship deal was over, and Euromarque became the new title sponsor.

The track also features a drag strip, pit garages, racing school, speedway circuit and even a radio controlled car circuit. There are a number of configurations of the circuit with licences from FIA Grade 3 to National grades 1, 2 and 3.

The track was opened in November 1963. The circuit was a fairly simple sealed surface road course, at just a mile in length and comprising essentially a flat tri-oval with an extended main straight down to a hairpin bend. In 1976 the main straight was widened and a staging area added to allow drag racing to take place. The biggest change in the circuit's history came in 1993 when it was extended to 3.330 km (2.069 mi), along with other renovations.
