About: dhorc

History and Key Facts

HO Club founded on 7 July 1992

- DHORC: Derby HO Racing Club ("HO" Is The Scale = 1/64th)
- Based at Derby Leisure and Events, open to all!
- Home of world famous international Le Mans 24 Hour race until 2019.
- Smaller scale version of Scalextric, once set up works all night!
- Four and Eight lane circuits
- Computerised timing
- Statistics for every meeting and every member since July 1992
- Over 30 Club Nights each year
- 50+ circuit designs, up to 567 feet in length
- Eight-lane routed dhorcingham oval
- Two car categories – Tyco open wheel (F1)
  – Tomy SGP, BSRT, VSR, Bulldog enclosed wheel (GC)

Carrera Digital Club 1st race 18 January 2022

- 1/32nd Carrera Digital GT Cars
- 16 Evenings a year, with 15-minute Endurance & 5-minute Sprint Races
- 10+ circuits
- Full computerised timing and stats through SmartRace App

The Club Nights and Magazine Coverage

HO

- Racing starts at 18:45 hours – Finished by 22:00 hours
- Minimum of four 3-minute qualifying races & up to two Finals (F1 & GC) for each member
- Championship points for all members
- Magazine produced for every meeting covering every member & track statistic

Carrera Digital

- Racing starts at 18:00 – Finished by 22:00 hours
- Magazine produced after each evening
- Championship points for all members

- Rules & regulations booklet covering all the DHORC rules produced each year
- Great family atmosphere, a help-all culture

Membership Fees, Car Costs and Prizes

- Adult £40 and junior (under 16) £20 for HO & Carrera, £50/£25 combined
- Only £50 Total expenditure for two cars HO Cars, £65 one Carrera
- All cars and spares can be bought at club
- Adult, Masters (over 56), Junior (16 & under) HO Championships
- Adult & 70+ Carrera Championships

Editorial 072

What an incredible 10 days of Carrera Digital racing, from Road Atlanta on 23/24Oct26, Interlagos 402 on 27Oct26 and now Fortaleza on 03Nov26. These three evenings covering 15 Club Nights, adding 21,744.4 laps and 582 miles to our Carrera Digital (CD) record books. This took us through 10,000 miles of racing since the CD side of the club's inception on 18Jan22. Thanks to all for your support.

There have been a few long days and nights sorting out all the data and putting these magazines together, but I enjoy being busy, it's how I relax!

Congratulations to **Victor de Oliveira** for dominating all three Club Nights at the Autódromo Internacional Virgílio Távora near Fortaleza in Brazil after below par performances, for him, in the previous two events. While **Simon Goodlip** didn't take a win in either Endurance Race Rounds 41 or 42 he now just needs 6-points at Luanda to take his third Championship. Only Victor can stop Simon also taking his first Sprint Race Championship.

We also had 10 other Group winners led by **Stuart Gray** who won all three Group D races, **Dave Trantom** for winning two Group E races, and then **Lewis Blacker (C), José Borges (C), Colt Holland (F), Nick Jarram (E), Terry Mullen (C), Phil Rees (B), Nick Sismey (B)** & **Angus Smith (B)**.

Next stop is our 196' Luanda Roval and our only oval the fantastic 104'5" Luanda Oval, in Angola. Interestingly Luanda also had a street circuit called Fortaleza! Not a lot of people know that!

Nick Sismey

2. We have surpassed 10,000 miles in Carrera Digital Races

With thanks to the 67 Members who have raced in our 271 Club Nights since 18Jan22, we surpassed 10,000 miles with our Carrera Digital GT cars at Fortaleza on Tuesday 03Nov26. We have in fact completed 10,052 now.

Not quite what Mary Chapin Carpenter had in mind when she wrote the lyrics to her song but certainly worth singing about!

4. We have a Projector again!

With thanks to **Dave Kitchener** from Derby Leisure & Events we again have a projector in our Club Room so everyone can see the SmartRace app much clearer. The one attached to the ceiling had a faulty bulb replaced but it has never worked as well since, the new bulb was just too weak. Dave dug this one out of the storeroom and it worked perfectly. Thanks Dave.

Carrera DIGITAL 132

3rd November 2026

Victor de Oliveira dominated Fortaleza winning all three races. He broke both the Endurance & Sprint Race records and now holds all records in all three categories. He even matched José Borges with the most Group Points on a night, 25.

When not running Race Control Phil Rees (left) won Group B in Round 61 taking 5th while Angus Smith, away from Parc Ferme, won the same Group in Round 60 with 3rd

Victor returns to winning ways In style!

After a 12 race barren spell over the nine race Road Atlanta weekend and the three Interlagos 402 races **Victor de Oliveira** returned to the top step of the podium at the Autódromo Internacional Virgílio Távora near Fortaleza to take his third straight Endurance Race victory at the Brazilian circuit. His record 67th (13th) win proceeded his record equalling 95th (32nd) Pole matching **Simon Goodlip's** club record. Victor also went on to extend his fastest lap record to 105 (34) with his Aston Martin (1). His 85.6 laps was well short of his own track record of 87.5 laps however he was able to keep triple Interlagos 402 winner **Steve White** in check to the tune of 0.6 laps, as Steve finished in second on 84.8 laps. Steve's Porsche 911 (2) was carrying a 2-lap penalty however that would have seen him take the win by 1.2 laps without!

With his 17th Group A win of the year Victor also beat 2022 Endurance Race Champion **Angus Smith** who took the bottom step of the podium in third on 83.5 laps. He and his Audi R8 (1) took the Group B win, his fifth Group win of the year as he hunts down his first win in 2026 to ensure he maintains his person recordl of at least one win per year. We had 30 racers on the grid for our two 15-minute Endurance Races followed by 31 for our 5-minute Sprint Race on a very busy night.

Chris Cooper made it two Group B and two Group A racers in the top four on 83.1 laps and four different car types with his McLaren 720s (1). **Tom Gray** made it five with his BMW Z4 (1) in fifth on 82.6 laps and three to two in favour of Group A in the top five. **Nick Sismey** then spoilt the run

Terry Mullen (right) took the Group C win in Round 60, with his best run of the night, 11th while Chris Cooper made his best run of the night of fourth in the same race.

You can't beat a cup of cha! Ian Cowlishaw took until the third race of the night to record his best result of 22nd while Dave Trantom won Group E in the first race with a best of 14th, taking a second Group E win the third race of the night.

with the second Porsche 911 (2) home on 81.8 laps with his third sixth place finish in a row, but he did equal out the Groups with three from A & B. Group B then took the lead with **Phil Rees'** Ferrari 488 (1) making six car types in the top seven places on 81.6 laps. **Martin Thorpe**, three times race winner at Road Atlanta, kept the Group B train going and added another Porsche 911 (3) to the party in eighth on 81.5 laps.

Double Endurance Race Champion and 2026 Endurance Race Champion elect Simon then added a fourth Group A racer to the top nine, his Audi R8 (2) hitting 80.8 laps but it was carrying a 1-lap penalty, which without he would have finished in joint sixth with Nick. **Andrew Staniec** then made sure Group B were all done and dusted within the top ten as he and his Corvette (1) finished in B6 on 80.4 laps, seven car types in the first ten places. Good to see such variety.

The top ten cars had all crossed the start/finish line 80 times or more. The next 16 cars on the grid between 70 and 79 times in the 15-minutes allocated. **Terry Mullen** was but a tenth of a lap away from joining the 80+ racers on 79.9 laps in 11th, his McLaren 720S (2) around four tenths of second per lap slower than Chris' similar model in fourth and 4.2 laps behind as he conquered Group C. **Lewis Blacker** was our next Ferrari 488 (2) over the line in 12th on 79.1 laps a good 2.4 laps ahead of our fourth Porsche 911 (4) to reach the pit lane on 76.7 laps, that of **James Wardle**.

Two other racers joined James on the 77th lap, **Dave Trantom** being one, taking the Group E win just a tenth marker behind James in 14th with his BMW Z4 (2), his tenth Group win of the year, with Terry on seven. The other was **Ted Whittaker** and his McLaren 720S (3) in 15th on 76.3 laps as he gets his eye in for better performances later! **Stuart Gray** was our fifth and final Group winner with his BMW Z4 (3), taking the D by half a lap over **Daniel Kalyan**, in his 250th race, and his Audi R8 (3), 75.9 laps to 75.4, 16th to 18th. Between these two in 17th was **Lee Stokes** on 75.5 laps with our second Aston Martin (2) on the grid. Having taken two PB second place finishes at the last two races at Interlagos 402 this was a bit of a come down. Just goes to show there are different courses for different horses! Was it the Aston? He would change to a BMW Z4 for the next race.

Nick Jarram's Mercedes AMG (1) joined the three above him on their 76th lap as he took second in the E to Dave, two tenths of a lap behind Daniel on 75.2 laps. **Steve Whittaker** and his BMW Z4 (4) was also well out of place in 20th closing out Group A on 74.3 laps while he was followed in by Group E racer **Andy Mason** on 74.0 laps in 21st which would be Andy and his Ferrari 488's (3) best result of the evening. While Andy finished in E3 **Richard Booth**, also in his 250th race, finished in D3, 0.4 laps back on 73.6 laps with his McLaren 720S (4) taking 22nd across the line.

Having taken all three Group C wins at Interlagos 402 **Andrew Woodhouse's** BMW Z4 (5) wasn't liking the much shorter, twisty Fortaleza track compared to the long straights at Interlagos. He would take C5 here on 73.2 laps and 23rd. **Dave Edwards'** Porsche 911 (5) was also struggling on this different circuit. While Andrew had taken a best finish of sixth last week, Dave, in the same race had taken a ninth. Here he was 24th on 73.0 laps. A tenth of a lap behind him was **Ian Cowlishaw** with another Porsche 911 (6) on 72.9 laps in 25th. Racers from three different Groups separated by just 0.3 laps.

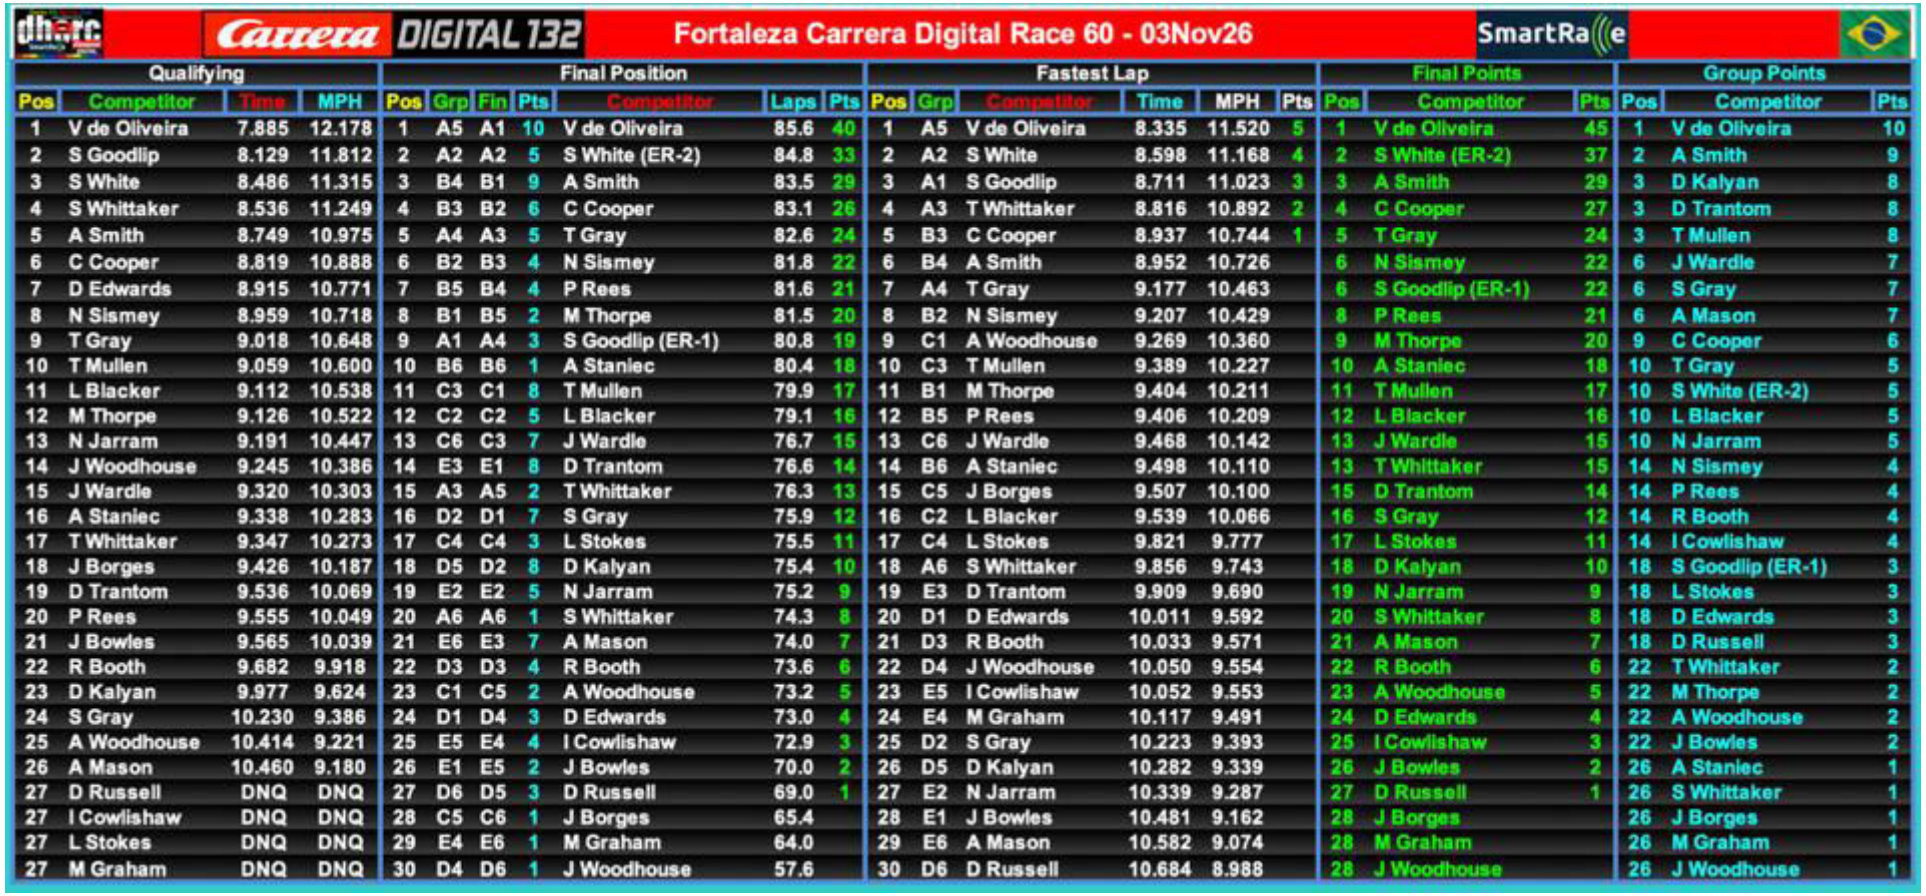

James Bowles' McLaren 720S (5) was the 16th and last of the 70+ lap racers in the first Round of the night as he hit 70.0 laps on the nose in 26th finishing in E5. **Daryl Russell** did the same with D5 exactly a lap further back with his Ferrari 488 (4) in 27th taking the final point of the race.

The last three Groups were then closed out with the last three racers, with **José Borges** returning with his Audi R8 (4) after missing both Road Atlanta and Interlagos 402, to take C6, on 65.4 laps in 28th. Just sixth tenths of a lap further back was **Mike Graham's** Pink Pig Porsche 911 (7) in 29th closing out Group E with **Jenson Woodhouse** taking the final place in Group D, D6 on 57.6 laps in 30th which gave him his third Wooden Spoon of the year with his Porsche 911 (8)

The cars on the grid were Porsche (8), BMW (5) McLaren (5), Audi (4), Ferrari (4) Aston Martin (2) Corvette (1) Mercedes (1)

Tom Gray took a best of 4th in Round 61 while dad Stuart Gray won Group D in all three Fortaleza races with a best finish of 12th in Round 62. Tom remains second in the Endurance Race Championship and third in the Sprint Race Championship with their team Gray Hounds still second in the Team Group Challenge.

Andy Mason was back after missing Interlagos to take a best of 21st in his first race of the night.

Race Report

Fortaleza

Round 61

Carrera DIGITAL 132

3rd November 2026

Lewis Blacker took command of Group C in Round 61 with a run to 12th, which he also achieved in Round 60 but without the Group win. Andrew Woodhouse was two places behind Lewis in Round 61, his best result of the night.

Victor goes back-to-back at Autódromo Internacional Virgílio Távora

Victor de Oliveira made sure everyone knew he was back on form by not only repeating his earlier victory but also by breaking his own Endurance Race track record at Fortaleza by increasing it from 87.5 laps to 88.8 laps. Truth be told he was carrying a 1-lap penalty, which meant he only beat his record by 0.3 laps, however penalty laps don't count in track records. Victor made 88.8 laps so 88.8 laps is the record! His margin of victory over **Ted Whittaker** was 1.1 laps, with the penalty, as Ted took his fourth podium in his last five starts with 86.7 laps.

This was Victor's record 68th (14th) win and taking back-to-back maximum scores thanks to his record 106th (35th) fastest lap giving him an extra five points again. He now holds the records for the number of wins, fastest laps and with his 96th (33rd) Pole, one more than **Simon Goodlip**, the record for Poles! Simon continued to keep the pressure on however looking to become our first triple Endurance Race Champions by taking third here, three tenths behind Ted on 86.4 laps. **Tom Gray** would make it four Group A racers in the top four sitting on 84.6 laps, his highest number of laps to date at the Brazilian circuit.

James Wardle and friend Nick Jarram who won Group E in the second Endurance Race with a 16th place finish. James didn't win a Group but took a better finish of 13th in Round 60

Simon has extended his lead in the Endurance Race Championship after 42 Rounds from 222 to 254 points over Tom. With Victor taking both wins in Fortaleza, he has moved past **Martin Thorpe** who took ninth in this race on 83.4 laps, into third another 92 points back,. Simon now just needs 6-points to take his third ER Championship at Luanda, so a 16th place finish (12-points) will give him that Championship as he has to drop six points.

Back up the leaderboard **Phil Rees** took his first Group (B) win of the evening just a tenth of a lap behind Tom in fifth on 84.5 laps while there was another tenth between Phil and **Nick Sismey** in sixth on 84.4 laps, his fourth straight sixth place finish! Retaining his 2-lap penalty from his two ER wins at Interlagos 402 as he was on the podium in the first Fortaleza race **Steve White** finished on a final total of 83.6 laps in seventh equal, whereas without the penalty he would have finished in fourth! Sharing seventh with Steve was **Andrew Staniec** in his ninth top ten finish in the last 10 Club Nights! Behind Martin sitting in ninth, were fellow Group B racers **Angus Smith** and **Chris Cooper** finishing in B5 and B6 on 82.7 and 80.8 laps in 11th and 12th.

That meant ten out of the top 11 finishers have taken at least one win at DHORC-CD. **Lewis Blacker** made it 11 from 12 following his four wins across 2023 and 2024. His 80.1 laps here gave him the Group C win, his fourth Group win of the year. With 10 racers achieving a lap score of 80 or more in Round 60, in Round 61 that increased to 12. There again 16 scored between 70 and 80 laps last time out, this time it was down to 15 racers. Leading that merry band was **José Borges** on 79.2 laps in 13th, and second in Group C, while **Andrew Woodhouse** made it three Group C finishers in a row in 14th on 79.0 laps exactly.

Stuart Gray was enjoying Fortaleza as he took his second straight Group D win scoring one lap more than in Round 60, with 76.9 laps and one place better in 15th. That left 16th available for Group E winner this time, **Nick Jarram** on 76.8 laps, a 1.6 lap and three place improvement. **Richard Booth** followed brother-in-law Stuart home in the D nine tenths behind on 76.0 laps while another tenth further back saw **Daniel Kalyan** finish in 18th on 75.9 laps, running without his dad Jag who had caught a nasty cold! Get well soon Jag.

James Wardle unfortunately dropped six places in the second long distance race of the evening, from 13th to 19th on 75.2 laps even though he only scored 1.2 laps less than the first one! **Terry Mullen** lost even more ground, going from 11th in his first Autumnal race on the Brazilian track to 20th here on 75.0 laps, leaves on the track proposed as the cause! 4.9 less laps may have been the other reason. **Dave Trantom** followed suit dropping seven places from 14th to 21st on 74.7 laps while six time race winner in 2026 **Steve Whittaker** slowed down the pattern only dropping two places from 20th to 22nd but actually improved his lap score from 74.3 to 74.6 laps a tenth behind Dave.

Ian Cowlishaw stopped the rot by improving his lot, with 73.3 laps taking him up to 23rd from 25th in Round 60 on 72.9 laps. **Luke Stokes** began the rot again! He couldn't match his Interlagos performance, dropping another seven places to 24th, 22 places below his last two results at Interlagos as he wrestled his car around Fortaleza. How can two tracks in the same country be so different Lee must be thinking! His 73.0 laps were seven tenths of a lap ahead of **Andy Mason**, who never had the pleasure of our longest track, dropping just four places to 25th on 72.3 laps.

Dave Edwards' 71.8 laps saw him halve the disappointment Andy suffered as he only dropped two places to 26th while **James Bowles** halved that again 26th to 27th on 70.3 laps. **Mike Graham** actually went the other way from 29th to 28th, thanks to 67.7 laps in Round 61 compared to 64.0 in Round 60. That left **Daryl Russell** in 29th this time on 65.8 laps with a two place drop while **Jenson Woodhouse** made it back-to-back Wooden Spoons, his fourth of the year, on 63.8 laps, despite an extra 6.2 laps in the books. In fact there were 2,332.9 laps run this time across the grid compared to 2,286.3 previously

James Bowles had a best run to 13th at the start of the evening.

Despite losing both Championship leads Steve White was still happy after his triple wins at Interlagos after a 21 race sabbatical. His best result here? Second in Round 60.

Race Report

Fortaleza (SR20)

Round 62

Carrera DIGITAL 132

3rd November 2026

José Borges missed both Road Atlanta and Interlagos so was looking forward to being back racing at Fortaleza where he won Group C in the Sprint Race taking tenth.

Victor takes a clean sweep in The Brazilian state of Ceará

Victor de Oliveira took the second clean sweep of all three Club Nights in Brazil after **Steve White**, who unfortunately only came in 28th this time due to car problems, achieved the same feat a week earlier at Interlagos 402. Victor's 35.4 laps in 5-minutes broke his own record of 34.1 laps set on 26May26. His 69th (15th) win was preceded with his 97th (34th) Pole and the 20th Sprint Race of the year included Victor's 107th (36th) fastest lap meaning that at Fortaleza he took a maximum 112.5 points out of a possible 112.5!

Winning Group A in all three races from A5 meant Victor also took home a record equalling 25.0 Group points, that **José Borges** achieved on 26May26. While José took the same 5.0 Group points in this race as Victor, winning Group C from C5 with 29.9 laps in tenth, he only took nine points in total from the two Endurance Races so couldn't match both his and now Victor's record this time.

Simon Goodlip was again the "bridesman" in Brazil, after taking second place at the first Interlagos race, finishing 1.7 laps behind the reigning Sprint Race Champion here. Simon continues to lead this year's Championship but with Victor taking his sixth 5-minute Sprint Race of the year, he has reduced the gap to Simon from 59.0 to 55.0 points with four races to go! **Tom Gray** remains in third but his deficit to Victor has increased from 13 to 27 points as he could only muster an 11th place finish, just behind José on 29.7 laps.

Group E – Andy, Ian, Mike Graham, Dave, Nick & James

Group D – Daryl Russell, Daniel, Jenson Woodhouse, Richard, Stuart & Dave Edwards

Group C – James, José, Lee Stokes, Terry, Lewis & Andrew

Following this race Tom cannot now amass the points Simon has already achieved however both Victor and Steve can although Steve can only match the points Simon has after Fortaleza. Therefore, it is down to Victor to put up any challenge to Simon's first Sprint Race Championship.

Ted Whittaker remained on the podium after his second place in the last race, but in third this time, three tenths behind Simon on 33.4 laps. Dad **Steve Whittaker** also finally got things together moving up 18 places to take fourth on 32.5 laps while **Nick Sismey** broke his run of sixth place finishes with fifth this time after an incredible Group B race with both **Martin Thorpe** and **Angus Smith**. Angus had the win in the bag with 5-seconds to go when his Audi hit the boonies giving Nick the win on 31.9 laps and Martin the chance to catch Angus on 31.8 laps to share B2, eighth and 11.0 race points, although Angus added another 0.5 points to this with the fifth fastest race lap.

Andrew Staniec and **Phil Rees** where having their own battle for B4 a lap behind these trio, it going to Andrew 30.4 laps to 30.2 at the flag. We covered José above in tenth on 29.9 laps, but incredibly there were five other racers starting or finishing their 30th lap behind José. Tom, again as we mentioned above, was two tenths behind our Portuguese friend with **Terry Mullen** and **Stuart Gray** sharing 12th on 29.5 laps, another two tenths back. While Terry finished in C3 Stuart took all three Group D wins on a track he clearly loved.

Phil has extended his Group Challenge lead from 12.5 points to 18.5 over Tom, who is now six points, rather than the 3.5 before Fortaleza, ahead of both Martin and now Nick who moves up from fifth to third equal.

The final two racers, out of six, on their 30th lap were **Chris Cooper** and **Lewis Blacker** on 29.4 and 29.3 laps respectively, that extra tenth awarded to Chris rewarding him with 14th which must have been due to rear weight reduction with the lack of a wing. Lewis has already put the protest in! **Dave Edwards** then joined with two other racers on their 29th lap, Dave passing the eighth tenth in 16th, **Dave Trantom** the seventh for 17th and with it his second Group E win of the night while for **Daniel Kalyan** seeing the first tenth in his rear view mirror he made it three 18th place finishes out of three at Fortaleza. A much better run than he had at Interlagos 402.

Four racers had 27 laps in the bag and were looking for their 28th when the lights went out. I can still hear SmartRace Connect counting down even now, "5,4,3,2,1" in what seems to be a lot quicker than five seconds! **Richard Booth** led the quartet having passed tenth marker No7, with **Nick Jarram** passing the half way point and **Lee Stokes** No4 in 21st. His average finishing position at Interlagos had been a PB 2.67, while Fortaleza had seen an average of 20.67! A new drawing board required! **Ian Cowlishaw** was just about to pass the No1 tenth board when his car came to rest with it still looming in front of him, 22nd his best result of the evening.

In the Team Group Challenge Simon and Phil's Audistang team continue to lead over Stuart and Tom's Gray Hounds but incredibly the lead change was just 0.5 points from 36.5 following Interlagos 402 down to 36.0 after our trip northwest to Fortaleza. Similarly, Richard and Nick's Old Rollers team deficit to Gray Hounds only changed from 2.0 to 3.0 points! Going to be close come the final reckoning at Luanda and the Circuit of the Americas in December!

Finally in the 70+ Group Challenge Andrew, our 2025 Champion, is still atop the pile, however Richard has reduced that gap from 12 to 10 points with Richard having two more scoring rounds to come before he starts to drop rounds unlike Andrew who is already dropping his worse scores. Our 2024 Champion Stuart in third has also eaten into his brother-in-law's lead over him in second, taking it down to 6 from 10 points.

Carrera DIGITAL 132

Lee (right) could only take a best of 17th after his two second places at Interlagos

Daryl Russell in 23rd, Jenson Woodhouse (finally off the bottom!) in 24th and Andy Mason in 25th only had a tenth of a lap between each other, which could so easily have been a three way tie for 23rd. Nevertheless it was Daryl and Jenson's best finishes of the evening. Andrew Woodhouse was beaten by son Jenson for the first time during the evening as he took 26th on 25.6 laps while his mate Mike Graham finished on the same lap, five tenths back on 25.1 laps, also his best result of the evening.

Steve's plight in 28th was covered above but he was still ahead of three finishers as we had 31 racers on the grid for the Sprint Races, one more than for the Endurance Races. While Steve closed out Group A, James Bowles did the same for the E two tenths behind Steve on 22.4 laps in 29th and James Wardle rounding out Group C with 21.8 laps in 30th. Our 31st racer was Colt Holland, one of our reserve racers who was still able to run in the Sprint Race. Unfortunately he again chose his second Porsche 911 and that just didn't have the handling of his number 1 car, so he took his second Wooden Spoon of the year in 31st on 19.5 laps. The good news however was that while he was last in Group F he was also first, so he took home his ninth Group win of the year and with it 3.0 Group points.

Group B – Andrew Staniec, Phil, Angus, Chris, Nick Sismey & Martin Thorpe

Group A – Steve Whittaker, Victor, Tom, Ted Whittaker, Steve & Simon

Group F for the Sprint Race – Daniel & Jenson ran with Colt Holland to keep him company but only Colt was classified with the Group F win

Jenson's best run was to 24th in the Sprint Race after taking back-to-back Wooden Spoons in the two Endurance Races.

What Are The Records?

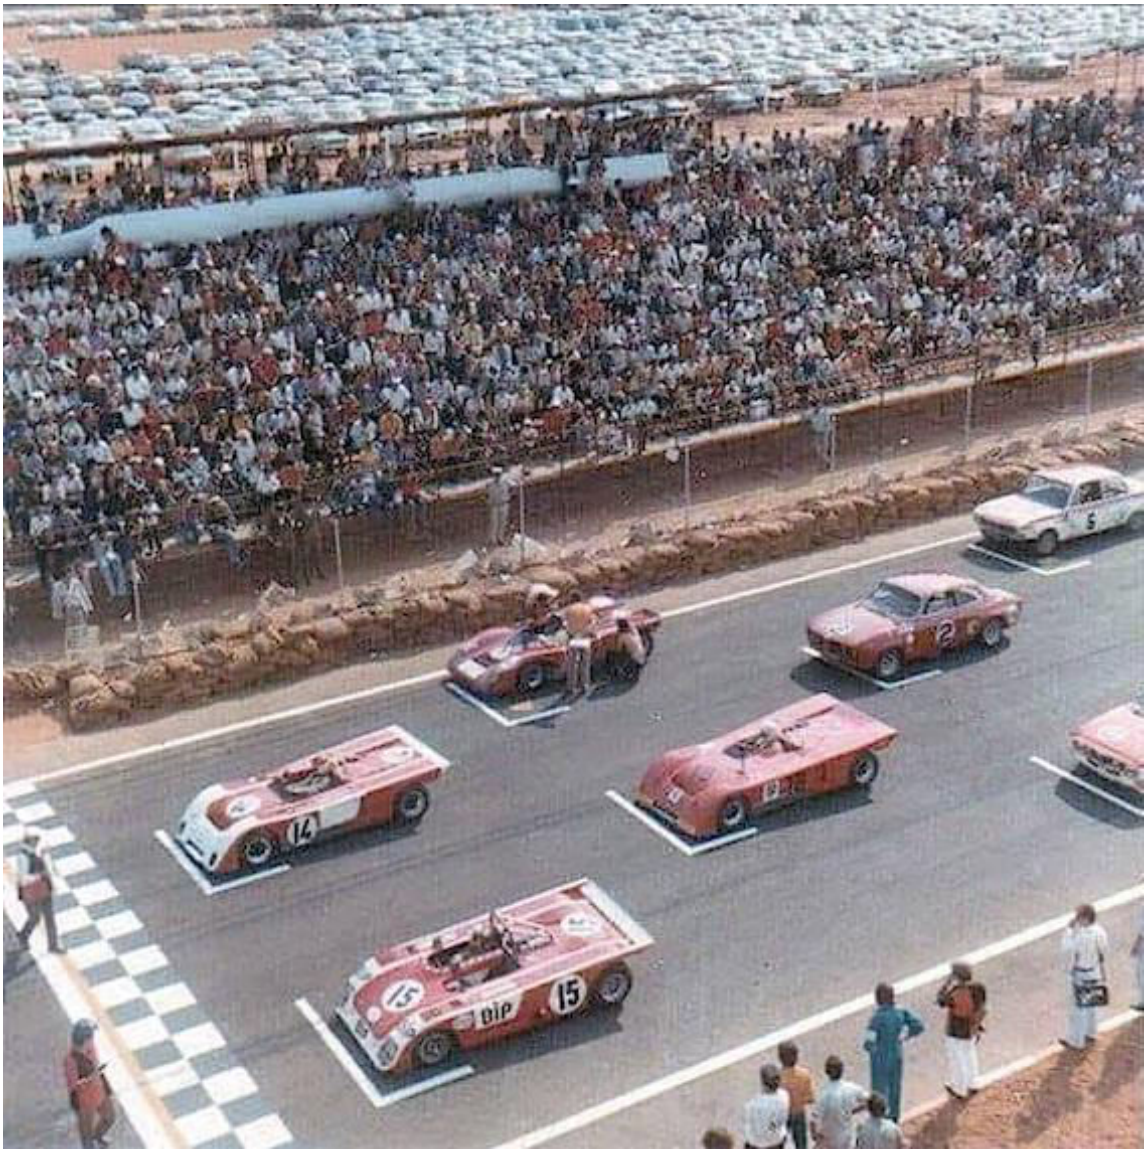

Who Has Been On The Podium?

Circuit History

When it first opened in 1972, the **Autódromo Internacional de Luanda** was hailed as the most sophisticated circuit of its type in the world and a template for all modern circuits to follow. The track in the Angolan capital boasted an Indianapolis-style oval course, multi-configuration road course and all the mod-cons of the day, including an electronic marshalling system.

Designed to showcase national pride and match its colonial master Portugal, the circuit was also the first in the world to employ gravel traps.

Sadly, the civil war stymied activity as far as motorsport was concerned, until a revival in the 2000's under private ownership breathed life back into the venue. However, by the end of the 2020s it had fallen into decline again, with government investment said to be needed to breathe further life into it. The coronavirus pandemic added another layer of uncertainty, with the track surface falling into considerable disrepair. However, in July 2021, racing resumed following intervention from the Angolan Federation of Motor Sports.
